To the Plan Administrator of the  
Fox Electric I, LTD. 401(k) Plan

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of the Fox Electric I, LTD. 401(k) Plan (the "Plan") as of and for the year ended December 31, 2022, and have issued our report thereon dated August 21, 2023. Professional standards require that we advise you of the following information related to our audit.

### **Our Responsibility in Relation to the Financial Statement Audit**

As communicated in our engagement letter dated July 11, 2023, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"). Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution"). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America ("U.S. GAAP"). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

### **Planned Scope and Timing of the Audit**

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

### **Compliance with All Ethics Requirements Regarding Independence**

The engagement team and our firm, including its employees, have complied with all relevant ethical requirements regarding independence.

## **Significant Risks Identified**

We have identified the following significant risks:

- Management override of internal controls - During participant testing, we selected highly compensated employees, newly eligible employees, participants and non-participants, and employees responsible for Plan administration. We reviewed for eligibility according to the terms of the Plan document. In addition, we reviewed notes from the 401k Committee to address the risk that there is management override of controls.

## **Qualitative Aspects of the Plan's Significant Accounting Practices**

### *Significant Accounting Policies*

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note B to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2022. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

### *Significant Accounting Estimates*

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. There were no particularly sensitive or complex accounting estimates made by management that have been recognized during the year ended December 31, 2022.

### *Financial Statement Disclosures*

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. There were no particularly sensitive or complex disclosures that have been recognized in the financial statements during the year ended December 31, 2022.

## **Significant Unusual Transactions**

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. We have not identified any significant unusual transactions.

### **Identified or Suspected Fraud**

We have not identified any fraud or suspected fraud.

### **Significant Difficulties Encountered During the Audit**

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

### **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management.

Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances, or disclosures, and the financial statements as a whole. Uncorrected misstatements or matters underlying those uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even though the uncorrected misstatements are immaterial to the financial statements currently under audit. There were no uncorrected misstatements identified in the current or prior year.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. See the attached schedule for a listing of corrected misstatements.

### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

### **Representations Requested from Management**

We have requested certain written representations from management, which are included in the attached letter dated August 21, 2023.

### **Management's Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

### **Other Significant Matters, Findings, or Issues**

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

### **Other Information in Documents Containing Audited Financial Statements**

Pursuant to professional standards, our responsibility as auditors for other information in documents containing the Plan's audited financial statements does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate such other information. However, in accordance with such standards, we have reviewed the Form 5500 to ensure it is materially consistent with the financial statements included with the Form 5500 filing.

### **Other Matters**

The ERISA-required supplemental schedule was subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This representation letter is provided in connection with your audits of the financial statements of the Fox Electric I, LTD 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

We have elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency (a "qualified institution") that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information such that, in the light of surrounding circumstances, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of August 21, 2023, the following representations made to you during your audits:

## REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator of the  
Fox Electric I, LTD. 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Fox Electric I, LTD. 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“GAAP”).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor’s Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter — Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**FOX ELECTRIC I, LTD. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**December 31, 2022 and 2021**

**A. Description of the Plan**

**General**

The following description of the Fox Electric I, LTD. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. The Plan is sponsored by Fox Electric I, LTD. Its general partner, Fox/Tanton Electric Corporation, is a participating employer. Collectively, the two companies are herein referred to as the “Companies”.

The Plan was effective November 1, 1985, and most recently restated effective April 1, 2018, and is a defined contribution plan available to all employees of the Companies who have completed one year of service and are age twenty-one or older. Eligible employees may enter the Plan on January 1<sup>st</sup> or July 1<sup>st</sup> following the satisfaction of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan was amended effective January 1, 2022. The following changes were made: (1) the definition of eligible compensation was amended to now exclude fringe benefits, (2) the automatic Individual Retirement Account (“IRA”) rollover section was amended to state that if the participant makes no election, then the amount will be automatically rolled over to an IRA provided that the amount is least \$1, and (3) rollover contributions are now allowed to be included in the calculation to determine the \$5,000 threshold for automatic distributions.

The purpose of the Plan is to encourage the Companies’ employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

**Contributions**

Participants may contribute up to 100% of pre-tax annual compensation, as defined by the Plan. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the “Code”) as defined in the Plan document. Eligible participants may make rollover contributions to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the Plan year may make catch-up contributions in accordance with, and subject to, the limitations imposed by the Code.

The Companies may make discretionary matching contributions to the Plan as determined annually by the Companies’ management. Participants must: (1) be employed on the last day of the Plan year and complete 1,000 hours of service during the Plan year; or (2) have died, retired, or suffered disability during the Plan year to be eligible to receive discretionary matching contributions.

**FOX ELECTRIC I, LTD. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS (continued)**

**A. Description of the Plan – continued**

**Contributions – continued**

For the years ended December 31, 2022 and 2021, the Companies made a discretionary matching contribution equal to 100% on the first four percent of eligible compensation, and 50% on the next four percent of eligible compensation. The Plan allows for an additional discretionary contribution determined annually by the Companies' management. The Companies did not make additional discretionary contributions for either 2022 or 2021.

**Participant Accounts**

Each participant's account is credited with the individual participant's voluntary contributions and an allocation of (a) the Companies' contributions, if any, and (b) Plan earnings. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Vesting in the Companies' contribution portion of accounts, plus actual earnings thereon, is as follows:

| <u>Years of Service</u> | <u>Vesting<br/>Percentage</u> |
|-------------------------|-------------------------------|
| Less than 2 years       | 0%                            |

| 6 years                 | 100%                          |

In the event of disability, early retirement, or death, the participant will become fully vested.

**Investment Options**

#### **A. Description of the Plan – continued**

##### **Benefit Payments**

Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balances. Benefits are distributed in the form of rollovers or lump-sum payments. If withdrawing participants are not entitled to their entire account balances, the amounts not received are forfeited.

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of his or her vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, his or her spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from his or her principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) payments for funeral expenses for the participant's parent, spouse, children, or dependents; (6) expenses for the repair of damage to the participant's principal residence that would qualify for the casualty deduction under Code §165; or (7) for repair of a primary residence, even if that repair would not otherwise qualify for the casualty loss deduction.

##### **Forfeitures**

The Plan is permitted to use participant forfeitures to reduce employer contributions or to offset Plan expenses. Approximately \$34,500 and \$25,900 of forfeitures were used to offset Plan expenses for the years ended December 31, 2022 and 2021, respectively. Unallocated forfeitures outstanding at December 31, 2022 and 2021 were approximately \$9,700 and \$9,200, respectively.

##### **Plan Expenses**

Employees of the Companies perform certain administrative functions with no compensation from the Plan. In accordance with Plan provisions, the Companies pay substantially all costs relating to asset charges and record keeping. All significant administrative expenses are paid by the Companies and are not reflected in the accompanying financial statements.

#### **B. Summary of Significant Accounting Policies**

##### **Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

**FOX ELECTRIC I, LTD. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS (*continued*)**

**B. Summary of Significant Accounting Policies – continued**

**Use of Estimates**

The preparation of the financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

**Contributions**

Contributions from the Companies and participants are accrued as they become obligations of the Companies, as determined by the plan administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

**Investment Valuation and Income**

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and requires certain disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies under GAAP.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year-end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the Code are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions to the applicable participants prior to March 15, 2023.

**Payment of Benefits**

Benefits are recorded when paid.

#### C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined in GAAP are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that the methodologies used to measure the fair value of assets and liabilities be described. The methodologies used to measure each major category of assets and liabilities are as follows:

- Mutual funds: Valued based on quoted market prices of the underlying assets provided by the trustee and classified within Level 1 of the valuation hierarchy.
- Common collective trust: Determined by values reported by the Plan's third-party trustee, audited financial statements of the funds, and transaction prices before and after the Plan's year-end. While a majority of the underlying asset values are based on quoted prices, the net asset value ("NAV") of the common collective trust is used as a practical expedient to estimate fair value. The NAV is determined by the respective trustee as of the financial statement date. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the common collective trust, a twelve-month advance written notice is required.

### C. Fair Value Measurements – continued

There have been no changes in the methodologies used at December 31, 2022 and 2021. The following table details the Plan's investments at December 31, 2022 and 2021. The Plan has no assets classified within Level 2 or 3 of the valuation hierarchy.

(a) In accordance with GAAP, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The investments are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgement and may affect the placement of assets and liabilities within the levels of the fair value hierarchy. For the years ended December 31, 2022 and 2021, there were no transfers between levels.

#### C. Fair Value Measurements – continued

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

#### D. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, and interest and dividends for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Newport Trust Company (the trustee of the Plan).

#### E. Tax Status

The Companies have adopted a defined contribution pre-approved 401(k) plan of Newport Trust Company, which has a favorable advisory letter from the Internal Revenue Service (“IRS”) dated November 30, 2020. The Plan may rely on this letter with respect to the qualifications of the Plan under Code Section 401(a) with certain limitations. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and is tax exempt.

## **FOX ELECTRIC I, LTD. 401(k) PLAN**

### **NOTES TO FINANCIAL STATEMENTS *(continued)***

#### **E. Tax Status – continued**

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **F. Plan Termination**

Although they have not expressed any intent to do so, the Companies have the right to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan terminates, all amounts credited to participants' accounts will become 100% vested.

#### **G. Party-in-Interest Transactions**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA, which are exempt from the prohibited transaction rules.

#### **H. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**FOX ELECTRIC I, LTD. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS (*continued*)**

**I. Subsequent Events**

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through August 21, 2023, the date the financial statements were available for issuance.

During 2023, the Companies made a discretionary matching contribution equal to 100% of deferrals up to a maximum of six percent of eligible compensation.

Effective June 23, 2023 Newport Trust Company (“Newport”) was assumed by and formally merged with Ascensus, LLC and Ascensus Trust Company (collectively “Ascensus”). With this migration, the following changes became effective: (1) Ascensus replaced Newport as the recordkeeper, (2) Ascensus is the directed trustee of the Plan, and (3) Ascensus will replace Newport as the automatic rollover IRA provider.
