STANDARD DISTRIBUTING CO. 401(k) RETIREMENT PLAN
NEW CASTLE, DELAWARE

Independent Auditors' Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Standard Distributing Co. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Standard Distributing Co. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Standard Distributing Co. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Standard Distributing Co. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and

determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Standard Distributing Co. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Standard Distributing Co. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion --

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

STANDARD DISTRIBUTING CO. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

A. DESCRIPTION OF PLAN

The following description of the Standard Distributing Co. 401(k) Retirement Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General -- The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. Eligibility -- All employees who have completed three months of service by the end of a twelve month period and are greater than 21 years of age are eligible to participate in the Plan. Once eligible, admission into the Plan starts on the first day of the month following the three month period.
3. Contributions -- Eligible employees may make elective, tax-deferred contributions subject to the lesser of 25% of eligible compensation as defined by the Plan document, or the maximum amount allowed by law: \$20,500, or \$27,000 for participants over fifty years of age in 2022 and \$19,500 or \$26,000 for participants over fifty years of age in 2021. The Plan permits participants to contribute a maximum of 10% of eligible compensation to the Plan on an after-tax basis pursuant to Section 5.04 of the Internal Revenue Code.

Participants may also contribute amounts representing distributions from other qualified plans and certain IRAs. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes a matching contribution of 50% of the first 4% of compensation that a participant contributes to the Plan. In addition, the Company may make a special annual discretionary contribution that is allocated to eligible, active participants based on the ratio that each eligible, active participant's compensation bears to the total compensation paid to all eligible, active participants for the Plan year. The Company made a discretionary contribution of \$50,000 for each of the Plan years ended December 31, 2022 and 2021.

A. DESCRIPTION OF PLAN (Continued)

4. Participant Accounts -- Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on the participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
5. Vesting -- Participants are immediately vested in their voluntary contributions and any employer discretionary contributions plus actual earnings thereon. Vesting in the remainder of the account is based on years of service. A participant is 100% vested after six years of credited service.
6. Participant Loans -- A participant may request a loan once in any 12-month period. The minimum loan is \$1,000, and the maximum loan is limited to the lesser of one-half of the participant's vested account balance or \$50,000.

The loans are payable over a maximum period of five years, except loans utilized for the purchase of a personal residence, which may be paid over a period of up to ten years. The interest rate is set at the time each loan is granted by the employer, the interest rate is fixed during the life of the loan, and interest paid is credited to the participant's account.

7. Payment of Benefits -- Plan benefits are payable upon the retirement, death, or disability of a participant, or upon the termination of the Plan. Plan benefits for terminated employees may be payable upon termination or deferred until normal retirement age. A participant or his or her beneficiary may elect to receive either a lump sum amount equal to the participant's vested balance or annual equal installments over a period of time specified by the participant or beneficiary. In addition, participants may withdraw from their vested account balance if they can prove financial need. The Plan administrator is responsible for reviewing and approving all financial hardship requests.

A. DESCRIPTION OF PLAN (Continued)

8. Forfeited Accounts -- Forfeited non-vested accounts totaled \$5,434 and \$14,934 at December 31, 2022 and 2021, respectively. These accounts will be used to reduce future employer contributions or pay plan expenses.
9. Administrative Expenses -- The Plan's expenses are paid either by the Plan or the Plan sponsor, as provided by the Plan document. Expenses that are directly paid by the Plan sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits.
10. SECURE Acts -- Certain provisions of the Setting Every Community Up for Retirement Enhancement Act (SECURE Act) became effective January 1, 2020. The plan document was amended and restated effective July 1, 2022 to reflect operational changes related to the SECURE Act in accordance with applicable law and IRS guidance.

SECURE 2.0 Act of 2022 (SECURE 2.0) was signed into law on December 29, 2022. Written amendments to the Plan to reflect operational changes related to SECURE 2.0 will be adopted at a later date in accordance with applicable laws and regulations.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation -- The Plan's financial statements are prepared on the accrual basis of accounting.
2. Use of Estimates -- The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(Continued)

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

3. Investment Valuation and Income Recognition -- The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Interest and dividends are recorded when received. Realized gains and losses on investments are recognized upon the sale of the related investments and unrealized appreciation and depreciation are recognized at period end when the carrying values of the related investments are adjusted to their estimated fair market value. Purchases and sales of securities are reflected on a trade-date basis.

4. Participant Loans -- Participant loans are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

5. Payment of Benefits -- Benefits are recorded when paid.

6. Uncertain Tax Positions -- The Plan follows professional standards which clarify the accounting for uncertainty in income taxes recognized in the Plan's financial statements and prescribe a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken on a tax return. The standards also provide guidance on derecognition and measurement of a tax position taken or expected to be taken on a tax return.

The Plan did not have any unrecognized tax benefits as of December 31, 2022 and does not expect this to change significantly over the next twelve months. The Plan will recognize interest and penalties on any unrecognized tax benefits as a component of income tax expense. As of December 31, 2022, the Plan has not recognized interest or penalties related to uncertain tax positions.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

6. Uncertain Tax Positions (Continued)

The Plan files an annual return/report of employee benefit plan in the U.S. federal jurisdiction. The Plan's returns for tax years 2019 and beyond remain subject to examination by the Internal Revenue Service.

7. Subsequent Events -- Management has evaluated all subsequent events through the date of the independent auditors' report, which is the date the financial statements were available to be issued.

C. FAIR VALUE MEASUREMENT

Professional standards regarding fair value measurements and disclosures provide the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- ◆ Quoted prices for similar assets or liabilities in active markets;
- ◆ Quoted prices for identical or similar assets or liabilities in inactive markets;
- ◆ Inputs other than quoted prices that are observable for the asset or liability;
- ◆ Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

STANDARD DISTRIBUTING CO. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

(Continued)

C. FAIR VALUE MEASUREMENT (Continued)

Level 2 (Continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- ♦ Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- ♦ Common collective trust: A stable value fund that is composed primarily of fully benefit-responsive investment contracts, that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

D. INFORMATION CERTIFIED BY TRUSTEE

For 2022 and 2021, the financial information included in the Plan financial statements, except for contributions and distributions for withdrawals and terminations, has been derived from information certified as complete and accurate by Reliance Trust Company, the trustee, in accordance with Section 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	<u>2022</u>	<u>2021</u>
Investments:		
Mutual funds	\$5,007,792	\$6,361,166
Common collective trust	704,670	678,770
Participant loans receivable	129,809	109,324
Investment income	128,322	319,102
Net appreciation (depreciation) in fair value of investments	(1,391,861)	504,966

E. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts as of the effective date of Plan termination.

F. TAX STATUS

The Company adopted a non-standardized pre-approved plan developed by ADP, LLC. The Internal Revenue Service issued an opinion letter to ADP, LLC, dated October 6, 2020, stating that the plan document was designed in accordance with applicable Internal Revenue Code requirements as of that date.

F. TAX STATUS (Continued)

The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

G. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

H. CONCENTRATION OF CREDIT RISK

Financial instruments which potentially subject the Plan to significant concentrations of credit risk consist of an investment contract and mutual funds held in the custody of one financial institution. The investment contract is an uncollateralized contractual obligation under which the issuer agrees to pay a specific rate of interest for a fixed period of time and repay principal at maturity. The Plan seeks to place its investments with a high quality financial institution and continually monitors the financial strength of the institution to minimize the Plan's risk.

I. PARTY-IN-INTEREST TRANSACTIONS

ADP, a party-in-interest to the Plan, provides certain administrative services to the Plan pursuant to a service agreement with the Plan Sponsor. ADP receives revenue from mutual fund service providers for services it provides to the funds. ADP remits certain excess revenue back to the Plan on a quarterly basis. During 2022 and 2021, excess revenue amounts totaled \$255 and \$15,587, respectively, and are netted with administrative expenses on the statement of changes in net assets available for benefits.

This revenue is used to offset amounts owed to service providers who are parties-in-interest to the Plan, one of whom is a related party to the Plan Sponsor's owners, for other administrative services provided to the Plan. The Plan or Plan Sponsor may directly pay ADP for its administrative expenses not covered by revenue sharing.
