INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of
College Internship Program, Inc. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of College Internship Program, Inc. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of College Internship Program, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of College Internship Program, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about College Internship Program, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of College Internship Program, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about College Internship Program, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COLLEGE INTERNSHIP PROGRAM, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN:

The following description of the College Internship Program, Inc. Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Summary Plan Description or Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on February 1, 1988, covering substantially all employees of College Internship Program, Inc. who have elected to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Administration of the Plan

College Internship Program, Inc. (the "Company") is the plan sponsor and is responsible for the monitoring and administration of the Plan. ADP Retirement Services, the Plan's third-party administrator, is responsible for the general administration of the Plan and acts as the trustee/custodian for the Plan as of April 1, 2021. From January 1, 2021 to March 31, 2021, Ascensus Trust Company("Ascensus"), was the Plan's third-party administrator and Vanguard served as the asset custodian for the Plan.

Eligibility provisions

Effective January 1, 2021, the Plan was amended for eligibility requirements. Full-time, or part-time employees who are over the age of 21 are eligible to enroll in the Plan, on the first day of the month coinciding with or next following the date of hire. There is no eligibility service requirement. The Company has two annual enrollment dates, January 1 and July 1.

Participants' accounts

Each participant's account is credited with the participant's voluntary contributions and the Company's safe harbor matching and plan earnings (losses) and reduced by any expenses, if applicable. Allocations are based on participant account balances, participant earnings, compensation or transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

Contributions

The Plan provides for eligible employees to contribute up to the maximum limit allowable under the Internal Revenue Code. Pre-tax and ROTH deferrals are limited to \$20,500 and \$19,500 in 2022 and 2021, respectively. The Plan allows for catch-up contributions (limited to \$6,500 in 2022 and 2021) for participants over age 50. Participants direct their contributions into various investment options offered by the Plan. Participants may change their investment options at any time.

The Plan provides for an employer safe harbor matching contribution equal to 100% of the first 3% and 50% of the next 2% for a maximum of 4%. Amounts allocated to participant accounts are determined by the participant's compensation as a percentage of total participant's compensation. The Plan provides for a discretionary profit-sharing contribution and employer match as determined by the Company on an annual basis. Amounts allocated to participant accounts are determined by the participant's compensation as a percentage of total participant's compensation. No discretionary profit sharing contributions or employer match were made for the years ended December 31, 2022 and 2021.

COLLEGE INTERNSHIP PROGRAM, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN: (CONTINUED)

Notes receivable from participants

Effective January 1, 2021, participants may borrow against their vested account balances. Only one loan may be outstanding at any point in time. The minimum borrowing amount is \$1,000 and may not exceed the lesser of \$50,000 or fifty percent of the participant's vested benefits. The interest rate on the outstanding loan corresponds to prime rate plus 1% and was 4.25% to 5.75% for the years ended December 31, 2022 and 2021, respectively. Loans are for a period not to exceed five years (except longer terms are available for loans issued for the purchase of a principal residence). Principal and interest is paid through payroll deductions. If an employee is no longer with the Company, the outstanding loan is immediately due and payable.

Payment of benefits

Participants' normal retirement, disability or death benefits are determined by the value of their accounts as of the most recent valuation date, plus any participant contributions made since such valuation date. Participants in the event of retirement, disability, or their beneficiary in the event of death, will receive their benefits in a lump-sum payment.

Hardship distributions are allowed if the participant satisfies certain conditions. Additionally, on attainment of the normal retirement age of 59½, a participant may elect to withdraw funds from the Plan.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Vesting

Participants are immediately vested in their voluntary contributions and the employer safe harbor matching contributions plus actual earnings thereon.

Vesting in discretionary profit-sharing contributions is based on years of credited service. A participant must work 1,000 hours during each Plan year to earn a year of vesting service. A participant becomes 100% vested in the event retiring at a normal retirement age, disability, death, the Plan is terminated or contributions to the Plan are discontinued, or after three years of credited service in the following increments:

<u>Vesting Schedule</u>	
<u>Years of Service</u>	<u>Percent Vested</u>
Less than 3	0%
3	100%

Forfeited accounts

A forfeiture is a loss of all or a portion of employer discretionary profit sharing contributions and earnings thereon allocated to an account of a participant separating from service before becoming fully vested. Forfeitures of terminated participants' nonvested accounts will be allocated to the Company's matching contribution for each succeeding Plan year, if necessary, until such forfeitures have been exhausted. At December 31, 2022 and 2021, there were no forfeited nonvested accounts.

COLLEGE INTERNSHIP PROGRAM, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN: (CONTINUED)

SECURE 2.0 Act of 2022

The SECURE 2.0 Act of 2022 (the “Act”) was signed into law on December 29, 2022, to increase retirement savings, improve retirement rules, and lower employer costs of setting up a retirement plan. Plan amendments required by the Act generally need not to be made until the end of the first plan year beginning on or after January 1, 2025, however, plans must operate in accordance with effective date of each new provision.

Major provisions of this Act that may affect the Plan include:

- Increase in the required minimum distribution age from 72 to 73, beginning in 2023.
- Catch up contributions for any participants over age 50 who earn over \$145,000 are now required to be made on a Roth basis, effective January 1, 2026.
- Further expansion of eligibility to long-term part-time workers, which will allow participation after two consecutive years of 500 or more hours.
- The limit for mandatory cash outs will be raised from \$5,000 to \$7,000.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition

Plan investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). The Plan administrator determines the Plan’s valuation policies utilizing information provided by the investment advisors, custodians and the insurance company. See Note 4 for further discussion of fair value measurements. All investments are participant directed.

In accordance with the policy of stating investments at fair value, the statements of changes in net assets available for benefits includes the net appreciation (depreciation) in the fair value of investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Purchases and sales of securities are reflected on the trade date and gains and losses are determined on the basis of identified cost. Interest income is recorded as earned on the accrual basis and dividends are recorded on the ex-dividend date.

Earnings on investments, with the exception of participant loans, are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant’s individual account balance to the aggregate of participant account balances. The portion of interest included in each loan payment made by a participant is recognized as interest income in the participant’s individual account.

Benefit payments

Benefit payments to participants are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Plan expenses

Certain plan expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of benefits paid to participants or their beneficiaries are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America and the Department of Labor's ("DOL") rules and regulations for reporting and disclosure under the Employee Retirement Income Security Act of 1974 requires the Plan Administrator to make estimates and assumptions that affect the reported amount of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

3. INFORMATION CERTIFIED BY THE TRUSTEES:

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974. Accordingly, Reliance Trust Company (Reliance) and Ascensus Trust Company, the trustees of the Plan, certified to the Plan administrator the fair value and physical custody of investments, participant loans and investment transactions to be complete and accurate as of December 31, 2022 and 2021, which are included in the Statements of Net Assets Available for Benefits, as well as dividend and interest income, net appreciation (depreciation) in the fair value of investments included in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2022 and 2021 and the information contained in Note 4 concerning investments, and the information included in the Schedule of Assets (Held at End of Year). Reliance held the Plan's investment assets and executed transactions from April 1, 2021 to December 31, 2022 and Ascensus Trust Company held the Plan's investment assets and executed investment transactions from January 1, 2021 to March 31, 2021.

4. FAIR VALUE MEASUREMENTS:

The Plan follows established guidelines for a fair value hierarchy that prioritizes the inputs used to measure fair value. An asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement. The hierarchy prioritizes the inputs into three broad levels as follows:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities. Market price is generally obtained from exchange or dealer markets.
- Level 2 Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. Inputs are obtained from various sources including market participants, dealers and brokers.
- Level 3 Unobservable inputs that are supported by little or no market activity as they trade infrequently or not at all and that are significant to the fair value of the assets or liabilities.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

4. FAIR VALUE MEASUREMENTS: (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that registered with the Securities and Exchange Commission. These funds are valued at the closing price recorded on the active market in which these individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth the Plan's assets at fair value as of December 31:

Fair Value Measurements at December 31, 2022				
	Total Fair Value	Level 1	Level 2	Level 3
Investments at fair value:				
Mutual funds	\$ 2,970,533	\$ 2,970,533	\$ -	\$ -
Fair Value Measurements at December 31, 2021				
	Total Fair Value	Level 1	Level 2	Level 3
Investments at fair value:				
Mutual funds	\$ 3,308,912	\$ 3,308,912	\$ -	\$ -

5. RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS:

In 2022 and 2021, ADP Retirement Services was recordkeeper of the Plan and Reliance was the trustee. Fees paid by the Plan to ADP Retirement Services are party-in-interest transactions. Contract administrator fees paid to ADP for the years ended December 31, 2022 and 2021 totaled \$989 and \$772, respectively.

For the years ended December 31, 2022 and 2021, certain other fees paid by the Plan for investment management services were included in net (depreciation) appreciation in the fair value of the investments, as they are paid through revenue sharing rather than a direct payment.

Certain employees and officers of the Company, who may also be participants in the Plan, perform administrative services at no cost to the Plan.

COLLEGE INTERNSHIP PROGRAM, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

6. TAX STATUS:

The Plan is a prototype Plan administered by Ascensus and a determination letter was received dated October 6, 2020, in which the Internal Revenue Service stated that the Plan as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

7. RISKS AND UNCERTAINTIES:

The Plan provides for various investment fund options in any combination of mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. SUBSEQUENT EVENTS:

Management has evaluated subsequent events through October 2, 2023, the date on which the financial statements were available to be issued.
