## **Independent Auditor's Report**

**To the Plan Administrator  
Thompson Thrift Retirement Plan  
Terre Haute, Indiana**

### ***Scope and Nature of the ERISA Section 103(a)(3)(C)***

We have performed an audit of the financial statements of Thompson Thrift Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan by a qualified institution, provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

#### ***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedule of assets held for investment purposes is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTE 1 - PLAN DESCRIPTION**

The following is a brief description of the Thompson Thrift Retirement Plan (the "Plan"). Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering all employees of the participating employers who are 21 years old. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

**Plan Amendments**

Effective August 1, 2022, the Plan was amended to allow for participant loans.

**Participating Companies**

The following Companies, which are related parties, are participating employers in the Plan:

Thompson Thrift Construction, Inc.  
Thompson Thrift Development, Inc.  
John Thompson, a Sole Proprietor  
Paul Thrift, a Sole Proprietor

**Entrance Date**

An employee is eligible to enter the Plan on quarterly entrance dates (January 1, April 1, July 1, and October 1) immediately following completion of the age requirements.

**Contributions**

Each year, participants may contribute up to 50% of annual compensation, as defined by the Plan. The Plan allows for catchup contributions for participants who have reached age 50 by the end of the year.

The Plan automatically enrolls all newly eligible participants into the Plan at 5% and at the beginning of each Plan year auto enrolled participants deferrals are increased by 1% not to exceed 10%. Participants may also contribute rollover monies from other qualified plans.

The Companies' contributions consist of discretionary matching and profit-sharing contributions. The matching contributions are based upon a percentage of each participant's salary deferral that is contributed to the Plan. For the year ended December 31, 2022, the Companies matched 30% of the contributions of each participant. No discretionary profit-sharing contributions were made for the year ended December 31, 2022.

**NOTE 1 - PLAN DESCRIPTION (CONTINUED)**

**Contributions (Continued)**

Forfeitures from terminated participants' nonvested accounts are used to reduce future Company contributions or pay Plan expenses. For the year ended December 31, 2022, forfeitures amounting to \$86,722 were used to reduce employer contributions. Amounts available for future use as of December 31, 2022 and 2021, were \$31,246 and \$230, respectively.

**Vesting**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Companies' contribution portion of their account plus actual earnings is based on years of service. A participant is 100% vested after three years of credited service.

**Participant Notes Receivable**

Participants may borrow from their accounts a minimum of \$1,000 up to an amount that is equal to the lesser of \$50,000 or 50% of the present value of the participant's non-forfeitable accrued benefit. All loans are to be repaid over a period not to exceed five years, although an extension of the repayment period may be granted if the loan proceeds are used to purchase a participant's principal residence. Interest is charged at a rate commensurate with prevailing market rates as determined by the Plan administrator. Any loans shall reduce the participant's balance in the individual's account and will be restored as the principal balance when such loan is repaid. All interest paid by the participant shall be credited to his or her own individual account. Loans are valued at the unpaid principal balance plus accrued but not unpaid interest. The Plan permits a participant to have no more than one loan at any given time.

**Benefit Payments**

Upon attaining age 59 1/2, termination of employment, retirement, death or disability, a participant (or beneficiary) may elect to receive vested benefits in a single lump-sum amount. Active participants may also elect to take a distribution for a qualifying hardship in accordance with the Plan's provisions. Benefits are recorded when paid.

**Plan Termination**

Although they have not expressed any intent to do so, the Companies reserve the right to terminate the Plan at any time. In the event of Plan termination, participants will become 100% vested in their account balances.

**NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements are presented using the accrual method of accounting.

**NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Estimates**

The preparation of financial statements requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

**Fair Value Measurements**

ASC 820 defines fair value, establishes a framework for measuring fair value and enhances disclosures about fair value measurements. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (or exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date.

Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. Observable inputs are inputs that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's assumptions about the inputs that market participants would use in pricing the asset or liability and are developed based on the best information available in the circumstances.

The fair value hierarchy input levels are as follows:

- Level 1 - Quoted market prices in active markets for identical assets or liabilities that are accessible at the measurement date.
- Level 2 - Observable inputs other than quoted market prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets, or quoted market prices for identical or similar assets or liabilities in markets that are not active.
- Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

**Management Evaluation of Subsequent Events**

The Plan has evaluated subsequent events through October 6, 2023, the date on which the financial statements were available to be issued.

**NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, the trustee (or custodian) of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments:

- Investments at fair value
- Notes receivable from participants
- Net appreciation (depreciation) in fair value of investments
- Interest and dividends
- Interest income on notes receivable from participants
- Schedule of assets held at end of year

**NOTE 4 - PARTICIPANT DIRECTED INVESTMENTS**

Participant contributions held in the Plan are participant-directed accounts. That is, individual participants decide how funds held in trust for them are allocated among various investment options.

**NOTE 5 - TAX STATUS**

The non-standardized prototype plan received a determination letter dated June 30, 2020, stating the Plan, as then designed, was acceptable under Section 401 of the Internal Revenue Code (IRC). The Thompson Thrift Retirement Plan has not requested a separate determination letter. The Plan has been amended since receiving the determination letter; however, the Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, they believe the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Authoritative accounting standards require the Plan to examine its tax positions for uncertain positions. Management is not aware of any tax positions that are more likely than not to change in the next 12 months or that would not sustain an examination by applicable taxing authorities.

The Plan's policy is to recognize penalties and interest as incurred in its statement of changes in net assets available for benefits, which totaled \$0 for the year ended December 31, 2022.

**NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments were managed by Great-West Trust Company, LLC ("Great-West"). Great-West is the custodial agent and, therefore, these transactions qualify as party-in-interest transactions.

---

**NOTE 7 - ADMINISTRATIVE EXPENSES**

Administrative expenses paid from the Plan represent recordkeeping and professional fees which amounted to \$83,653 for the year ended December 31, 2022.

**NOTE 8 - FAIR VALUE MEASUREMENTS**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Registered investment companies:* Valued at the daily closing price as reported by the underlying fund, which is traded on a national exchange.

*Money market funds:* Valued at the net asset value of shares held by the Plan at year-end.

*Common/collective trust:* Stated at fair value as determined by the issuers of the funds on the fair market value of the underlying investments, which is valued at net asset value (NAV) as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There have been no changes in valuation methodologies at December 31, 2022, compared to December 31, 2021. The Company's policy is to recognize transfers between levels at the end of each reporting period, if applicable. There were no transfers in or out of Level 3 assets or liabilities during the year ended December 31, 2022.

\* Certain investments that are measured at fair value using the NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented on these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

**NOTE 9 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
