INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
the California Waste Services, LLC 401(k) P/S Plan
Gardena, CA 90247

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of California Waste Services, LLC 401(k) P/S Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022 , and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of California Waste Services, LLC 401(k) P/S Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects,

the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of California Waste Services, LLC 401(k) P/S Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about California Waste Services, LLC 401(k) P/S Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of California Waste Services, LLC 401(k) P/S Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about California Waste Services, LLC 401(k) P/S Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (Held at End of Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Plan Description

The following description of the California Waste Services, LLC 401(k) P/S Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2020, in accordance with Section 401(k) of the Internal Revenue Code. It is a defined contribution plan and voluntary contribution plan.

Eligibility

The Plan provides eligibility for participation for all employees of California Waste Services LLC (the "Company") who are at least 18 years of age, and upon completion of 3 consecutive months of service from date of employment.

Plan Administration

The plan is administered by California Waste Services, LLC. The recordkeeper of the Plan is Plan Administrators, Inc (Pai). The trustee of the plan is PAi Trust Company, Inc.

Participant Contributions

Employee contributions to the Plan are deferrals of the employee's compensation made through a direct reduction of compensation in each payroll period. The plan has two kinds of Elective Deferrals, the participants are able to make– 1) Pre-Tax 401(k) deferrals or 2) Roth 401(k) deferrals. The maximum tax deferred contribution up to 100 % of their annual compensation on pre-tax basis, as defined in the Plan, on a tax – deferred basis, up to $20,500 and participants over the age of 50 may contributed additional $6,500 to the Plan for 2022, a maximum amount allowed by the Internal Revenue Code ("IRC"). Compensation limit is $305,000 and contribution limited to $61,000 and it cannot exceed 100% of compensation.

For the year 2022 and 2021, "Receivable employers' contributions in the accompanying Statements of Net Assets Available for Benefits includes $8,985 and $19,052 for additional true-up contributions.

Employer Contributions

The company make safe harbor matching contribution amount equal to 100 % of matched employee contribution that are not more than 4% of compensation.

The Company may make discretionary profit-sharing contributions and non-safe harbor matching contribution for the employees if completed at least 1,000 hours of service during the Plan Year and are employed by the Company on the last day of the Plan Year. For the year ended December 31, 2022, the Company has not made any discretionary contribution.

Note 1. Plan Description (continued)

Employer Contributions (continued)

The Company made an additional true-up matching contribution after year-end to adjust the aggregate Company matching contribution for the year to equal the lesser of 4% of the participant's eligible matching compensation.

Vesting

Participants are immediately vested in their voluntary contributions and safe harbor matching contribution plus actual earnings thereon. Vesting in the company's allocated non-safe harbor matching contribution and profit-sharing contributions portion of their accounts plus earnings thereon is based on years of services.

A participant is 100 percent vested after 3 years of vesting service. Year of vesting service means 1000 hours of service during the Plan Year.

Rollover Contributions

Eligible employees may roll over eligible amounts from other plans to the Plan.

Participant Accounts

Each participant's account is credited with participant's contribution and earnings thereon and allocations of the Company's contribution and related earnings and charged with an allocation of administrative expenses. Allocations of investment earnings are based strictly on the participant's selection of investments and timing of purchase. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants may direct investments of their account balance among several investment options.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of the value of their vested account balance. Loan terms shall not be for more than five years unless the loan is for the purchase of a principal residence. Loan used to purchase primary residence may be repaid within period of no more than 30 years. The loans are secured by the remaining vested balance in the participant's account and bear interest at a rate commensurate with prevailing rates as determined by the Plan administrator. The maximum number of loans outstanding at any one time is two. Principal and interest are paid ratably through payroll deductions.

Note 1. Plan Description (continued)

Benefit Payments

Upon retirement, death, disability, or termination, a participant or his/her beneficiary may elect to receive accumulated retirement benefits in a single distribution in cash. In addition, a terminated participant may also elect to transfer into an individual retirement accounts all amounts which qualify as a rollover under the provisions of the Internal Revenue Code of 1986, as amended.

If the vested interest balance is less than $1,000, the Plan Administrator will be distributed directly in cash. If the vested amount account balance is more than $1,000 but less than $5,000, vested balance will be distributed from the Plan, if participants fails to select election, the Plan Administrator will transfer vested Account to an IRA established in participant's name.

Forfeitures

Forfeitures may be used to pay plan expenses or to reduce employer contributions.

SECURE 2.0 Act of 2022

The SECURE 2.0 Act of 2022 was passed into law in December 2022. The provisions of SECURE 2.0 Act of 2022 continue the themes and reforms that began with the 2019 SECURE Act. Since the provisions include both required and optional elements, the Plan Administrator will determine provisions which will impact the operation of the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 2. Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared using accrual basis of accounting, in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

GAAP requires the plan management/administrator to make estimates and assumptions that affect certain reported amounts of net assets and changes therein. Actual results may differ from those estimates.

Note 2. Significant Accounting Policies (continued)

Investments

The Plan's investments are stated at fair market value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade- date basis. Investment income is recorded on the accrual basis. Dividend income is accrued on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefits payment is recorded.

Net Appreciation/Depreciation in Fair Value of Investments

Net appreciation/Depreciation in fair value of investments, as recorded in the accompanying statements of changes in net assets available for benefits, includes changes in the fair value of investments acquired, sold, or held during the year.

Administrative Expenses

Certain administrative fees are paid by the Plan.

Payment of Benefits

Distribution of participants are recorded when paid.

Note 3. Risks and Uncertainties

The Plan provides for various investment options in any combination of equity, fixed income, and other investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Note 4. Fair Value Measurements

Fair value measurement establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements):

Note 4. Fair Value Measurements (continued)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Mutual funds are categorized as Level 1 and are valued at the closing price reported on the active market on which the individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

.

Note 4. Fair Value Measurements (continued)

The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	Level 1	*Level 2*	*Level 3*	*Total*
Mutual Funds	$525,641			$525,641
Total Assets at fair value	$525,641			$525,641

	Assets at Fair Value as of December 31, 2021			
	Level 1	*Level 2*	*Level 3*	*Total*
Mutual Funds	$ 328,124			$328,124
Total Assets at fair value	$ 328,124			$328,124

Note 5. Information Prepared and Certified by Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee of the Plan, has certified to the completeness and accuracy of:

- Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net appreciation/depreciation in fair value of investments and interest and dividends reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investments reflected on the schedule of assets held at end of year.

Note 6. Party-In-Interest Transactions

Certain Plan investments are managed by PAi Trust Company, Inc., the trustee, and custodian of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provision of the Plan and are especially exempt from the prohibition of party-in-interest transactions under ERISA.

Additionally, note receivable from participants is considered party-in-interest transactions and one exempt from the prohibited transaction rules under ERISA.

Note 7. Income Tax Status

The Plan is patterned after a prototype plan which was determined to qualify under Section 401 (k) of the Internal Revenue Code (the Code) and therefore, is exempt from federal income taxes under Section 501(a) of the Code. The Plan is exempt from state taxes under similar statutes.

Note 8. Subsequent Events

The Plan has evaluated subsequent events through September 15, 2023, which is the date the financial statements were available to be issued. The Plan has concluded that no events or transactions have occurred.
