**Part III Form M-1 Compliance Information (to be completed by welfare benefit plans)**

**11a** If the plan provides welfare benefits, was the plan subject to the Form M-1 filing requirements during the plan year? (See instructions and 29 CFR 2520.101-2.) ..... ☐ Yes ☐ No

If "Yes" is checked, complete lines 11b and 11c.

**11b** Is the plan currently in compliance with the Form M-1 filing requirements? (See instructions and 29 CFR 2520.101-2.) ..... ☐ Yes ☐ No

**11c** Enter the Receipt Confirmation Code for the 2022 Form M-1 annual report. If the plan was not required to file the 2022 Form M-1 annual report, enter the Receipt Confirmation Code for the most recent Form M-1 that was required to be filed under the Form M-1 filing requirements. (Failure to enter a valid Receipt Confirmation Code will subject the Form 5500 filing to rejection as incomplete.)

| Part I | Service Provider Information (see instructions) |
|--------|-------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

## Report of Independent Auditor

To the Plan Administrator  
Liberty Healthcare Services Retirement Plan  
Wilmington, North Carolina

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Liberty Healthcare Services Retirement Plan (the “Plan”), employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investments information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# LIBERTY HEALTHCARE SERVICES RETIREMENT PLAN

## NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

---

### Note 1—Plan description (continued)

The Plan was established August 1, 1997 and most recently restated March 3, 2022. The Plan was amended during 2022 to update the list of participating Companies and implement provisions of the Coronavirus Aid, Relief, and Economic Security Act. Employees must have one month of service, are age 20 or older, and not be covered by a collective bargaining agreement to be eligible to participate in the Plan. Participants are eligible for employer contributions after completing 12 months of service. In accordance with Internal Revenue Code ("IRC") Section 414(b), the Companies are a controlled group of corporations whereby all employees of each company shall be treated as employed by a single employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

*Contributions* – Each year, participants may contribute up to 50% of eligible compensation, as defined by the Plan, to the maximum statutory limits under the IRC. For certain facilities, the Plan has a 2% automatic deferral election, meaning that if an eligible participant does not specifically designate that he or she does not want to participate, then 2% of eligible compensation, as defined in the Plan, will be automatically deferred into the Plan. Participants may change their salary reductions as of the beginning of each payroll period. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Companies may match an additional amount to the Plan at their discretion. During 2022, the Companies contributed 35% of the first 4% of each participant's contribution. These contributions are allocated to one or more of the various investment options as directed by the Plan participants and investment allocation can be changed by the participant at any time.

*Participant Accounts* – Each participant's account is credited with the participant's contribution and allocations of (a) the Companies' contribution and (b) the Plan's earnings (losses) and charged with the participant's distributions and an allocation of any administrative expenses not paid by the Plan sponsors. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting* – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies' discretionary matching contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. Employees with two through five years of service are partially vested in their accounts as follows: two years – 20% vesting, three years – 40% vesting, four years – 60% vesting, and five years – 80% vesting. Full vesting occurs upon completion of six years of service. In all events, amounts allocated to employer contribution accounts become 100% vested if a participant is actively employed upon attainment of normal retirement age of 59½, disability, or death.

*Forfeited Accounts* – As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$112,813 and \$89,826, respectively. These amounts will be used to reduce future Plan expenses and employer contributions. During the year ended December 31, 2022, \$116,073 of forfeited nonvested accounts was used to pay Plan expenses. During the year ended December 31, 2022, \$5,586 was used to reduce employer contributions.

*Payment of Benefits* – Upon the event of separation of service, death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in their account. Payments may be made in cash only, except for insurance and annuity contract distributions. The Plan sponsor may cash out any participant account balances less than \$5,000. The Plan requires consent from the participant for any distributions over \$5,000. Hardship distributions are permitted from all account contribution types upon the participant demonstrating a financial burden. The minimum distribution is \$500. In-service distributions are permitted to participants who have not separated and attained age 59½.

## NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

---

### Note 1—Plan description (continued)

*Notes Receivable from Participants* – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by their highest outstanding note receivable balance during the preceding 12-month period or 50% of their eligible account balance. The notes are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan administrator (4.25% to 8.00% as of December 31, 2022) and must be repaid within five years, unless the funds borrowed are used towards the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions and allocated to the appropriate funds according to the participant's investment election at the time of the payment.

*Expenses* – The Companies pay certain administrative expenses on behalf of the Plan which are excluded from these financial statements. Investment-related expenses are included in net depreciation in fair value of investments.

### Note 2—Significant accounting policies

*Basis of Accounting* – The Plan's financial statements are prepared on the accrual basis of accounting. This basis conforms to accounting principles generally accepted in the United States of America ("U.S. GAAP").

*Estimates* – The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

*Investment Valuation and Income Recognition* – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Fair Value Measurements* – U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

U.S. GAAP describes three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

## NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

---

### Note 2—Significant accounting policies (continued)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The Plan uses appropriate valuation methodologies based on the available inputs to measure the fair value of its investments. The following are descriptions of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

*Mutual Funds* – These investments are public investment vehicles valued using the net asset value (“NAV”) provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

*Money Market Fund* – This investment is generally a short-term money market fund valued using \$1 for the unit value. Fidelity Management Trust Company, the “qualified institution” or “Trustee” establishes the market and quotes the price, on a daily basis, that is available to market participants. This valuation method is a market approach. As such, the money market fund is classified within Level 2 of the valuation hierarchy.

*Self-Directed Investments – Common Stocks* – Underlying individual securities in the self-directed investments are valued based upon the closing price of shares or units reported on the market on which the individual securities are traded. Underlying securities are classified within Level 1 of the valuation hierarchy because closing prices are reported on active markets.

*Common Collective Trusts – Stable Value Common Collective Trust Funds* – Stable value funds that are composed primarily of fully benefit-responsive investment contracts that are valued at NAV of units of the bank collective trusts. NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

*Common Collective Trust Funds* – Funds that are composed primarily of investments in other collective funds and mutual funds that are valued at NAV of units of the bank collective trusts. NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The Plan believes its valuation methods are appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

*Risks and Uncertainties* – The Plan invests in various investment securities. Investment securities in general, are subject to various risks, such as interest rate, credit, and overall market volatility. Due to the levels of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

*Notes Receivable from Participants* – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant notes receivable are reclassified as distributions based upon the terms of the Plan document.

## NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

---

### **Note 2—Significant accounting policies (continued)**

*Excess Contributions Payable* – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (“IRS”) are recorded as a liability with a corresponding reduction to contributions.

*Payments of Benefits* – Benefit payments are recorded when paid. At December 31, 2022 and 2021, there were no benefit payments requested and not yet disbursed.

### **Note 3—Information certified by the qualified institution (unaudited)**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the qualified institution or Trustee has certified to the completeness and accuracy of the following data included in the accompanying financial statements and supplemental schedule:

- Investments, at fair value and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net depreciation in fair value of investments, interest and dividends income, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2022.

The Plan’s independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(\*) In accordance with U.S. GAAP, certain investments that are measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

| Common collective trust funds              | \$ 26,133,814 | n/a                  | Daily                | - before 4:00 p.m. (EST)    |

The Plan invests in common collective trust funds with investments in contracts at fair value of the underlying investments, and then adjusted by the issuer to NAV. The funds may invest in fixed interest insurance investment contracts, money market funds, corporate and government bonds, mortgage-backed securities, bond funds, and other fixed income securities. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at NAV. NAV represents contributions made to the fund, plus earnings, less participant withdrawals. The risk of the common collective trust and its net realizable value are dependent upon the financial stability of the issuing entity and its ability to fulfill the terms of the contract. There were no reserves established against the value for credit risk at December 31, 2022 and 2021.

### Note 5—Income tax status

The Plan has a standardized prototype plan sponsored by Fidelity Management & Research Co. Fidelity Management & Research Co. received an opinion letter from the IRS dated June 30, 2020, which states that the prototype documents satisfy the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt. No provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

### Note 6—Plan termination

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### Note 7—Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

### Note 8—Party-in-interest transactions

Fees incurred and paid directly by the Plan for investment management, recordkeeping, and auditing services amounted to \$391,611 for the year ended December 31, 2022. Certain administrative expenses of the Plan are paid by the Companies as provided by the Plan document. Additionally, notes receivable from participants qualify as party-in-interest transactions.

### Note 9—Subsequent events

The Plan has evaluated subsequent events through October 6, 2023, which is the date the financial statements were available to be issued and has determined there were no events that required disclosure.
