Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of CHE & Affiliates 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of CHE & Affiliates 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Sections 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CHE & Affiliates 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CHE & Affiliates 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CHE & Affiliates 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CHE & Affiliates 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, schedule of assets (held at end of year) and schedule of delinquent participant contributions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CHE & AFFILIATES 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN

The following description of the CHE & Affiliates 401(k) Plan (the Plan) provides only general information. Participants should refer to the basic plan document, and relevant adoption and/or participation agreements for a complete description of the Plan's provisions.

1. General

The Plan is a multiple employer defined contribution plan established and made effective September 1, 2015, for the benefit of employees of NCN Management, LLC (Plan Sponsor). The Plan and the Trust of which it is a part of are intended to satisfy all of the requirements for a qualified retirement plan under the provisions of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The executives of the Sponsor are responsible for the oversight of the Plan. The Finance Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan adopted the provisions of the CARES Act and SECURE Act during 2020. The Plan document will be formerly amended by December 31, 2025 in accordance with the legislation.

NCN Management, LLC is the adopting employer and the following companies are participating employers: CHE Senior Psychological Services, PC, NJ Behavioral Health Services, PC, CT Behavioral Health Services, PC, CHE Senior Care Therapy Services, PC, Memory Check Psychological, PC, CHE Behavioral Health Services, Outpatient Medical Behavioral Health Services, PC, NJ Behavioral Health Services, PC, NCN Management, LLC, CHE Behavioral Health Services of Washington, PC, and Christopher Dennis MD, PLLC, (collectively "the Employers").

2. Eligibility

The Plan covers all eligible employees of the Sponsor and the adopting participating employers (the Employers) who have completed three consecutive months of service, as defined in the plan document. New employers entering the Plan may initially waive the eligibility requirements for their employees as of the date entering the Plan. Plan entry dates occur on the first day of the month after completing the Plan's service requirement.

3. Contributions

Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the plan document, limited by the provisions of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

NOTE A – DESCRIPTION OF THE PLAN – Continued

3. Contributions – Continued

Discretionary employer-provided matching contributions may be made to the Plan. The match, if any, will be a specified percentage of the elective contributions the employee makes to the Plan. The employers will determine the amount of the discretionary contributions, if any, that they will make each plan year. Employers can also elect to make a 401(k) safe harbor plan design contribution which aids the participating employers in passing discrimination testing required by ERISA. For the year ended December 31, 2022, NCN Management, LLC is the only employer that elected to contribute the safe harbor contribution, which is equal to 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's deferrals that exceeds 3% of total compensation, but are less than 5% of total compensation. The total safe harbor contributions totaled \$209,582 for the year ended December 31, 2022. All other employers have elected a discretionary match of 25% of contributions made that do not exceed 6% of compensation.

The Plan adoption agreement also allows for a discretionary profit-sharing contribution to be made into the Plan, at the employers' discretion. As of the year ended December 31, 2022, no profit-sharing contributions have been made into the Plan.

4. Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the employers' contributions, and Plan earnings and losses, if any. Allocations are based on participant earnings and losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

5. Vesting

Participants are vested immediately in their contributions plus actual earnings and losses thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service. A participant is vested 25 percent after their first year of service and an additional 25 percent each year thereafter up to the fourth year, in which the participant will be 100 percent vested.

6. Payment of Benefits

A participant may receive a benefit payment through an in-service withdrawal, hardship withdrawal, termination withdrawal, minimum required distribution, or related to death or disability. Each benefit payment type has eligibility criteria as defined in the Plan document. As of December 31, 2022, no amounts were payable to participants who had withdrawn from participation in the Plan. On termination of employment, participants with a vested account balance of less than \$5,000 can only be given a mandatory lump sum payment within a reasonable period of time after termination of employment. The vested balance does not take into account rollovers. If the participant has a vested account balance greater than \$5,000 excluding rollovers, the participant may choose between a single lump-sum payment, installments over a period of not more than your assumed life expectancy (or the assumed life expectancies of you and your beneficiary), or partial withdrawals. During the year ended December 31, 2020, as a response to COVID-19, Congress passed legislation that included relief for participants of benefit plans in the CARES Act and the SECURE Act.

NOTE A – DESCRIPTION OF THE PLAN – Continued

6. Payment of Benefits – Continued

The Plan adopted the provisions of the CARES Act and the SECURE Act, which allowed qualified individuals to receive payments of benefits up to \$100,000 without the 10% penalty for a specified period of time ending on December 31, 2020. Individuals who received qualified distributions under the CARES Act can elect to pay the distribution back within three years. As of December 31, 2022, no participants elected to pay back their qualified distribution.

7. Notes Receivable from Participants

The Plan allows participants to borrow from their respective account balances provided that such a loan would not exceed the lesser of \$50,000 or 50% of the value of the participant's total vested account balance under the Plan. Participants may only have one loan outstanding at any one time. No loan shall be made in an amount less than \$1,000. All terms of the loans are defined in the plan document. The loans bear interest equal to the prime rate plus 2% and are repayable upon separation of service. At December 31, 2022, notes receivable from participants bear interest rates ranging from 5.25% to 8.25%. The plan administrator will fix the term for repayment of any loan, however, in no instance may the term of repayment be greater than five years, unless the loan qualifies and is used for the purchase of the participant's principal residence for a reasonable period of time. In this case, the plan administrator will approve of a longer term. The Plan adopted the provisions of the CARES Act and the SECURE Act which allowed qualified individuals to borrow from their fund accounts equal to the lesser of \$100,000 or 100% of their vested account balance. Additionally, participants were allowed to suspend loan repayments for one year for repayments due between March 27, 2020 and December 31, 2020.

8. Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$1,409 and \$69,176, respectively. These accounts will be used to pay administrative expense of the Plan and reduce future employer matching contributions. In 2022, \$78,159 of forfeitures were used to reduce employer contributions.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

2. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Sponsor determines the Plan's valuation policies utilizing information provided by investment advisors and trustees. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Payment of Benefits

Benefits are recorded when paid.

5. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employers. Expenses that are paid by the Employers are excluded from these financial statements. Fees related to the administration of notes receivable and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

6. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recorded as distributions on the basis of the terms of the plan document.

7. Subsequent Events

The plan administrator has evaluated subsequent events for potential recognition or disclosure through October 2, 2023, the date the financial statements were available to be issued.

NOTE C – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust, the custodian of the Plan for the period January 1, 2022 through February 18, 2022, and by Empower Trust Company, LLC, the custodian of the Plan February 19, 2022 through December 31, 2022 and Massachusetts Mutual Life Insurance Company, the custodian of the Plan as of December 31, 2021.

NOTE D – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE D – FAIR VALUE MEASUREMENTS – Continued

The following table is set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Description	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,522,218	\$ -	\$ -	\$11,522,218
Total investments in fair value hierarchy	11,522,218	-	-	11,522,218
Investments at fair value	<u>\$ 11,522,218</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,522,218</u>

Description	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,553,005	\$ -	\$ -	\$12,553,005
Total investments in fair value hierarchy	12,553,005	-	-	12,553,005
Investments at fair value	<u>\$ 12,553,005</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,553,005</u>

NOTE E – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Great West Life and Annuity Insurance Company is the contract administrator for the Plan, and, therefore, transactions with the Plan and Great West Life and Annuity Insurance Company qualify as party-in-interest transactions. Administrative expenses paid by the Plan to Great West Life and Annuity Insurance Company for the year ended December 31, 2022 totaled \$305. Empower Life & Annuity Insurance is the custodian for the Plan, and, therefore, transactions with the Plan and Empower Life & Annuity Insurance qualify as party-in-interest transactions. Administrative expenses paid by the plan to Empower Life & Annuity Insurance for the year ended December 31, 2022 totaled \$54,694.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H – INCOME TAX STATUS

The Plan adopted a non-standardized form of a prototype plan sponsored by CCH Incorporated. The prototype plan has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter, dated June 30, 2020, has been relied upon by the Plan. The plan administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by local, state and federal taxing authorities. The Plan Administrator has evaluated the tax positions and concluded that the Plan had taken no uncertain tax positions that required adjustments to the financial statements for the year ended December 31, 2022. Therefore, no provisions or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I – DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2021, the Sponsor failed to remit in a timely manner certain employee deferrals to the Plan aggregating \$2,250. The Sponsor computed lost earnings on these deposits and will subsequently restore the lost earnings to the Plan in 2023.

NOTE J – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31, 2022 and 2021:
