**INDEPENDENT AUDITOR'S REPORT**

To the Administrative Committee of  
Extech Building Materials, Inc. 401(k) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Extech Building Materials, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Extech Building Materials, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to our derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Extech Building Materials, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error. Management's election of the ERISA section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Extech Building Materials, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Extech Building Materials, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Extech Building Materials, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets as of the year ended December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial

statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

**EXTECH BUILDING MATERIALS, INC. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

Page 7

**NOTE A-DESCRIPTION OF PLAN**

The following description of the Extech Building Materials, Inc. 401(k) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

**General.** The Plan is a defined contribution plan covering all full time non-excluded employees of Extech Building Materials, Inc. (“Company”). If you have attained age 21, you will automatically be eligible for Company matching contributions and discretionary profit sharing contributions on the Entry Date (first day of the plan year or the first day of the seventh month of the plan year) following the date you complete six consecutive months of service with the Company. Notwithstanding the above, if you have attained age 21, you will become eligible to make 401(k) salary deferral contributions to the Plan on the Entry Date (the first day of January and July of each year) following the date you complete six months of service with the Company. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). It is intended to satisfy the requirements of Section 404(c) of ERISA, as amended. A Section 404(c) plan is an individual account plan designed to provide the participants with the opportunity to exercise control over the assets in their individual account, and also provides participants the opportunity to choose, from a range of investment funds, the manner in which the assets in their account are invested.

A 401(k) plan was established for eligible employees effective January 1, 1991.

**Contributions.** Each year participants may contribute up to one-hundred percent of compensation as defined in the plan document, but in no event to exceed twenty thousand five hundred dollars for 2022 and nineteen thousand five hundred dollars for 2021. If a participant has attained age fifty or will attain age fifty before the last day of the Plan Year an additional 401(k) salary deferral “catch up” contribution of six thousand five hundred dollars for 2022 and 2021, may be made. The plan has an automatic deferral percentage arrangement. The percentage is three percent in the first year of application and increases one percent each year to a maximum of six percent. Participants may also contribute, with consent of the Plan Administrator and the Trustees, amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds, a fixed account, a money market account as investment options for participants. The company may contribute a discretionary matching contribution to the Plan equal to 50% of the first 6% of compensation that a participant contributes to the Plan during each payroll period. The matching Company contribution is invested at the direction of the participants. In addition, the Company reserves the right to elect to make additional discretionary profit sharing contributions to the Plan based on the Company’s performance during the year.

**Participant Accounts.** Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and, (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**EXTECH BUILDING MATERIALS, INC. 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**NOTE A-DESCRIPTION OF PLAN (continued)**

**Vesting.** Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their account is based on years of service. All years of service are credited to determine a participant's vesting service. A year of service for purposes of vesting is credited from the participant's date of hire. If an account balance is transferred to this Plan as a result of the merger of a prior employer's qualified retirement plan into this Plan, the participant's account balance from the prior employer's qualified plan shall be fully vested and non-forfeitable upon its merger into this Plan. Any new Company contributions made to this Plan after the date of the merger of the Plans will vest in accordance with the vesting schedule listed below. A participant's vested interest is computed as follows:

<u>YEARS OF SERVICE</u>	<u>PARTICIPANT'S NONFORFEITABLE PERCENTAGE</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Upon termination of employment, a participant will be entitled to receive 100% of the amount of the Salary Deferral Account and the vested interest in the participant's Employer Contribution Account as of the valuation date immediately preceding the distribution.

**Notes Receivable from Participants.** Participants may borrow from their accounts up to a maximum of the lesser of 50% of the vested amount of their account balance as of the valuation date prior to the date of loan application, or \$50,000. The \$50,000 amount shall be reduced by the highest outstanding balance of the participant's loans from the Plan during the twelve month period ending on the day before the loan is made. The loans are secured by the vested balance in the participant's account and bear interest at the prevailing market value for similar loans under terms established by the Trustees in a non-discriminatory manner. Interest and principal must be paid at a minimum of at least quarterly. Generally, the loan including periods of renewals, must be repaid within five years of the original date. In the event of termination of employment for any reason before the loan is repaid in full, the unpaid balance, together with accrued interest shall become due and payable. If the Company acquires either the stock or the assets of another employer, any outstanding loans from any plans which are merged into this Plan may be continued in this Plan under the terms of the loan provisions when the loan was granted.

**Hardship Withdrawals.** In order to qualify for a Hardship withdrawal distribution, a participant must represent to the Plan Administrator that their immediate heavy financial need (tuition for post-secondary education for a dependent, non-reimbursed medical expenses, purchase of a primary residence or amounts necessary to prevent eviction from a principal residence, any payments for burial or funeral expenses for the participant's deceased parent, spouse, children or dependents) cannot be relieved through liquidation of personal assets, suspending 401(k) salary deferral contributions, and personal loans. Upon receipt of such a Hardship distribution, the safe harbor rules of the Treasury Regulations under Section 401(k) of the Internal Revenue Code require that the participant be suspended from making 401(k) salary deferral contributions to the Plan for a period of six months.

**EXTECH BUILDING MATERIALS, INC. 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**Page 9**

**NOTE A-DESCRIPTION OF PLAN (continued)**

**Payment of Benefits.** On termination of service due to death, disability, retirement, or for any reason, a participant may elect to receive either a lump-sum distribution or a single-sum payment of a portion of the account balance. If the participant's benefit in the plan does not exceed \$5,000 then the benefit will be distributed in a single lump sum. The amount to be distributed is the amount credited to the participant's accounts in the Plan as of the Valuation Date preceding the distribution. In the event of death the entire amount credited to the participant's accounts under the Plan will be distributed to the participant's beneficiary either in a lump-sum or a single-sum payment of a portion of the account balance, as determined by the beneficiary, with the Trustees' consent.

**Forfeited Accounts.** At December 31, 2022 and 2021 there were \$31,194 and \$28,465 of forfeited non-vested accounts. If a participant terminates employment and forfeits a portion of their benefit, and receives a distribution of their balance, the forfeited amounts will be used to reduce the Company's cost associated with the contributions to the Plan. If a participant returns to work prior to the time of incurring a five-year break in service, that portion of their Employer Contribution Account balance which was previously forfeited will be restored to them if they repay the full amount distributed to them.

**Plan Expenses.** The company (Plan sponsor) pays all of the administrative expenses of the Plan with the exception of participant loan fees.

**NOTE B-SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Date of Management's Review.** Subsequent events were evaluated through October 4, 2023, which is the date the financial statements were available to be issued.

**Estimates.** The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Basic Accounting.** The financial statements are prepared on the accrual basis of accounting.

**Notes Receivable from Participants.** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan is reduced and a benefit payment is recorded.

**Excess Contributions Payable.** The Plan is required to return contributions to participants in the event certain non-discrimination tests defined under the IRC are not satisfied.

**EXTECH BUILDING MATERIALS, INC. 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

Page 10

**NOTE B-SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Investment Valuation and Income Recognition.** The Plan provides investments in the Voya Pooled Separate Accounts which are valued at the NAV redemption value or alternative fair value methods if NAV is not available. The Plan investments in the Voya Fixed Account are stated at contract value. Generally, contract value is equal to participant deposits minus participant withdrawals plus credited interest. Interest credited is net of expenses. Contract value may be subject to adjustments in connection with contract holder directed withdrawals that are subject to market value adjustment. Under limited circumstances (imposition of an equity wash provision) contract value may be adjusted as a result of a market value adjustment.

Notes receivable from participant are valued at their unpaid principal balance plus any accrued but unpaid interest, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded on the accrual basis.

**Payment of Benefits.** Benefits are recorded when paid.

**NOTE C – INVESTMENTS**

In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits. The following table sets forth, by level within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2022 and 2021:

**Fair Value Measurements at Reporting Date:**

<u>December 31, 2022</u>	<u>Fair Value</u>
Pooled Separate Accounts Measured at NAV	\$ <u>9,544,678</u>
<u>December 31, 2021</u>	<u>Fair Value</u>
Pooled Separate Accounts Measured at NAV	\$ <u>9,224,139</u>

Authoritative literature on Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. At December 31, 2022 and 2021 the Plan had no assets required to be reported under the fair value hierarchy.

**NOTE C – INVESTMENTS (continued)**

**Investment in Insurance Contract**

As of December 31, 2022, the Plan maintained one GIC related investment option, the Voya Fixed Account issued by VRIAC (a party-in-interest). The contract underlying this investment option is considered to be fully benefit responsive in accordance with ASC Topic 962, “Plan Accounting – Defined Contribution Pension Plans.” As of December 31, 2022 and 2021, the contract value of the investment in the Voya Fixed Account was \$3,057,588 and \$2,958,572, respectively.

VTIAC’s determination of credited interest rates reflects a number of factors, including mortality and expense risks, interest rate guarantees, the investment income earned on invested assets and the amortization of any capital gains and/or losses realized on the sale of invested assets. A market value adjustment may apply to amounts withdrawn at the request of the contract holder.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan) (ii) changes to Plan’s prohibition on competing investment options or deletion of equity wash provisions; or (iii) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event which would limit the plan’s ability to transact at contract value with participants is probable.

VRIAC has the option to payout 100% of the current value of the contract after completion of five contract years.

**NOTE D – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)**

At December 31, 2022 and 2021, the Plan’s investments were held by the Trustee. The following is a summary of the Plan’s financial information that is included in the financial statements and supplemental schedule based on information certified by the Trustee as complete and accurate in accordance with Section 2520.103 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The value of investments and notes receivable at December 31, 2022 and 2021 as reported by the trustee is summarized as follows:

	<u>2022</u>	<u>2021</u>
Investments		
Fixed Account (at contract value)	\$ 3,057,588	\$ 2,958,572
Pooled Separate Accounts (NAV)	9,544,678	9,224,139
Notes receivable-participants (at approximate fair value)	<u>242,499</u>	<u>207,570</u>
	<u>\$ 12,844,765</u>	<u>\$ 12,390,281</u>

**NOTE E – RELATED PARY TRANSACTIONS**

Certain Plan investments are pooled separate accounts that are managed by Voya-Voya Life Insurance and Annuity Company. Securities were offered through Voya Life Insurance and Annuity Company. Voya in 2022 and 2021 was the trustee of the Plan as identified by the Plan administrator.

**NOTE F – ADMINISTRATION OF PLAN ASSETS**

The Plan's assets are held by the Trustee of the Plan (Voya). The Trust consists of participant and Company contributions or amounts transferred to the Plan in accordance with its terms, investments and proceeds thereof and earnings thereon, reduced by all payments from the trust. By establishing and maintaining this Trust, the Company and Plan, have selected the Investment Funds which have been made available as the investment vehicles to be available to participants under the Plan. Kingsbridge is the investment broker. Investment Funds may include common, collective or group trust funds ("a group trust") maintained by the Trustee for investment by qualified plans and registered investment companies.

The Company directs the Trustee to invest the assets of the Plan as directed by the participants in accordance with the relevant provisions of the Plan document, and the trust agreement. In investing the assets of a participant's account, including those assets for which the Trustee has no investment responsibility, the Trustee will follow the investment directions of the participant. Each participant will have full responsibility for the investment results of his investment instructions. The Company certifies that the Plan shall at all times be maintained in compliance with the investment selection provisions of Section 404(c) of ERISA.

**NOTE G – PLAN TERMINATION**

It is intended that the Plan will continue indefinitely, the Company does reserve the right to terminate the Plan. If the Plan is terminated, the amounts credited to the Employer Contribution Accounts of all the Participants will become one hundred percent vested. The Plan may also be amended at any time.

**NOTE H – TAX STATUS**

On October 10, 2001 the Internal Revenue Service issued a GUST favorable opinion letter with respect to the acceptability of the form of the plan under the Internal Revenue Code. The Plan was amended and restated in 2009. The Plan was restated on December 9, 2013 effective January 1, 2013. The Internal Revenue Service volume submitter profit sharing plan with a cash or deferral arrangement favorable determination letter was dated March 31, 2014. Continued qualification of the plan under its present form will depend on its effect in operation. The Plan administrator believes that the Plan, as amended, is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. The plan was restated in December of 2020 effective January 1, 2021. The restatement did not change any plan provisions and was a CYCLE 3 restatement required by the Internal Revenue Service to bring the plan into compliance. The plan was restated effective July 15, 2022 to exclude union employees from the automatic contribution arrangement.

U.S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Notwithstanding the foregoing, the IRS may nonetheless audit the Plan to ensure it has been operated in accordance with the Plan document and applicable laws.
