INDEPENDENT AUDITORS' REPORT

Plan Administrator and Trustees
Carlson Environmental Consultants, PC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Carlson Environmental Consultants, PC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits Carlson Environmental Consultants, PC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from Empower Annuity Insurance Company of America and Massachusetts Mutual Life Insurance Company ("MassMutual") by Great-West Life & Annuity Insurance Company ("Great-West") as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Carlson Environmental Consultants, PC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence

we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Carlson Environmental Consultants, PC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Carlson Environmental Consultants, PC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Carlson Environmental Consultants, PC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and the Schedule of Delinquent Participant Contributions as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by Empower Annuity Insurance Company of America and MassMutual by Great-West agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Carlson Environmental Consultants, PC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. **General** - The Plan is a defined contribution Plan covering all employees of the Company, except leased employees, union employees and nonresident aliens, who have completed six months of service, as defined in the plan agreement, and are 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan administrator and Trustees are responsible for the oversight of the Plan. The investment advisor assists the Trustees in determining the appropriateness of the Plan's investment offerings and monitoring investment performance.
- B. **Contributions** - Each year, participants may elect to make pretax contributions as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The amount of regular 401(k) deferrals that the participant contributes to the Plan is considered a deferral of compensation and will not be subject to federal income tax until it is withdrawn from the Plan. The amount of Roth 401(k) deferrals that the participant contributes to the Plan is subject to federal income taxes in the year of deferral. However, the Roth deferrals, and in most cases the earnings on the Roth deferrals, are not subject to federal income taxes when distributed to participants.

The Company elected to make a safe harbor matching contribution to the Plan in an amount determined by the Company. For the year ended December 31, 2022, the Company contributed 100% of the participants' deferrals up to 3% of their eligible compensation and 50% of the next 2% (maximum match of 4%). Safe harbor matching contributions are determined and remitted annually. Participants are immediately 100% vested in the Company's safe harbor contribution.

The Company may also make an additional discretionary matching contribution. The additional matching contribution is not to exceed 4% of participants' eligible compensation. Participants are immediately 100% vested in the Company's additional matching contribution. The Company did not make an additional discretionary matching contribution for the year ended December 31, 2022.

The Company may also make a discretionary non-elective contribution. The employer non-elective contribution is based on an allocation formula of participants' compensation, as set forth in the Plan agreement. The participant will vest in the Company's non-elective contribution in accordance with the vesting schedule adopted by the Plan. In order to participate in Company non-elective contribution, a participant must have been credited with at least 1,000 hours of service and have been employed on the last day of the Plan year. The Company did not make a non-elective contribution for the year ended December 31, 2022.

Contributions are subject to certain IRS limitations.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN – Continued

C. **Participant Accounts** - Each participant's account is credited with the participant's contribution, the participant's allocation of the Company's discretionary contributions and Plan earnings or losses. Participant accounts are charged with an allocation of investment and administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. **Vesting** - Participants are immediately 100% vested in their voluntary contributions, rollovers from qualified plans, Company safe harbor matching contributions and additional matching contributions, plus actual earnings, thereon. Vesting in the Company's discretionary non-elective contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. The vesting schedule adopted by the Plan is as follows:

Years of Service	Percentage Vested
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

A participant becomes 100% vested upon reaching normal retirement age or upon death or disability.

E. **Payment of Benefits** - On termination of service due to death, disability, retirement, or termination of employment, participants will be paid the vested interest in his or her account in the form of a lump-sum distribution. Partial withdrawals or installments are allowed only if a participant is subject to lifetime required minimum distributions.

F. **Hardship Withdrawals** - Withdrawals due to financial hardship are permitted from a participant's deferral account to enable the participant to satisfy certain immediate and heavy financial needs, as defined in the Plan.

G. **Plan Expenses** - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. The Company also provides certain accounting and administrative services to the Plan for which no fees are charged. Fees related to the administration of participant distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

H. **Investment Options** - Participants, upon enrollment in the Plan, may direct their contributions into various investments. Such investment allocations may be changed at any time by the participant. All Plan investments are participant directed. Participants should refer to a prospectus for a description of investment risk associated with each fund.

CARLSON ENVIRONMENTAL CONSULTANTS, PC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN – Continued

- I. ***Forfeited Accounts*** - Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. These amounts can be used to reduce future employer contributions or pay Plan expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$55,018 and \$51,454, respectively. In 2022, employer contributions were reduced by \$10,708.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, investment custodian and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on the investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management has evaluated subsequent events through September 26, 2023, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

CARLSON ENVIRONMENTAL CONSULTANTS, PC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 3 - FAIR VALUE MEASUREMENTS - Continued

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Pooled Separate Accounts: Valued based on the unit value at NAV of the underlying mutual fund investments. A pooled separate account is maintained by an insurance carrier, which is regulated by a state agency. Although similar to mutual funds, the accounts are issued by insurance companies and are not publicly traded. The NAV is calculated based on the number of accumulation units held in the sub-accounts and the accumulation unit value of the sub-accounts.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

		Assets at Fair Value as of December 31,			
		2022		2021	
		Level 2	Total	Level 2	Total

NOTE 4 - INVESTMENTS AND DATA CERTIFIED BY CUSTODIAN

The information in the financial statements and supplemental schedule was summarized from information supplied and certified by the custodian. The custodian holds plan-invested assets and executes transactions thereon. Financial information relating to those assets included in the accompanying financial statements is based on information provided by the custodian. The information was not audited by independent public accountants, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan administrator has obtained certification from the custodian that the information is complete and accurate.

The unaudited information regarding the investments has been provided by the trustee as follows:

For the year ended December 31, 2022, the custodian certified the following amounts of income:

<u>Investment Type</u>	<u>Interest</u>	<u>Change in Value</u>	<u>Total</u>
Pooled Separate Accounts	\$ -	\$ (796,774)	\$ (796,774)
Group Contract Fixed Account	<u>1,005</u>	<u>-</u>	<u>1,005</u>
Total	<u>\$ 1,005</u>	<u>\$ (796,774)</u>	<u>\$ (795,769)</u>

NOTE 5 - GROUP CONTRACT WITH INSURANCE COMPANY - FIXED ACCOUNT

The Plan has a fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company (Empower), the Fixed Account. Empower maintains the contributions in a general account. The account is credited with actual earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate, never to be less than 1%, that is guaranteed to the Plan. The credit rating is reviewed on an annual basis for resetting.

The contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

CARLSON ENVIRONMENTAL CONSULTANTS, PC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 5 - GROUP CONTRACT WITH INSURANCE COMPANY - FIXED ACCOUNT - continued

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value at December 31, 2022 and 2021 was \$92,093 and \$120,212, respectively.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

Interest earned on the Fixed Account is compounded daily to the effective annual interest rate. The interest rate to be credited to the Group Contract-holder is determined by Empower. The average yield and crediting interest rate for December 31, 2022 and 2021, which is reset annually, was 1.05%.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - INCOME TAX STATUS

On June 30, 2020, the Internal Revenue Service issued a favorable determination letter on the prototype adopted by the Plan, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and therefore, believe the Plan is qualified, and the related trust is tax-exempt.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 7 - INCOME TAX STATUS - Continued

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower Annuity Insurance Company. Fees incurred by the Plan for investment custodial and administrative expenses are included in net appreciation/depreciation of investments. Fees incurred for the administration of participant distributions, paid to the Plan custodian, are included in administrative expenses.

The Plan's investment advisor and third party administrator are considered parties-in-interest. The Plan paid indirect expenses, by way of the Plan custodian. The amounts paid are included in net appreciation/depreciation of investments.

The Company pays directly any other fees related to the Plan's operations.

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in all employer contributions.

NOTE 11 - CHANGE IN SERVICE PROVIDER

On December 31, 2020, Empower Retirement, LLC acquired the retirement business of MassMutual. Subsequently, Empower Retirement, LLC assumed administration for the MassMutual recordkeeping platforms associated with the retirement plans business Empower Retirement, LLC acquired from MassMutual.

Empower Annuity Insurance Company of America certified the investment data for the year ending December 31, 2022.

Great-West is an affiliate of Empower Retirement. Empower Retirement assumed the role as the administrator on MassMutual's behalf and pursuant to a Power of Attorney granted to Great-West by MassMutual. Great-West certified the investment data for the year ending December 31, 2021.

Effective in February 2022, the Plan is administered on the Empower Retirement record-keeping platform.
