INDEPENDENT AUDITOR'S REPORT

To the Trustees
Air Group, LLC 401(k) Profit Sharing Plan

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Air Group, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental schedule H, line 4i - assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNL).

Supplemental Information Required by ERISA (Continued)

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN

The following description of Air Group, LLC 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Air Group, LLC (the "Company" or "Plan Sponsor") who meet the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan administrator is responsible for oversight of the Plan. The assets of the Plan are maintained, and the transactions therein are executed, by Transamerica Life Insurance Company ("TLIC" or the "Custodian"). The Plan was amended and restated effective March 9, 2022, to include new provisions and changes to the Internal Revenue Code ("IRC"). There were no significant changes to the provisions of the Plan as a result of this restatement.

Eligibility Conditions

Eligible employees, as defined in the Plan agreement, who are at least 18 years of age are eligible to participate in the Plan. Eligible employees can enroll in the Plan on the first day of the month after the eligibility requirements are met. Eligibility for the employer discretionary matching contributions and employer profit sharing contributions requires a minimum of one year of service, attainment of age 18, and employment with the Company on the last day of the Plan year.

Contributions

Each year, participants may contribute from 1% to 100% of pre-tax and post-tax (Roth) annual compensation up to the maximum amount allowed by the Internal Revenue Service ("IRS"), as defined in the Plan. Contributions to the Plan include (a) voluntary employee contributions equal to the amount of total compensation that each participant has elected to defer (up to the maximum amount allowed by the IRS), (b) catch-up contributions for participants who have attained age 50, (c) discretionary employer profit sharing contributions, (d) discretionary employer matching contribution of 50% of the voluntary employee contributions, excluding bonus, commissions, and catch-up contributions and (e) amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain IRS limitations.

Employer matching contributions are based on management's discretion and are contributed to the accounts of all participants as specified in the Plan agreement. Employees must complete one year of service and must be employed on the last day of the Plan year to receive the employer discretionary match. The employer discretionary matching contribution totaled \$898,523 and \$824,941 for the years ended December 31, 2022 and 2021. The employer did not make discretionary profit sharing contributions for the year ended December 31, 2022 and 2021.

AIR GROUP, LLC 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Participants direct the investment of their contributions into various investment options offered by the Plan. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's discretionary contributions, (b) Plan earnings, and (c) administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contribution is based upon the following schedule:

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Participants will become 100% vested in the Company's matching contributions upon death or disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account vested balance. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

If a participant fails to make a loan payment when due under the terms of the loan, the participant will be in default. In the event of default, the loan shall become due and payable immediately, and interest will continue to accrue until the entire loan balance is repaid. The Plan will take all reasonable actions to collect the balance owed on the loan. Under certain circumstances, the loan in default could be considered a distribution from the Plan and considered income to the participant. In any event, failure to repay a loan will reduce the benefit a participant would otherwise be entitled to from the Plan.

Payment of Benefits

On termination of service due to death, disability or retirement, or upon reaching the age of 59-1/2, a participant may elect to receive the value of their vested account balance in a lump sum, substantially equal periodic installments or partial withdrawals, as described in the Plan document. The Plan also allows withdrawals in the event of certain financial hardship; however, there are associated account restrictions, as defined in the IRC. For vested account balances of former employees of more than \$1,000, participants may elect to receive a single lump-sum payment at any time after the participant's date of termination. Vested account balances of former employees of less than \$1,000 will automatically be distributed to the participant in a lump-sum payment.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

Forfeitures of the non-vested portion of terminated participants' accounts may be used to pay administrative expenses of the Plan, reduce future Company matching or profit sharing contributions, or be allocated to participant accounts. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$21,004 and \$15,209, respectively. The Plan intends to use the forfeiture balance to reduce the employer discretionary match contribution for the year ended December 31, 2022.

The accompanying financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Investment Alternatives

The Plan has an investment contract with the Custodian. Under the terms of the contract, the Custodian maintains the contributions in pooled separate accounts. Each participant establishes his or her own separate investment account within the pooled separate accounts. Investment accounts are sub-accounts within the pooled separate accounts, which primarily consist of mutual funds. The pooled accounts are entirely segregated from the general funds of the Custodian and are subject to the investment direction of the participants. Contributions into a participant's investment account purchase units of the sub-accounts. An investment in a fund will fluctuate in value to reflect the investment results of the fund's holding. The value of an account is determined by the value of the sub-account multiplied by the number of units in the account. Any income, gains or losses, whether realized or unrealized, will be credited to or charged against the account without regard to the other income, gains or losses of the Custodian. The sub-accounts are subject to an annual investment charge. The Plan allows inter-account transfers.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for a fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The investments in pooled separate accounts are valued at the net asset value (the "NAV") per unit, as determined by the Custodian at year end. The NAV is used as the practical expedient to estimate fair value and is based on the fair value of the underlying assets held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected in net depreciation in the fair market value of investments.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments and are not readily determinable.

Subsequent Events

In accordance with Financial Accounting Standards Board Accounting Standards Codification 855, *Subsequent Events*, the Plan has evaluated subsequent events through October 3, 2023, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in the financial statements.

NOTE 3. FAIR VALUE OF INVESTMENTS THAT USE NAV

The following tables set forth a summary of the Plan's investments with a reported NAV per share at December 31, 2022 and 2021:

December 31, 2022					
Investment	Fair Value	Unfunded Commitments	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Pooled separate accounts	\$ <u>23,026,345</u>	\$ <u>-</u>	Daily	None	None

December 31, 2021					
Investment	Fair Value	Unfunded Commitments	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Pooled separate accounts	\$ <u>26,758,836</u>	\$ <u>-</u>	Daily	None	None

NOTE 4. STABLE VALUE ACCOUNT

Participants may invest in Transamerica Stable Value Option, a fully benefit-responsive contract backed by the general account of TLIC (the "Stable Value Account"). Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Stable Value Account. However, this investment is considered a deposit liability with no defined maturities and, therefore, contract value also equals fair value. The Stable Value Account is not considered a guaranteed investment contract and there is no minimum or maximum interest rate. The contract value of the Stable Value Account was \$2,111,625 and \$2,027,325 as of December 31, 2022 and 2021, respectively.

The average yield of the Stable Value Account based on actual earnings and interest credited to participants was 1.55% and 1.45%, respectively, for the years ended December 31, 2022 and 2021.

Although Plan participants generally may withdraw assets from the Stable Value Account without restrictions, TLIC may impose a hold period at the contract level in the event of a full or partial contract discontinuance.

The terms of the contract require all participant-initiated transactions to occur at contract value with no conditions, limits or restrictions. Permitted participant-initiated transactions allowed include withdrawals for benefits, loans or transfers to other investment choices within the Plan. Since the Stable Value Account is an obligation of TLIC, the occurrence of an event that limits the ability of the investment to transact at contract value is not probable. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

NOTE 5. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The following tables summarize investment and other asset information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by the Custodian and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Custodian that such information is complete and accurate.

	<u>2022</u>	<u>2021</u>
Pooled separate accounts	\$ 23,026,345	\$ 26,758,836
Stable value account	<u>2,111,625</u>	<u>2,027,325</u>
Total investments	25,137,970	28,786,161
Notes receivable from participants	<u>539,133</u>	<u>518,978</u>
Total certified assets	<u>\$ 25,677,103</u>	<u>\$ 29,305,139</u>
Net depreciation in fair value of investments	<u>\$ (4,345,860)</u>	
Interest income on notes receivable from participants	<u>\$ 25,106</u>	

NOTE 6. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

All Plan investments are managed by TLIC, the Custodian, as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees deducted by the Plan are paid to parties in interest. Notes receivable from participants are also party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of investments, as they are paid through revenue-sharing, rather than a direct payment. Managed account fees are paid from the participants' accounts within the Plan. Any additional expenses of the Plan are paid by the Plan Sponsor. Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

NOTE 8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer-matching contributions.

NOTE 9. TAX STATUS

The Plan adopted a prototype plan document sponsored by Transamerica Retirement Solutions Corporation ("Transamerica"). Transamerica received an opinion letter from the IRS dated June 30, 2020, which states that the prototype document satisfied the applicable provisions of the IRC.

Although the Plan has been amended since the effective date of the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and believes the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.
