INDEPENDENT AUDITOR'S REPORT

To the Trustees, Plan Administrator and Participants of Genesco Sports Enterprises 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Genesco Sports Enterprises 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Genesco Sports Enterprises 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Genesco Sports Enterprises 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Genesco Sports Enterprises 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Genesco Sports Enterprises 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Genesco Sports Enterprises 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GENESCO SPORTS ENTERPRISES 401(k) PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

Genesco Sports Enterprises 401(k) Plan (the "Plan") is a defined contribution plan sponsored by Genesco Sports Enterprises, Inc. (the "Company" or the "Plan Sponsor") and was established April 1, 2001. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Effective January 1, 2022, the Plan was amended and restated with the adoption of the Nova 401(k) Associates Non-Standardized Defined Contribution Pre-Approved Plan. The "Cycle 3" restatement is an amendment and restatement to bring the Plan into compliance with the legislative and regulatory changes set forth in Internal Revenue Service Notice 2017-37 (i.e., the six-year pre-approved plan restatement cycle). The amended and restated plan document received a favorable opinion letter from the IRS dated June 30, 2020. No Plan provisions were modified as a result of the Cycle 3 restatement.

Plan Administration

John Hancock Life Insurance Company (U.S.A.) ("John Hancock") is the custodian of the Plan's investment assets and executes investment transactions at the direction of Plan participants, receives contributions, investment income, pays administrative expenses, and makes distributions to participants. John Hancock Retirement Plan Services (the "Recordkeeper") maintains participant account information. The Plan also uses the services of Nova 401(k) Associates ("NOVA") to perform annual compliance testing, prepare the Plan's Form 5500, and assist the Plan administrator in day-to-day activities of the Plan. The rollover IRA custodian is NovalIRA, LLC. Merrill Lynch Wealth Management provides investment advisory services to the Plan and participants.

Basic clerical and enrollment functions of the Plan are performed by employees who are appointed by the board of directors of the Company. The Plan is administered by an individual from Company management (the "Plan Administrator") which is appointed by the board of directors of the Company. Certain officers of the Company serve as trustees (the "Trustees") of the Plan and are charged with oversight of the Trust fund. No owner or employee receives compensation for services.

Eligibility

All employees of the Company become eligible to participate in the Plan after reaching age 21 and three months of elapsed time service. Newly eligible employees may join the Plan on the first day of January, April, July, and October coinciding with or next following the satisfaction of eligibility requirements. The Plan excludes collectively bargained employees and employees who are nonresident aliens who receive no compensation from the Company which constitutes U.S. source income.

GENESCO SPORTS ENTERPRISES 401(k) PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

Contributions

Each year, participants may contribute to their combined pre-tax and/or Roth after-tax accounts up to 90% of their eligible compensation, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. For the year ended December 31, 2022, the combined pre-tax deferral and Roth contribution limit under the Internal Revenue Code (the "Code") is \$20,500, and the catch-up contribution limit under the Code is \$6,500. Compensation earned prior to satisfying all eligibility requirements is excluded. Participants may also contribute amounts representing distributions from other qualified plans, as defined.

The Company may contribute to the Plan, on behalf of each eligible participant, a discretionary matching contribution. For the year ended December 31, 2022, the Company elected to match 50% of employee deferrals up to 4% of a participant's deferral determined on a payroll period basis. Discretionary profit-sharing amounts may be contributed as determined by the Company. The Company did not make a discretionary profit-sharing contribution for the 2022 plan year.

Total contributions are subject to certain Code limitations.

Investment Options

Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. The investment options include pooled separate accounts. If participants do not elect specific investments, their contributions are invested in the Plan's qualified default investment alternative, a target date retirement series.

Participant Accounts

Each participant's account is credited with (a) the participant's deferral contributions and rollover contributions, if any, (b) the Company's matching contributions and profit sharing contributions, if any, and (c) Plan earnings (losses). Each account is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Transaction fees, such as those related to loans and distributions are paid from the account of the participant who made the transaction. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

GENESCO SPORTS ENTERPRISES 401(k) PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

Vesting

Participants are vested immediately in their contributions and rollover contributions, if any, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Participants vest in Company contributions on a four-year graded schedule as follows:

<u>Years of Vesting Service</u>	<u>Percentage Vested</u>
1	25%
2	50%
3	75%
4	100%

A participant is fully vested upon death or total and permanent disability.

Forfeited Accounts

Participants, whose employment terminates prior to being fully vested, forfeit the non-vested portions of their accounts. Forfeitures can be used either to pay the administrative expenses of the Plan or to reduce future Company contributions. Forfeited amounts available to be offset against plan administrative expenses or future Company contributions are \$1,591 as of December 31, 2022, and forfeited amounts available of \$796 non-vested account balances as of December 31, 2021. In 2022, \$12,578 from forfeited non-vested accounts were used to reduce Company contributions.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. Participant loans are secured by the balance in the participant's account and bear interest at 2% over the prime rate. The loan repayment period may not extend beyond five years, unless the loan is for the purchase of a principal residence for which the Plan Administrator may permit a longer repayment term. The Plan does not permit loan refinancing, and interest rates remain fixed throughout the duration of the loan. Principal and interest are paid ratably through payroll deductions.

Participant loans outstanding as of December 31, 2022, bear an interest rate of 5.25% and were scheduled to mature through January 2027. No participant loans were outstanding as of December 31, 2021.

GENESCO SPORTS ENTERPRISES 401(k) PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

Benefit Payments

The normal retirement age is 65. The normal retirement date is the first day of the month coinciding with or next following the normal retirement age. On termination of service, death, or retirement, a participant may receive the value of the participant's vested interest in his or her account in cash only in a lump-sum amount, substantially equal installments, or partial withdrawals (\$1,000 minimum). Hardship distributions (as defined and as modified by recent legislation) are permitted from pre-tax elective deferral, Roth elective deferral, and rollover accounts. Upon attainment of age 59½, participants who have not separated from service and who have been a participant in the Plan for at least eight years may receive a distribution of all or any portion of his or her vested account balance, subject to certain account restrictions, including qualified distributions only from Roth elective deferral accounts. In-plan Roth rollover contributions are not permitted. During 2022, distributions under the CARES Act provisions were made available through the Plan.

The Plan provides for involuntary cash-outs if a terminated participant makes no affirmative election to receive or roll over his or her account balance of \$5,000 or less. Involuntary cash-out balances will be automatically rolled over to an individual retirement account ("IRA") for the benefit of the participant provided the amount is at least \$1.

Recent Legislative Changes to Plan Provisions

Under Section 112 of the SECURE Act which became effective January 1, 2021, certain part-time employees may become eligible to defer earnings under a 401(k) plan beginning in 2024.

Plan management is currently evaluating the provisions of SECURE Act 2.0. The Plan will be amended by December 31, 2025, as required for relevant provisions. Relevant SECURE Act 2.0 provisions include the following and effective dates begin in 2023 through 2026 (except as otherwise noted): Withdrawals for certain emergency expenses (optional); creation of pension linked emergency savings accounts (optional); required minimum distribution age increases; changes to catch-up contributions provisions; employer matching contributions on student loan repayments (optional); and flexibility in recovery of retirement plan overpayments (optional and effective December 29, 2022).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies employed in the preparation of the accompanying financial statements are as follows:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

GENESCO SPORTS ENTERPRISES 401(k) PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the custodians, investment advisors, and Trustees. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in fair value of its investments, which consists of realized gains and losses on investments bought and sold during the year and unrealized appreciation (depreciation) on those investments held at year end.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (the "IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions to the applicable participants prior to March 15, 2023. There were no excess contributions for 2021.

Payment of Benefits

Benefit payments to participants are recorded when paid. As of December 31, 2022, there were no benefits approved for payment but not paid.

GENESCO SPORTS ENTERPRISES 401(k) PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

Administrative Expenses of the Plan

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements and, if not paid by the Company, would be paid by the Plan. Asset-based administrative fees are allocated against participant accounts and are included in net appreciation (depreciation) of fair value of investments. Withdrawal fees are paid from the account of the withdrawing participant. See Note 6.

Recently Issued Accounting Pronouncements

Not Yet Adopted

Recently issued accounting standards that have been issued or proposed by the FASB or other standards-setting bodies which have not yet been adopted by the Plan are not expected to have a material impact on the Plan's financial position or results of activity.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted, quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification ("ASC") 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - a. quoted prices for similar assets or liabilities in active markets;
 - b. quoted prices for identical or similar assets or liabilities in inactive markets;
 - c. inputs other than quoted prices that are observable for the asset or liability;
 - d. inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Notes to the Financial Statements
December 31, 2022 and 2021

Following is the description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Pooled Separate Accounts: A pooled fund invested in mutual funds or other marketable securities and is not registered with the Securities and Exchange Commission. The unit price generally will be different from the value of the underlying securities because the fund may also hold cash for liquidity purposes, and the fees imposed by the fund are deducted from the fund value rather than charged separately to investors. Pooled funds are stated at fair value as determined by the issuer of the account based on the fair value of the underlying investments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

<u>Assets at Fair Value as of</u>	<u>December 31, 2022</u>	<u>December 31, 2021</u>
<u>Level 2:</u>		
Pooled Separate Accounts	\$ 7,831,568	\$ 9,733,212
Investments at fair value	\$ 7,831,568	\$ 9,733,212

4. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

5. CERTIFIED INVESTMENTS

Certain information related to cash, investments, and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including cash, investments, and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments and participant loan interest for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan.

6. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's asset custodian is John Hancock. Certain plan investments are units of pooled separate accounts managed by John Hancock. The Plan pays John Hancock contract administrator fees. These transactions are considered exempt under ERISA.

During 2022, the Plan made the following direct payments to related parties and parties-in-interest: \$25,213 to John Hancock for contract administration fees; \$1,375 to Nova 401(k) Associates for withdrawal fees paid from the accounts of specific participants; and \$20,412 to Merrill Lynch for investment advisory fees. These amounts are reported in the Statement of Changes in Net Assets Available for Benefits as Administrative Expenses.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their discretionary employer contribution accounts.

8. TAX STATUS

The Plan is based on a non-standardized pre-approved profit sharing plan document developed for Nova 401(k) Associates, Inc.. The document received a favorable opinion letter dated June 30, 2020, from the IRS stating that the plan is acceptable under Section 401 of the Internal Revenue Code. The Plan Administrator believes the Plan, as adopted and amended, is designed and is being operated in compliance with the applicable provisions of the Code, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. SUBSEQUENT EVENTS

The Plan Administrator has evaluated events and transactions occurring after December 31, 2022, the statement of net assets available for benefits date, through October 4, 2023, the date the financial statements were available to be issued.
