REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
ACME Industrial 401(k) Salary Reduction Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of ACME Industrial 401(k) Salary Reduction Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter - 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of ACME Industrial 401(k) Salary Reduction Plan and Trust. In accordance with ERISA Section 103(a)(3)(C) pursuant of 29 CFR 2520. 103-8 of the Department of Labor's Rules and Regulations and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated September 13, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

ACME INDUSTRIAL 401(K) SALARY REDUCTION PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN

The following description provides only general information on the provisions of ACME Industrial 401(k) Salary Reduction Plan and Trust (the Plan). Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

The Plan was established on January 1, 1990, by ACME Industrial Company (the Company) under the provisions of Section 401(a) of the Internal Revenue Code (IRC), for the benefit of certain eligible Union employees of the Company. The Plan is a defined contribution retirement plan covering employees of the Company who have completed the eligibility requirements as detailed in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Employees who are not otherwise excluded from the Plan, are eligible to participate in the Plan on the first day of the calendar month, coincident with or next following the date the participant attains age 18 and completes three consecutive months of service. New employees who are eligible to participate in the Plan and do not make alternative elections are automatically enrolled at a 3% contribution rate.

Participants may elect to contribute up to a maximum of 100% of their pre-tax compensation as defined by the Plan, subject to IRC limitations. Salary deferrals may also be designated as (after-tax) Roth deferrals by participants. Participants may also roll over amounts representing distributions from other qualified retirement plans.

Contributions to the Plan are invested as directed by the participants in various investment options. In the absence of participant direction, contributions are invested in a qualified default investment alternative account. Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Poor investment performance by the investment options selected by the participants may cause their account balance to be lower than contributions made to the Plan.

Company discretionary profit sharing contributions may be contributed to the Plan at the option of the Company's management. In addition, the Company has an agreement with Plastic Workers Union Local No. 18, AFL-CIO (the Union), which provides that the Company contribute \$0.25 per hour worked (and an additional \$0.125 for each overtime hour worked) per year. Pursuant to the agreement with the Union, the Company also contributes \$2 per full year of service as of December 31 annually. To be eligible to receive employer contributions, union employees must be employed with the Company for one year or more of continuous service as of February 1 of each year. Employer contributions for the years ended December 31, 2022 and 2021, consist of contributions pursuant to the agreement with the Union of \$48,297 and \$51,712 respectively. There were no discretionary profit sharing contributions paid by the Company during the years ended December 31, 2022 and 2021, respectively.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Individual accounts are maintained for each participant to reflect the participant's contributions and Company contributions, as well as allocations of investment earnings or losses and administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants are immediately fully vested in their elected deferrals, rollovers, employer contributions and actual earnings.

Upon termination of service due to death, disability or retirement after age 59½, a participant may elect to receive either a lump-sum amount equal to the value of the participant's account, partial account distributions or annual installments. For termination of service for other reasons, a participant may receive a lump-sum distribution. Account balances of terminated participants that are less than \$5,000 are automatically distributed. Distributions of balances between \$1,000 and \$5,000 are subject to automatic rollover requirements, as defined in the Plan document.

Participants in service may make hardship withdrawals upon demonstrating an immediate and heavy financial need, as allowed under federal rules.

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. A participant may have only one outstanding note at any time. Loan terms can range up to 60 months. The interest rate is based on prevailing market conditions and is fixed over the life of the note. The interest rate on outstanding participant notes as of December 31, 2022 and 2021 ranged from 4.25% to 8.00%. Principal and interest are repaid ratably by the participants through payroll deductions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting.

Investments - Investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of either December 31, 2022 or 2021. Related fees are recorded as administrative expenses when incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits - Benefit payments to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan but were not yet paid at either December 31, 2022 or 2021.

Expenses - Certain management and administrative services are paid either by the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included net appreciation (depreciation) in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through October 2, 2023, which is the date the financial statements were available to be issued.

NOTE 3. PRIORITIES UPON TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would remain fully vested in their accounts.

NOTE 4. TAX STATUS

The Company adopted a volume submitter prototype plan. The Plan is not required to receive a determination letter directly from the Internal Revenue Service, and therefore, the Plan has not received a determination specific to the Plan itself. However, the Company and the Plan Administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken and recognize a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy.

The Plan's investments in pooled separate accounts are valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the pooled separate account less its liability. The practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported net asset value.

The Plan's investments in pooled separate accounts are available under a group annuity contract issued by John Hancock Life Insurance Company. These pooled separate accounts are allocated units of participation in sub-accounts, which represent the Plan's share of the underlying investments, consisting primarily of publicly traded fixed income and equity mutual funds. Redemptions are available daily without notice.

NOTE 6. INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

The Plan has obtained a certification from John Hancock Life Insurance Company (Trustee and Custodian) that the following information regarding the Plan's investments as of and for the years ended December 31, 2022 and 2021 is complete and accurate:

	<u>2022</u>	<u>2021</u>
Investments		
Pooled separate accounts	\$ 2,880,987	\$ 3,622,669
Notes receivable from participants	\$ 145,393	\$ 146,439
Investment income		
Net appreciation (depreciation) in fair value of investments	\$ (507,631)	\$ 435,794
Interest on notes receivable from participants	\$ 6,894	\$ 5,696

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As of December 31, 2022 and 2021, the Plan held a significant portion of its assets in one mutual fund, American Funds 2030 Target Date Fund, which represented approximately 21% and 24%, respectively, of the Plan's net assets available for benefits.

NOTE 8. PARTY-IN-INTEREST TRANSACTIONS

The Plan holds units of participation in pooled separate accounts managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the Trustee and Custodian of the Plan's investment assets, and therefore, these transactions qualify as exempt party-in-interest transactions.

NOTE 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The financial statements have been prepared using the accrual basis of accounting, while the Plan's Form 5500 has been prepared on the modified cash basis of accounting. The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 3,074,677	\$ 3,820,820
Less - employer contributions receivable	<u>(48,297)</u>	<u>(51,712)</u>
Net assets available for benefits per the Form 5500	<u>\$ 3,026,380</u>	<u>\$ 3,769,108</u>

The following is a reconciliation of total contributions per the financial statements to the Form 5500 for the year ended December 31, 2022:

Total contributions per the financial statements	\$ 303,627
Less - employer contributions receivable at end of year	(48,297)
Add - employer contributions receivable at beginning of year	<u>51,712</u>
Total contributions per the Form 5500	<u>\$ 307,042</u>
