Systemair Manufacturing Inc. 401(k) Profit Sharing Plan and Trust

**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed audits of the financial statements of Systemair Manufacturing Inc. 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other matter – supplemental schedules required by ERISA**

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2022 and assets (held at the end of year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but, are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Systemair Manufacturing Inc. 401(k) Profit Sharing Plan and Trust**

### **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2022 and 2021**

#### **NOTE 1 - PLAN DESCRIPTION**

The following description of the Systemair Manufacturing Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### ***General***

The Plan is a defined contribution plan covering all eligible employees of Systemair Manufacturing, Inc. (the "Company" or the "Plan Sponsor"). The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Investment Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

##### ***Plan Operations***

Newport Trust Company (the "trustee") is the trustee and recordkeeper of the Plan. The trustee is responsible for holding the investment assets making investment decisions and making distributions to participants and former participants.

##### ***Eligibility***

An employee shall become eligible to participate in the Plan and the employee can make contributions, receive matching contributions and receive profit-sharing contributions once the employee is 18 years of age and has completed one month of service prior to the Plan entry date.

On October 26, 2016, the Plan was amended to implement automatic deferral provisions to new participants within the Plan. Upon entry to the Plan, an automatic deferral of the employee's eligible salary will commence at a rate of 5%. This automatic deferral may be changed at the discretion of the employee. In addition, effective July 1, 2019 all individuals that were enrolled prior to the automatic deferral amendment will receive an automatic increase of 1%, up to a maximum of 5% occurring at the beginning of each plan year for participants entered into the Plan prior to January 1, 2017, unless this automatic increase is changed at the discretion of the employee. This escalation will occur on the first day of each plan year, until participants reach a maximum of 5%. Further, as of July 1, 2019, the Plan accepts Participant rollover contributions and/or direct rollovers of distributions from eligible Roth 401(k) deferral accounts.

##### ***Contributions***

Participants may make pre-tax contributions and Roth contributions up to the annual limit of \$20,500 for 2022, to the Plan through uniform payroll deductions. Participants aged 50 or older may make voluntary contributions to the Plan up to an annual maximum of \$27,000 for 2022. Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis.

The Company may contribute a discretionary annual matching contribution of 100% of participant's eligible contributions. For the year ended December 31, 2022, the Company did not elect to make a discretionary annual matching contribution. The Plan provides a matching contribution limited to 5% of eligible participant compensation and is participant directed. The Company may also make discretionary profit-sharing contributions to the Plan. For the year ended December 31, 2022, the Company did not elect to make a profit-sharing contribution. Contributions are subject to certain limitations.

**Systemair Manufacturing Inc. 401(k) Profit Sharing Plan and Trust**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2022 and 2021**

***Participant Accounts***

An account is established for each participant who makes or receives contributions. Each participant's account is credited with the participant's contributions and allocations of (1) the Employer's contributions and (2) the Plan's earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participant accounts are valued daily.

***Vesting***

Employees are 100% vested in both employee and employer contributions at all times. Retiring, on disability, or death, the participant shall be 100% vested in all of his or her employee contributions, matching contributions, and profit-sharing contributions. If a participant terminates employment for any reason other than death, retirement or disability, the participant shall be 100% vested in his or her participant contributions and earnings.

***Payment of Benefits***

Upon termination of service due to death, disability or retirement, participants will receive a lump-sum payment equal to the value of the participant's vested interest in his or her account or installment payments over any period that does not exceed the life expectancy of the participant and his or her beneficiary.

An active employee may withdraw cash before retirement if a participant has attained age 59½ years, or has a disability. Distribution of benefits upon termination will be completed as soon as administratively feasible. If the participant's account balance is greater than \$5,000, participant consent is required in order to distribute funds from the Plan. Participants with an account balance less than \$5,000 will have their account balance rolled over to an individual retirement account ("IRA") unless they elect to receive a lump-sum payment.

***Notes Receivable from Participants***

A participant may borrow up to, but not exceeding, the lesser of \$50,000 or 50% of his or her vested account balance, with a \$1,000 minimum. A participant's vested account balance includes vested amounts in the Plan. A participant cannot have more than one note outstanding at any given time. Loans bear interest at rates equal to the Prime Rate plus 1%. Note terms are not to exceed five years unless the purpose of the note is to purchase or construct a principal residence, for which purpose the note term is 10 years. Principal and interest are paid ratably through periodic payroll deductions.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

***Valuation of Investments and Income Recognition***

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

**Systemair Manufacturing Inc. 401(k) Profit Sharing Plan and Trust**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2022 and 2021**

Purchases and sales of securities are reported on a trade-date basis (the date the order to buy or sell is executed). Interest is accrued as earned and dividend income is recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Payments of Benefits***

Benefits are recorded when paid. As of December 31, 2022, no participants had elected to withdraw from the Plan but had not yet been paid.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan agreement.

***Administrative Expenses***

Administrative costs of the Plan may be paid by the Company at its discretion or, alternatively, may be paid by the Plan. Expenses that are paid by the Company are excluded from these financial statements. Expenses incurred in the purchase or sale of investments are added to the cost or deducted from the proceeds of the respective investment. Administrative expenses are charged to each participant's account.

On behalf of the Plan, the Company pays a quarterly fee to a consulting firm for advice related to investment decisions. The Company also pays the Plan's audit fees on behalf of the Plan. All other fees are paid by the Plan.

***Use of Estimates***

The preparation of financial statements in conformity with US GAAP requires the Plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Risks and Uncertainties***

The Plan provides for various investment options in any combination of several investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

***Plan Termination***

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to amend or terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the participants will remain fully vested in their accounts and the Plan's assets will be distributed to participants in accordance with the Plan's provisions and as set forth under ERISA.

***Subsequent Events***

The Plan has evaluated subsequent events through September 29, 2023, which is the date the financial statements were available to be issued.

**NOTE 3 - INVESTMENTS**

Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below.

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

*Mutual and money market funds* - Valued at the daily closing price as reported by the fund. Mutual funds are open-ended mutual funds that are regulated by the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value to another. In such instances, the transfer report is reported at the beginning of the reporting period.

**NOTE 4 - RELATED - PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain plan investment options are funds managed by the investment advisor Creative Planning, Inc., with transaction services performed by Newport Trust Company the trustee of the Plan. Administration expenses are paid from the Plan to service providers. The Plan also permits notes receivable from participants. These transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules under ERISA.

**NOTE 5 - FINANCIAL DATA CERTIFIED BY THE TRUSTEE**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Newport Trust Company, the Trustee of the Plan, certifies that the following information included in the financial statements and supplemental schedules are complete and accurate:

- Investments, at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021;
- Investment income (loss) and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022; and
- Schedule of assets (held at end of year) as of December 31, 2022.

**NOTE 6 - TAX STATUS**

The Internal Revenue Service (the "IRS") has determined and informed the Trustee by a letter dated March 31, 2014 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (the "IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance, in all material respects, with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the financial statements.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
