Independent Auditor's Report

The Plan Administrator
Byrne Electrical Specialists, Inc.
Retirement Savings Plan
Grand Rapids, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Byrne Electrical Specialists, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves,

and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Byrne Electrical Specialists, Inc. Retirement Savings Plan

Notes to Financial Statements

1. Plan Description

The following brief description of the Byrne Electrical Specialists, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a contributory, defined contribution plan covering all eligible employees of Byrne Electrical Specialists, Inc. (Plan Sponsor) and the following adopting employers: Byrne Tool & Die, Inc. and Wee Folk Rockford Child Care Center, Inc. (collectively referred to as the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employees become eligible to participate in the Plan immediately upon hire after attaining the age of 18. As of November 2021, there was an additional requirement of 60 days' employment for production workers to be eligible for the Plan.

Contributions

Each participant may elect to contribute a percentage of their annual compensation, as defined by the Plan, subject to certain limitations. Bonuses are excluded from compensation for all contribution types.

Employees are automatically enrolled into the Plan at a deferral rate of 3%. Employees may elect an alternative deferral amount or elect not to participate. The Plan also allows for Roth and/or after-tax contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Company makes a matching contribution equal to 25% of the elective contributions made by the participants, up to a maximum of \$500 and \$125 annually in 2022 and 2021, respectively. The Company also may contribute an additional discretionary amount to each participant's account, as determined annually by the Company. The Company did not approve additional discretionary contributions in 2022 or 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of the Company's contributions, forfeitures, and Plan earnings or losses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which participants are entitled is the vested portion of their accounts.

Participants direct the investment of the contributions into various investment options offered by the Plan. Currently, the Plan offers one collective trust fund, various mutual funds, and exchange-traded funds as investment options for participants.

Vesting

A participant's interest in his or her elective contribution account and rollover contribution account, plus actual earnings thereon, is 100% vested at all times.

Byrne Electrical Specialists, Inc. Retirement Savings Plan

Notes to Financial Statements

Interest in a participant's matching contribution account and discretionary employer contribution account becomes vested after one year of service.

Forfeitures

Forfeitures attributable to the Company's matching contributions may be used to reduce future Company contributions or to pay plan expenses. Forfeitures attributable to the Company's discretionary contributions are reallocated among eligible participants. Forfeitures used to reduce plan expenses were \$2,845 and \$2,323 during 2022 and 2021, respectively. Unallocated forfeitures as of December 31, 2022 and 2021 were \$1,450 and \$697, respectively.

Payment of Benefits

Participants, or their beneficiaries, may request payment of benefits at any time after their retirement, termination of employment, or death. The Plan allows for total or partial in-service withdrawal prior to retirement if the participant meets certain age or hardship withdrawal requirements. Such withdrawals are subject to approval by the Plan Administrator.

Administrative Expenses

Fees incurred as a result of participant-directed transactions (e.g., distribution fees) are charged directly to the participant's account. Certain administrative expenses of the Plan are allocated pro-rata to participant accounts.

Subsequent Events

Subsequent events have been evaluated by management through September 25, 2023, the date these financial statements were available to be issued.

2. Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets and changes therein. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Byrne Electrical Specialists, Inc. Retirement Savings Plan

Notes to Financial Statements

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset (an exit price) in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

3. Investments

In accordance with Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, the Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, and other inputs that are observable or can be corroborated by observable market data.

Level 3 - Inputs to the valuation methodology are both significant to the fair value measurement and unobservable.

The following valuation methodologies were used to measure the fair value of the Plan's investments:

Collective Trust Fund - The Plan invests in the MetLife Stable Value Fund, a collective trust fund. The fair value of the Plan's interest in the fund is based on net asset value (NAV) as determined by the fund manager based on the underlying investments of the fund (primarily guaranteed investment contracts and fixed-income securities) and as supported by the unit prices of actual purchases and sales transactions occurring as of or close to the financial statement date. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. The fund provides for daily redemptions by the Plan at reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. There are no unfunded commitments related to this investment.

Mutual Funds and Exchange-Traded Funds - These assets are valued at quoted market prices in an exchange and active market, which represents the NAV of shares held by the Plan.

Byrne Electrical Specialists, Inc. Retirement Savings Plan

Notes to Financial Statements

The Plan's valuation methods may result in a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although Plan management believes the valuation methods are appropriate and consistent with the market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The tables below set forth the Plan's investments by level within the fair value hierarchy.

Investments, at NAV				179,594
Investments, at fair value				\$10,760,190

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

5. Income Tax Status

The Company adopted the Non-Standardized Pre-Approved Profit Sharing Plan with CODA. Fort William LLC obtained an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan was since amended; however, the Plan Administrator believes that the Plan, as amended, is currently designed and operating in accordance with the same sections of the IRC and is, therefore, exempt from tax.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there currently are no audits for any tax periods in progress.

Notes to Financial Statements

6. Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Matrix Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income (loss), as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2022, as shown on the ERISA-required supplemental schedule.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

7. Delinquent Participant Contributions

During 2022, the Company failed to remit certain participant contributions to the Plan in a timely manner, according to the DOL's rules and regulations, in the amount of \$242,035. These transactions constitute non-exempt party-in-interest transactions or prohibited transactions as defined by ERISA. The Company calculated and remitted lost earnings to the Plan in September 2023.
