INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of
Tweezerman International 401(k) plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Tweezerman International 401(k) plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA") as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditors' Responsibilities for the Audits of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Rödl & Partner

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements conform with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance. Therefore, it is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Rödl & Partner

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule as of and for the year ended December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Rödl & Partner

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TWEEZERMAN INTERNATIONAL 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN

The following description of the Tweezerman International 401(k) plan (the "Plan") provides only general information. Participants should refer to the Plan Adoption Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Tweezerman International, LLC (the "Sponsor") who are 21 or older and have completed 3 months of service. The Plan became effective on January 1, 1995 and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") and the Internal Revenue Code ("IRC").

Contributions

Each eligible employee ("participant") may contribute, on a pre-tax basis, a percentage of eligible compensation (as defined) to the Plan, through a salary reduction program. For any calendar year, elective deferrals may not exceed a specific dollar amount prescribed by the IRC, which is adjusted annually by the Internal Revenue Service ("IRS"). The Plan also allows participant rollover contributions from other qualified plans.

The Sponsor may make discretionary matching contributions equal to a discretionary percentage. For the year ended December 31, 2022, the Sponsor elected to match 2% of participant eligible compensation.

Each eligible employee, who does not affirmatively elect otherwise, will automatically have 3% of his or her eligible compensation contributed to the Plan in the form of a salary deferral.

Investment options

The Plan's assets are held by Transamerica Financial Life Insurance Company (the "Custodian"), the custodian of the Plan's assets. Under this arrangement with the Custodian and upon enrollment in the Plan, participants may direct all contributions in any whole percentage increments in any of the available funds. Participants may change their allocation to the various investment options at any time via telephone or the internet.

Participant accounts

Each participant's account is credited with (a) the participant's contributions, (b) the Sponsor's contributions on behalf of the participant and (c) the earnings and losses of the participant's investments, and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Each participant is immediately fully vested in the portion of his or her account attributable to his or her contributions and earnings thereon. Vesting in the Sponsor's contributions and the earnings thereon are based on years of continuous service with the Sponsor as follows:

<u>Years of service</u>	<u>Vesting</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of benefits

Upon termination of employment, attainment of retirement age, or for reasons of death or disability, participants may withdraw the vested portion of their account in the form of a lump sum or partial installments. Participants still employed with the Sponsor may withdraw all or a portion of their account balance upon attainment of age 59½ or for reasons of a financial hardship, as allowed under the IRC. A terminated participant whose vested account balance does not exceed \$1,000 will receive a lump sum distribution of their vested account balance as soon as administratively feasible following termination. A terminated participant whose vested balance is greater than \$1,000 but not more than \$5,000 will have their vested account balance transferred into an individual retirement account, separate from Plan assets.

Forfeited accounts

Forfeitures of non-vested account balances can be used to pay administrative expenses or Sponsor matching contributions in the year following the year in which the forfeitures occur. Accumulated forfeitures of \$198 and \$302 were available at December 31, 2022 and 2021, respectively. During the year ended December 31, 2022, \$34,890 was forfeited, and \$35,019 was used to reduce Sponsor matching contributions and administrative expenses.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, unless the loan qualifies as a home loan, for which the term may be extended to thirty years. The loans are secured by the balance in the participant's account and bear interest at a fixed rate, as determined quarterly by the Plan administrator. Principal and interest are paid ratably through periodic payroll deductions. Interest rates ranged from 4.25% to 8.00% on loans outstanding at December 31, 2022 and 2021. A participant can only have one loan outstanding at a time.

Administrative expenses

Administrative fees relating to certain participant-initiated transactions are charged to the accounts of participants initiating the transactions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates in financial statement preparation

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments, except for fully benefit-responsive investment contracts, are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Interest income is recorded when earned. Net appreciation/depreciation in the fair value of investments includes dividends and realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Fully benefit-responsive investment contracts are stated at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Delinquent participant loans are reclassified as distributions upon the terms of the Plan document.

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Indirect investment-related expenses are included in net appreciation/depreciation of fair value of investments.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Custodian, except for comparing such information certified by the Custodian to information included in the Plan's financial statements and supplemental schedule.

The following information included in the Plan's financial statements was prepared and certified to be complete and accurate by the Custodian as of December 31, 2022 and 2021, and for the year ended December 31, 2022:

	2022	2021
Investments in pooled separate accounts, at fair value	\$ 4,287,475	\$ 5,254,273
Investment in fully benefit-responsive investment contract, at contract value	1,785,584	1,477,563
	<u>\$ 6,073,059</u>	<u>\$ 6,731,836</u>
	2022	
Investment (loss):		
Net (depreciation) in fair value of pooled separate accounts	\$ (860,109)	
Interest income on fully benefit responsive investment contract	14,512	
	<u>\$ (845,597)</u>	

4. FAIR VALUE MEASUREMENTS

Following is a description of the valuation methodology used for assets measured at fair value. There was no change in the methodology used during the year ended December 31, 2022.

Pooled separate account: Valued at the unit value of shares held by the Plan at year-end, as determined by the Custodian based on the net asset value ("NAV") of the underlying mutual funds. The NAV, as reported by the Custodian, is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

5. RELATED PARTY TRANSACTIONS

The Sponsor incurred costs on behalf of the Plan for custodial and accounting fees during the year ended December 31, 2022. The Sponsor also provides recordkeeping and administrative services to the Plan at no cost. All investments held by the Plan are managed by the Custodian. Accordingly, these transactions qualify as party-in-interest transactions under ERISA.

6. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a guaranteed investment contract with the Custodian, who maintains the contributions in a general account. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

Prior to each January 1 and July 1, the effective annual rate of interest is established for the corresponding six-month period. Interest is credited, based upon the daily balance, at a rate that is the daily equivalent of the effective annual rate applicable at the time. There is no stated minimum or maximum interest rate.

Transfers by participants from the general account to other funds are generally permitted at contract value. Certain non-participant directed events could also limit the ability of the Plan to transact with the issuer at contract value. Such events include the following: (a) termination of the Plan, (b) merger of the Plan into another plan, or (c) premature termination of the contract by the Sponsor. The Sponsor does not believe that such events are likely to occur. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' accounts balances and the amounts reported in the statements of net assets available for benefits.

8. INCOME TAX STATUS

The Plan uses a prototype plan document sponsored by Transamerica Retirement Solutions LLC, who was informed by the IRS by a letter dated June 30, 2020 that the Plan is designed in accordance with the applicable sections of the IRC. The Plan has not obtained a determination from the IRS on its adoption of the prototype profit sharing plan. In accordance with Revenue Procedure 2002-6, the Sponsor has chosen to rely on the opinion letter of the prototype plan. Subsequent to this opinion letter, the prototype plan has been amended. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Sponsor believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress and the Sponsor believes that the Plan is no longer subject to income tax examinations for years prior to 2019.

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

10. RECONCILIATION TO FORM 5500
