INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries of the
Tishcon Corp. 401(k) Plan
Salisbury, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Tishcon Corp. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedules of Delinquent Participant Contributions for the year ended December 31, 2022 and Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN

Effective January 1, 2000, Tishcon Corp. (the “Company” or “Plan Sponsor”) established Tishcon Corp. 401(k) Plan (the “Plan”), as a defined contribution plan for employees of the Company or Plan Sponsor. The Plan was restated on December 1, 2015 and most recently July 1, 2022.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) was signed into law. The CARES Act contains several provisions that temporarily impact 401(k) type plans, such as the waiver of required minimum distributions for 2020. The Plan allows eligible individuals to receive COVID-19 relief available under the CARES Act in the form of coronavirus-related distributions and a delay in the due date for repayments for outstanding plan loans occurring during the period beginning on March 27, 2020, and ending on December 31, 2020, for one year as provided. Effective April 6, 2020, the Plan was formally amended to incorporate these provisions.

The following description of the Plan provides only general information. Participants should refer to the current Plan agreement for a more complete description of the Plan’s provisions.

[1] General:

The Plan is a defined contribution plan covering all employees of the Company or Plan Sponsor who have attained the age of 21 and who have at least six months of service, as defined. The Plan provides for entry into the Plan at the first day of the first and seventh months of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The trustee of the Plan is Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and the recordkeeper is Principal Life Insurance Company.

[2] Contributions:

Each year, participants may contribute from 1% up to 50% of pretax annual compensation, as defined in the Plan, up to statutory limits. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. At the discretion of the plan administrator, participants may roll over amounts representing distributions from other qualified defined benefit or contribution plans. The Company or Plan Sponsor may make matching and profit-sharing contributions at its discretion. The determination of whether there will be matching and profit-sharing contributions made by the Company or Plan Sponsor is determined on an annual basis. For the year ended December 31, 2022, the Company or Plan Sponsor made a discretionary matching contribution of 25% of each participant’s deferral, not exceeding 6% of eligible compensation. The Company or Plan Sponsor elected not to make a profit-sharing contribution for the year ended December 31, 2022.

Participants direct the investment of their contributions, and employer contributions, if any, into various investment options offered by the Plan. The Plan currently offers various mutual funds, a stable value fund, and collective investment trusts as investment options for participants.

[3] Participant accounts:

Each participant’s account is credited with the participant’s contributions, employer matching and profit-sharing contributions, if any, and allocations of Plan earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

[4] Vesting:

Participants are immediately vested in their voluntary contributions and rollover contributions, if any, plus actual earnings thereon. Participants become vested in the Company's profit-sharing and matching contributions, plus earnings thereon, based upon years of service, as defined, at a rate of 20% per year. Participants become fully vested at the earlier of the completion of five years of service, if the participant is employed on or after the normal retirement age of 65.

[5] Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the participant's highest outstanding note balance to the Plan during the one-year period ending on the day before the date on which the note is made, or 50% of their vested account balances, less current outstanding note balances. All notes, other than those used to purchase a principal residence, must be repaid within five years. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with interest rates being charged by local lenders at inception, as determined by the plan administrator. At December 31, 2022 and 2021, the notes bear interest ranging from 4.25% to 8.00% and 4.25% to 6.50%, respectively. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

[6] Payment of benefits:

On termination of service due to death, disability, or retirement, a participant whose vested balance exceeds \$5,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments, or have the value applied to the purchase of an annuity, other than a life annuity. Participants whose vested benefits do not exceed \$5,000 will receive a single lump-sum payment. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, a direct rollover to another qualified plan, or a direct rollover to an individual retirement account.

[7] Forfeited accounts:

The forfeited portion of nonvested accounts will be used either to reduce future employer contributions or allocated amongst the participants. At December 31, 2022 and 2021, forfeitures recorded by the Plan amounted to \$0 and \$6, respectively. During the year ended December 31, 2022, forfeitures of approximately \$635 were used to reduce the employer match.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

[1] Basis of accounting:

The accompanying financial statements have been prepared on the accrual method of accounting.

TISHCON CORP. 401(k) Plan

Notes to Financial Statements December 31, 2022 and 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[2] Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

[3] Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

[4] Payments of benefits:

Benefits are recorded when paid.

[5] Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company or Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in *administrative expenses*. Investment-related expenses are included in *net depreciation in fair value of investments*.

[6] Excess contributions payable:

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 and 2021 excess contributions, amounting to \$33,333 and \$33,967, respectively, to the applicable participants prior to March 15, 2023 and 2022, respectively.

NOTE C - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, has certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the statement of changes in net assets available for benefits for the year ended December 31, 2022 and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2022.

NOTE D - FAIR VALUE MEASUREMENTS

The FASB's Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust fund – A stable value fund that is composed primarily of fully benefit-responsive investment contracts and that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

Collective trust fund – Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Investments at NAV (A)	Total
Mutual Funds	\$ 14,401,441	\$ -	\$ -	\$ -	\$ 14,401,441
Stable Value and Collective Trust Funds	-	-	-	4,000,677	4,000,677
Total investments at fair value	\$ 14,401,441	\$ -	\$ -	\$ 4,000,677	\$ 18,402,118

	Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Investments at NAV (A)	Total
Mutual Funds	\$ 18,302,096	\$ -	\$ -	\$ -	\$ 18,302,096
Stable Value and Collective Trust Funds	-	-	-	3,571,050	3,571,050
Total investments at fair value	\$ 18,302,096	\$ -	\$ -	\$ 3,571,050	\$ 21,873,146

- (A) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

NOTE E - RELATED PARTY TRANSACTIONS

Plan investment alternatives include mutual funds, a stable value fund, and common collective trust funds, which are managed by affiliates of the trustees. Principal Life Insurance Company and Wilshire Associated Incorporated receive fees from the nonproprietary funds offered as investment alternatives by the Plan. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan amounted to \$58,597 for the year ended December 31, 2022, consisting of \$55,442 for investment management services and \$3,155 for recordkeeping and processing fees.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company or Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their Company contributions.

TISHCON CORP. 401(k) Plan

Notes to Financial Statements December 31, 2022 and 2021

NOTE G - INCOME TAX STATUS

The Plan has adopted a non-standardized pre-approved profit sharing plan with CODA sponsored by Principal Life Insurance Company. On June 30, 2020, the Internal Revenue Service ("IRS") stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC") and therefore, the related trust is exempt from taxation.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the *statements of net assets available for benefits*.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2022 may not necessarily be indicative of amounts that could be realized in a current market exchange.

NOTE I - MUTUAL FUND FEES

Certain investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

NOTE J - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of certain financial statement amounts to Schedule H of the Form 5500:

Line Item	Financial Statements	Reconciling Items	Form 5500
Statement of net assets available for benefits - 2022:			
Excess contributions (payable)	\$ (33,333)	\$ 33,333	\$ -
Notes receivable from participants	382,404	(4,566)	377,838
Net assets available for benefits	18,751,189	28,767	18,779,956
Statement of changes in net assets available for benefits - 2022:			
Net depreciation in fair value of investments	\$ (4,600,457)	\$ 5,394	\$(4,595,063)
Other Income	-	15,829	15,829
Participant contributions	1,442,785	27,939	1,470,724
Corrective distributions	-	(33,967)	(33,967)
Benefits paid to participants	(677,135)	(1,839)	(678,974)
Deemed distribution on notes receivable	(1,839)	(2,727)	(4,566)
Administrative expenses	(58,597)	(15,829)	(74,426)
Net decrease in net assets available for benefits	(3,516,301)	(5,200)	(3,521,501)
Statement of net assets available for benefits - 2021:			
Excess contributions (payable)	\$ (33,967)	\$ 33,967	\$ -
Net assets available for benefits	22,267,490	33,967	22,301,457

Contributions received from participants for the year ended December 31, 2022 are net of an accrual of \$27,939 made at December 31, 2022 to reflect a liability for excess deferral contributions, as required to satisfy the relevant nondiscrimination provision of the Plan for 2022. That amount, including earnings of \$5,394, was returned to the participants prior to March 2023.

Benefits paid to participants on Form 5500 for the year ended December 31, 2022 include \$33,967 in distributions to participants for excess contributions received from participants in 2021 and refunded to participants in 2022. Included in the Plan's *statements of net assets available for benefits as excess contributions payable* at December 31, 2021 was \$33,967.

NOTE K - SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through October 5, 2023, the date the financial statements were available to be issued.
