**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. ## INDEPENDENT AUDITORS' REPORT

To the Participants and DHL Supply Chain NA Compensation & Benefits Committee  
Tibbett & Britten Group NA LLC 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Tibbett & Britten Group NA LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Tibbett & Britten Group NA LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Tibbett & Britten Group NA LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Tibbett & Britten Group NA LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Tibbett & Britten Group NA LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **1. DESCRIPTION OF PLAN:**

The following description of the Tibbett & Britten Group NA LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### **General**

The Plan, which began June 1, 1996 and was restated on January 1, 2022, is a defined contribution plan covering all eligible employees of Tibbett & Britten Group NA LLC and its subsidiaries (collectively, the Employer) who meet the service and age requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Tibbett & Britten Group NA LLC, Genesis Logistics Inc., Heartland Logistics Inc., and South Bay Terminals – SBT are participating companies in the Plan.

### **Eligibility**

All employees of the Employer age twenty-one and older and who have completed three months of credited service are eligible to participate in the Plan. Employees whose employment is governed by a collective bargaining agreement and who are non-resident aliens or leased employees are not eligible to participate in the Plan. Employees may enter the Plan on the first day of each calendar quarter after meeting Plan eligibility requirements.

### **Contributions**

Participant contributions – Participants may elect to defer between 1% to 20% of eligible compensation, as defined. Participants direct contributions in 1% increments to any of the Plan's investment options. The participants' elective deferrals are not taxed as compensation in the year of deferral. Participants may also make rollover contributions from other qualified defined benefit or contribution plans. Participants who reach age 50 may elect to make catch-up contributions.

Employer matching contributions – The Employer elected to apply the safe harbor provisions of the Internal Revenue Code (IRC) for 2022 and 2021 and made Employer safe harbor matching contributions equal to 100% of the first 3% of compensation deferred by the participant, plus an amount equal to 50% of the next 2% of compensation deferred by the participant.

Employer discretionary contributions – The Employer may make a discretionary contribution annually. No Employer discretionary contributions were made during 2022 or 2021.

Contributions are subject to limitations on annual additions and other limitations imposed by the IRC as defined in the Plan agreement.

### **Participant accounts**

Each participant's account is credited with the participant's contributions, Employer matching and discretionary contributions, and earnings and losses thereon. The Plan's investments are participant-directed.

### **Vesting**

All participants are 100% vested in elective deferrals, rollover contributions and Employer safe harbor matching contributions made to the Plan. Participants are 50% vested after 2 years of service and are fully vested after 3 years of service in any Employer non safe harbor matching and discretionary contributions.

**Administrative expenses**

Certain expenses incurred in the administration of the Plan are paid by the Employer and are excluded from these financial statements. Investment related fees are included in net appreciation (depreciation) in fair value of investments. Fees related to participant directed transactions are charged directly to the participant's account and are included in administrative expenses. Certain expenses are paid through revenue sharing rather than direct payment.

**Participant notes receivable**

Participant notes receivable are permitted under certain circumstances and are subject to limitations. Participants may borrow from their funds up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Notes are repaid over a period not to exceed 5 years with exceptions for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest rates as determined reasonable by the plan administrator. Principal and interest are paid ratably through payroll deductions.

**Payment of benefits**

On termination of service, death, disability or retirement, a participant or his or her beneficiary will receive a lump-sum distribution equal to the value of his or her account, partial payments, or installment payments over a certain period. Normal retirement age is age 65; however, the Plan also provides for early payment of benefit after reaching age 59 ½. The nonvested portion of the account is treated as a forfeiture. Hardship withdrawals are permitted in accordance with the Internal Revenue Service (IRS) guidelines.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:****Basis of accounting**

The Plan's transactions are reported on the accrual basis of accounting.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**Investment valuation and income recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Compensation & Benefits Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Interest and dividend income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Participant notes receivable**

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Upon default (as defined), the plan administrator treats the default as a distribution and offsets the outstanding balance of the note against the participant's vested account balance.

### **Contributions**

Employee deferrals are recognized when withheld from a participant's pay and Employer matching contributions are recognized at the same time. Employer discretionary contributions are recognized when the Employer makes a commitment for such contributions.

### **Payment of benefits**

Benefits are recorded when paid.

### **Subsequent events**

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The Plan has evaluated subsequent events through October 5, 2023, the date that the financial statements were available to be issued.

## **3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE:**

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company (Fidelity), the trustee as defined by the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021 and the supplemental schedule of assets (held at end of year) as of December 31, 2022 and the related investment activity and interest income on notes receivable from participants reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.

## **4. FAIR VALUE MEASUREMENTS:**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in the active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurements level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methods used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 or 2021.

- Mutual funds: The fair value of these securities is based on the net asset value (NAV) of shares held by the plan at year end which is based on observable market quotations for identical assets and are priced on a daily basis at the close of business.
- Interest-bearing cash: The carrying value approximates fair value.
- Common collective trusts: Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuations methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

**Investments Measured Using the Net Asset Value per Share Practical Expedient**

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

| <u>December 31, 2022</u> | <u>Fair Value</u> | <u>Unfunded Commitments</u> | <u>Redemption Frequency (if currently eligible)</u> | <u>Redemption Notice Period</u> |
|--------------------------|-------------------|-----------------------------|-----------------------------------------------------|---------------------------------|

| <u>December 31, 2021</u> | <u>Fair Value</u> | <u>Unfunded Commitments</u> | <u>Redemption Frequency (if currently eligible)</u> | <u>Redemption Notice Period</u> |
|--------------------------|-------------------|-----------------------------|-----------------------------------------------------|---------------------------------|
| Common collective trust  | \$ 226,729        | n/a                         | Daily                                               | Daily                           |

**5. FORFEITED ACCOUNTS:**

Forfeited non-vested accounts totaled \$798 and \$637 as of December 31, 2022 and 2021, respectively. Forfeited Employer contributions will be used to restore the balances of participants who are rehired and had forfeited balances, and to reduce future Employer contributions. During the years ended December 31, 2022 and 2021, no forfeitures were used to reduce Employer matching contributions.

**6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS:**

Certain Plan investments are managed by Fidelity, the trustee, and, therefore, these transactions qualify as party-in-interest transactions.

**7. PLAN TERMINATION:**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**8. RISKS AND UNCERTAINTIES:**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' accounts and the amounts reported in the statements of net assets available for benefits.

**9. TAX STATUS:**

The Plan adopted a prototype non-standardized pre-approved profit sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the IRS dated June 30, 2020. The IRS stated in the letter that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving this opinion letter and the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in these financial statements.

**10. CARES ACT PLAN AMENDMENT:**

The plan administrator had adopted the distribution and loan relief provisions included in the CARES Act which permitted qualified individuals to request a pre-approved distribution up to \$100,000 through December 30, 2020, through participant self-certification of eligibility, and permitted qualified individuals to defer repayments of an outstanding loan for one year. The CARES Act also permitted the Employer to increase the maximum loan amount available to qualified individuals up to \$100,000 per participant. The Employer amended the Plan effective January 1, 2022 to reflect such provisions.

**11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:**

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

|                                                                       | <u>2022</u>         | <u>2021</u>      |

## INDEPENDENT AUDITORS' REPORT

To the Participants and DHL Supply Chain NA Compensation & Benefits Committee  
Tibbett & Britten Group NA LLC 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Tibbett & Britten Group NA LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Tibbett & Britten Group NA LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Tibbett & Britten Group NA LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Tibbett & Britten Group NA LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Tibbett & Britten Group NA LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **1. DESCRIPTION OF PLAN:**

The following description of the Tibbett & Britten Group NA LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### **General**

The Plan, which began June 1, 1996 and was restated on January 1, 2022, is a defined contribution plan covering all eligible employees of Tibbett & Britten Group NA LLC and its subsidiaries (collectively, the Employer) who meet the service and age requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Tibbett & Britten Group NA LLC, Genesis Logistics Inc., Heartland Logistics Inc., and South Bay Terminals – SBT are participating companies in the Plan.

### **Eligibility**

All employees of the Employer age twenty-one and older and who have completed three months of credited service are eligible to participate in the Plan. Employees whose employment is governed by a collective bargaining agreement and who are non-resident aliens or leased employees are not eligible to participate in the Plan. Employees may enter the Plan on the first day of each calendar quarter after meeting Plan eligibility requirements.

### **Contributions**

Participant contributions – Participants may elect to defer between 1% to 20% of eligible compensation, as defined. Participants direct contributions in 1% increments to any of the Plan's investment options. The participants' elective deferrals are not taxed as compensation in the year of deferral. Participants may also make rollover contributions from other qualified defined benefit or contribution plans. Participants who reach age 50 may elect to make catch-up contributions.

Employer matching contributions – The Employer elected to apply the safe harbor provisions of the Internal Revenue Code (IRC) for 2022 and 2021 and made Employer safe harbor matching contributions equal to 100% of the first 3% of compensation deferred by the participant, plus an amount equal to 50% of the next 2% of compensation deferred by the participant.

Employer discretionary contributions – The Employer may make a discretionary contribution annually. No Employer discretionary contributions were made during 2022 or 2021.

Contributions are subject to limitations on annual additions and other limitations imposed by the IRC as defined in the Plan agreement.

### **Participant accounts**

Each participant's account is credited with the participant's contributions, Employer matching and discretionary contributions, and earnings and losses thereon. The Plan's investments are participant-directed.

### **Vesting**

All participants are 100% vested in elective deferrals, rollover contributions and Employer safe harbor matching contributions made to the Plan. Participants are 50% vested after 2 years of service and are fully vested after 3 years of service in any Employer non safe harbor matching and discretionary contributions.

**Administrative expenses**

Certain expenses incurred in the administration of the Plan are paid by the Employer and are excluded from these financial statements. Investment related fees are included in net appreciation (depreciation) in fair value of investments. Fees related to participant directed transactions are charged directly to the participant's account and are included in administrative expenses. Certain expenses are paid through revenue sharing rather than direct payment.

**Participant notes receivable**

Participant notes receivable are permitted under certain circumstances and are subject to limitations. Participants may borrow from their funds up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Notes are repaid over a period not to exceed 5 years with exceptions for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest rates as determined reasonable by the plan administrator. Principal and interest are paid ratably through payroll deductions.

**Payment of benefits**

On termination of service, death, disability or retirement, a participant or his or her beneficiary will receive a lump-sum distribution equal to the value of his or her account, partial payments, or installment payments over a certain period. Normal retirement age is age 65; however, the Plan also provides for early payment of benefit after reaching age 59 ½. The nonvested portion of the account is treated as a forfeiture. Hardship withdrawals are permitted in accordance with the Internal Revenue Service (IRS) guidelines.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:****Basis of accounting**

The Plan's transactions are reported on the accrual basis of accounting.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**Investment valuation and income recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Compensation & Benefits Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Interest and dividend income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Participant notes receivable**

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Upon default (as defined), the plan administrator treats the default as a distribution and offsets the outstanding balance of the note against the participant's vested account balance.

### **Contributions**

Employee deferrals are recognized when withheld from a participant's pay and Employer matching contributions are recognized at the same time. Employer discretionary contributions are recognized when the Employer makes a commitment for such contributions.

### **Payment of benefits**

Benefits are recorded when paid.

### **Subsequent events**

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The Plan has evaluated subsequent events through October 5, 2023, the date that the financial statements were available to be issued.

## **3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE:**

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company (Fidelity), the trustee as defined by the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021 and the supplemental schedule of assets (held at end of year) as of December 31, 2022 and the related investment activity and interest income on notes receivable from participants reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.

## **4. FAIR VALUE MEASUREMENTS:**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in the active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurements level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methods used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 or 2021.

- Mutual funds: The fair value of these securities is based on the net asset value (NAV) of shares held by the plan at year end which is based on observable market quotations for identical assets and are priced on a daily basis at the close of business.
- Interest-bearing cash: The carrying value approximates fair value.
- Common collective trusts: Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuations methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

**Investments Measured Using the Net Asset Value per Share Practical Expedient**

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

| <u>December 31, 2022</u> | <u>Fair Value</u> | <u>Unfunded<br/>Commitments</u> | <u>Redemption<br/>Frequency (if<br/>currently eligible)</u> | <u>Redemption<br/>Notice Period</u> |

| <u>December 31, 2021</u> | <u>Fair Value</u> | <u>Unfunded<br/>Commitments</u> | <u>Redemption<br/>Frequency (if<br/>currently eligible)</u> | <u>Redemption<br/>Notice Period</u> |

**5. FORFEITED ACCOUNTS:**

Forfeited non-vested accounts totaled \$798 and \$637 as of December 31, 2022 and 2021, respectively. Forfeited Employer contributions will be used to restore the balances of participants who are rehired and had forfeited balances, and to reduce future Employer contributions. During the years ended December 31, 2022 and 2021, no forfeitures were used to reduce Employer matching contributions.

**6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS:**

Certain Plan investments are managed by Fidelity, the trustee, and, therefore, these transactions qualify as party-in-interest transactions.

**7. PLAN TERMINATION:**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**8. RISKS AND UNCERTAINTIES:**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' accounts and the amounts reported in the statements of net assets available for benefits.

**9. TAX STATUS:**

The Plan adopted a prototype non-standardized pre-approved profit sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the IRS dated June 30, 2020. The IRS stated in the letter that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving this opinion letter and the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in these financial statements.

**10. CARES ACT PLAN AMENDMENT:**

The plan administrator had adopted the distribution and loan relief provisions included in the CARES Act which permitted qualified individuals to request a pre-approved distribution up to \$100,000 through December 30, 2020, through participant self-certification of eligibility, and permitted qualified individuals to defer repayments of an outstanding loan for one year. The CARES Act also permitted the Employer to increase the maximum loan amount available to qualified individuals up to \$100,000 per participant. The Employer amended the Plan effective January 1, 2022 to reflect such provisions.

**11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:**

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

|                                                                       | <u>2022</u>         | <u>2021</u>      |
