Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☒ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: ERNEST D. LOEWENWARTER & CO. LLP

(2) EIN: 13-5553617

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Independent Auditor's Report

**To the Board of Trustees
Touton Holdings, LTD 401(k) Plan
129 West 27th Street, 9th Floor
New York, NY 10001**

To the Administrative Committee of
the Touton Holdings, Ltd. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Touton Holdings, Ltd. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Touton Holdings, Ltd. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Touton Holdings, Ltd. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Touton Holdings, Ltd. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Touton Holdings, Ltd. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Touton Holdings, Ltd. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TOUTON HOLDINGS, LTD
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of Touton Holdings, LTD 401(k) Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

- A. General - The Plan is a 401(k) Plan (i.e., a defined contribution plan) which covers all employees of Touton Holdings, Ltd (the Employer) as well as employees of all its related employers as provided in the plan who have attained twenty-one years of age, one thousand work hours during the plan year and are employed for twelve months of service. Eligible participants may enter the plan on the first day of the first month after meeting eligibility requirements. The Plan was adopted in 1996 and has elected to adopt the Safe Harbor 401(k) provisions. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- B. Contributions - Each participant may elect to contribute up to 100% of their compensation as either pretax contributions or ROTH contributions. The employer is required to make a matching safe harbor contribution equal to the sum of 100% of the portion of the first 3% of the participant's salary reduction, and to equal 50% of the following 2% of the participant's salary reduction. The employer may also make a discretionary profit sharing contribution which is allocated based on the ratio that each participant's compensation bears to the total compensation of all participants. Only participants who are employed on the last day of the plan year are eligible to receive the matching or discretionary contribution. Forfeitures of terminated participant's non-vested accounts are used at the employer's discretion. Rollovers are permitted, and catchup payments for participants who have reached age 50. All contributions are limited by IRS limitations of \$20,500 for the plan year and an additional \$6,500 for those eligible for catchup contributions.
- C. Participant Accounts - Each participant account is credited or charged with the participant's elective contribution, the employer matching contribution and an allocation of the employer discretionary contribution, and individual account earnings or losses, and an allocation of administrative expenses. Allocations are based on participant earnings, as defined by the plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.
- D. Vesting - Participants are immediately vested in their elective contributions and related earnings. Participant's vest in Employer matching and discretionary contributions over a period of four years. Participants are 25% vested after one year of service, 50% vested after two years of service, 75% vested after three years of service, and 100% vested after four years of service. Participants are 100% vested in Employer safe harbor matching.

TOUTON HOLDINGS, LTD
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN - (Continued)

- E. Notes Receivable from Participants - Participants may borrow from their investment accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of 50% of their vested account balance, or \$50,000, reduced by the previous loan balance during the one-year period ending on the day before the loan is made. Participants may only have one outstanding loan at any one time. The loans are secured by the balance in the participant's account and bear interest at the Prime rate plus 1% for 2022 and 2021 as of the date the loan was made. Principal and interest is paid ratably through bi-weekly payroll deductions.
- F. Investment Option – Upon enrollment in the Plan, the participants direct the investment of 100% of the contributions in accordance with John Hancock Life Insurance Company of New York (Plan custodian) investment contract. Participants may change their investment options periodically.
- G. Plan Benefits – Participants are entitled to in service distributions at age 59 ½. A participant whose employment with the Organization terminates for reasons other than retirement, death or disability shall be entitled to receive the vested value of their account in a lump sum distribution. The plan additionally provides the ability for participants to make hardship distributions for certain reasons as described in the Plan. Normal retirement age under the plan is 65 years of age.
- H. Forfeited Accounts - For the years ended December 31, 2022 and 2021, there were no forfeited contributions, as such no forfeited contributions have been used by the plan for plan expenses in the respective years.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value with the exception of fully benefit-responsive investment contracts, which are required to be reported at contract value. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The statements of net assets available for benefits present fully benefit-responsive investment contracts at contract value and all other investments at fair value.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

2. SUMMARY OF ACCOUNTING POLICIES (Continued)

Investment Valuation – The Plan’s investments are valued daily, and, apart from fully benefit responsive contracts, are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Excess Contributions - Amounts in excess of the IRS limits are distributed to participants by the plans year end. The plan distributed the 2022 excess to the applicable participants prior to December 31, 2022

Payment of Benefits – Benefits to Participants are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the employer. Expenses paid by the employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s accounts and are included in administrative expenses. Additionally certain fees per transaction related to loans, distributions and certain other transactions are allocated to the participants requesting the transactions. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Plan Restatement- The IRS requires plans to be restated from time to time, allowing for incorporation of any current regulations. The Plan was restated for plan years beginning in 2022 and as such is in compliance with the requirements for periodic restatement.

Subsequent Events

There were no material subsequent events in relation to the Plan. Subsequent events were evaluated through October 4, 2023 which is the date the financial statements were available to be issued.

3. INVESTMENTS

Fair value is defined as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date. When determining fair value, the Plan considers the principal or most advantageous market in which the Plan would transact, and the Plan considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, redemption restrictions, and risk of non-performance.

In addition to determining fair value, the Plan is required to establish a fair value hierarchy for valuation inputs. The hierarchy prioritizes the inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is reported in one of the three levels, which is determined by the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

Level 1 — unadjusted quoted prices in active markets for identical assets or liabilities;

Level 2 — quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means;

Level 3 — unobservable inputs to the valuation methodology that are significant to the measurement of the fair value of assets or liabilities.

Below is a description of the valuation methodologies used for the fair value measurements.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for plan benefits. There were no material transfers between Level 1, Level 2, or Level 3 investments during the year ended December 31, 2022 and 2021.

Input levels by investment category are as follows:

December 31, 2022	Quoted prices in an active market (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total fair value
Pooled Separate Accounts NAV ¹	-	-	-	11,786,729
	-	-	-	\$11,786,729
December 31, 2021	Quoted prices in an active market (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total fair value
Pooled Separate Accounts NAV ¹	-	-	-	12,312,186

3. INVESTMENTS (Continued)

¹ Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of financial position.

Pooled Separate Accounts

The pooled separate accounts are held in separate investment accounts, which are valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, which include a mix of U.S. and international equities, fixed income investments, and cash. There are no restrictions on redemptions and no unfunded commitments.

- The Multi Index Lifetime funds and T.Rowe Price Retirement Funds are target date funds which use a mixture of equities, bonds and cash to achieve a high total return through the target retirement date. The underlying assets in each fund vary depending on the target retirement date.
- The John Hancock Multimanager Lifestyle funds and the Lifestyle G.I.F.L. Funds use varying mixtures of portfolio investments in equity securities and fixed-income securities to achieve the desired level of returns and risk. These funds offer Aggressive, Growth, Balanced, Moderate and Conservative offerings. G.I.F.L. funds incorporate underlying portfolios with annuity investments providing fixed returns over the period of that underlying investments contract term.
- The Plan contains several Mid-Cap funds which use U.S. and non-U.S. securities to track the performance of the CRSP US Mid Cap Index.
- The Plan offers Small-Cap Funds which primarily use equity securities to track the performance of a benchmark index which measures the investment return of small capitalization growth stocks.
- Inflation protection funds strictly use bonds to provide some inflation protection and earn current income.
- Indexed funds are used by the plan. These funds use a mixture of both U.S. and Non-U.S. equity securities, bonds and cash to track indexes for Mid-Cap funds, equity benchmark indexes and the S and P 500 index. These funds are intended to provide growth and aggressive growth.
- Bond funds are offered by the plan which uses both U.S and non-U.S. Bonds to achieve current income for participants.

- IShares Gold Fund is offered using investments in gold to generally reflect the performance of gold in the market.

4. FEDERAL INCOME TAX STATUS

The Plan has adopted a prototype “standardized” plan and the prototype sponsor has received an advisory letter from the Internal Revenue Service indicating that the Plan is a qualified plan meeting the requirements of applicable sections of the Internal Revenue Code. Accordingly, Plan management believes the Plan is currently designed and operates in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of a plan termination, participants will become 100% vested in their accounts.

6. INVESTMENTS CERTIFIED BY PLAN’S TRUSTEE (Unaudited)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from John Hancock Life Insurance Company of New York, the custodian of the Plan, that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate.

7. RISKS AND UNCERTAINTIES

The participants through the Plan invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. RELATED-PARTY TRANSACTION AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock Life Insurance Company (U.S.A.). John Hancock Life Insurance Company (U.S.A.) and, or, its subsidiaries and partners are the trustees and recordkeepers for the Plan and, therefore, these transactions qualify as party in interest transactions.
