## INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator  
403(b) Thrift Plan of United Disability Services, Inc.  
Akron, Ohio

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan of United Disability Services, Inc. ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) THRIFT PLAN OF  
UNITED DISABILITY SERVICES, INC.  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the 403(b) Thrift Plan of United Disability Service, Inc. (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and covers substantially all employees of the United Disability Services, Inc. (the "Company" or the "Plan Sponsor"). There are no minimum age or service requirements to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Participants may, subject to certain limitations, elect to contribute one to one-hundred percent of their pre-tax or after-tax compensation to the Plan. The Company will make matching contributions equal to 50% of participants' contributions up to 6% of the individual participant's compensation. The Plan also provides for rollover contributions from other Plans qualified under the Internal Revenue Code ("IRC").

Participant Accounts

Separate accounts are maintained by Mutual of America Life Insurance Company (the "Custodian") in the name of each participant. Participants direct their contributions and matching Plan Sponsor contributions to be invested in one or a combination of the investments available to the Plan.

Vesting

Employee contributions and rollover contributions are fully vested at all times. Plan participants acquire a 100% vested nonforfeitable interest in the Plan Sponsor's contributions upon completion of 3 years of service.

Forfeitures

Forfeitures attributable to matching contributions are first used to pay any charge under the Plan made in connection with the termination of employment of the participant whose termination resulted in the forfeiture. Any remaining forfeitures after such payment shall be applied to reduce the Plan Sponsor's contribution. Employer contributions were reduced by \$0 and \$1,675 during 2022 and 2021, respectively. At December 31, 2022 and 2021, there were no accumulated forfeitures.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except for a group annuity contract with the Custodian, which is stated at contract value, as further discussed in Note 5. The change in the difference between fair value and the cost of investments, along with the difference between the proceeds received and the cost of the investments sold, is reflected in the Statements of Changes in Net Assets Available for Benefits as net appreciation.

Dividend income is recorded on the ex-dividend date. Purchases and sales of securities are recorded on the trade-date basis.

Fair Value Measurements

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subject in nature and involve uncertainties and matters of significant judgement and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United State of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results may differ from those estimates.

Administrative Fees

A portion of the administrative fees are paid by the Plan. Other administrative fees, including legal and professional fees, are paid by the Plan Sponsor.

Subsequent Events

The Plan has evaluated subsequent events through October 2, 2023, the date the financial statements were available to be issued.

UNITED DISABILITY SERVICES, INC.  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 and 2021

NOTE 3 - CUSTODIAN CERTIFICATION

The Custodian has certified the following information used in preparation of these financial statements as complete and accurate as of and for the years ended December 31:

|                                                              | 2022         | 2021         |
|--------------------------------------------------------------|--------------|--------------|
| Pooled separate accounts                                     | \$ 4,756,253 | \$ 5,421,223 |
| Group annuity contract                                       | \$ 634,547   | \$ 952,606   |
| Interest and dividends                                       | \$ 1,755     | \$ 8,634     |
| Net (depreciation) appreciation in fair value of investments | \$ (962,663) | \$ 835,928   |

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are held by the Custodian. Financial information relating to the Plan's assets is included in the accompanying financial statements based on information provided by the Custodian. Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 - Observable inputs such as quoted prices in active markets;
- Level 2 - Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 - Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions

Assets measured at fair value on a recurring basis are as follows:

|                          | Level 2      |              |
|--------------------------|--------------|--------------|
|                          | 2022         | 2021         |
| Pooled separate accounts | \$ 4,756,253 | \$ 5,421,223 |

The Plan holds no assets measured at fair value other than level 2 investments.

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. The valuation methodologies used for assets measured at fair value is as follows:

*Pooled separate accounts:* Valued at the net asset value of the underlying investments held by each separate account, which are actively traded.

403(b) THRIFT PLAN OF  
UNITED DISABILITY SERVICES, INC.  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 and 2021

The method described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the valuation methods.

NOTE 5 - GROUP ANNUITY CONTRACT

The Plan invests in a fully benefit-responsive group annuity contract with the Custodian totaling \$634,547 and \$952,606 as of December 31, 2022 and 2021, respectively. The Custodian maintains the contributions in a general account and is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include amendments to the Plan documents (including complete or partial Plan termination or merger with another), bankruptcy of the Plan Sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring. The group annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 - TAX STATUS

It is the Plan's intention to be organized and operated as tax-exempt under the appropriate sections of the Internal Revenue Code ("IRC"). The IRS does not yet have a determination letter program for 403(b) plans and therefore the Plan has not yet applied for a determination. The Plan administrator does intend to file for determination once a program has been established. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status and believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

403(b) THRIFT PLAN OF  
UNITED DISABILITY SERVICES, INC.  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 and 2021

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of and for the years ended December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PLAN TERMINATION

Although it has not indicated any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions and terminate the Plan subject to the provisions set forth by ERISA.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include the purchases and sales of investments through the Plan's Custodian and the payment of services and expenses. There are also indirect fees deducted directly from investment earnings of the Plan.

The Custodian has certified the following information used in preparation of these financial statements as complete and accurate as of and for the years ended December 31:

|                                                              | 2022         | 2021         |
|--------------------------------------------------------------|--------------|--------------|
| Pooled separate accounts                                     | \$ 4,756,253 | \$ 5,421,223 |
| Group annuity contract                                       | \$ 634,547   | \$ 952,606   |
| Interest and dividends                                       | \$ 1,755     | \$ 8,634     |
| Net (depreciation) appreciation in fair value of investments | \$ (962,663) | \$ 835,928   |

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are held by the Custodian. Financial information relating to the Plan's assets is included in the accompanying financial statements based on information provided by the Custodian. Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 - Observable inputs such as quoted prices in active markets;
- Level 2 - Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 - Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions

Assets measured at fair value on a recurring basis are as follows:

|                          | Level 2      |              |
|--------------------------|--------------|--------------|
|                          | 2022         | 2021         |
| Pooled separate accounts | \$ 4,756,253 | \$ 5,421,223 |

The Plan holds no assets measured at fair value other than level 2 investments.

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. The valuation methodologies used for assets measured at fair value is as follows:

*Pooled separate accounts:* Valued at the net asset value of the underlying investments held by each separate account, which are actively traded.

403(b) THRIFT PLAN OF  
UNITED DISABILITY SERVICES, INC.  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 and 2021

The method described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the valuation methods.

NOTE 5 - GROUP ANNUITY CONTRACT

The Plan invests in a fully benefit-responsive group annuity contract with the Custodian totaling \$634,547 and \$952,606 as of December 31, 2022 and 2021, respectively. The Custodian maintains the contributions in a general account and is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include amendments to the Plan documents (including complete or partial Plan termination or merger with another), bankruptcy of the Plan Sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring. The group annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 - TAX STATUS

It is the Plan's intention to be organized and operated as tax-exempt under the appropriate sections of the Internal Revenue Code ("IRC"). The IRS does not yet have a determination letter program for 403(b) plans and therefore the Plan has not yet applied for a determination. The Plan administrator does intend to file for determination once a program has been established. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status and believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.
