INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
AmeriCU Employee Retirement Plan
Rome, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of AmeriCU Employee Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

An Independently Owned Member, RSM US Alliance

RSM US Alliance member firms are separate and independent businesses and legal entities that are responsible for their own acts and omissions, and each are separate and independent from RSM US LLP. RSM US LLP is the U.S. member firm of RSM International, a global network of independent audit, tax, and consulting firms. Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

- The information in the accompanying financial statements related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

AmeriCU Employee Retirement Plan

December 31, 2022 and 2021

NOTE A--DESCRIPTION OF THE PLAN

The following description of the AmeriCU Employee Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more comprehensive description of the Plan's provisions.

General: The Plan is a safe harbor defined contribution plan covering substantially all employees of AmeriCU Credit Union and AmeriCU Insurance Services (collectively the Plan Sponsor or Employer). Effective March 1, 2021, the Plan was amended to state that an employee who is age 18 or older with one month of service is eligible to participate in the elective deferral feature of the Plan and eligible to receive employer matching and non-elective contributions after twelve months of service. Prior to March 1, 2021, an employee who was age 21 or older was eligible to participate in the elective deferral feature of the Plan immediately. Employees are eligible for safe harbor contributions after completing 1,000 hours of service in a twelve month period. The Plan is subject to the provisions of ERISA. The AmeriCU Employee Retirement Plan Committee (the Retirement Plan Committee) is responsible for the oversight of the Plan. The Retirement Plan Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Retirement Plan Committee reports to the AmeriCU Credit Union Board of Directors.

Contributions: Participants may contribute tax-deferred dollars, through payroll deductions equal to the lesser of 100% of eligible compensation (elective deferral contributions) or \$20,500 and \$19,500 into the Plan for the years ended December 31, 2022 and 2021, respectively. Participants may also contribute after-tax Roth dollars through payroll deductions. Contributions are subject to certain limitations determined by the Internal Revenue Service (IRS). Additionally, if a participant has or is projected to attain age 50 before the end of the Plan year, that participant may make catch-up contributions as determined by the IRS (\$6,500 for 2022 and 2021). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation in elective deferral contributions and their contributions invested in a designated balanced fund until changed by the participant.

NOTE A--DESCRIPTION OF THE PLAN--Continued

Contributions--Continued: The employer safe harbor contribution is calculated as 100% of the first 3% and 50% of the next 2% of the employee's elective deferrals and amounted to \$783,509 and \$703,484 for 2022 and 2021, respectively. In addition to the safe harbor contribution, the employer may make additional contributions at their discretion.

Participant Accounts: Each participant's account is credited with the participant's contributions, safe harbor contributions, any discretionary contributions, and allocations of Plan earnings and losses. Earnings and losses are allocated based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in all of their account balances with the exception of employer matching and employer non-elective contributions which will be vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	40%
3	60%
4	80%
5	100%

Notes Receivable From Participants: Participants may borrow from their accounts a minimum of \$1,000 and a maximum amount being the lesser of 50% of the vested account balance or \$50,000 reduced by the highest outstanding loan balance at any time in the previous twelve months. Effective March 1, 2021, principal and interest are paid ratably through a participant's bank account via ACH. Prior to March 1, 2021, principal and interest were paid ratably through bi-weekly payroll deductions. Terms of the loans require repayment over a period not extending beyond five years from the date of the loan. Effective March 1, 2021, loans for the purchase of a principal residence may have terms of up to 10 years. Prior to March 1, 2021 the terms for a personal residence loan extended to 30 years. Terms in excess of 10 years and through 30 years for loans originated prior to March 1, 2021 have been grandfathered. Interest rates remain fixed throughout the duration of the loan. Effective March 1, 2021, loans bear a reasonable rate of interest as determined by the Plan Administrator (8.50% and 4.25% at December 31, 2022 and 2021, respectively). Prior to March 1, 2021, interest on loans were at a rate of prime plus 2%. Loans are secured by the vested balance in the participant's account. Participants may only have one loan outstanding at any one time.

NOTE A--DESCRIPTION OF THE PLAN--Continued

Payment of Benefits: Distributions from the Plan are based on termination of service, disability, retirement, proven hardship or death. A participant may elect to receive a lump-sum amount equal to the value of the participant's vested account balance. The minimum hardship withdrawal is \$500. For termination of service due to death, a beneficiary will receive a lump-sum amount equal to the value of the participant's vested account balance. If a participant's vested account balance is \$1,000 or less, a lump-sum amount will be paid to the participant without their consent.

Forfeited Accounts: Forfeited nonvested accounts are retained by the Plan and used to reduce employer contributions or pay Plan expenses. At December 31, 2022 and 2021, the balance of forfeited nonvested accounts was \$4,385 and \$-0-, respectively, and no forfeitures were used to reduce employer contributions in 2022 and 2021.

NOTE B--SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors and custodians. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's losses and gains on investments bought and sold as well as held during the year.

December 31, 2022 and 2021

NOTE B--SIGNIFICANT ACCOUNTING POLICIES--Continued

Notes Receivable From Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded at December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits: Benefits are recorded when paid.

Administrative Fees: Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Expenses related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account. Investment related expenses are included in net (depreciation) appreciation of fair value of investments.

Events Occurring After Reporting Date: The Plan's management has evaluated events and transactions that occurred between December 31, 2022 and October 6, 2023, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. There were no such events or transactions identified by Plan management.

NOTE C--INFORMATION CERTIFIED OR PROVIDED BY CUSTODIAN (UNAUDITED)

The following is a summary of the Plan's asset information as of and for the years ended December 31, 2022 and 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Fidelity Management Trust Company (Fidelity), the current custodian of the Plan, and AdvisorTrust, Inc. (AdvisorTrust), the former custodian of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodians that the information provided to the Plan Administrator by the custodians related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	<u>2022</u>	<u>2021</u>
Participant directed investments, at fair value:		
Money market funds	\$ 14,054	\$ 22
Mutual funds	28,067,476	33,692,311
Collective trust	<u>877,529</u>	<u>757,583</u>
Total participant directed investments, at fair value	<u>\$ 28,959,059</u>	<u>\$ 34,449,916</u>
Notes receivable from participants	<u>\$ 607,109</u>	<u>\$ 711,473</u>

The custodians also certified to the completeness and accuracy of (\$6,322,469) and \$2,490,601 of net (depreciation) appreciation in fair value of investments, \$900,243 and \$2,614,534 of dividends and \$33,877 and \$45,232 of interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, respectively.

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) Topic 820, "Fair Value Measurements and Disclosures", are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTES TO FINANCIAL STATEMENTS--Continued

AmeriCU Employee Retirement Plan

December 31, 2022 and 2021

NOTE D--FAIR VALUE MEASUREMENTS--Continued:

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The following is a description of the valuation methodologies used for assets measured at fair value:

Money market funds: The fair value of money market funds approximates carrying value due to the nature of the instrument.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust: Valued at the NAV of units of a collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE D--FAIR VALUE MEASUREMENTS--Continued:

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by Level, within the fair value hierarchy, the Plan's investments at fair value:

	Investments at Fair Value as of:			
	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 14,054	\$ -0-	\$ -0-	\$ 14,054
Mutual funds	28,067,476	-0-	-0-	28,067,476
Total assets in the fair value hierarchy	<u>\$28,081,530</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	28,081,530
Collective trust measured at net asset value ^(a)				<u>877,529</u>
Investments at fair value				<u>\$ 28,959,059</u>
	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 22	\$ -0-	\$ -0-	\$ 22
Mutual funds	33,692,311	-0-	-0-	33,692,311
Total assets in the fair value hierarchy	<u>\$33,692,333</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	33,692,333
Collective trust measured at net asset value ^(a)				<u>757,583</u>
Investments at fair value				<u>\$ 34,449,916</u>

^(a) In accordance with FASB ASC Topic 820-10, the collective trust, which is measured at net asset value per share (or its equivalent) is not classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The following table summarizes the investment for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

<u>Investments</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Participant Redemption Frequency (if currently eligible)</u>	<u>Plan Redemption Notice Period</u>
	<u>December 31, 2022</u>

	<u>December 31, 2021</u>			
Collective trust	\$ 757,583	None	Daily	12 months

NOTE E--RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Effective March 1, 2021, Fidelity became the Plan custodian as defined by the Plan. Prior to March 1, 2021, AdvisorTrust was the Plan custodian as defined by the Plan. Therefore, transactions with the custodians qualify as party in interest transactions. The Plan issues loans to participants, which are secured by the balances in the participants' accounts and therefore, are considered party in interest transactions. Fees deducted from the Plan represent custodian fees and participant loan fees and totaled \$41,979 and \$44,417 in 2022 and 2021, respectively.

Fees for investment management and contract administrative and auditing services are paid directly by the Plan Sponsor and are not reflected in the financial statements.

AmeriCU Employee Retirement Plan

December 31, 2022 and 2021

NOTE E--RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS--Continued

Fidelity (effective March 1, 2021), PCS Retirement, LLC (PCS; prior to March 1, 2021) and AdvisorTrust (prior to March 1, 2021) provide certain administrative services to the Plan pursuant to respective service agreements between the Plan Sponsor and Fidelity, PCS and AdvisorTrust. Fidelity, PCS and AdvisorTrust receive revenue from the investment service providers for services Fidelity, PCS and AdvisorTrust provide to the investment funds. If the revenue received by Fidelity, PCS and AdvisorTrust exceeds the amount owed under the respective service agreements, such excess amounts may be applied to pay Plan administrative expenses.

NOTE F--PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer discretionary contributions.

NOTE G--TAX STATUS

Effective March 1, 2021, the Plan adopted a non-standardized form of a pre-approved plan. The pre-approved plan provider, Fidelity Management and Research Company, has received an opinion letter dated June 30, 2020 from the IRS as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. Prior to March 1, 2021, the Plan had adopted a volume submitter plan sponsored by PCS. The volume submitter plan provider had received an advisory letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan advisory letter had been relied upon by the Plan. Although the Plan has been amended since adopting the pre-approved plan, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken uncertain positions that more than likely would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examination for years prior to 2019.

NOTE H--RISKS AND UNCERTAINTIES

The Plan's investments include money market funds, mutual funds and a collective trust. These investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE I--RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following are reconciliations of net assets available for benefits per the accompanying 2022 and 2021 financial statements to the respective Form 5500:
