INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
SITE Centers Corp. 401(k) Plan & Trust
Beachwood, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of SITE Centers Corp. 401(k) Plan & Trust Employee Benefit Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SITE CENTERS CORP. 401(k) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 - FORMATION OF PLAN AND SUMMARY OF ACCOUNTING POLICIES

Formation of Plan

Effective July 1, 1994, SITE Centers Corp. (the "Company"), formed the SITE Centers Corp. 401(k) Plan and Trust (the "Plan").

Basis of Accounting

The accompanying financial statements have been prepared on an accrual basis.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of additions and deductions during the year. Actual results could differ from those estimates.

Participants' Notes Receivable

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Securities which are traded on a national securities exchange are valued at the last reported sales price on the last business day of the year; securities traded on the over-the-counter market and listed securities for which no sale was reported on that date are valued at the average of the last reported bid and ask prices. Shares of mutual funds are valued at the closing price reported on the active market in which the funds are traded. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded as of the dividend payable date.

The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation or depreciation in the fair value of its investments which is comprised of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Company may, at its discretion, pay the administrative expenses of the Plan. Any expenses not paid by the Company will be paid out of Plan assets. During 2022, certain Plan expenses were paid out of Plan assets, as reflected in the accompanying Statement of Changes in Net Assets Available for Benefits.

Risks and Uncertainties

The Plan invests in various investment securities (including investments in domestic and international equity and bond mutual funds). Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

SITE CENTERS CORP. 401(k) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Subsequent Events

Management has evaluated subsequent events through August 28, 2023, the date on which the financial statements were available to be issued.

NOTE 2 - DESCRIPTION OF PLAN

The following description of the Plan provides only general information with respect to the Plan. The Plan was adopted so that all employees of the Company and adopting employer could participate in the Plan, if certain Plan requirements were met. Participants should refer to the Plan Adoption Agreement, as amended, for a complete description of the Plan.

General

The Plan is a defined contribution plan that covers all eligible employees, as defined, of the Company. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Participants have the right to direct the trustee to invest their contributions, in one or more permitted investment funds, as defined by the Plan. The Plan covers substantially all of the officers and employees of the Company and permits participants to defer a portion of their compensation, not to exceed limits imposed by the Internal Revenue Code ("IRC"). The Plan includes automatic enrollment and automatic escalation features. The Plan permits participants, age 50 and older before the end of the calendar year and who are eligible to make elective deferrals under the Plan, to contribute additional amounts for each calendar year, subject to IRC limitations, as a "catch-up" contribution in excess of the maximum otherwise allowed by the IRC.

Participants are eligible to designate some or all of their 401(k) contributions as a Roth Contribution. However, once made this election is irrevocable (that is, contributions cannot later be re-characterized as pre-tax contributions). Except with respect to the income taxation of Roth Contributions, Roth Contributions are subject to the same rules applicable to the pre-tax contributions.

The Plan provides that the Company will match 50% of the participant's elective deferral for the Plan year up to a maximum of 6% of a participant's eligible earnings.

The Plan requires the Company's matching contribution to be allocated based on participants' elections.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings. Allocations are based upon participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants elect to maintain their accounts in a combination of investment funds. Separate accounting for each of the participants' funds is maintained pursuant to the participant's designated election.

Forfeitures

Non-vested employer contributions are forfeited by an individual upon termination. Forfeitures are applied to reduce future contributions or administrative expenses by the Company.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Forfeiture activity for the year ended December 31, 2022 was as follows:

Beginning balance	\$ 54,130
Forfeitures	104,766
Utilized to reduce company match or pay administrative expenses	(100,925)
Ending balance	<u>\$ 57,971</u>

Vesting

Participants are immediately vested in their rollover or distributions from other defined contribution plans and their eligible earnings deferral contributions plus actual earnings thereon, with the exception of the Company contributions, which vest at the rate of 20% per service year until fully vested.

Participants' Notes Receivable

Under the terms of the Plan, participants may borrow from their accounts up to a maximum of \$50,000 or 50% of their vested account balance. Loan terms shall not exceed five years unless the loan is used to acquire a principal residence. The loans are secured by the balance in the participants' accounts and bear interest ranging from 4.25% to 7.25% at December 31, 2022 and 4.25% to 6.50% at December 31, 2021.

Payment of Benefits

The liability of the Plan for benefits to participants is limited to the fair value of the Plan assets. A participant is entitled to receive the full value of his or her vested account at age 59½, death or disability, prior to retirement, or upon termination of employment. If the vested balance is \$1,000 or less, the form of distribution is a single lump-sum payment. If the vested balance is greater than \$1,000 and less than \$5,000, and the participant does not make an election to either receive or to roll over the distribution, the distribution must be rolled over to an IRA. If the vested balance exceeds \$5,000, the participant has the option to (a) distribute the funds as the participant originally elected (lump sum or monthly/annual installments); (b) leave the funds in the Plan; or (c) roll the funds into an IRA or into another employer's qualified plan. If a participant's employment terminates as a result of a permanent physical or mental disability, the participant will be fully vested as of the date of the disability.

Additionally, in-service withdrawals are permitted for active participants in the event of financial hardship or upon attainment of certain age and service requirements, as defined. Rollover contributions may be withdrawn by active participants at any time.

There were no benefits payable at December 31, 2022 and 2021, for any processed and approved, but unpaid benefits.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and as instructed by the Plan administrator, no audit procedures have been performed on certain information certified by Fidelity Management Trust Company, the Trustee of the Plan as of December 31, 2022 and 2021 and for the year ended December 31, 2022, except to compare such information to the information included in the accompanying financial statements and schedule. Information certified by the Trustee includes investments and participants' notes receivable included in the Statements of Net Assets Available for Benefits at December 31, 2022 and 2021, and investment income items, net depreciation in fair

value of investments and interest on participants' notes receivable included in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.

NOTE 4 - FAIR VALUE OF FINANCIAL INSTRUMENTS

The standard *Fair Value Measurements* specifies a hierarchy of valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (observable inputs). The following summarizes the fair value hierarchy:

- Level 1 — Quoted prices in active markets that are unadjusted and accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 — Quoted prices for identical assets and liabilities in markets that are inactive, quoted prices for similar assets and liabilities in active markets or financial instruments for which significant inputs are observable, either directly or indirectly, such as interest rates and yield curves that are observable at commonly quoted intervals;
- Level 3 — Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the level in the fair value hierarchy within which the fair value measurement in its entirety falls has been determined based on the lowest level input that is significant to the fair value measurement in its entirety. The Plan's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the asset or liability.

The following tables present information about the Plan's financial assets and liabilities, which consist of mutual fund investments that are included in assets at December 31, 2022 and 2021 measured at fair value on a recurring basis and indicates the fair value hierarchy of the valuation techniques utilized by the Plan to determine such fair value.

NOTE 5 - PLAN TERMINATION

Under the Plan, the Company has the right to discontinue contributions and terminate the Plan at any time, although the Company has not expressed any interest to do so. In the event of termination, participants' accounts become fully vested if the participant has not (1) incurred a five-year break in service, or (2) received payment of their vested account balance. The participants' accounts are to be distributed to the participants according to the directions of the Plan Advisory Committee administering the Plan.

NOTE 6 - INCOME TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated June 30, 2020, that the Plan qualifies under Section 401(a) of the IRC and therefore is exempt from Federal income taxes. In management's opinion, the Plan is operating in compliance with the applicable provisions of the IRC and other post-1986 legislation. The Plan administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status. The application for tax exempt status of the Plan does not apply to the taxability of distributions to participants under the Plan.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions.

NOTE 7 - PARTY-IN-INTEREST

Certain Plan investments are shares of registered investment companies managed by the Trustee as defined by the Plan, and therefore, these transactions are party-in-interest transactions.
