Independent Auditor's Report

To the Plan Trustees
Longview Bridge 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Longview Bridge 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Longview Bridge 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- **the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.**
- **the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).**

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Longview Bridge 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Longview Bridge 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- **Exercise professional judgment and maintain professional skepticism throughout the audit.**
- **Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.**
- **Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Longview Bridge 401(k) Plan's internal control. Accordingly, no such opinion is expressed.**
- **Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.**
- **Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Longview Bridge 401(k) Plan's ability to continue as a going concern for a reasonable period of time.**

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—2022 Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- **the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.**
- **the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).**

Other Matter - Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 7, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LONGVIEW BRIDGE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Note 1 – Description of Plan:

The following description of Longview Bridge 401(k) Plan ("the Plan", "we", or "our") provides only general information. Participants should refer to the Plan agreement for a complete description of our provisions.

General

We are a tax-qualified defined contribution plan and are subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan eligibility includes substantially all eligible employees of Longview Bridge & Road, Ltd., MAC Heavy Equipment, LLC, MAC Transportation, Ltd., and MAC Asphalt, LLC (dba Wood County Asphalt), (the "Company" or the "Plan Sponsor").

Plan Administration

The Partners of the Company appoint the Plan Trustees. The Plan Trustees are employees of the Company and are responsible for the governance of the Plan and monitoring the performance of the investments. The Plan custodian is John Hancock Life Insurance Company (John Hancock). The Plan's third-party administrator, RetirementPlans.Com, performs the Plan's administrative duties such as preparation of the Form 5500, participant recordkeeping, and compliance testing. Employees of the Company may perform certain other administrative functions; however, such employees receive no compensation from the Plan.

Eligibility

Employees of the Company are eligible to become a participant in the Plan following completion of three months of service and after attaining age 21.

Contributions

Participants may elect to contribute amounts from eligible compensation not to exceed the limits of Internal Revenue Service (IRS) Code Section 401(k). In addition, participants that reach age 50 before the close of the Plan year may make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company does not offer any form of employer matching or profit-sharing contributions. Rollover contributions are permitted and remain in segregated, 100 percent vested, rollover accounts. For the year ended December 31, 2022 the Plan received $60,274 in rollover contributions.

Participant's Account

Each participant's account is credited with the participant's contributions. Allocations of Plan earnings and administrative expenses are based on the participant account balances as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferral contributions plus actual earnings thereon.

Note Receivable From Participants

Participants may borrow from their account a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with the Federal Reserve bank prime rate plus two percent. Principal and interest are paid through payroll deductions.

Note 1 – Description of Plan: (continued)

Payment of Benefits

On termination of service due to death, disability, or normal retirement age, a participant may elect to receive their benefit in a lump-sum payment either in cash or as a direct rollover to another tax-qualified plan. If the value of the participant's account balance is less than $5,000, and no distribution election has been made, the form of distribution will be a lump sum distribution. Participants may make withdrawals from their account for hardship purposes as defined by the Plan. The Plan also allows for in-service distributions; however, a participant must be age 59 ½ to qualify for an in-service distribution.

At December 31, 2022, there were no Plan assets allocated to accounts of persons who had withdrawn from the Plan but had not been paid.

Note 2 – Significant Accounting Policies:

Basis of Accounting

Our financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan invests in units of John Hancock's investment funds, in accordance with a group variable funding agreement, and its accounts are credited with investment results of the fund. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on an ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any unpaid interest. Interest income is recorded on the accrual basis. If a participant does not make loan payments and the Plan Administrator considers the loan to be in default, the note receivable balance is reduced to zero and the balance is recorded as a benefit payment in accordance with the Plan document. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

Note 2 – Significant Accounting Policies: (continued)

Operating Expenses

The Company, at its sole discretion, may pay the administrative expenses (i.e., trustee fees, fund fees, loan fees, recordkeeping fees and other similar expenses) of the Plan. If such expenses are not paid by the Company, they are paid out of Plan assets. Investment related expenses are included in net appreciation (depreciation) in the fair value of investments.

Note 3 – Fair Value Measurements:

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. Following is a description of the valuation methodologies used for investments held within the group annuity contract which are measured at fair value.

> **Pooled Separate Accounts (With Underlying Mutual Fund Investments): Valued based on the observable net asset value (NAV) of the underlying investments. NAV, as provided by the trustee, is used as the readily determinable fair value. The pooled separate account is maintained in the general account of John Hancock and is credited with earnings of the underlying assets, participant withdrawals, and administrative expense.**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 – inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 – observable inputs, such as, quoted market prices of similar assets or liabilities in active markets or for identical assets or liabilities in markets that are not active; and Level 3 – inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2022	2021
Level 2:		
Pooled Separate Accounts	**$ 594,605**	$ 592,485
Investments at Fair Value	**$ 594,605**	$ 592,485

Note 4 – Concentration of Credit Risk:

The Plan contains certain investment options, whose balances represent a significant concentration of Plan investments. For the year ended December 31, 2022, interest bearing cash, balanced and growth JH lifestyle funds represented 79 percent of total investments, and each individually represented in excess of 10 percent of total investments. For the year ended December 31, 2021, balanced, growth, and moderate JH lifestyle funds represented 85 percent of total investments, and each individually represented in excess of 10 percent of total investments.

LONGVIEW BRIDGE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Note 5 – Information Prepared and Certified by Plan Custodian:

The Plan Committee has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The assets of the Plan are held by the custodian.

The Plan Committee has received certification from John Hancock of the market value of all of the Plan's investments as of December 31, 2022 and 2021, and of interest income and net appreciation (depreciation) in fair value of investments for the year ended December 31, 2022. The Plan's financial statements and supplemental schedule H, Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, have been prepared based upon this certified information and reflect the amounts certified by the custodian.

The Plan's independent public accountants did not perform auditing procedures with respect to this information certified as complete and accurate by the custodian, except for comparing such information to the related information included in the financial statements and supplemental schedules.

Note 6 – Party-in-Interest Transactions:

Certain Plan investments are shares of investment options that are managed by the custodian or its affiliates. The Plan and its participants pay both direct and indirect fees to the custodian for investment management services. The Plan also pays administrative fees to the record keeper. The Company may pay directly certain other fees related to Plan operations. Transactions such as these qualify as party-in-interest transactions. Notes receivable from participants are also considered party-in-interest transactions.

Note 7 – Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Note 8 – Tax Status:

The Plan Sponsor has adopted a prototype non-standardized plan document which received an opinion letter from the IRS dated June 30, 2020, that the form of the Plan is acceptable under Section 401(a) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. The Plan Administrator and tax counsel believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. The Plan's Form 5500 is subject to examination by the IRS, generally for three years after they were filed.

Note 9 – Risks and Uncertainties:

The Plan holds various investment instruments via pooled separate accounts and guaranteed interest contracts. Each of the instruments is designed to offer participants various levels of risk tolerance. In general, all investments are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Market volatility can be impacted by both domestic and global economic conditions. Due to the level of risk associated with certain investment options, it is reasonably possible that changes in the values of investments will occur in the near term and such changes could materially affect participants' account balances and the amounts reported on the financial statements. However, it is difficult to forecast these conditions future impact on the Plans operations and assets with any certainty.

Note 10 – Subsequent Events:

We have evaluated subsequent events through October 2, 2023, the date which the financial statements were available to be issued.
