INDEPENDENT AUDITORS' REPORT

401(k) Plan Committee
Corptax, Inc. 401(k)
Buffalo Grove, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Corptax, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 30, 2022 and December 31, 2021, the related statement of changes in net assets available for benefits for the period January 1, 2022 through December 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 30, 2022, December 31, 2021, and for the period January 1, 2022 through December 30, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Merger

As discussed in Note G to the financial statements during 2022, the Plan Committee voted to merge the Plan into the CSC 401(k) Plan effective December 30, 2022. Certain plan assets were transferred to the CSC 401(k) Plan on December 30, 2022, and all remaining assets were liquidated and were the fiduciary responsibility of the CSC 401(k) Plan as of December 30, 2022. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

(Continued)

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS
For the period January 1, 2022 through December 30, 2022

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Corptax, Inc. 401(k) (the Plan) provides only general information. Interested parties should refer to the plan document for a more complete description of the Plan's provisions.

1. **General**

The Plan was a defined contribution profit sharing and 401(k) plan covering eligible employees of Corptax, Inc. (the Company). Full-time employees were eligible to participate upon completion of one month of service and attaining age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In August 2022, the Plan Sponsor made the decision to merge the Plan into another existing plan. Effective December 30, 2022, the Plan was amended and merged into the CSC 401(k) Plan, all assets were transferred out, and the Plan ceased to exist.

2. **Contributions**

The Plan was funded by voluntary contributions of participants and safe harbor matching and discretionary profit sharing contributions of the Company. Participants could contribute to the Plan, through regular pre-tax payroll deductions, and participants who have attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also roll over amounts representing distributions from other qualified employee benefit plans. The Company made and accrued safe harbor matching contributions of \$2,876,251 to the Plan for the period January 1, 2022 through December 30, 2022. Contributions are subject to certain IRS limitations.

The Plan included an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants had their deferral rate set at 6% of eligible compensation and their contributions are invested in a designated balanced fund until changed by the participant.

3. **Investment Options**

Participants were permitted to direct their salary deferral contributions and the Company's contributions into a variety of investment funds made available and determined by the 401(k) Plan Committee of the Company. Participants could change their investment options at any time.

NOTES TO FINANCIAL STATEMENTS
For the period January 1, 2022 through December 30, 2022

NOTE A - DESCRIPTION OF THE PLAN (Continued)

4. Participant Accounts

Each participant's account was credited with the participant's contribution, an allocation of the Company's safe harbor matching and discretionary profit sharing contributions, and an allocation of plan earnings. The Company's safe harbor matching contribution was allocated based on a percentage of the participant's contribution. The Company's discretionary profit sharing contribution was allocated as of the last day of the plan year and is based on a ratio of each eligible participant's compensation to total compensation for all eligible participants. Plan earnings were allocated to participants' accounts in direct proportion to their respective account balances, based on the performance of participants' investment selections. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account balance.

5. Vesting

Participants were immediately fully vested in all contributions plus the actual earnings thereon.

6. Payment of Benefits

On termination of service, a participant could elect to receive a single, lump-sum payment equal to the value of his or her vested account balance, installments over a specified period of time, or a direct rollover distribution. In-service withdrawals starting at age 59 1/2 and hardship withdrawals were also permitted by the Plan.

7. Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Participants were permitted to take loans from the Plan up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The loans were collateralized by the borrowers' respective vested account balances and bore interest at rates ranging from 3.25% to 9.00%. Principal and interest were paid through payroll deductions over a period not to exceed five years, unless for the purchase of a primary residence.

NOTES TO FINANCIAL STATEMENTS
For the period January 1, 2022 through December 30, 2022

NOTE A - DESCRIPTION OF THE PLAN (Continued)

8. Administrative Expenses

Certain expenses incurred maintaining the Plan were paid directly by the Company and are excluded from these financial statements. Investment-related expenses were included in net depreciation in fair value of investments.

9. Forfeitures

At December 30, 2022 and December 31, 2021, unallocated plan assets resulting from forfeited nonvested accounts were \$0 and \$60,979, respectively. Forfeitures used to pay plan expenses during the period January 1, 2022 through December 30, 2022 were \$71,849. Forfeitures of \$1,858 were used to reduce Company contributions during the period January 1, 2022 through December 30, 2022.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. Fair Value Measurements

Current accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Fair Value Measurements (Continued)

- Level 2 Inputs to the valuation methodology include the following:
- * Quoted prices for similar assets or liabilities in active markets;
 - * Quoted prices for identical or similar assets or liabilities in inactive markets;
 - * Inputs other than quoted prices that are observable for the asset or liability;
 - * Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's investments measured at fair value at December 31, 2021. As discussed in Note G, the Plan did not have any investments at December 30, 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust fund: Valued based on the NAV of units of the common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

2. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021. As discussed in Note G, the Plan did not have any investments at December 30, 2022.

	Plan Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ <u>106,393,523</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>106,393,523</u>
Total assets in the fair value hierarchy	\$ <u>106,393,523</u>	\$ <u>-</u>	\$ <u>-</u>	106,393,523
Investments measured at NAV*				<u>12,979,541</u>
Investments, at fair value				\$ <u>119,373,064</u>

* Certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments, at fair value line item presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021, respectively. As discussed in Note G, the Plan did not have any investments at December 30, 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

3. Investment Valuation and Income Recognition

Investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the trustee. See Note B-2 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

4. Use of Estimates

In preparing the Plan's financial statements, management was required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

5. Payment of Benefits

Benefits were recorded when paid.

NOTE C - INFORMATION CERTIFIED BY RELIANCE TRUST

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at December 30, 2022 and December 31, 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period January 1, 2022 through December 30, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust (the trustee of the Plan).

NOTE D - TAX STATUS

Effective June 30, 2020, the Plan adopted a nonstandardized pre-approved plan sponsored by Great-West Trust Company, LLC. The pre-approved plan has received an opinion letter from the Internal Revenue Service as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE E - RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments were managed by Reliance Trust. Reliance Trust was the trustee, as defined by the Plan, and JPMorgan Chase Bank, N.A. was the recordkeeper and custodian of the Plan. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each investment.

The Plan issued loans to participants, which were secured by the vested balance in the participant's accounts and certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party-in-interest. Employees of the Company provide administrative services to the Plan for which no fees are charged.

NOTE G - PLAN MERGER AND TRANSFER ACTIVITY

Effective December 30, 2022, the Plan was merged into the CSC 401(k) Plan (the CSC Plan), a Plan administered by the parent of the Plan Sponsor, at which time the CSC Plan maintained all fiduciary responsibility. Assets of \$102,234,724 were transferred to the CSC Plan on January 3, 2023. The remaining assets of \$361,076, which represented the Company's safe harbor contributions accrued as of December 30, 2022 totaling \$244,326 and accrued employee contributions of \$116,750, were assigned to the CSC Plan and funded to it on January 3, 2023. The participants' vested balances in the CSC Plan will equal the vested account balances in the previous plan upon transfer. The merger does not impact participant benefits as the benefit provisions were incorporated in the CSC Plan. Interested parties should refer to the CSC Plan amendment for a complete description of the changes.

NOTE H - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 6, 2023, the date that these financial statements were available to be issued. Plan management has determined that no events or transactions have occurred subsequent to the statement of net assets available for benefits date that require disclosure in the financial statements.
