INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Pelli Clarke & Partners Section 401(k) Plan

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Pelli Clarke & Partners Section 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

The two firms operate as separate legal entities in an alternative practice structure. Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental Schedule H, Line 4i - Assets (Held at End of Year) and Schedule H, Line 4j - Reportable Transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNL).

Supplemental Information Required by ERISA (Continued)

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PELLI CLARKE & PARTNERS SECTION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1. PLAN DESCRIPTION

The following description of Pelli Clarke & Partners Section 401(k) Plan (the "Plan") provides only general information. For a more complete description of the Plan's provisions, participants should refer to the Plan document.

General

Pelli Clarke Pelli Architects, Inc. established the Plan on April 30, 2016. The Plan is a defined contribution plan covering eligible employees, as defined by the Plan document, of Pelli Clarke Pelli Architects, Inc. and Pelli Clarke Pelli Architects LLP, a related entity (collectively, the "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is administered by Pension Plus, Inc. Great-West Trust Company, LLC (the "Custodian") serves as the custodian to the Plan. The administrative committee is responsible for oversight of the Plan.

The Plan, as amended and restated, effective January 1, 2021, deleted safe harbor nonelective employer contributions in its entirety, and then effective January 1, 2022, the Plan elected to change its name to Pelli Clarke & Partners 401(k) Plan.

Eligibility

Employees who have completed one year of service are eligible to participate in the Plan on the earlier of (a) the first day of the Plan year coinciding with or next following the date such requirements are satisfied or (b) the first day of the seventh month of the Plan year coinciding with or next following the date such requirements are satisfied. Professional trainees, certain leased employees and members of a collective bargaining unit, as defined in the Plan document, are not eligible to participate in the Plan.

Participant Contributions

Participants may contribute up to the maximum percentage or dollar amount of compensation permissible under Section 402(g) of the Internal Revenue Code ("IRC"), not to exceed the limits of IRC Sections 401(k) and 415. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants may submit a deferral election to the Plan administrator at any time following the satisfaction of the eligibility and participation requirements by entering into a written salary reduction agreement. A participant may modify a prior election semi-annually. Additionally, participants may elect to prospectively revoke their salary reduction agreement in its entirety at any time during the Plan year. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Individual accounts are maintained for each Plan participant to reflect the participant's contributions, and Plan income or loss. Income and losses are allocated to funds based on the ratio of a participant's account invested in a particular fund to all participants' investment in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and any income or loss thereon.

**PELLI CLARKE & PARTNERS SECTION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1. PLAN DESCRIPTION (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. The loans are secured by the balance in the participant's accounts and bear interest at a rate commensurate with market rates for similar loans. For the year ended December 31, 2022, interest rates on outstanding loans ranged from 5.25% to 9.00%. Principal and interest are paid ratably through payroll deductions over a period of five years or less. A participant cannot have more than two loans outstanding at any time.

Payment of Benefits

Upon termination of service due to death, disability, retirement or separation, a participant or participant's beneficiary may elect to receive 100% of the participant's vested interest in the participant's account balance in either a lump-sum amount or in annual installments over a period of years in accordance with the Plan document. Participants with a vested account balance of greater than \$1,000, who had a severance of employment not due to death, may elect to receive their distribution prior to the time they attain age 65. Otherwise, those benefits shall be held by the Custodian and distributed once the participant attains the age of 65. Distributions are subject to the applicable provisions of the Plan agreement.

Forfeited Accounts

Forfeitures of the non-vested portion of terminated participants' accounts are used by the Plan Sponsor to pay for the Plan's administrative expenses.

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$11,973 and \$33,358, respectively. For the years ended December 31, 2022 and 2021, no forfeiture was used to pay for the Plan's investment advisory services and administrative expenses.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment Valuation and Income Recognition

The Plan's investments are held by Great-West Trust Company, LLC, the Custodian, in various mutual funds and a guaranteed investment account. Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Contract value is the relevant measurement attribute for certain fully benefit-responsive investment contracts. The contract value is the relevant measurement since it represents the amount that the participant would receive if they were to initiate permitted transactions under the terms of the Plan.

Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under the standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

PELLI CLARKE & PARTNERS SECTION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant loans are considered to be deemed distributions and are reclassified as distributions based upon the terms of the Plan document. As of December 31, 2022 and 2021, participants defaulted on loans amounting to \$- and \$17,350, respectively. The Custodian has issued 1099s to report the income generated from the defaulted loan balances to the participants.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions.

Administrative Expenses

The Plan is responsible for the payment of administrative expenses and advisory fees. Transaction fees for loan transactions are paid by the participants by reducing the account balances of those participants initiating the transactions.

Subsequent Events

In accordance with FASB ASC 855, *Subsequent Events*, the Plan has evaluated subsequent events through September 26, 2023, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

NOTE 3. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in combinations of mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

PELLI CLARKE & PARTNERS SECTION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 5. TAX STATUS

The Plan operates under a prototype plan document sponsored by Withers Bergman LLP, who received an opinion letter from the IRS dated March 31, 2014, which states that the prototype document satisfied the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. The Plan has been amended since the determination letter was received for the prototype plan. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6. INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

The following tables summarize investments and other asset information regarding the Plan as of December 31, 2022 and 2021, and for the years then ended, included in the Plan's financial statements and supplemental schedules that were prepared by, or derived from, information prepared by the Custodian and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Custodian that such information is complete and accurate.

PELLI CLARKE & PARTNERS SECTION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 7. FAIR VALUE MEASUREMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Description	Total at December 31, 2022	Level 1	Level 2	Level 3
Investments in fair value hierarchy:				
Mutual funds	\$16,932,003	\$16,932,003	\$ -	\$ -
Total investments at fair value	\$16,932,003			
Description	Total at December 31, 2021	Level 1	Level 2	Level 3
Investments in fair value hierarchy:				
Mutual funds	\$22,067,780	\$22,067,780	\$ -	\$ -
Total investments at fair value	\$22,067,780			

Following is a description of the valuation methodology used for assets measured at fair value and which are included in the fair value hierarchy.

Mutual funds

Mutual funds are valued at quoted market prices, which represent the net asset value (the "NAV") of the securities held in such funds. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

NOTE 8. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has entered into a traditional guaranteed investment contract, the Guaranteed Portfolio Fund, with Great-West Life & Annuity Insurance Company, an affiliate of the Custodian. Great-West Life & Annuity Insurance Company maintains the contributions in a general account. This contract meets the fully benefit-responsive contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

PELLI CLARKE & PARTNERS SECTION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 8. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT
(CONTINUED)

The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon by the issuer, but it may not be less than 3%. The crediting rate is reviewed on a quarterly basis for resetting.

The Plan's ability to receive amounts due is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the issuer or otherwise.

Certain events could limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. In addition, the contract does not permit the issuer to terminate the contract prior to the scheduled maturity date.

NOTE 9. PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Additionally, certain administrative expenses are paid directly by the Plan Sponsor. Fees incurred by the Plan for investment advisory services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue-sharing, rather than a direct payment.

Plan investments are invested in a guaranteed portfolio fund which is managed by the Custodian. Accordingly, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also party-in-interest transactions.
