INDEPENDENT AUDITORS' REPORT

To the Trustees
Pavement Partners 401(k) Plan
Manassas, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Pavement Partners 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Pavement Partners 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Pavement Partners 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pavement Partners 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pavement Partners 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pavement Partners 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500 - Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Form 5500 - Schedule H, Line 4i - Schedule of Assets (Held at End of Year) for the year ended and as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PAVEMENT PARTNERS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of Pavement Partners 401(k) Plan (the Plan) provides only general information. Refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Effective January 1, 2007, Finley Asphalt and Sealing, Inc. established the Finley Asphalt and Sealing, Inc. Employees Savings Trust, a defined contribution plan under the Internal Revenue Code (IRC) covering all eligible employees of Finley Asphalt and Sealing, Inc. During 2021, Finley Asphalt and Sealing, Inc. was acquired by Pavement Partners Holding, LLC (the Company). Effective August 29, 2022, the name of Finley Asphalt and Sealing, Inc. Employees Savings Trust was changed to Pavement Partners 401(k) Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligible employees of Contractors Equipment Leasing, LLC began participating in the Plan effective January 1, 2010.

Eligible employees of Pavement Design & Engineering Consultants, Inc. DBA Dominion Paving and Sealing began participating in the Plan effective March 1, 2022.

Eligible employees of Blue Curb, LLC began participating in the Plan effective May 1, 2022.

Eligible employees of Pavement Partners Services, LLC DBA Toritom began participating in the Plan effective September 11, 2022.

Eligible employees of Pavement Partners Cincinnati, LLC began participating in the Plan effective October 1, 2022.

The Company has responsibility for remittance of participant and employer contributions, appointing an administrator to administer the Plan and determining funds available for investment under the Plan. The Company pays a portion of the administrative expenses for the Plan.

Eligibility Requirements

All employees are eligible to participate in the Plan except for leased employees and nonresident aliens receiving no earned income. Employees become eligible to participate in the Plan immediately following the completion of three consecutive months of service and the attainment of the age of 21. Employees may enter the Plan upon becoming eligible on January 1, April 1, July 1 and October 1.

Contributions

Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) or Roth contributions to the Plan. Effective February 1, 2022, the Plan automatically enrolls all newly eligible participants for a 2 percent pre-tax salary deferral under its automatic enrollment feature. Participants may elect a different rate of elective deferral contributions or elect not to make elective deferral contributions. The Plan automatically increases each automatically enrolled participant's deferral percentage by 1 percent annually until his or her contribution percentage equals 6 percent. Participants are given the opportunity to decline participation or increase/decrease the percentage. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

PAVEMENT PARTNERS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN (continued)

Contributions (continued)

The Company contributed safe harbor matching contributions each pay period equal to 100 percent of the first 3 percent of compensation deferred to the Plan, plus 50 percent of the amount between 3 and 5 percent of compensation deferred to the Plan during 2022 and 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common/collective trusts as investment options for participants. In addition, the Company may elect to make a discretionary nonelective contribution. Safe harbor matching contributions were \$286,620 and \$212,780 for the years ended December 31, 2022 and 2021, respectively. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Company's contributions and the earnings on their account. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Safe harbor matching contributions are based on participant's deferrals as defined by the Plan.

Vesting

Participants are immediately vested in their contributions and safe harbor matching contributions, plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100 percent vested in nonelective employer contributions after six years of credited service.

<u>Years of Service</u>	<u>Percentage</u>
0 - 2 years	0%
2 - 3 years	20%
3 - 4 years	40%
4 - 5 years	60%
5 - 6 years	80%
6 or more years	100%

Payment of Benefits

On termination of service due to death, disability, retirement or termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in their accounts in a lump sum distribution, or a part lump sum and part installment payment. Participants may also apply to receive in-service and hardship distributions as defined in the Plan agreement. Distributions are subject to the applicable provisions of the Plan agreement. The Plan shall make involuntary cash-out distributions of vested account balances less than \$5,000 each year following termination of employment.

Hardship Distributions

Hardship distributions are permitted from salary deferrals and rollover contributions.

PAVEMENT PARTNERS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants

Starting in 2022, participants may borrow up to the lesser of \$50,000 minus the difference between the highest outstanding loan balance of loans during the prior 12-month period and the outstanding balance of loans from the Plan on the date the loan is made, or 50 percent of the present value of the participant's vested account balance.

Loans must be repaid within 5 years from the date of the loan, unless such loan is for the purchase of a participant's primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a reasonable rate based on interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances.

Principal and interest is paid ratably through payroll deductions at least quarterly.

There were no notes receivable for the year ended December 31, 2022.

Forfeitures

Forfeitures of unvested portions of employer contributions will be applied first to pay Plan expenses, then to reduce employer contributions. There were no forfeitures used during 2022 and 2021. The balance in the forfeitures account at December 31, 2022 and 2021 was \$12,569 and \$4,775, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting and reporting policies used in the financial statements conform to accounting principles generally accepted in the United States of America. The significant policies are summarized below.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Financial Statement Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses in investments bought and sold, as well as held during the year.

As permitted by accounting principles generally accepted in the United States of America, the Plan uses net asset value (NAV) as a practical expedient to determine the fair value of certain investments, and these investments have not been classified in the fair value hierarchy.

PAVEMENT PARTNERS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses, including certain fees paid through revenue sharing arrangements, are included in net (depreciation) appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Income Taxes

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Subsequent Events

The Plan has evaluated subsequent events through September 14, 2023, the date the financial statements were available to be issued.

3. CERTIFIED FINANCIAL INFORMATION

Certain information related to investments from participants disclosed in the accompanying financial statements as of December 31, 2022 and 2021, the ERISA-required supplemental schedule of Form 5500 - Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, and net (depreciation) appreciation in fair value of investments, interest and dividends for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the custodian and trustee of the Plan.

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Fair value focuses on the price that would be received to sell the asset or paid to transfer the liability regardless of whether an observable liquid market price existed (an exit price). The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

PAVEMENT PARTNERS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

4. FAIR VALUE MEASUREMENTS (continued)

Level 1 – inputs to the valuation methodology are based upon unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement. Level 3 assets and liabilities measured at fair value are based on one or more of three valuation techniques (market, cost, or income approach). The market approach evaluates prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities. The cost approach evaluates the amount that would be required to replace the service capacity of an asset (i.e., replacement cost). The income approach uses techniques that convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing models, and lattice models).

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that pool the capital of many investors and invest it in stocks, bonds, short-term money market instruments, and other securities. Mutual funds are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective trusts: The investments in common/collective trusts may hold investments in units of other funds within the Trust or similar funds for which other unrelated entities are trustee. The trustee or unrelated trustee estimates the fair value of investments in collective funds that have calculated NAV per unit in accordance with the specialized accounting guidance for investment companies. Accordingly, as a practical expedient, investments in other such funds are valued at their NAV as reported by investee funds. The funds have the ability to redeem their investments in the collective funds at NAV without restrictions. Where one fund invests in another fund within the Trust, the trustee fee allocated to the investment by such investee fund is waived.

The Morley Stable Value Fund is composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

Participant transactions (purchases and sales) may occur daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

PAVEMENT PARTNERS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

4. FAIR VALUE MEASUREMENTS (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2022				
	Level 1	Level 2	Level 3	Total
Investments in Fair Value Hierarchy				
Mutual funds	\$ 393,220	\$ -	\$ -	\$ 393,220
Investments Measured at				
Net Asset Value				
Common/collective trusts				3,533,332
Investments at Fair Value				\$ 3,926,552
2021				
	Level 1	Level 2	Level 3	Total
Investments in Fair Value Hierarchy				
Mutual funds	\$ 374,059	\$ -	\$ -	\$ 374,059
Investments Measured at				
Net Asset Value				
Common/collective trusts				4,082,913
Investments at Fair Value				\$ 4,456,972

The following tables summarize investments measured at fair value using the NAV per share practical expedient as of December 31:

2022	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common/Collective Trusts	\$ 3,533,332	N/A	Daily	N/A
2021	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common/Collective Trusts	\$ 4,082,913	N/A	Daily	N/A

The common/collective trusts' funds seek to provide stable returns primarily through investing in a variety of high quality stable value contracts and cash and cash equivalents.

Gains and losses (realized and unrealized) included in changes in net assets for the periods above are reported in net (depreciation) appreciation in fair value of investments in the statements of changes in net assets available for benefits.

PAVEMENT PARTNERS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

5. RELATED PARTY TRANSACTIONS

Plan assets include investments in funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the Plan's custodian and third party administrator and, as such, transactions with the custodian qualify as party-in-interest transactions under ERISA.

Fees incurred by the Plan for the investment management services are included in net (depreciation) appreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment. The Plan made a direct payment to the third party administrator which was not covered by revenue sharing, which is shown as administrative expenses on the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021. The Plan Sponsor pays directly any other fees related to the Plan's operations.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants would become 100 percent vested in their employer contributions.

7. TAX STATUS

The Plan previously adopted the Fidelity Management Trust Company Volume Submitter Defined Contribution Plan, which received an opinion letter on March 31, 2014 from the Internal Revenue Service stating that the Plan and related Trust qualify under the applicable provisions of the IRC, and are exempt from Federal income taxes.

On August 19, 2021, the Plan adopted the Fidelity Management Trust Company Pre-approved Defined Contribution Plan, which received an opinion letter on June 30, 2020 from the Internal Revenue Service stating that the Plan and related Trust qualify under the applicable provisions of the IRC, and are exempt from Federal income taxes. The Plan has been amended since receiving the opinion letter. In the opinion of the Plan administrator, the Plan has operated within the terms of the Plan and remains qualified under the applicable provisions of the IRC.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

9. CONCENTRATIONS

The following table presents investments that represent 10 percent or more of the Plan's net assets at December 31:

	2022	2021
flexPATH Index+ Moderate 2035 Fund Class I1	\$ 1,128,366	\$ 1,676,250

PAVEMENT PARTNERS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

10. DELINQUENT PARTICIPANT CONTRIBUTIONS

Department of Labor (DOL) Regulation 2510.3-102(a) states, in part, that participant contributions must be remitted to the Plan as soon as they can be reasonably segregated from the employer's general assets. Lost earnings related to Plan contributions for the year ended December 31, 2020 were calculated and remitted to the Plan in January 2023. Lost earnings related to Plan contributions for the year ended December 31, 2022 are currently being calculated.

11. SUBSEQUENT EVENTS

The Plan has been amended multiple times subsequent to December 31, 2022. These amendments include the addition of multiple related employers, a change in Plan name, and other various provisions. The related employers that have been added to the Plan are as follows: Blackjack Paving, LLC, Chamberlain Contractors, LLC and Turner Asphalt, Inc. The Plan's name was also changed to Pave America 401(k) Plan.

Effective January 1, 2023, Pavement Partners - Southeast 401(k) Plan 1, Pavement Partners - Southeast 401(k) Plan 2, and Chamberlain Contractors, Inc. Profit Sharing 401(k) Plan were merged with Pavement Partners 401(k) Plan.

On January 3, 2023, Chamberlain Contractors, Inc. Profit Sharing 401(k) Plan transferred its remaining plan assets of \$4,139,486 to the Pavement Partners 401(k) Plan.

On January 19, 2023, Pavement Partners – Southeast 401(k) Plan 1 and Pavement Partners – Southeast 401(k) Plan 2 transferred their remaining combined plan assets of \$2,724,262 to the Pavement Partners 401(k) Plan.
