INDEPENDENT AUDITORS' REPORT

**To the Investment Committee of
DVCC, LLC Employees Retirement Plan
Chestertown, Maryland**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of DVCC, LLC Employees Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DVCC, LLC Employees Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of DVCC, LLC Employees Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DVCC, LLC Employees Retirement Plan's ability to continue as a going concern for one year from the date of the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DVCC, LLC Employees Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DVCC, LLC Employees Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

The form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A – DESCRIPTION OF THE PLAN

The following brief description of DVCC, LLC Employees Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

1. General

The Plan was established to provide for retirement income and financial protection in the event of death or retirement of covered employees and to provide for the financial protection and compensation of employees in the event of permanent disability. The Plan is a defined contribution plan covering substantially all employees of the following companies: (collectively, the Sponsor)

- DVCC, LLC
- Bearon Manufacturing, LLC
- Buck Company, LLC (salaried employees and union employees)
- Dixon Valve and Coupling Company, LLC - Bayco USA Division
- Dixon Valve and Coupling Company, LLC - BOSS Division
- Dixon Valve and Coupling Company, LLC - Brass Division
- Dixon Valve and Coupling Company, LLC - Accessories Division
- Dixon Valve and Coupling Company, LLC - Distribution Division
- Dixon Valve and Coupling Company, LLC - Eagle Division
- Dixon Valve and Coupling Company, LLC - Quick Coupling Division
- Dixon Valve and Coupling Company, LLC - Powhatan Division
- Dixon Valve and Coupling Company, LLC - Specialty Products Division
- Dixon Valve and Coupling Company, LLC - Sanitary Division
- Dixon Group Services, LLC
- Hydrasearch Company, LLC
- KRM Development Corporation
- Maiden Lot Farm, LLC
- KRM Construction Company, LLC
- Richmond Foundry, LLC

The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by the Sponsor's 401(k) Investment Committee (Committee). The Committee has overall responsibility for the operation and administration of the Plan. The Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan adopted the provisions of the CARES Act and during 2020. The Plan document will be formally amended by December 31, 2025 in accordance with the legislation.

NOTE A – DESCRIPTION OF THE PLAN – Continued

2. Eligibility

All employees of the Sponsor's controlled group are eligible for participation when they have completed three months of service. For non-union employees, a participant must have completed six months of service and must be employed on the last day of the Plan year in order to receive employer contributions. Union employees are eligible to receive employer contributions after three months of service and if they are employed on the last day of the plan year.

3. Contributions

Employees may elect to contribute up to 100% of compensation, as defined in the Plan. Pre-tax and Roth (after-tax) contributions are allowed under the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Additionally, participants age 50 and older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their pre-tax deferral rate set at 5% of eligible compensation and their contributions invested in a designated fund until changed by the participant. An automatic increase in elective deferrals will occur annually for current and new employees whose deferral rate is below 7%. Automatic elective deferrals will increase 1% per year up to a maximum of 8%. The Sponsor makes a 3% safe harbor contribution for all employees who are eligible for employer contributions. For non-union employees, the Sponsor may make a discretionary profit sharing contribution as a percentage of a participant's eligible compensation. For the year ended December 31, 2022, the Sponsor made a discretionary profit sharing contribution of \$2,662,599.

For union employees, the Sponsor matches 50% of employee deferrals subject to a limit of 3% of compensation contributed by the participant. Sponsor contributions are invested in the same investment options and allocation percentages as the participant-directed contributions. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

4. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Sponsor's contribution and (b) plan earnings and losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A – DESCRIPTION OF THE PLAN – Continued

5. Vesting

Participants are immediately vested in their voluntary contributions and earnings thereon. Vesting in the Sponsor's contributions, however, is based on years of continuous service, as follows:

<u>Years of service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2	25%
3	50%
4	75%
5	100%

6. Notes Receivable from Participants

Participants may borrow from their fund accounts up to the lesser of \$50,000 minus the participant's highest outstanding loan amount during the prior twelve months, 50 percent of the vested portion of their non-profit-sharing account balance, or the total amount in the participant's employee contribution account and rollover account. A loan is secured by the balance in the participant's account and bears interest at the prime rate plus 2% as advertised daily in the Wall Street Journal. Interest rates range from 5.25% to 9.00%. All loans have a definite repayment period not to exceed five years, unless used for the purchase of a primary residence. Principal and interest is paid ratably through payroll deductions.

7. Payment of Benefits

On termination of service resulting from death, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments over a period selected by the participant. Participants become fully vested if actively employed upon death, disability or retirement. The Plan also allows in-service withdrawals for those participants age 59 ½ or older. The Plan was amended effective January 1, 2018 making the normal retirement age 62. In 2020, the Plan adopted the provision of the CARES Act which allowed qualified individuals to receive payments of benefits up to \$100,000 without the 10% penalty, as well as allowing participants to waive the required minimum distributions for those required to take them during 2020. Individuals who received qualified distributions under the CARES Act can elect to pay the distribution back within three years. As of December 31, 2022, no participants elected to pay back their qualified distribution.

8. Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$160,293 and \$393,426, respectively. These accounts will be used to reduce future Sponsor contributions. During the year ended December 31, 2022, \$421,016 were used to reduce Sponsors contributions.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees and insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

5. Payment of Benefits

Benefits are recorded when paid.

6. Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments and are allocated to participant accounts.

7. Subsequent Events

The Plan has evaluated events through October 6, 2023, the date the financial statements were available to be issued.

NOTE C – INFORMATION CERTIFIED BY THE PLAN’S TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, other income, interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard Fiduciary Trust Company (Vanguard), the trustee of the Plan as of December 31, 2022 and 2021 and for the year ended December 31, 2022.

NOTE D – FAIR VALUE OF FINANCIAL INSTRUMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted market prices for similar assets or liabilities in active markets
 - Quoted market prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Common Collective Trust: A stable value fund that is composed primarily of fully benefit-responsive investment contracts is valued at the NAV of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of collective trust, the issuer reserves the right to require 12 months’ notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE D – FAIR VALUE OF FINANCIAL INSTRUMENTS – Continued

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022

Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 129,930,090	\$ -	\$ -	\$ 129,930,090
Total investments in the fair value hierarchy	129,930,090	-	-	129,930,090
Investments measured at net asset value	-	-	-	16,675,420
Total investments at fair value	<u>\$ 129,930,090</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 146,605,510</u>

Assets at Fair Value as of December 31, 2021

Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 149,019,406	\$ -	\$ -	\$ 149,019,406
Total investments in the fair value hierarchy	149,019,406	-	-	149,019,406

Total investments at fair value	<u>\$ 149,019,406</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 167,790,066</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following tables summarize investment's for which fair value is based on NAV per share as of December 31, 2022 and 2021, respectively. There are no participation redemption restrictions for these investments; the redemption notice period is applicable to the Plan.

Investments	Fair Value 12/31/22	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Stable Value Common Collective Trust	\$16,675,420	\$ -	Daily	1 Day

Investments	Fair Value 12/31/21	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Stable Value Common Collective Trust	\$18,770,660	\$ -	Daily	1 Day

NOTE E – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by The Vanguard Group, Inc. (VGI), which is a related entity to Vanguard. Contract advisory services are provided by Vanguard Advisers, Inc. (VAI), which is a related entity to Vanguard. Vanguard is the Trustee as defined, VGI participates in Plan recordkeeping, and consulting, and VAI provides investment advisory, therefore, transactions between the Plan and Vanguard, VGI, or VAI qualify as party in interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Fees paid to VGI for Trustee, recordkeeping, investment consulting, and administrative services by the Plan totaled \$52,029 for the year ended December 31, 2022. Fees paid to VAI for investment advisory services by the Plan totaled \$66,921 for the year ended December 31, 2022.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G – TAX STATUS OF THE PLAN

The IRS has determined, and informed the Sponsor by a letter dated June 30, 2020, that the Vanguard Prototype Non-standardized 401(K) Profit Sharing Plan that has been adopted by the Sponsor is designed in accordance with the applicable section of the Internal Revenue Code (IRC). The plan administrator believes that the Plan and related trust are currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles general accepting in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 for the years ended December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>

INDEPENDENT AUDITORS' REPORT

**To the Investment Committee of
DVCC, LLC Employees Retirement Plan
Chestertown, Maryland**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of DVCC, LLC Employees Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DVCC, LLC Employees Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of DVCC, LLC Employees Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DVCC, LLC Employees Retirement Plan's ability to continue as a going concern for one year from the date of the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DVCC, LLC Employees Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DVCC, LLC Employees Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

The form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DVCC, LLC EMPLOYEES RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A – DESCRIPTION OF THE PLAN

The following brief description of DVCC, LLC Employees Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

1. General

The Plan was established to provide for retirement income and financial protection in the event of death or retirement of covered employees and to provide for the financial protection and compensation of employees in the event of permanent disability. The Plan is a defined contribution plan covering substantially all employees of the following companies: (collectively, the Sponsor)

- DVCC, LLC
- Bearon Manufacturing, LLC
- Buck Company, LLC (salaried employees and union employees)
- Dixon Valve and Coupling Company, LLC - Bayco USA Division
- Dixon Valve and Coupling Company, LLC - BOSS Division
- Dixon Valve and Coupling Company, LLC - Brass Division
- Dixon Valve and Coupling Company, LLC - Accessories Division
- Dixon Valve and Coupling Company, LLC - Distribution Division
- Dixon Valve and Coupling Company, LLC - Eagle Division
- Dixon Valve and Coupling Company, LLC - Quick Coupling Division
- Dixon Valve and Coupling Company, LLC - Powhatan Division
- Dixon Valve and Coupling Company, LLC - Specialty Products Division
- Dixon Valve and Coupling Company, LLC - Sanitary Division
- Dixon Group Services, LLC
- Hydrasearch Company, LLC
- KRM Development Corporation
- Maiden Lot Farm, LLC
- KRM Construction Company, LLC
- Richmond Foundry, LLC

The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by the Sponsor's 401(k) Investment Committee (Committee). The Committee has overall responsibility for the operation and administration of the Plan. The Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan adopted the provisions of the CARES Act and during 2020. The Plan document will be formally amended by December 31, 2025 in accordance with the legislation.

NOTE A – DESCRIPTION OF THE PLAN – Continued

2. Eligibility

All employees of the Sponsor's controlled group are eligible for participation when they have completed three months of service. For non-union employees, a participant must have completed six months of service and must be employed on the last day of the Plan year in order to receive employer contributions. Union employees are eligible to receive employer contributions after three months of service and if they are employed on the last day of the plan year.

3. Contributions

Employees may elect to contribute up to 100% of compensation, as defined in the Plan. Pre-tax and Roth (after-tax) contributions are allowed under the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Additionally, participants age 50 and older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their pre-tax deferral rate set at 5% of eligible compensation and their contributions invested in a designated fund until changed by the participant. An automatic increase in elective deferrals will occur annually for current and new employees whose deferral rate is below 7%. Automatic elective deferrals will increase 1% per year up to a maximum of 8%. The Sponsor makes a 3% safe harbor contribution for all employees who are eligible for employer contributions. For non-union employees, the Sponsor may make a discretionary profit sharing contribution as a percentage of a participant's eligible compensation. For the year ended December 31, 2022, the Sponsor made a discretionary profit sharing contribution of \$2,662,599.

For union employees, the Sponsor matches 50% of employee deferrals subject to a limit of 3% of compensation contributed by the participant. Sponsor contributions are invested in the same investment options and allocation percentages as the participant-directed contributions. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

4. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Sponsor's contribution and (b) plan earnings and losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A – DESCRIPTION OF THE PLAN – Continued

5. Vesting

Participants are immediately vested in their voluntary contributions and earnings thereon. Vesting in the Sponsor's contributions, however, is based on years of continuous service, as follows:

<u>Years of service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2	25%
3	50%
4	75%
5	100%

6. Notes Receivable from Participants

Participants may borrow from their fund accounts up to the lesser of \$50,000 minus the participant's highest outstanding loan amount during the prior twelve months, 50 percent of the vested portion of their non-profit-sharing account balance, or the total amount in the participant's employee contribution account and rollover account. A loan is secured by the balance in the participant's account and bears interest at the prime rate plus 2% as advertised daily in the Wall Street Journal. Interest rates range from 5.25% to 9.00%. All loans have a definite repayment period not to exceed five years, unless used for the purchase of a primary residence. Principal and interest is paid ratably through payroll deductions.

7. Payment of Benefits

On termination of service resulting from death, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments over a period selected by the participant. Participants become fully vested if actively employed upon death, disability or retirement. The Plan also allows in-service withdrawals for those participants age 59 ½ or older. The Plan was amended effective January 1, 2018 making the normal retirement age 62. In 2020, the Plan adopted the provision of the CARES Act which allowed qualified individuals to receive payments of benefits up to \$100,000 without the 10% penalty, as well as allowing participants to waive the required minimum distributions for those required to take them during 2020. Individuals who received qualified distributions under the CARES Act can elect to pay the distribution back within three years. As of December 31, 2022, no participants elected to pay back their qualified distribution.

8. Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$160,293 and \$393,426, respectively. These accounts will be used to reduce future Sponsor contributions. During the year ended December 31, 2022, \$421,016 were used to reduce Sponsors contributions.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees and insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

5. Payment of Benefits

Benefits are recorded when paid.

6. Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments and are allocated to participant accounts.

7. Subsequent Events

The Plan has evaluated events through October 6, 2023, the date the financial statements were available to be issued.

NOTE C – INFORMATION CERTIFIED BY THE PLAN’S TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, other income, interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard Fiduciary Trust Company (Vanguard), the trustee of the Plan as of December 31, 2022 and 2021 and for the year ended December 31, 2022.

NOTE D – FAIR VALUE OF FINANCIAL INSTRUMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted market prices for similar assets or liabilities in active markets
 - Quoted market prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Common Collective Trust: A stable value fund that is composed primarily of fully benefit-responsive investment contracts is valued at the NAV of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of collective trust, the issuer reserves the right to require 12 months’ notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE D – FAIR VALUE OF FINANCIAL INSTRUMENTS – Continued

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022

Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 129,930,090	\$ -	\$ -	\$ 129,930,090
Total investments in the fair value hierarchy	129,930,090	-	-	129,930,090

Total investments at fair value	<u>\$ 149,019,406</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 167,790,066</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following tables summarize investment's for which fair value is based on NAV per share as of December 31, 2022 and 2021, respectively. There are no participation redemption restrictions for these investments; the redemption notice period is applicable to the Plan.

Investments	Fair Value 12/31/22	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Stable Value Common Collective Trust	\$16,675,420	\$ -	Daily	1 Day

Investments	Fair Value 12/31/21	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Stable Value Common Collective Trust	\$18,770,660	\$ -	Daily	1 Day

NOTE E – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by The Vanguard Group, Inc. (VGI), which is a related entity to Vanguard. Contract advisory services are provided by Vanguard Advisers, Inc. (VAI), which is a related entity to Vanguard. Vanguard is the Trustee as defined, VGI participates in Plan recordkeeping, and consulting, and VAI provides investment advisory, therefore, transactions between the Plan and Vanguard, VGI, or VAI qualify as party in interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Fees paid to VGI for Trustee, recordkeeping, investment consulting, and administrative services by the Plan totaled \$52,029 for the year ended December 31, 2022. Fees paid to VAI for investment advisory services by the Plan totaled \$66,921 for the year ended December 31, 2022.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G – TAX STATUS OF THE PLAN

The IRS has determined, and informed the Sponsor by a letter dated June 30, 2020, that the Vanguard Prototype Non-standardized 401(K) Profit Sharing Plan that has been adopted by the Sponsor is designed in accordance with the applicable section of the Internal Revenue Code (IRC). The plan administrator believes that the Plan and related trust are currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles general accepting in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 for the years ended December 31, 2022 and 2021:

INDEPENDENT AUDITORS' REPORT

**To the Investment Committee of
DVCC, LLC Employees Retirement Plan
Chestertown, Maryland**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of DVCC, LLC Employees Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DVCC, LLC Employees Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of DVCC, LLC Employees Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DVCC, LLC Employees Retirement Plan's ability to continue as a going concern for one year from the date of the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DVCC, LLC Employees Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DVCC, LLC Employees Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

The form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DVCC, LLC EMPLOYEES RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A – DESCRIPTION OF THE PLAN

The following brief description of DVCC, LLC Employees Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

1. General

The Plan was established to provide for retirement income and financial protection in the event of death or retirement of covered employees and to provide for the financial protection and compensation of employees in the event of permanent disability. The Plan is a defined contribution plan covering substantially all employees of the following companies: (collectively, the Sponsor)

- DVCC, LLC
- Bearon Manufacturing, LLC
- Buck Company, LLC (salaried employees and union employees)
- Dixon Valve and Coupling Company, LLC - Bayco USA Division
- Dixon Valve and Coupling Company, LLC - BOSS Division
- Dixon Valve and Coupling Company, LLC - Brass Division
- Dixon Valve and Coupling Company, LLC - Accessories Division
- Dixon Valve and Coupling Company, LLC - Distribution Division
- Dixon Valve and Coupling Company, LLC - Eagle Division
- Dixon Valve and Coupling Company, LLC - Quick Coupling Division
- Dixon Valve and Coupling Company, LLC - Powhatan Division
- Dixon Valve and Coupling Company, LLC - Specialty Products Division
- Dixon Valve and Coupling Company, LLC - Sanitary Division
- Dixon Group Services, LLC
- Hydrasearch Company, LLC
- KRM Development Corporation
- Maiden Lot Farm, LLC
- KRM Construction Company, LLC
- Richmond Foundry, LLC

The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by the Sponsor's 401(k) Investment Committee (Committee). The Committee has overall responsibility for the operation and administration of the Plan. The Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan adopted the provisions of the CARES Act and during 2020. The Plan document will be formally amended by December 31, 2025 in accordance with the legislation.

NOTE A – DESCRIPTION OF THE PLAN – Continued

2. Eligibility

All employees of the Sponsor's controlled group are eligible for participation when they have completed three months of service. For non-union employees, a participant must have completed six months of service and must be employed on the last day of the Plan year in order to receive employer contributions. Union employees are eligible to receive employer contributions after three months of service and if they are employed on the last day of the plan year.

3. Contributions

Employees may elect to contribute up to 100% of compensation, as defined in the Plan. Pre-tax and Roth (after-tax) contributions are allowed under the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Additionally, participants age 50 and older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their pre-tax deferral rate set at 5% of eligible compensation and their contributions invested in a designated fund until changed by the participant. An automatic increase in elective deferrals will occur annually for current and new employees whose deferral rate is below 7%. Automatic elective deferrals will increase 1% per year up to a maximum of 8%. The Sponsor makes a 3% safe harbor contribution for all employees who are eligible for employer contributions. For non-union employees, the Sponsor may make a discretionary profit sharing contribution as a percentage of a participant's eligible compensation. For the year ended December 31, 2022, the Sponsor made a discretionary profit sharing contribution of \$2,662,599.

For union employees, the Sponsor matches 50% of employee deferrals subject to a limit of 3% of compensation contributed by the participant. Sponsor contributions are invested in the same investment options and allocation percentages as the participant-directed contributions. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

4. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Sponsor's contribution and (b) plan earnings and losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A – DESCRIPTION OF THE PLAN – Continued

5. Vesting

Participants are immediately vested in their voluntary contributions and earnings thereon. Vesting in the Sponsor's contributions, however, is based on years of continuous service, as follows:

<u>Years of service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2	25%
3	50%
4	75%
5	100%

6. Notes Receivable from Participants

Participants may borrow from their fund accounts up to the lesser of \$50,000 minus the participant's highest outstanding loan amount during the prior twelve months, 50 percent of the vested portion of their non-profit-sharing account balance, or the total amount in the participant's employee contribution account and rollover account. A loan is secured by the balance in the participant's account and bears interest at the prime rate plus 2% as advertised daily in the Wall Street Journal. Interest rates range from 5.25% to 9.00%. All loans have a definite repayment period not to exceed five years, unless used for the purchase of a primary residence. Principal and interest is paid ratably through payroll deductions.

7. Payment of Benefits

On termination of service resulting from death, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments over a period selected by the participant. Participants become fully vested if actively employed upon death, disability or retirement. The Plan also allows in-service withdrawals for those participants age 59 ½ or older. The Plan was amended effective January 1, 2018 making the normal retirement age 62. In 2020, the Plan adopted the provision of the CARES Act which allowed qualified individuals to receive payments of benefits up to \$100,000 without the 10% penalty, as well as allowing participants to waive the required minimum distributions for those required to take them during 2020. Individuals who received qualified distributions under the CARES Act can elect to pay the distribution back within three years. As of December 31, 2022, no participants elected to pay back their qualified distribution.

8. Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$160,293 and \$393,426, respectively. These accounts will be used to reduce future Sponsor contributions. During the year ended December 31, 2022, \$421,016 were used to reduce Sponsors contributions.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees and insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

5. Payment of Benefits

Benefits are recorded when paid.

6. Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments and are allocated to participant accounts.

7. Subsequent Events

The Plan has evaluated events through October 6, 2023, the date the financial statements were available to be issued.

NOTE C – INFORMATION CERTIFIED BY THE PLAN’S TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, other income, interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard Fiduciary Trust Company (Vanguard), the trustee of the Plan as of December 31, 2022 and 2021 and for the year ended December 31, 2022.

NOTE D – FAIR VALUE OF FINANCIAL INSTRUMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted market prices for similar assets or liabilities in active markets
 - Quoted market prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Common Collective Trust: A stable value fund that is composed primarily of fully benefit-responsive investment contracts is valued at the NAV of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of collective trust, the issuer reserves the right to require 12 months’ notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE D – FAIR VALUE OF FINANCIAL INSTRUMENTS – Continued

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022

Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 129,930,090	\$ -	\$ -	\$ 129,930,090
Total investments in the fair value hierarchy	129,930,090	-	-	129,930,090
Investments measured at net asset value	-	-	-	16,675,420
Total investments at fair value	<u>\$ 129,930,090</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 146,605,510</u>

Assets at Fair Value as of December 31, 2021

Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 149,019,406	\$ -	\$ -	\$ 149,019,406
Total investments in the fair value hierarchy	149,019,406	-	-	149,019,406
Investments measured at net asset value	-	-	-	18,770,660
Total investments at fair value	<u>\$ 149,019,406</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 167,790,066</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following tables summarize investment's for which fair value is based on NAV per share as of December 31, 2022 and 2021, respectively. There are no participation redemption restrictions for these investments; the redemption notice period is applicable to the Plan.

Investments	Fair Value 12/31/22	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Stable Value Common Collective Trust	\$16,675,420	\$ -	Daily	1 Day

Investments	Fair Value 12/31/21	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Stable Value Common Collective Trust	\$18,770,660	\$ -	Daily	1 Day

NOTE E – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by The Vanguard Group, Inc. (VGI), which is a related entity to Vanguard. Contract advisory services are provided by Vanguard Advisers, Inc. (VAI), which is a related entity to Vanguard. Vanguard is the Trustee as defined, VGI participates in Plan recordkeeping, and consulting, and VAI provides investment advisory, therefore, transactions between the Plan and Vanguard, VGI, or VAI qualify as party in interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Fees paid to VGI for Trustee, recordkeeping, investment consulting, and administrative services by the Plan totaled \$52,029 for the year ended December 31, 2022. Fees paid to VAI for investment advisory services by the Plan totaled \$66,921 for the year ended December 31, 2022.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G – TAX STATUS OF THE PLAN

The IRS has determined, and informed the Sponsor by a letter dated June 30, 2020, that the Vanguard Prototype Non-standardized 401(K) Profit Sharing Plan that has been adopted by the Sponsor is designed in accordance with the applicable section of the Internal Revenue Code (IRC). The plan administrator believes that the Plan and related trust are currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles general accepting in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 for the years ended December 31, 2022 and 2021:
