## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of  
the **BAPKO METAL, INC. RETIREMENT PLAN**  
Orange, California

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements**

We have performed an audit of the accompanying financial statements of BAPKO Metal, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of BAPKO Metal, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended September 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2022 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2022 Financial Statements**

### **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BAPKO Metal, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BAPKO Metal, Inc. Retirement Plan's internal control.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matters**

##### **2022 Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# **BAPKO METAL, INC. RETIREMENT PLAN**

Notes to the Financial Statements  
September 30, 2022 and 2021

---

## **Note 1 – Plan Description and Basis of Presentation**

The following description of the BAPKO Metal, Inc. Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

**Eligibility and Coverage** – The Plan was established on January 1, 2014 and was restated as of October 1, 2021. The Plan is a defined 401(k) profit sharing plan covering all eligible employees of BAPKO Metal, Inc. (the “Company” and “Plan Sponsor”) who have completed 90 days of service and have attained age 21. Participants, once eligible, may begin deferring a portion of their compensation into the Plan on the first day of the quarter coinciding with or next following the date on which such Employee met the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and Section 401(a) of the Internal Revenue Code (“IRC”). The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance.

**Contributions – Participants** – Participants can contribute up to 100% of their salaries. In 2022, not more than \$20,500 may be contributed. Participants ages 50 or older may elect to defer additional amounts (called “catch-up” contributions) to the Plan. The maximum “catch-up” contribution that can be made in 2022 is \$6,500. The additional amount can be deferred regardless of any other limitations on the amounts that can be deferred to the Plan. Participants also have the option to make elective after-tax contributions to a Roth 401(k). Total Roth contributions for the year ended December 31, 2022 were approximately \$31,000. In addition, participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (“rollover”).

**Employer** – The Plan Sponsor has elected to provide a safe harbor contribution to each participant who has a deferral election on file. Participants will receive an allocation based upon eligible compensation as defined in the Plan agreement. The Plan Sponsor may also make a discretionary profit sharing contribution. Employees receive a pro rata allocation based upon the employee’s compensation. Contributions are subject to certain Internal Revenue Service limitations. During the year ended September 30, 2022, the Company made a safe harbor and discretionary contribution of approximately \$243,000.

All contributions made on a participant’s behalf are deposited in the trust and allocated among the investment funds in accordance with the participant’s investment elections. A participant may elect to transfer investments from any investment fund to any other investment fund on a daily basis.

## **Note 1 – Plan Description and Basis of Presentation (Continued)**

**Forfeitures** – If a participant terminates prior to vesting 100% in the employer contributions, the forfeited balance will be used to reduce administrative expenses and future employer contributions. For the year ended September 30, 2022, employer contributions were reduced from forfeited non-vested accounts by \$14,860. At September 30, 2022 and 2021, there were no forfeited non-vested accounts.

**Payment of Benefits** – The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, disability, death, financial hardship, or termination of employment. In-service distributions are also available to those participants who are age 59½ or older. Participants who qualify for retirement benefits and withdrawals will receive their benefits as a lump sum in cash. The benefit to which a participant is entitled is the benefit that can be provided solely from the participant's vested account balance. Participants who separate from service and have vested account balances of \$5,000 or less are subject to an administrative lump sum distribution.

**Administrative Expenses** – As provided in the Plan agreement, administrative expenses may be paid either by the Plan or by the Company. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

## **Note 2 – Summary of Significant Accounting Policies**

**Basis of Accounting** – The accompanying financial statements are prepared on the accrual basis of accounting under accounting principles generally accepted in the United States of America.

**Use of Estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results may differ from those estimates.

**Investment Valuation and Income Recognition** – Investments are stated at fair value and contract value as determined by John Hancock Life Insurance Company (U.S.A.). The carrying value of interest bearing money market accounts equal their fair value. Increases or decreases in fair value are recognized currently. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians.

## **Note 2 – Summary of Significant Accounting Policies (Continued)**

**Payment of Benefits** – Benefits are recorded when paid.

**Risk and Uncertainties** – The Plan provides for various investment securities. These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with these securities and the level of uncertainty related to changes in value, it is at least reasonably possible that changes in the various risk factors in the near term would materially affect participants' account balances and the amounts reported in the accompanying financial statements.

## **Note 3 – Custodian Certification**

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at September 30, 2022, and net appreciation (depreciation) in fair value of investments, and interest and dividends for the year ended September 30, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.) (the custodian of the Plan).

## **Note 4 – Fair Value Measurements**

The accounting standards regarding fair value measurements define fair value, establish a framework for measuring fair value, and provide for enhanced disclosures about fair value measurements. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The standard describes three levels of inputs that may be used to measure fair value:

- Level 1 Valuation is based upon quoted prices in active markets for identical securities.
- Level 2 Valuation is based upon other observable inputs (including quoted prices for similar securities, interest rates, prepayment speeds, credit risk, etc.).

## **Note 4 – Fair Value Measurements (Continued)**

### *Pooled Separate Accounts*

These investments are privately managed accounts valued using the net asset value (“NAV”) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. As the investments can be redeemed at NAV as of the measurement date, the administrator of the fund believes the investments have a “Readily Determinable Fair Value”.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Below are the Plan’s financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels established in current accounting standards.

Notes to the Financial Statements  
September 30, 2022 and 2021

---

## **Note 6 – Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants' rights to their accrued benefits are non-forfeitable.

## **Note 7 – Income Tax Status**

The Plan has adopted the provisions of a volume submitter 401(k) Plan. The Plan obtained its latest opinion letter from the Internal Revenue Service dated December 29, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and management believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of September 30, 2022.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## **Note 8 – Subsequent Events**

The Company has evaluated subsequent events through September 15, 2023 the date which the financial statements were available to be issued. Management's evaluation of subsequent events has determined that there were no events that require additional disclosures.
