INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
ISS Facility Services 401(K) Savings Plan
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of ISS Facility Services 401(K) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ISS Facility Services 401(K) Savings Plan's (the Plan) financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of and for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General - The ISS Facility Services 401(K) Savings Plan (the Plan) was adopted effective January 1, 2000 and restated October 2018 to establish a savings and investment plan for the exclusive benefit of the employees of ISS Facility Services Holding, Inc. (the Company and Plan Administrator) and its wholly owned subsidiaries and their beneficiaries. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Basis of Presentation - The Plan's financial statements are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States (GAAP). Interest and dividend income are recognized when earned.

Estimates - The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan provides for several investment options which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

Valuation of Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In accordance with the policy of stating investments at fair value, net investment gain or loss is included in the carrying value of related investments in the statements of net assets available for plan benefits and the changes in the net investment gain or loss are reflected in the statement of changes in net assets available for plan benefits.

Participant Loans Receivable - Loans to participants are reported as a receivable from participants at the unpaid principal balance plus any accrued but unpaid interest.

Payment of Benefits - Benefits are recorded when paid.

Federal Income Tax - The Company adopted a Volume Submitter Profit Sharing Plan (the "Volume Submitter Plan") with deferral arrangements. The Volume Submitter Plan received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated that the Volume Submitter Plan and related trust constitutes a qualified trust under Section 401(b) of the Internal Revenue Code and is therefore, exempt from federal income taxes. Effective September 1, 2021, the Plan was formally amended to comply with the latest applicable tax laws and regulations. The Company adopted a non-standardized pre-approved profit sharing plan with CODA (the Non-Standardized Pre-Approved Plan), which did not change the significant provisions of the former Plan. The prototype Non-Standardized Pre-Approved Plan received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the Non-Standardized Pre-Approved Plan constitutes a qualified plan under Section 401(a) of the Internal Revenue Code (Code) and is therefore exempt from federal income taxes.

NOTE A BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

The Plan believes that all significant tax positions utilized by the Plan will more likely than not be sustained upon examination. As of December 31, 2022, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations are from the year 2019 forward (with limited exceptions). Tax penalties and interest, if any, would be accrued as incurred and would be classified as tax expense in the statement of changes in net assets available for plan benefits.

Subsequent Events - The Plan has reviewed subsequent events through October 4, 2023, the date the financial statements were available to be issued.

During January 2023, the Plan's assets transferred from Fidelity Management Trust Company (the trustee of the Plan) to Principal Life Insurance Company. In connection with this transfer, the Plan was formally amended and restated effective January 1, 2023. Significant changes in the provisions of the former Plan include, but are not limited to, amendments to allow participants to make Roth contributions to the Plan, allow contributions to the Plan in an annual amount up to 90% of eligible compensation, and allow "In-Plan Roth Rollovers."

No subsequent events occurred which require adjustment or disclosure to the financial statements at December 31, 2022.

NOTE B PLAN DESCRIPTION

The following description of the Plan provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Participation - An employee is eligible to become a participant in the Plan having attained the age of 21 and after completing one month of service with entry on the first day of each month. Employees not eligible to participate in the Plan are ISS Facility Services highly compensated employees and leased employees as defined in the Plan document. Highly compensated employees of Guckenheimer Enterprises, Inc. are eligible to participate in the Plan. Effective February 1, 2019 and November 21, 2019, the Plan was amended to allow certain union employees to participate in the Plan. Effective January 1, 2020, the Plan was amended to allow highly compensated employees to participate in the Plan.

Contributions - Participants may elect to make pretax contributions to the Plan in an annual amount up to 60% of their compensation, limited to \$20,500 for 2022. This limitation is adjusted periodically to reflect cost-of-living increases. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$6,500 for 2022).

During 2022, the Company contributed a matching contribution equal to 50% of each participant's contribution limited to 6% of eligible compensation. The Company may also make an additional discretionary matching employer contributions at the option of the Company's board of directors. The discretionary matching contribution received during the year ended December 31, 2022 amounted to \$72,461.

NOTE B PLAN DESCRIPTION (CONTINUED)

Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's contributions and earnings attributable to each participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - A participant hired prior to October 1, 2018 is immediately fully vested with respect to the portion of the participant's account attributable to participant contributions, rollover contributions, and profit sharing contributions. A participant hired on or subsequent to October 1, 2018 becomes fully vested in matching and profit sharing contributions upon the earlier of: (1) three years of services, or (2) attainment of age 55. Vesting of 33% of Company contributions and profit sharing contributions for those hired on or subsequent to October 1, 2018 occurs upon one year of service, 66% upon two years of service, and 100% upon three years of service.

Forfeitures - Forfeited employer contributions and the related earnings will be used to reduce future employer contributions, if not used to pay Plan expenses. Forfeitures of \$178,557 were used to pay Plan expenses and \$291,973 used to reduce employer contributions for the year ended December 31, 2022. The amount of forfeitures available to offset future employer contributions or pay Plan expenses at December 31, 2022 was \$55,779.

Investments - Each participant directs the investment of their account into any of the available investment options designated by the Plan Administrator.

Participant Loans Receivable - Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one year or up to five years unless the funds are for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing rates. Interest rates on loans outstanding at December 31, 2022 range from 4.25% to 8.00%. Principal and interest is paid ratably through payroll deductions.

Forms of Benefits - Upon termination of service, a participant may elect to receive a lump-sum or partial distribution in the amount equal to the participant's vested interest in their account. If the amount payable is \$5,000 or less, an automatic distribution will be made to the participant as a lump sum distribution. Any distribution greater than \$1,000 that is made to a participant without the participant's consent before normal retirement age will be rolled over to an individual retirement plan designated by the Plan Administrator.

Administration - The Company, as the Plan Administrator, may, at its discretion, pay the Plan's administrative expenses. Any Plan expenses not paid by the Company will be paid by the Plan. Substantially all expenses were paid by the Plan. Two employees of the Company are trustees for the Plan.

Plan Termination - Although the Company has not expressed intent to do so, it has the right under the Plan to terminate the Plan subject to provisions set forth in ERISA. Upon termination, all participants would become fully vested in their account balances as of the date of termination.

NOTE C INVESTMENTS AND CERTIFIED INFORMATION

The fair value of the Plan's investment funds held at December 31, 2022 and 2021, as certified by Fidelity Management Trust Company, are as follows:

	<u>2022</u>	<u>2021</u>
Registered investment companies	\$ 79,196,885	\$ 96,832,176
Interest-bearing cash	<u>2,678,718</u>	<u>3,246,140</u>
Total Investments	<u>\$ 81,875,603</u>	<u>\$ 100,078,316</u>

Income (loss) as certified by Fidelity Management Trust Company for the year ended December 31, 2022 is as follows:

Net investment loss in registered investment companies	\$ (19,171,875)
Interest from interest-bearing cash	\$ 30,190
Dividend income from registered investment companies	\$ 2,476,646
Interest income from participant loans	\$ 63,721

Fidelity Management Trust Company has also certified participant loans receivable and the information contained in the supplemental schedule of assets (held at end of year).

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

NOTE D FAIR VALUE DISCLOSURES

GAAP provides a framework for measuring fair value using a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value based upon whether the inputs to those valuation techniques are observable or unobservable. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical financial instruments and the lowest priority to unobservable inputs. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The financial instrument's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. These inputs are summarized in the three broad levels listed below:

Level 1 – Unadjusted quoted prices for identical financial instruments in active markets that the Plan has the ability to access. Registered investment companies and interest-bearing cash are valued using Level 1 inputs.

Level 2 – Other significant observable inputs (including quoted prices in active and inactive markets for similar financial instruments), or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the financial instruments.

NOTE D FAIR VALUE DISCLOSURES (CONTINUED)

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the financial instruments. The fair value of Level 3 financial instruments is determined using pricing models or similar techniques which require significant management judgment or estimation.

Following is a description of the valuation technique used for assets measured at fair value. There have been no changes in the technique used during 2022 and 2021.

Registered investment companies and interest-bearing cash are valued at the market value of shares held by the Plan at year end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different techniques or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no significant transfers in and/or out of the fair value categories during 2022 and 2021.

NOTE E PARTY-IN-INTEREST

The Plan invests in various funds offered by Fidelity. These investments are considered party-in-interest transactions because Fidelity Management Trust Company serves as Trustee of the Plan. The Plan Administrator has approved of the investment options.

NOTE G TRANSFER OF PLAN ASSETS

On April 28, 2017, Guckenheimer Enterprises, Inc. (GEI) was acquired by ISS Facility Services Holding, Inc. (ISS), a publicly traded global facility services company (the Acquisition). The Acquisition did not change the Guckenheimer Enterprises, Inc. 401(k) Plan (GEI Plan) Plan sponsor or initially impact the operation of the GEI Plan. However, effective August 30, 2017, in connection with the Acquisition, GEI amended the GEI Plan in order to merge the Guckenheimer Employee Stock Ownership Plan (the ESOP) into the GEI Plan, at which time all participants in the ESOP were admitted into the GEI Plan. As a result, the ESOP began distributing its assets to the GEI Plan. As of December 22, 2017, all assets in the ESOP had been distributed to participants or transferred to the GEI Plan and the ESOP ceased to exist.

In connection with the Acquisition, additional proceeds owed to the ESOP were held back and placed into escrow, as stipulated under the provisions of the Acquisition and, since the ESOP no longer existed as of the Liquidation Date, any portion of the escrow proceeds subsequently distributed are to be paid to the GEI Plan and allocated to the participant accounts based on the shares of Company common stock held by each respective ESOP participant at the time of the Acquisition. After the termination of the GEI plan in October 2018 and subsequent merger of assets into the ISS Plan, remaining distributions are to be paid to the ISS Facility Services 401(k) Savings Plan. During the year ended December 31, 2022, \$1,135,615 of the escrow proceeds were received by the Plan and included in Plan transfers.

NOTE H PROHIBITED TRANSACTIONS

During 2021, certain employee contributions totaling \$23,213 were not timely remitted by the Company to the Plan as required by ERISA. Because the Company was delinquent in forwarding participant employee contributions and held them commingled with its general assets, the Company engaged in nonexempt prohibited transactions under ERISA Section 406. The Company self-corrected on March 17, 2022.
