## INDEPENDENT AUDITOR'S REPORT

To the Trustee of the  
Bluehawk, LLC 401(k) Plan  
Kirkland, Washington

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Bluehawk, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bluehawk, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bluehawk, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bluehawk, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bluehawk, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bluehawk, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule

that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**BLUEHAWK, LLC 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

---

**NOTE A.--DESCRIPTION OF PLAN**

The following description of Bluehawk, LLC (Company or Sponsor) 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

*General:* The Plan is a 401(k) defined contribution plan originally established by the Company effective January 1, 2012, most recently restated January 1, 2022 as part of a cycle 3 restatement period, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). An eligible employee is any person employed by the Company excluding employees covered by a collective bargaining agreement, leased employees and non-resident aliens. There is no age or service requirement. Participants are eligible to make elective deferral contributions and receive safe harbor matching and employer matching contributions on the date an hour of service is performed. Participants are eligible for profit sharing contributions if they have completed 1,000 hours of service and are employed on the last day of the plan year. The Plan is a safe-harbor Plan.

*Contributions:* The Plan is funded by eligible participant elective deferrals which may range from 1% to 100% of eligible compensation, discretionary Company match contributions, discretionary non-elective profit-sharing contributions, and safe harbor match contributions. Participants may contribute on a pre-tax basis up to the maximum amount allowed by law. The employer safe harbor match is the sum of 100% of participant's compensation which is deferred as an elective deferral that does not exceed 3% of the participant's compensation, plus 50% of the participant's compensation which is deferred as an elective deferral that exceeds 3% of the participant's compensation but does not exceed 5% of the participant's compensation. Effective January 1, 2022, the contribution is annual, with a required true-up if paid more frequently. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants attaining age 50 prior to the end of the calendar year may make "catch-up contributions" in addition to regular salary deferrals. All participants who are eligible to make elective deferral contributions may elect to designate all or any portion of their deferrals as Roth elective deferral contributions. All contributions are subject to certain limitations.

*Participant Accounts:* Each participant's account is credited with the participant's contributions, an allocation of the Company contributions, an allocation of Plan earnings (losses), and charged with certain administrative expenses. Allocations are based on participant compensation, account balances, or specific participant transactions, as applicable, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

**DECEMBER 31, 2022 AND 2021**

**NOTE A.--DESCRIPTION OF PLAN (Continued)**

Vesting: Participants are immediately vested in elective deferrals, rollover contributions, matching and profit-sharing contributions plus actual earnings thereon.

Notes Receivable from Participants: Participant may borrow from all vested balances a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. Loan transactions are treated as a transfer to (from) the investment fund from (to) the loan fund. Loans may only be requested for a hardship. A participant may only initiate one loan per calendar year and may only have one loan outstanding at a time.

All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case, the loan must be repaid within fifteen years. Under the terms of the Plan agreement, plan loans must bear a rate of interest similar to commercial loans by persons or institutions in the business of lending money in the same geographic area as the employer. Principal and interest are paid through payroll deductions.

Retirement: The normal retirement date is the date a participant attains age 65. There is no early retirement.

Payment of Benefits: Upon termination other than due to death, a participant will receive a lump sum equal to the value of the participant's vested interest in his or her account or partial or installment distributions if elected by the participant. Required distributions at age 70 ½ may be in lump sum or installments. The participant's entire account balance must be paid by no later than 60 days following the end of the plan year in which the participant dies through December 31, 2021. Effective January 1, 2022, distributions on death shall be paid in full by the end of the fifth year. If, on termination of service, a participant has a vested interest in his account which is \$1,000 or less, payment may be made in a lump sum equal to the value of his account without the participant's consent. If such balance is less than \$5,000 but greater than \$1,000, without other election it will automatically be rolled over into an IRA established by the Company. Hardship distributions are not allowed. Distributions may be taken from contributed rollover amounts at any time. In-service distributions are allowed at age 59 ½.

**NOTE A.--DESCRIPTION OF PLAN (Continued)**

*Investment Options:* Participants are allowed to direct their contributions and account balances in a variety of investment options including mutual funds and a fully benefit-responsive investment contract. The Sponsor periodically reviews the investment fund options available to participants and changes them as warranted. Participants may change their investments at any time.

*Plan Expenses:* Expenses of maintaining the Plan may be paid by the Company or the Plan. Certain expenses of maintaining the Plan are paid for directly by the Company and are excluded from these financial statements. Expenses for plan recordkeeping, financial advising and custody of assets are paid for by the Plan. Investment related expenses including 12(b)(1) and revenue sharing fees are deducted from each funds' earnings and included in net appreciation (depreciation) in fair value of investments. Certain fees such as for distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

**NOTE B.--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting:* The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

*Use of Estimates:* The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the financial statements and accompanying disclosures. Accordingly, actual results could differ from those estimates.

*Investment Valuation and Income Recognition:* Investments are reported at fair value, (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's committee determines the Plan's valuation utilizing information provided by the investment advisor and custodian. See Note E for discussion of fair value measurements.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

---

**NOTE B.--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

*Investment Valuation and Income Recognition (Continued):* Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

*Notes Receivable from Participants:* Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

*Payment of Benefits:* Benefits are recorded when paid.

**NOTE C.--FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT**

The Plan invests in the Standard Stable Asset Fund D, which is a deposit administration contract with Standard Insurance Company (Standard). This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

Contract value, as reported to the Plan by The Standard, represents contributions made under each contract, plus interest credited, less participant withdrawals and administrative expenses. Contract value of the Plan's investment in the fund was \$277,372 and \$241,076 at December 31, 2022 and 2021.

The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan that is declared quarterly. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic regulatory developments.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**NOTE C.--FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)**

Certain events may limit the ability of the Plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. The Sponsor may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Standard may terminate the contract with 30 days' advance written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to maintain assets of at least \$25,000, plan disqualification, and failure to adopt the plan in a reasonable period of time.

Upon termination by The Standard, a market value adjustment or other withdrawal restrictions may apply. The plan sponsor may choose to pay the market value adjustment directly if applicable, so that participants' contract values are not affected.

**NOTE D.--CERTIFIED INFORMATION**

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value and contract value of investments and dividends the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Trust Bank (the custodian of the Plan).

**NOTE E.--FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

**BLUEHAWK, LLC 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

---

**NOTE E.--FAIR VALUE MEASUREMENTS (Continued)**

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at the price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE F.--RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments may be in funds managed by the custodian, Charles Schwab Trust Bank, and/or the record keeper, The Standard; therefore, these transactions qualify as party-in-interest transactions. Certain administrative functions of the Plan are performed by officers or employees of the Company. Certain officers of the Company serve as trustees of the Plan. No such officer or employee receives compensation from the Plan.

**NOTE G.--PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the respective accounts of the participants under the Plan shall become fully vested and non-forfeitable.

**NOTE H.--TAX STATUS**

The Plan was amended and restated effective January 1, 2022 and adopted a non-standardized profit sharing plan with cash or deferral arrangement, which received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

**NOTES TO FINANCIAL STATEMENTS**

**NOTE H.--TAX STATUS (Continued)**

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE I.--RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as foreign currency exchange rate, interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

**NOTE J.--TRUE-UP OF EMPLOYER MATCH**

As a part of the normal course of plan operations, an annual true-up may be calculated on the safe harbor match contributions made throughout the year. As a result of the true-up assessments, total additional safe harbor match contributions of \$46,996 and \$35,845 were deposited to participant accounts and are included in employer contributions receivable as of December 31, 2022 and 2021, respectively, in the accompanying statements of net assets available for benefits.

**NOTE K.--SUBSEQUENT EVENTS**

Plan management has evaluated subsequent events through October 9, 2023, the date the financial statements were available to be issued.
