Dear Sir or Madam:

This representation letter is provided in connection with your audits of the financial statements and supplemental schedule of Leman U.S.A. Inc. Profit Sharing/401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Reliance Trust Company, the trustee and asset custodian, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by Reliance Trust Company, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, the following representations made to you during your audits:

Financial Statements

1. We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:

- The certification meets the 29 CFR 2520.103-5 requirements.

 4. We acknowledge our responsibility for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
 5. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
 6. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
 7. Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable. The measurement process used in determining accounting estimates is appropriate and consistent.

Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with U.S. GAAP and ERISA Section 3(14) and regulations thereunder.

 - A passed adjustment to increase liabilities and plan expenses for \$4,681 to record fourth quarter 2022 administrative expenses.
 - A passed adjustment to decrease plan expenses and beginning plan assets for \$5,779 to record the effect of the prior year passed adjustment.

Information Provided

21. We have provided you with:
- Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records (including information obtained from outside of the general and subsidiary ledgers), documentation, and other matters. Among other things, relevant information may include completeness and availability of all minutes of the meetings of all relevant boards and committees, or summaries of actions of recent meetings for which minutes have not yet been prepared as well as communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
 - A substantially complete draft of Form 5500.
 - Additional information that you have requested from us for the purpose of the audit.
 - Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
22. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
23. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
24. We have no knowledge of any fraud or suspected fraud that affects Leman U.S.A. Inc. Profit Sharing/401(K) Plan and involves:
- Management
 - Employees who have significant roles in internal control, or
 - Others where the fraud could have a material effect on the financial statements.
25. We have no knowledge of any allegations of fraud or suspected fraud affecting Leman U.S.A. Inc. Profit Sharing/401(K) Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

26. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
27. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
28. We have disclosed to you the names of all of the Plan's related parties and parties in interest and all the related party and party-in-interest relationships and transactions, including any side agreements.
29. The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
30. We have no—
 - Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - Intentions to terminate the Plan
31. Amendments to the plan instrument, if any, have been properly recorded or disclosed in the financial statements.
32. The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily marketable securities, are as follows:
 - Fair values for registered investment companies are based on the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
 - A stable value fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of the units of the common collective trust. The net asset value is used as the practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

- Index collective trust funds that are invested in stocks, mutual funds, short-term investments, etc. The underlying investments for the funds have observable (Level 1 or Level 2) inputs, including quoted market prices for similar assets in active or non-active markets. While the underlying asset values are quoted prices, the net asset value of the separate accounts is not publicly quoted. Net asset values of the separate accounts are used as the practical expedient to estimate fair value.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

33. The Great-West Trust Company, LLC Non-Standardized Defined Contribution Pre-Approved Plan that the Plan has adopted effective July 9, 2021, obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the prototype plan, as then designed, was acceptable under Section 401 of the Internal Revenue Code for us by employers for the benefit of their employees. The Plan has been amended since the date of the opinion letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

34. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust).
