Jas. W. Glover Holding Company, Ltd.
Profit-Sharing and 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Jas. W. Glover Holding Company, Ltd. Profit-Sharing and 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Jas. W. Glover Holding Company, Ltd. Profit-Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jas. W. Glover Holding Company, Ltd. Profit-Sharing and 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jas. W. Glover Holding Company, Ltd. Profit-Sharing and 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jas. W. Glover Holding Company, Ltd. Profit-Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jas. W. Glover Holding Company, Ltd. Profit-Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying

accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**JAS. W. GLOVER HOLDING COMPANY, LTD.
PROFIT-SHARING AND 401(k) PLAN**

Notes to Financial Statements

December 31, 2022 and 2021

1. Description of the Plan

A brief description of the Jas. W. Glover Holding Company, Ltd. Profit-Sharing and 401(k) Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan which covers substantially all employees of Jas. W. Glover Holding Company, Ltd. and subsidiaries (collectively known as the “Company”) who have completed the lesser of six months of service (during which time the employee performs at least 500 hours of service) or one year of service (during which time the employee performs at least 1,000 hours of service). Employees of the Company that are credited with an hour of service on a Davis-Bacon project are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration of Plan Assets – In addition to the Company administering the Plan, Great-West Trust Company, LLC, the custodian, holds investment assets and executes investment transactions. All expenses incurred in the administration of the Plan are paid by the Plan to the extent not paid by the Company.

Participant Contributions – Eligible participants may make elective deferral contributions to the Plan from a minimum of 1% to a maximum of 100% of pretax compensation, but in any event no more than the maximum allowable under the applicable provisions of the Internal Revenue Code. Such contributions are non-forfeitable and are credited to the individual account of the participant. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a common/collective trust fund as investment options for participants.

Company Contributions – The Company makes a Davis-Bacon contribution on behalf of each participant for each hour worked on a Davis-Bacon project during the Plan year. The Company also makes a “safe-harbor” profit-sharing contribution to the plan in the amount of three percent of compensation for the plan year. In addition, the Company may make matching contributions and may also contribute to the Plan from its earnings and profits.

1. Description of Plan, continued

Participant Accounts – Each participant’s account is credited with the participant and Company’s contributions, forfeitures, and earnings. All expenses incurred in the administration of the Plan shall be paid out of the investments unless paid by the Company.

Vesting – Participants are immediately vested in their voluntary, Davis-Bacon, safe-harbor, and matching contributions plus actual earnings thereon. Vesting in the Company’s discretionary profit-sharing contributions plus earnings is based on the vesting schedule.

Payment of Benefits – Upon termination of service, retirement at age 60, permanent disability, or death, a participant may elect to receive either a lump-sum distribution or transfer the account to another plan. However, if a participant’s vested interest in his or her account is \$5,000 or less, the participant’s vested interest may be distributed in a lump sum as soon as practicable after termination of employment. Benefit payments made upon termination are based on the value of the participant’s vested interest in his or her account.

Plan Termination – Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions set forth in ERISA. In the event of termination of the Plan, the rights of all employees to benefits accrued to the date of such termination are fully vested and non-forfeitable.

2. Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan’s gains and losses on investments bought and sold, as well as held during the year. See Note 4 for a discussion of fair value measurements.

2. Summary of Significant Accounting Policies, continued

Payment of Benefits – Benefits are recorded when paid.

Excess Participant Contributions Payable – Excess contributions that fail the plan discrimination testing are recorded as a liability in the accompanying Statements of Net Assets Available for Benefits and as a reduction of participant-directed contributions for the year. The plan distributes these excess contributions to its participants in the year subsequent to the excess contributions.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events – The Plan's management has considered subsequent events through the date of the independent auditors' report, which is the date the financial statements were available to be issued.

3. Information Certified by the Custodian

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator obtained certifications from the custodian of the Plan that all information provided by the custodian is complete and accurate. Information included in the accompanying financial statements as to investment assets, transactions and income, and all information in the supplemental schedule is presented solely in reliance upon those certifications.

4. Investments and Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

JAS. W. GLOVER HOLDING COMPANY, LTD.
PROFIT-SHARING AND 401(k) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

4. Investments and Fair Value Measurements, continued

Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – valued using the net asset value (NAV) which are generally obtained from a file feed from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary pricing source, such as Interactive Data Corporation.

Common/collective trust funds – valued at NAV which are provided by the administrator of the fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding.

4. Investments and Fair Value Measurements, continued

The following sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>As of December 31, 2022</u>				
Mutual funds	\$ <u>20,246,454</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>20,246,454</u>
Total investments in the fair value hierarchy	\$ <u>20,246,454</u>	\$ <u>-</u>	\$ <u>-</u>	20,246,454
Investments measured at NAV ^(a)				<u>4,057,860</u>
Total investments at fair value				\$ <u>24,304,314</u>
<u>As of December 31, 2021</u>				
Mutual funds	\$ <u>23,420,072</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>23,420,072</u>
Total investments in the fair value hierarchy	\$ <u>23,420,072</u>	\$ <u>-</u>	\$ <u>-</u>	23,420,072
Investments measured at NAV ^(a)				<u>4,258,900</u>
Total investments at fair value				\$ <u>27,678,972</u>

(a) Common/collective trust funds that were measured at net asset per share (or its equivalent) have not been classified in the fair value hierarchy. These investments have no redemption restrictions for participants in the Plan. Redemptions on the participant level are transacted at book value. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

5. Related Party Transactions and Party In Interest Transactions

Great-West Trust Company, LLC (Great-West) is the recordkeeper and custodian of the Plan. Therefore, transactions between Great-West and the Plan qualify as party-in-interest transactions. Total administrative expenses incurred by the Plan to Great-West amounted to approximately \$28,000 for the year ended December 31, 2022.

Notes to Financial Statements

6. Tax Status

The Company obtained its latest determination letter on January 10, 2011, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC).

The Plan has been amended since receiving the determination letter; however, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and operates in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the accompanying financial statements.
