## INDEPENDENT AUDITOR'S REPORT

October 9, 2023

To the Plan Administrator of the  
Hearth Management, LLC Retirement Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Hearth Management, LLC Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hearth Management, LLC Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Hearth Management, LLC Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hearth Management, LLC Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

## **INDEPENDENT AUDITOR'S REPORT**

### **Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hearth Management, LLC Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hearth Management, LLC Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

## INDEPENDENT AUDITOR'S REPORT

### Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Forfeitures**

Forfeitures of non-vested account balances may be used to reduce Company matching contributions or to pay administrative expenses of the Plan. Forfeitures including gains thereon, totaled \$14,628 and \$30,089 during 2022 and 2021, respectively. The balance of unallocated forfeited non-vested accounts totaled \$250 and \$3,285 at December 31, 2022 and 2021, respectively. Total forfeitures used to reduce Company matching contributions or pay administrative expenses totaled \$17,663 and \$27,319 during December 31, 2022 and 2021, respectively.

### **Benefit Payments**

Upon termination of service due to death, resignation, disability or retirement, the value of the participant's account may be paid in a single lump-sum check or rolled over to another qualifying investment plan.

### **Hardship Withdrawals**

Hardship withdrawals from the Plan are permitted under certain circumstances. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

### **Administrative Expenses**

Administrative expenses of the Plan are made from Plan assets, with the expenses being allocated amongst all accounts of participants in the Plan.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### **Basis of Accounting**

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

### **Excess Contributions Payable**

Amounts payable to participants totaling \$14,367 and 14,437 for the years ended December 31, 2022 and 2021, respectively, for contributions in excess of amounts allowed by the IRS are recorded as accounts payable. The Plan distributed the 2022 and 2021 excess contributions prior to March 15, 2023 and 2022, respectively.

### **Payment of Benefits**

Benefit payments are recorded when paid.

### **Investment Valuation and Income Recognition**

The Plan's investments in pooled separate accounts are stated at fair value using the net asset value practical expedient. The Plan's investment in the stable value fund is a fully benefit-responsive contract reported at contract value as reported by Transamerica. Purchases and sales of securities are recorded on the trade-date basis. The net appreciation (depreciation) in fair value of investments consists of both realized and unrealized gains and losses on the Plan's investments bought and sold as well as held during the year.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Investment Valuation and Income Recognition (Continued)

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

### Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from those estimates.

## 3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Transamerica, the custodian, and is included in the financial statements and accompanying supplemental schedule:

|                                                              | <u>2022</u>         | <u>2021</u>         |

| Investments, at contract value                               | \$ <u>632,482</u>   | \$ <u>722,124</u>   |
| Net appreciation (depreciation) in fair value of investments | \$ <u>(649,333)</u> | \$ <u>609,321</u>   |
| Schedule of Assets (Held at End of Year)                     | Schedule I          |                     |

## 4. FAIR VALUE MEASUREMENTS

The Plan measures its fair value investments using the net asset value practical expedient. As such, the fair value hierarchy disclosures are not required. There has been no change in methodology used at December 31, 2022 and 2021.

The following is a description of the valuation methodology used for assets measured at fair value.

*Pooled separate accounts:* valued using the net asset value per share practical expedient, which is based on the net asset value of the underlying investments held at year end, divided by the number of units outstanding. The unit price is quoted on a private market that is not active; however, the unit price is based on the underlying investments which are primarily based on observable inputs. These accounts do not have any unfunded commitments. The plan can redeem these investments daily. The ability to exchange units of the pooled separate accounts may be restricted in the event that a sponsor or participant engages in trading patterns which are detrimental to the pooled separate account or underlying investments. The investment strategies of these accounts is to invest in global and domestic equity and fixed income investments with the goal of producing favorable long-term returns primarily through appreciation of assets.

#### **4. FAIR VALUE MEASUREMENTS (Continued)**

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### **5. INVESTMENT CONTRACTS WITH INSURANCE COMPANIES**

The Plan holds a traditional fully benefit-responsive investment contract with Transamerica. The Transamerica Stable Value Core Account Option investment choice is backed by the general account of Transamerica. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The contract is included in the financial statements at contract value as reported to the Plan by Transamerica. Contract value represents contributions made, plus investment income, less funds used to pay retirement benefits and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include a full contract discontinuance, partial contract discontinuance, or certain transfers. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with the Plan participants or the issuer are probable of occurring.

#### **6. PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by Transamerica and held by Transamerica Retirement Solutions. Transamerica is the custodian of the Plan and Transamerica Retirement Solutions is the record-keeper of the Plan's assets as defined by the Plan and, therefore, transactions between Transamerica, Transamerica Retirement Solutions, and the Plan qualify as party-in-interest.

#### **7. PLAN TERMINATION**

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and the Plan. In the event the Plan terminates, participants will become fully vested in their accounts, regardless of length of service.

#### **8. TAX STATUS**

The Plan is designed from a prototype plan offered by RM&A. The Internal Revenue Service has determined and informed RM&A by letter dated June 30, 2020, that the written form of the underlying prototype plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan has not yet applied for its own determination letter. However, the Plan Administrator and the Plan's tax counsel believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.
