INDEPENDENT AUDITOR'S REPORT

To the Administrator and Participants of
Marlabs 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Marlabs 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MARLABS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

1. DESCRIPTION OF PLAN

The following description of Marlabs 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Marlabs, Inc. (the “Plan Sponsor”). The Plan became effective on May 1, 1999, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective December 27, 2021, the Plan Sponsor has changed its name to Marlabs LLC.

Eligibility Requirements

All employees, except certain non-resident aliens who have no earned income from sources within the United States, are eligible to participate in the Plan. Employees must be at least 21 years of age.

Contributions

The Plan provides that eligible employees may elect to make basic contributions through regular payroll deductions of an amount up to a maximum of 50% of their pretax total compensation subject to the maximum amount allowable under the Internal Revenue Code ("IRC"). Participants over age 50 are also eligible to make catch-up contributions. The Plan allows rollover contributions from a qualified retirement plan of a previous employer. Any rollover amount is non-forfeitable and credited to the participant's rollover contribution account. Employer contributions to the Plan are discretionary. There were no employer contributions for 2022. Contributions are subject to certain Internal Revenue Service ("IRS") limitations. Amounts paid to participants for contributions in excess of amounts allowed by the IRS are presented as a reduction to participant contributions in the statement of changes in net assets available for benefits.

Participant Accounts

Each participant account is credited with the participant's contributions, Plan Sponsor contributions, and an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN - CONTINUED

Vesting

Participants are vested immediately in their employee contributions plus actual earnings thereon. Vesting in employer contributions and earnings thereon is based on years of service and is determined as follows:

Years of Service	Vested %
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A participant's account also becomes fully vested in the event of death.

Investments

Upon enrollment in the Plan, a participant may direct employee and matching contributions in any of the investment funds made available by the Plan administrator. Participants may change their investment choices at any time.

Notes Receivable from Participants

Generally, participants may borrow from their fund accounts up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account. The interest rate charged is determined at the time the loan is made. Loans currently outstanding bear interest at rates ranging from 4.25% to 6.25%. Principal and interest are paid ratably through regular payroll deductions.

Payments of Benefits

Upon termination of service due to death, disability or retirement, lump-sum, installment or annuity benefit payments may generally be made to participants. The Plan also allows for hardship distributions, subject to certain plan provisions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Corrective Distributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as corrective distributions payable, with a corresponding reduction to contributions. Corrective distributions payable amounted to $105,239 as of December 31, 2022. The Plan distributed the excess contributions prior to March 7, 2023. Corrective distributions payable amounted to $287,767 as of December 31, 2021. The Plan distributed the excess contributions prior to February 17, 2022.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan Sponsor and are, therefore, excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation in fair value of investments. Administrative expenses of the Plan are allocated to participant accounts.

Subsequent Events

The Plan has evaluated subsequent events through October 5, 2023, which is the date the financial statements were available to be issued.

3. CERTIFIED INFORMATION (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company ("RTC"), the trustee of the Plan, has certified to the completeness and accuracy of all the investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The Plan Sponsor determines the Plan's valuation policies. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs will only be used if level 1 or level 2 inputs are not available. There are no Plan assets requiring the use of level 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS – CONTINUED

The Putnam Stable Value Fund (the "Fund"), a common collective trust, invests directly or indirectly in fully benefit-responsive investment contracts. The Fund is valued at the NAV as provided by the trustee, which is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the Fund, the issuer reserves the right to temporarily delay withdrawal from the Fund in order to ensure that securities liquidations will be carried out in an orderly business manner. The Fund's units are issued and redeemed daily at the constant NAV of $1 per unit. The Fund's investment objective is stability of principal and high current income. The Fund invests in high-quality guaranteed investment contracts and similar contracts issued by insurance companies, banks and other financial institutions. The Fund also invests up to 75% of its assets in security backed investment contracts, including separate account products of insurance companies. The Fund strives to maintain at least 5% of its assets in high-quality money market instruments, cash, cash equivalents and stable value funds with investment policies and other provisions similar to those of the Fund, and may invest without limit in these investments.

The brokerage fund options is a self-directed brokerage account. The underlying investments, which consist primarily of common stocks and interest-bearing cash accounts, are valued at the closing price reported on the open market.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Investments at Fair Value as of December 31, 2022

	Level 1	Total
Investments in the fair value hierarchy		
Mutual funds	$ 9,472,013	$ 9,472,013
Brokerage fund options	93,641	93,641
Investments valued at NAV[(a)]		
Common collective trust		669,488
Investments at Fair Value	$ 9,565,654	$ 10,235,142

Investments at Fair Value as of December 31, 2021

	Level 1	Total
Investments in the fair value hierarchy		
Mutual funds	$ 10,940,437	$ 10,940,437
Brokerage fund options	203,232	203,232
Investments valued at NAV[(a)]		
Common collective trust		855,374
Investments at Fair Value	$ 11,143,669	$ 11,999,043

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS – CONTINUED

[a] In accordance with FASB ASC 820, certain investments that are measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021:

	Fair Value as of December 31, 2022	Fair Value as of December 31, 2021	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common collective trust[b]	$ 669,488	$ 855,374	$ -	Daily	Daily

[b] The common collective trust fund is valued at its NAV per share as of December 31, 2022 and 2021 as provided by the investment manager. The investment strategy of the fund is to seek the preservation of capital and to provide a competitive level of income over time that is consistent with the preservation of capital.

Gains and losses (realized and unrealized) included in net decrease in net assets available for benefits for the year ended December 31, 2022 is reported in net depreciation in fair value of investments.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. TAX STATUS

Effective January 1, 2019, the Plan has adopted a Prototype Non-standardized Profit-Sharing Plan with CODA sponsored by ADP. On July 8, 2014, the IRS stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the IRC and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

7. PARTY IN INTEREST TRANSACTIONS

The Plan's trustee is RTC and the Plan's custodian and recordkeeper is ADP. Accordingly, these transactions qualify as party-in-interest transactions. Recordkeeper fees directly paid by the Plan to ADP for the year ended December 31, 2022 amounted to $39,303.

Certain employees of the Plan Sponsor, who may also be participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per financial statements to the Form 5500 as of December 31, 2022 and 2021, respectively:

	2022	2021
Net assets available for benefits per financial statements	$ 10,286,567	$ 11,880,878
Participant contributions receivable	(74,976)	(159,909)
Corrective distributions payable	105,239	287,767
Net assets available for benefits per Form 5500	$ 10,316,830	$ 12,008,736

The following is a reconciliation of the change in net assets available for benefits per financial statements to the Form 5500 for the year ended December 31, 2022:

Net decrease per financial statements	$ (1,594,311)
Change in participant contributions receivable	84,933
Change in corrective distributions payable	(182,528)
Net decrease per Form 5500	$ (1,691,906)

10. COVID-19 FINANCIAL STATEMENT IMPACTS

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 (COVID-19) as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market price of Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted. Accordingly, the extent to which COVID-19 may impact the Plan's assets, liabilities, net assets available for benefits, contributions, investment income, and benefits paid to participants is uncertain and the financial statements include no adjustments relating to the effects of this pandemic.

11. CARES AND SECURE ACT

In 2021, the Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts have been implemented. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.
