Grant Thornton LLP
1301 International Parkway
Suite 300
Fort Lauderdale, FL 33323

We are providing this letter in connection with your audits of the financial statements of Integrated Dermatology, LLC 401(k) Profit Sharing Plan and Trust (676655) and Integrated Dermatology Group, LLC 401(k) Plan (247444) (the "Plans"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 and the related notes to the financial statements.

We elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("ERISA Section 103(a)(3)(C) audit"). We acknowledge that your audits did not extend to any statements or information related to assets held for investment of the plans ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution") that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that our election for an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

We understand that your audits were made for the purpose of expressing an opinion as to whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with US GAAP and that the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We are also providing this letter in connection with the ERISA-required supplemental schedule as of and for the year ended December 31, 2022 for the purpose of the expression of your opinion as to whether the ERISA-required supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

We have fulfilled our responsibility, as set out in the terms of the Engagement Letter, for the preparation and fair presentation of the financial statements in accordance with US GAAP and for the preparation and presentation of the ERISA-required supplemental schedule in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud, including programs and controls to prevent and detect fraud.

We also acknowledge our responsibility for administering the Plans and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of the surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

measurement appropriate to achieve recognition, measurement, or disclosure for financial statement and disclosure purposes in accordance with the financial reporting framework. 27. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with US GAAP (*FASB Accounting Standards Codification*® (ASC) 820, *Fair Value Measurements and Disclosures*). In addition, in accordance with US GAAP, the Plans have categorized its financial instruments, based on the priority of inputs to the valuation technique, into a three-level fair value hierarchy. The fair value gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs that are used to measure the securities fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

28. There are no financial instruments with off-balance sheet risk or financial instruments with concentrations of credit risk.

29. The Plans and the trust established under the Plans are qualified under the appropriate section of the Internal Revenue Code and intend to continue as a qualified plan and trust. REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Trustees
Integrated Dermatology, LLC 401(k) Profit Sharing Plan and Trust

Scope and nature of the ERISA Section 103(a)(3)(C) audit
We have performed audits of the financial statements of Integrated Dermatology, LLC 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021,and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all

material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter – supplemental schedules required by ERISA
The supplemental schedule H, Line 4i – Schedule of Assets (Held at end of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is

Grant Thornton

derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule we evaluated whether the supplemental schedule other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Integrated Dermatology, LLC 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by Integrated Dermatology, LLC (the "Company" and "Plan Sponsor") in January 2010. Employees of the Company and other participating employers (which include the Company's parent and certain related entities under common ownership) are eligible to participate in the Plan provided they are at least 18 years of age and have at least three months of service with the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan's management determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan's trustee is Reliance Trust Company ("Trustee") and recordkeeper is Automatic Data Processing, Inc. ("ADP").

Contributions

Participants may contribute up to 90% of their pretax annual compensation, as defined in the Plan document, without exceeding limitations prescribed by the Internal Revenue Code (the "Code"). Effective December 1, 2017, the Plan was amended to also allow participants to make Roth 401(k) deferrals to the Plan, subject to the same limitations and eligibility provisions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans ("rollovers"). Additionally, participants age 50 or older who are making contributions to the Plan, can make catch-up contributions as defined in the Plan document and subject to certain limitations under the Code. Participants direct the investment of all contributions into various investment options offered by the Plan.

The Company may make discretionary non-elective contributions to the Plan on behalf of eligible participants. Discretionary non-elective contributions, if any, are allocated to each eligible participant in proportion to the participant's eligible compensation, as defined in the Plan document, as compared to the total eligible compensation of all participants sharing in the contribution. Discretionary non-elective contributions made by the Company are invested in accordance with each participant's investment elections and are subject to limitations prescribed by the Code. The Company did not make any discretionary non elective contributions to the Plan for the year ended December 31, 2022.

Investment Options

The Plan offers various mutual funds and common/collective trust funds as investment options for participants. Participants may change their investment options at their discretion.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of: (a) the Company's discretionary non-elective contributions, if any; and (b) plan earnings, and is charged with certain of the Plan's administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their own contributions plus actual earnings thereon. Participants also become fully vested in their account in the event of death, disability, or upon attaining the Plan's normal retirement age, as defined in the Plan document. Vesting in the Company's discretionary non-elective contributions, plus actual earnings thereon, is based upon years of service with the Company. Participants vest in Company contributions based upon the following schedule:

Years of Service	Vested Percentage
1 year	-%
2 years	20
3 years	40
4 years	60
5 years	80
6 years	100%

Forfeitures

Forfeitures of terminated non-vested account balances may be used to reduce the Company's contributions, if any, or to pay the Plan's administrative expenses. There were no forfeitures applied or used during 2022 and no unapplied forfeitures at December 31, 2022 and 2021.

Notes Receivable from Participants

Participants may borrow a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at the prime rate as published in the Wall Street Journal on the 14th day of each month, plus two percent. Principal and interest are paid ratably through payroll deductions. All notes have a definite repayment period not to exceed five years, unless used for the purchase of a primary residence in which case the repayment period may extend up to 30 years. Participants may not have more than three notes outstanding at any time. The interest rate charged on all participants' loans outstanding ranged from 5.25% to 9.5% as of December 31, 2022 and 2021.

Benefit Payments

Upon death, disability, or retirement, participants' accounts become 100% vested and participants or their beneficiaries may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account if the benefit payable does not exceed $5,000. If the benefit payable exceeds $5,000, the participant or their beneficiaries may elect to receive a single lump-sum payment, a partial withdrawal or an annuity. If a participant meets certain criteria, benefits may also be received as an in-service withdrawal.

Upon termination of service, benefits relating to employee contributions and vested employer contributions are distributed and subject to the applicable taxes and penalties or rolled over if the total investment amount is $5,000 or less. If the investment amount is greater than $5,000, a participant may elect to have the funds remain in the Plan, until age 72. Upon termination of service, an automatic lump-sum distribution will be made for vested amounts less than $1,000 and unless otherwise directed by the participant, automatic individual retirement account rollovers will be made for vested amounts between $1,000 and $5,000. If the investment amount is greater than $5,000, a distribution of the participant's account may not be made without the participant's consent, until age 72.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the Trustee. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net Appreciation in Fair Value of Investments

Net realized and unrealized appreciation of investments is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation in fair value of investments and includes gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make note repayments and the Plan administrator deems the note to be in default, the remaining note balance is reduced, and a benefit payment is recorded.

Risks and Uncertainties

The Plan provides for investment options in a variety of investment securities. Investment securities in general are exposed to various risks, such as interest rate, market volatility, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Benefit Payments

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. As of December 31, 2022, and 2021, excess contributions amounted to $35,354 and $0, respectively.

Administrative Expenses

The plan pays the account administrative service fee from income earned by the Plan. The Corporation pays the legal and accounting fees, and other expenses on the behalf of the Plan.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation in fair value of investments, dividend and interest income, and interest income on notes receivables from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by the Reliance Trust Company.

NOTE 4 - FAIR VALUE OF MEASUREMENTS

The Financial Accounting Standards Board ("FASB") issued Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds - Valued at the net asset value ("NAV") of shares held by the Plan at year end as traded in active markets. The mutual funds provide for daily redemptions by the Plan at reported NAVs with no advance notice requirement.

Common/collective trust funds - The plan holds an interest in collective investment trusts, valued at NAV of units held, which invest in guaranteed investment contracts, synthetic guaranteed investments contracts, and separate account investment contracts. The NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions or unfunded commitments. Redemption can occur daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 4,578,425	$ -	$ -	$ 4,578,425
Total investments in the fair value hierarchy	$ 4,578,425	$ -	$ -	
Investments measured at NAV				201,640
				$ 4,780,065

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,969,343	$ -	$ -	$ 3,969,343
Total investments in the fair value hierarchy	$ 3,969,343	$ -	$ -	
Investments measured at NAV				305,170
				$ 4,274,513

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in all Company contributions.

NOTE 6 - TAX STATUS

The IRS issued an opinion letter dated July 8, 2014, indicating that the prototype plan document adopted by the Plan, as then designed was in compliance with applicable requirements of the Code. Although the Plan has been amended from the original prototype plan document, Plan management believes that the

Plan was operated in accordance with the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of both December 31, 2022 and 2021, there were no uncertain positions taken or expected to be taken that required recognition of a liability (or asset) or disclosure in the financial statements. The Plan will recognize interest and penalties accrued on any unrecognized tax benefits as a component of income tax expense. As of December 31, 2021, and 2020, the Plan has not accrued interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to amounts reported in the Form 5500, as of December 31:

	2022	2021
Net assets available for benefits per the financial statements	$ 4,779,275	$ 4,312,884
Less: participants contributions receivable	(5,867)	(5,014)
Add: excess contributions payable	35,354	-
Net assets available for benefits per Form 5500	$ 4,808,762	$ 4,307,870

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to amounts reported in the Form 5500 for the year ended December 31, 2022:

Net increase in net assets available for benefits per the financial statements	$ 466,391
Less: participants contributions receivable at December 31, 2022	(5,867)
Add: participants contributions receivable at December 31, 2021	5,014
Add: excess contributions payable at December 31, 2022	35,354
Less: excess contributions payable at December 31, 2021	-
Net increase in net assets available for benefit per Form 5500	$ 500,892

NOTE 8 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Transactions with the Trustee qualify as party in interest. Additionally, transactions with ADP also qualify as party-in-interest. Aggregate fees paid by the Plan to these parties-in-interest during 2022 were not significant. Certain other investment-related fees incurred by the Plan are included in net appreciation in fair value of investments as they are paid through revenue sharing, rather than as a direct payment. All other Plan related fees are paid for by the Company. Notes receivable from participants, are also considered to be party-in-interest transactions because they are transacted with the Plan participants.

NOTE 9 - SUBSEQUENT EVENTS

The Plan evaluated its December 31, 2022 for subsequent events through October 3, 2023, the date the financial statements were available to be issued.
