INDEPENDENT AUDITORS' REPORT

To the Participants, Plan Administrator and Employees' Benefit Committee
Cincinnati Bell Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Cincinnati Bell Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be

independent of the Cincinnati Bell Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Cincinnati Bell Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of the Cincinnati Bell Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Cincinnati Bell Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the

supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) Plan Description and Accounting Policies

- a. **General:** The Cincinnati Bell Retirement Savings Plan (the “Plan”) is sponsored by Cincinnati Bell Inc. (together with its subsidiaries, the “Company” or “Cincinnati Bell”) and administered generally through the Company Employees’ Benefit Committee.

The Plan is, subject to certain exceptions, currently available to employees of the Company who are not hourly employees. Hourly employees are generally defined as employees either (i) who are represented by a collective bargaining unit (unless the applicable collective bargaining agreement requires their participation in the Plan) or (ii) whose position is an hourly-paid position that is or at any prior time had been otherwise subject to automatic wage progression or covered under the Cincinnati Bell Inc. Savings and Security Plan (an additional plan sponsored by the Company). However, an hourly employee hired on or after February 1, 2008 and in a position described in clause (ii) above, is generally eligible for the Plan.

In addition, certain other classes of employees (including but not limited to co-op students, interns, temporary employees and contingency employees) are ineligible to participate in the Plan.

These Notes to Financial Statements provide a brief description of certain provisions of the Plan, but do not constitute a document under which the Plan is operated. In the event of any conflict between these Notes to Financial Statements and the Plan documents, the Plan documents shall control. Participants must refer to the Plan documents and to the summary plan description for further details of the Plan.

The Plan is subject to the provisions of the Internal Revenue Code of 1986, as amended (the “Code”), and the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

In accordance with the Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 962 - *Plan Accounting - Defined Contribution Pension Plans*, the Statements of Net Assets Available for Benefits present the fair value of the Plan’s investments. In addition, the Statement of Changes in Net Assets Available for Benefits is presented on a fair value basis.

- b. **Information Prepared and Certified by Trustee:** The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company (“Fidelity”), the trustee, has certified to the completeness and accuracy of all investments and participant loans reflected on the accompanying statements of net assets available for benefits as of December 31, 2022, the supplemental schedule of assets (held as of December 31, 2022), and the related investment activity and interest on participant loans reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- c. **Master Trust:** The Company entered into a Master Trust Agreement with Fidelity and established the Cincinnati Bell Retirement Savings Master Trust (the “Master Trust”). The Plan is a participant in the Master Trust. Under the terms of the Master Trust Agreement, Fidelity serves as Trustee and custodian for the Master Trust.
- d. **Employee Contributions:** Upon commencement of employment by the Company, the Plan generally permits each participant to contribute each pay period any amount that is a whole percent up to a maximum of 75% of the participant’s plan compensation.

CINCINNATI BELL RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

A participant's contributions to the Plan can be made either on a before-tax basis or as Roth contributions. Roth contributions are made on an after-tax basis, but the earnings on such contributions can be paid later to the participant on a tax-free basis if certain conditions are met.

The Plan provides for newly eligible participants to be automatically enrolled into the Plan and contribute 3% of their plan compensation, which is invested in the Plan's default investment option, an age specific Vanguard Target Retirement Fund. Plan participants may elect to change their contribution and investment elections or discontinue participation in the Plan at any time.

The amount of a participant's combined before-tax and Roth contributions for any calendar year generally cannot exceed \$20,500, the legal limit in 2022. If the participant is age 50 or older by the end of the calendar year, the participant is also allowed to make additional combined before-tax and Roth contributions up to \$6,500, the maximum amount per the Code in 2022. The amount of a participant's contributions is subject to additional provisions under the Code, which could further limit the amount of a participant's contributions for any plan year. However, by reason of certain "safe harbor" conditions having been met, a Code provision restricting the average level of participant contributions made by highly compensated employees was automatically met by the Plan for the Plan's year ended December 31, 2022.

Participant contributions are allocated to the participant's account under the Plan ("Plan account"). A participant is always fully vested in the part of the Plan account attributable to employee contributions.

Except as noted above with respect to Roth contributions, a participant is generally not subject to federal income tax on the amount of employee contributions to the Plan or on the earnings on those contributions until the amounts are distributed from the Plan to the participant.

- e. **Employer Contributions:** Under the current terms of the Plan (which applied to all pay periods occurring in the Plan's plan year ended December 31, 2022) the Company made matching contributions for each participant in an amount equal to the sum of: (i) 100% of the portion of the participant's contributions to the Plan for such pay period that were not in excess of 3% of his or her plan compensation for such pay period, and (ii) 50% of the portion of his or her contributions to the Plan for such pay period that were in excess of 3% but not in excess of 5% of the participant's plan compensation for such pay period. The amount of matching contributions made for a participant is subject to additional provisions under the Code, which could limit the amount of the matching contributions made for a participant for any plan year. However, by reason of certain "safe harbor" conditions having been met, a Code provision restricting the average level of matching contributions made for highly compensated employees was automatically met by the Plan for the Plan's year ended December 31, 2022.

Matching contributions are generally made on a bi-weekly basis under the current practice of the Company and must be made by the end of the first full month that ends after the participants' related contributions are made.

The Company's matching contributions for a participant are allocated to the participant's Plan account. In general, a participant is fully vested in the part of the Plan account attributable to the Company's matching contributions.

A participant is generally not subject to federal income tax on the amount of the matching contributions or on the earnings on these contributions until the amounts are distributed from the Plan to the participant.

- f. **Rollovers:** A participant may elect to rollover to the Plan an otherwise taxable distribution from another employer's tax-qualified savings, profit sharing, or other employer plan, if the distribution meets certain conditions set forth in the Plan and the Code.

CINCINNATI BELL RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

Any rollover contributions are allocated to the participant's Plan account. A participant is always fully vested in the part of the Plan account attributable to rollover contributions.

A participant is generally not subject to federal income tax on the rollover contributions or on the earnings on the rollover contributions until the amounts are distributed from the Plan to the participant.

- g. **Employee-Directed Investments:** A participant can specify the manner in which contributions made by or for the participant to the Plan shall be invested in the available funds under the Plan and may elect to change the funds to which future contributions are allocated and transfer amounts held in the participant's Plan account from one fund to another.
- h. **Distributions to Participants:** A participant may receive a distribution of all or a portion of the Plan account while employed by the Company, only in certain circumstances.

In general, a participant, while still employed by the Company, may withdraw, for any reason, the part of the Plan account attributable to: regular (non-Roth) after-tax contributions (prior to December 20, 2004, the Plan accepted regular (non-Roth) after-tax contributions); rollover contributions; and the Company's matching contributions made for plan years that ended before December 31, 2000.

Further, a participant, while still employed by the Company, can withdraw amounts that are attributable to before-tax or Roth contributions if the withdrawal is required by reason of the participant's hardship situation, which meets the rules set forth in the Plan concerning hardship withdrawals, or if the participant has reached at least age 59 1/2. In addition, a participant who has reached 59 1/2 can withdraw his or her entire Plan account and certain in-service withdrawals are available to participants on active military duty.

Other than for the withdrawals described above, the distribution of a participant's Plan account will generally occur only after the participant's employment with the Company has terminated for any reason, including retirement, discharge, termination, disability, or death.

If the value of the participant's Plan account is \$1,000 or less, the participant's account can be distributed, within a reasonable administrative period, in a lump sum and without the consent of the participant after the participant's employment with the Company ends for any reason.

- i. **Participant Loans:** Loans are available from the Plan to participants under the current provisions and policies of the Plan. Loans are subject to several conditions, certain of which are described below.

A participant cannot have more than two outstanding loans from the Plan at any time. The minimum amount of any loan to a participant is \$1,000, while the maximum amount cannot exceed the lesser of (i) 50% of the vested balance of the participant's Plan account or (ii) \$50,000 reduced by the highest outstanding balance of loans made to the participant from the Plan and other plans of the Company during the one year period preceding the new loan date.

The Company's Employees' Benefit Committee determines the interest rate charged by the Plan on a loan made to a participant. In general, the interest rate is based on the prime rate plus 1.0% at the time the loan is made. As of December 31, 2022, interest rates on loans made under the Plan ranged between 3.3% and 7.3% per annum. For the Plan year ended December 31, 2022, a participant also paid to Fidelity a \$35 origination fee for processing a new Plan loan and a \$15 annual maintenance fee for the life of the loan.

CINCINNATI BELL RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

In general, any loan to a participant must be repaid through payroll deductions and be collateralized by up to 50% of the participant's Plan account. The minimum term of any loan to a participant is 6 months, and the maximum term of a loan is generally 60 months. A participant may extend the term of the loan to a maximum of 30 years, if the loan is acquired to provide the participant with funds to purchase a primary residence.

- j. **Investment Income Recognition:** Purchases and sales of securities are reflected as of the trade date. Dividend income is recorded on the ex-dividend date. Income from other investments is recorded on an accrual basis.
- Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.
- k. **Administrative Expenses:** Administrative expenses that are not clearly related to a specific investment fund may be paid by the Company. However, the Plan permits certain of these expenses to be paid from Plan assets.
- l. **Forfeitures:** Any amounts forfeited by participants under the Plan (for instance, because such participants cannot be located) are applied to reduce subsequent contributions of the Company to the Plan. During 2022, \$51,793 of forfeited funds were used to reduce employer contributions. At December 31, 2022 and 2021, unapplied forfeited amounts totaled \$3,219 and \$28,940, respectively.
- m. **Transfer to/from Other Plans:** If a Plan participant becomes a participant of the Cincinnati Bell Inc. Savings and Security Plan, another defined contribution plan sponsored by the Company, or if a participant of the Cincinnati Bell Inc. Savings and Security Plan becomes a participant of the Plan, the Plan account balance is generally transferred to and assumed by the recipient plan. In addition, in certain cases when a participant of the Hawaiian Telecom 401(k) Plan for Hourly Employees becomes a participant of the Plan, the participant's account balance is transferred to and assumed by the Plan. These transfers are included in "Transfers from other Company-sponsored plans, net" on the Statement of Changes in Net Assets Available for Benefits.
- n. **Uncertain Tax Positions:** U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service ("IRS"). There are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is not currently under audit by any taxing jurisdictions.
- o. **Use of Estimates:** The preparation of financial statements in conformity with U.S. GAAP requires management of the Plan to make estimates and assumptions that affect the reported amounts of Net Assets Available for Benefits and the reported Changes in Net Assets Available for Benefits during the reporting period. Actual results could differ from these estimates.
- p. **Subsequent Events:** The Plan has evaluated subsequent events through July 7, 2023, the date the financial statements were available to be issued.

(2) Fair Value Measurements

The Plan's investments in the Master Trust are stated at fair value. Mutual funds are valued using the quoted market prices of the shares of each applicable mutual fund. Common collective trust funds are based on the net asset value ("NAV") of units of a collective trust as published by the trustee.

Certain events limit the ability of the Plan to transact with the participants at fair value of the Fidelity Managed Income Portfolio II Fund, a common collective trust. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on

CINCINNATI BELL RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (e.g., divestitures or spin-offs of a subsidiary) which cause a significant withdrawal from the Plan, or (d) the failure of the Plan to qualify for exemption from federal income taxes or any other prohibited transaction exception under ERISA. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact with the participants, is probable.

ASC 820 established a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

Level 1 - Quoted market prices for identical instruments in an active market;

Level 2 - Quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability (i.e., interest rates, yield curves, etc.), and inputs that are derived principally from or corroborated by observable market data by correlation or other means (market corroborated inputs); and

Level 3 - Unobservable inputs that reflect management's determination of assumptions that market participants would use in pricing the asset or liability. These inputs are developed based on the best information available, including our own data.

There were no significant transfers between the fair value hierarchy levels in the year ended December 31, 2022. At December 31, 2022 and 2021, the fair value and placement in the fair value hierarchy of the underlying assets of the Master Trust that are required to be measured at fair value on a recurring basis are as follows:

	Assets at Fair Value as of December 31, 2022			
<u>(dollars in thousands)</u>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 603,997	\$ —	\$ —	\$ 603,997

(3) Interest in Master Trust

At December 31, 2022 and 2021, the Plan's assets were held by the Master Trust. The Master Trust holds only the assets of the Plan and the Cincinnati Bell Inc. Savings and Security Plan.

The purpose of the Master Trust is the collective investment of assets of the Plan and the Cincinnati Bell Inc. Savings and Security Plan (collectively the "Savings Plans"). Master Trust assets are allocated to the Savings Plans by assigning to each plan those transactions (primarily contributions and benefit payments) which can be specifically identified to that Savings Plan. When applicable, net investment income, gains and losses, and expenses resulting from the collective investment of the assets are allocated to the Savings Plans in proportion to the fair value of the assets allocated to the Savings Plans.

The following table presents the fair value of the total net assets held by the Master Trust and the Plan's divided interest in the Master Trust at December 31, 2022 and 2021:

	December 31, 2022		December 31, 2021	
	Master Trust Balances	Plan's Interest in Master Trust Balances	Master Trust Balances	Plan's Interest in Master Trust Balances
(dollars in thousands)				
Mutual funds	\$ 603,997	\$ 522,578	\$ 751,208	\$ 642,753
Common collective trust funds	39,684	35,228	38,253	33,282
Total investments at fair value	<u>\$ 643,681</u>	<u>\$ 557,806</u>	<u>\$ 789,461</u>	<u>\$ 676,035</u>

During the plan year ended December 31, 2022, realized and unrealized losses and interest and dividends on investments held by the Master Trust and the Plan were as follows:

	Loss on Investments		Interest and Dividends
	Realized	Unrealized	
(dollars in thousands)			
Investments held by the Master Trust	\$ (28,315)	\$ (135,064)	\$ 18,213
Plan's interest in investments held by the Master Trust	\$ (23,730)	\$ (116,098)	\$ 15,833

(4) Amendment or Termination of the Plan

While the Company has not expressed any intent to terminate the Plan, it reserves the right to amend or terminate the Plan at any time.

(5) Tax Status

The Company has obtained favorable determination that the Plan meets the requirements of Section 401(a) of the Code and is exempt from federal income taxes under Section 501(a) of the Code. Although the Plan has been amended since receiving favorable determination, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

CINCINNATI BELL RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

(6) Related Party Transactions

The Plan invests in the Master Trust, and the Master Trust's investments include shares of mutual funds managed by Fidelity and included shares of Cincinnati Bell Inc. common stock until September 7, 2021. Cincinnati Bell is the sponsor of the Plan, and Fidelity is the Plan's trustee. Therefore, these investments qualify as party-in-interest transactions. Fees paid by the Plan to these parties-in-interest totaled \$339,430 for the plan year ended December 31, 2022.

Effective September 7, 2021, the Plan was amended to eliminate the Company Stock Fund as an investment option under the Plan upon the September 7, 2021 conversion of all shares of common stock of Cincinnati Bell Inc. to cash pursuant to the acquisition and merger of the Company.

(7) Concentrations, Risks, and Uncertainties

The Plan provides for various investment options in money market funds, mutual funds, and commingled funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and those changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

(8) COVID-19

On March 27, 2020, the U.S. Congress passed the Coronavirus Aid, Relief, and Economics Security ("CARES") Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to distributions and participant loans during the novel coronavirus ("COVID-19") outbreak in 2020. The provisions of the CARES Act could be effective and operationalized immediately, prior to amending the plan documents.

Effective April 5, 2020, the Plan administrator adopted the distribution relief provisions included in the CARES Act which permitted qualified individuals to request a pre-approved distribution before December 31, 2020, through participant self-certification of eligibility. The maximum dollar amount that could be requested per participant was \$100,000. The Company intends to formally amend the Plan before the end of the applicable remedial amendment period to reflect such provisions.
