## **Independent Auditor's Report**

To the Retirement Plan Committee of the  
**Republic Diesel, Inc. 401(k) Plan**  
Louisville, Kentucky

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the **Republic Diesel, Inc. 401(k) Plan** (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) [“ERISA Section 103(a)(3)(C) audit”]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL’s”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor’s Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

**REPUBLIC DIESEL, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**(1) DESCRIPTION OF PLAN**

The following description of the **Republic Diesel, Inc. 401(k) Plan** (“Plan”) provides only general information. Participants should refer to the Plan Document and Summary Plan Description for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan established by Republic Diesel, Inc. (“Company”) effective as of April 1, 2002, covering substantially all employees of the Company who have completed three months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

**Contributions**

Participants may make pre-tax and after-tax Roth elective salary deferrals up to 100% of eligible compensation, as defined in the plan document, subject to limitations imposed by Internal Revenue Code (“IRC”) regulations. Eligible participants are also permitted to make special catch-up contributions in accordance with IRC regulations, and rollover contributions representing distributions from other qualified defined benefit plans, defined contribution plans or individual retirement accounts.

Company discretionary salary deferral matching contributions are made annually equal to 50% of each participant’s deferrals, limited to 2.5% of eligible compensation. Company contributions may also include discretionary nonelective contributions as determined annually by the Company. The Company made no discretionary nonelective contributions during 2022 or 2021. To be eligible to receive Company discretionary salary deferral matching contributions or nonelective contributions, participants must be employed on the last day of the plan year and must be credited with at least 1,000 hours of service for the plan year unless the participant dies during the plan year, terminates employment due to becoming disabled or terminates employment after attaining age 65.

Effective for employees who become eligible participants on or after January 1, 2019, the Plan automatically withholds 3% of the employee’s pay on a pre-tax basis. Employees are permitted to opt out of the Plan’s automatic enrollment provisions by providing written notice to the plan administrator. Participants may also withdraw automatic enrollment salary deferral contributions, and earnings thereon, without penalty, within 90 days after the date the first automatic deferral is made.

Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds through a pooled separate account as investment options for participants. Participants may change their investment elections at any time.

**NOTES TO FINANCIAL STATEMENTS – CONTINUED**  
**DECEMBER 31, 2022 AND 2021**

(1 – continued)

**Participant Accounts**

Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of plan earnings, and charged with an allocation of plan losses and administrative expenses. Allocations are based on participant compensation, account balances or specific transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately 100% vested in their salary deferral and rollover contributions, plus actual earnings thereon. Vesting in the employer contributions is based on years of continuous service as defined in the plan document. Participants are 100% vested in their employer contributions after six years of credited service.

**Payment of Benefits**

On termination of service due to death, disability, retirement or other reasons, participants may elect to receive either a lump sum amount equal to the value of their vested account balance or any form of payments agreed upon by the plan administrator and the participant. The Plan also provides for in-service distributions for participants that have attained age 59½ or in the event of financial hardship. Separated participants with vested account balances exceeding \$5,000 may elect to defer benefits until reaching normal retirement age.

**Forfeited Accounts**

Participants forfeit employer contribution accounts when terminating service prior to vesting in their employer contributions. These accounts will be used to reduce future employer contributions or pay Plan expenses. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$59,186 and \$52,260, respectively. No forfeited nonvested accounts were used to reduce employer contributions or pay Plan expenses for 2022 or 2021.

**Excess Contributions Payable to Participant**

The Plan is subject to certain contribution limits for highly-compensated participants as defined by the IRC. At December 31, 2022 and 2021, amounts payable to participants totaled \$16,766 and \$16,620, respectively, for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS"). These excess contributions are recorded as a liability in the statements of net assets available for benefits, with a corresponding reduction to employee contributions for the years ended December 31, 2022 and 2021.

**NOTES TO FINANCIAL STATEMENTS – CONTINUED**  
**DECEMBER 31, 2022 AND 2021**

**(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

**Use of Estimates**

The preparation of financial statements in conformity with U.S GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

**Investment Valuation and Income Recognition**

The Plan’s investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Capital gain distributions from mutual funds held in the pooled separate account are included in dividend income. Net appreciation (depreciation) in fair value of investments includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for mutual fund investments held in the pooled separate account are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for these investments.

**Administrative Expenses**

Some administrative expenses are paid by the Company and some are paid by the Plan. Those that were paid by the Plan are reflected in the accompanying financial statements. Employees of the Company perform certain administrative functions for the Plan. Neither the Company nor its employees receive compensation from the Plan.

**Payment of Benefits**

Benefits are recorded when paid. At December 31, 2022 and 2021, there were no allocated amounts to participants who had elected to withdraw from the Plan, but had not yet been paid.

**Subsequent Events**

Management has evaluated whether any subsequent events that require recognition or disclosure in the accompanying financial statements and related notes thereto have taken place through October 4, 2023, the date these financial statements were available to be issued.

**REPUBLIC DIESEL, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS – CONTINUED**  
**DECEMBER 31, 2022 AND 2021**

**(3) FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observed for the asset; or inputs that are derived principally from or can be corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs are used only if Level 1 or Level 2 inputs are not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

The following table presents the balances of the Plan's investments within the fair value hierarchy measured at fair value as of December 31, 2022 and 2021:

|                           | Level 1      | Level 2 | Level 3 | Total        |
|---------------------------|--------------|---------|---------|--------------|
| <b>December 31, 2022:</b> |              |         |         |              |
| Pooled separate account   | \$ 5,400,638 | \$ -    | \$ -    | \$ 5,400,638 |

| Pooled separate account   | \$ 7,215,506 | \$ -    | \$ -    | \$ 7,215,506 |

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation techniques and related inputs used for assets measured at fair value during the years ended December 31, 2022 and 2021.

**REPUBLIC DIESEL, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS – CONTINUED**  
**DECEMBER 31, 2022 AND 2021**

(3 – continued)

**Pooled Separate Account**

Units in the pooled separate account are valued at the fair value of the assets underlying the trust. The underlying assets in the Plan's pooled separate account investment consisted principally of mutual funds at December 31, 2022 and 2021. The fair value of mutual funds is based on the quoted net asset value ("NAV") of the shares as reported by the fund. The mutual funds held by the Plan through the pooled separate account are open-end mutual funds registered with the United States Securities and Exchange Commission and are considered to be actively traded. The funds must publish their daily NAV and transact at that price.

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021, are reported in net appreciation (depreciation) in fair value of investments.

**(4) RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

The Plan's investments include funds held in a pooled separate account managed by Empower Trust Company, LLC (formerly known as Great-West Trust Company, LLC) ("Empower"). Empower is the trustee and custodian of the Plan's assets. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. Administrative fees paid by the Plan to Empower or one of its affiliates were \$895 and \$990 for the years ended December 31, 2022 and 2021, respectively.

**(5) PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

**(6) TAX STATUS**

The Plan is based on a pre-approved plan which has received a favorable opinion letter from the IRS dated June 30, 2020, that the pre-approved plan is designed in accordance with applicable sections of the IRC. The plan sponsor has not separately applied for a determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**NOTES TO FINANCIAL STATEMENTS – CONTINUED**  
**DECEMBER 31, 2022 AND 2021**

**(7) RISKS AND UNCERTAINTIES**

The Plan invests in mutual funds through a pooled separate account that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with the investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**(8) INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Management has obtained certifications from Empower as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information is complete and accurate. The following is a summary of the information included in the Plan's financial statements and supplemental schedule that was obtained from data prepared and certified to as complete and accurate by the trustee.
