INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Wireline Group 401(k) Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Wireline Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Wireline Group 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Wireline Group 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wireline Group 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wireline Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wireline Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WIRELINE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

NOTE 1 - Description of the Plan

The following summary description of Wireline Group 401(k) Plan is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

General - All employees of The Wireline Group, Inc. (the Company), as defined in the Plan Agreement, meeting the service requirements, are eligible to become participants in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility - All employees, except for union employees and certain nonresident aliens, are eligible to participate in the Plan on the date of hire. A participant's entry date in the Plan will be the first day of the plan year quarter coinciding with or next following date eligibility requirements are met.

Contributions - Participants may elect to contribute up to 90% of their eligible compensation to the 401(k) Plan. They may choose to do this as either a pre-tax deferral, a Roth deferral, or a combination of both. Participant's contributions are subject to annual maximums in accordance with the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Plan provides for a discretionary employer matching contribution. Each year, the Company will determine the amount of the discretionary percentage. During 2022, the Company made a matching contribution equal to 100% of a participant's salary deferrals, up to 3% of eligible compensation. The Plan also provides for a discretionary employer profit sharing contribution. There were no discretionary profit sharing contributions for the year ended December 31, 2022.

Participant Accounts - Each participant's account is credited with the participant's contribution, the employer's matching contribution, the employer's profit sharing contribution, if applicable, rollovers and Plan earnings. Allocations are based upon provisions as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options - Upon enrollment in the Plan, a participant may direct employee and employer contributions in one percent increments in any of the 37 investment options. The options consist of professionally managed mutual funds and a stable value fund, which vary in their respective strategies, risks and goals.

WIRELINE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2022 and 2021

NOTE 1 - Description of the Plan (Continued)

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. The Company's matching and discretionary profit sharing contribution is based on years of service. A participant is 100% vested after 5 years of credited services.

<u>Years of Service</u>	<u>Percentage</u>
Less than 1 year	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Notes Receivable from Participants - Participants may request a loan from the Plan of up to 50% of their vested balance or \$50,000, whichever is lower. The loan term is limited to five years unless it is for the purchase of a principal residence. The loan is secured by the participant's account and bears interest at 2% above prime rate as determined by the plan administrator. Principal and interest are paid through payroll deductions.

Participants' Withdrawals - Upon a participant's retirement date or upon a participant's death or total and permanent disability, all amounts credited to his or her account shall become fully vested. The participant is allowed to withdraw funds from the Plan upon attainment of age 59½. Distributions are payable in the form of a lump-sum equal to the vested balance of the participant's account. Upon termination, the non-vested portion of a participant's account shall be forfeited.

Distribution of the vested portion of a participant's account shall be made upon termination of employment. If the vested portion of the account is less than \$5,000, the Administrator has the option of a distribution without the participant's consent. If the vested portion of the participant's account exceeds \$5,000, a distribution before normal retirement age can only be made with the participant's consent. The non-vested portion of a participant's account shall be forfeited and used to reduce future Company matching contributions.

Participants may request that all or a portion of their account be distributed in the case of severe hardship, as defined in the Plan document. The Company must approve any such hardship withdrawals.

WIRELINE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2022 and 2021

NOTE 1 - Description of the Plan (Continued)

Forfeited Accounts - At December 31, 2022 and 2021, the value of forfeited non-vested accounts totaled \$19,881 and \$96,555, respectively. The forfeitures of non-vested Company matching contributions from terminated participant accounts can be used to reduce the Company's matching contributions or pay plan expenses. Forfeitures were used to reduce fees in the amount of \$11,725 and to reduce employer contributions in the amount of \$89,605 for the year ended December 31, 2022.

SECURE Act and CARES Act - The Plan has implemented certain provisions of the SECURE Act, which was effective January 1, 2020, and the CARES Act, which was signed into law in March 2020. The Plan has until December 31, 2025 to adopt amendments to reflect these provisions.

NOTE 2 - Significant Accounting Policies

Basis of Accounting - The financial statements were prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at current fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded when received. Unrealized appreciation (depreciation) of investments is the change between market value of investments at the beginning of the year and market value of investments at the end of the year.

Notes Receivable from Participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Participant loans in default are reclassified as distributions based upon the terms of the Plan document. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

WIRELINE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2022 and 2021

NOTE 2 - Significant Accounting Policies (Continued)

Administrative Expenses – The plan's administrative expenses are paid in part by earnings of the Plan. Additional administrative expenses are paid by the sponsor of the Plan. Administrative expenses of \$59,375 were paid by the Plan for the year ended December 31, 2022.

Subsequent Events - Management has evaluated events and transactions through October 3, 2023 the date the financial statements were available to be issued.

NOTE 3 - Fair Value Measurements

The following table sets forth by level within the fair value hierarchy the Plan's assets at fair value as of December 31, 2022 and 2021:

	December 31, 2022	
	Level 1	Total
Mutual Funds	<u>\$ 7,943,920</u>	<u>\$ 7,943,920</u>

	December 31, 2021	
	Level 1	Total
Mutual Funds	<u>\$ 9,310,830</u>	<u>\$ 9,310,830</u>

The Plan's investments are reported at fair value in the statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels which are described below. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

WIRELINE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2022 and 2021

NOTE 3 - **Fair Value Measurements (Continued)**

Level 1 Fair Value Measurements

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end. The fair values of common stock, corporate bonds, and U.S. Government securities are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements

Level 2 inputs consist of quoted prices for similar assets in active and inactive markets and other observable corroborated market data. Level 2 inputs are only used when Level 1 inputs are not available. This includes, but not limited to, quoted prices for similar assets or liabilities in markets that are not active. The Plan has no level 2 assets.

Level 3 Fair Value Measurements

Level 3 inputs have the lowest priority. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. The Plan has no level 3 assets.

NOTE 4 - **Net Change in Fair Value of Investments**

The net change in fair value by type of investments is as follows:

Mutual Funds	\$ (1,840,236)
Unallocated Insurance Contract	434
Total	<u>\$ (1,839,802)</u>

NOTE 5 - **Information Certified by Trustee**

The financial statements, accompanying notes and supplemental schedule were prepared in part from information certified by Reliance Trust Company, the trustee of the Plan, as of and for the year ended December 31, 2022, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The information certified includes: cash, investments, notes receivable from participants, investment income, and participant loan interest.

WIRELINE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2022 and 2021

NOTE 6 - Related Party and Party-in-Interest Transactions

Reliance Trust Company is the trustee of the Plan. Transamerica provides recordkeeping services to the plan. Therefore, they are considered as parties-in-interest. The Company participates in the Plan and is considered a party-in-interest. The administrative expenses paid by the Plan include plan administration and investment advisory services, and the service providers are considered parties-in-interest.

NOTE 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, all amounts credited to the affected participants' accounts shall become 100% vested. In the event of plan termination, the administrator shall direct the plan trustee to distribute to the participants all assets of the Plan, net of any expenses properly chargeable to the Plan, which will be prorated among the participants' accounts.

NOTE 8 - Tax Status

The Internal Revenue Service issued an opinion letter dated June 30, 2020 indicating that the non-standardized profit-sharing plan adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. Although the Plan has been amended from the original prototype document, Plan management believes that the Plan is currently being operated in accordance with the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The plan administrator has concluded that as of December 31, 2022 there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. There are currently no audits in progress for any tax periods. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

WIRELINE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2022 and 2021

NOTE 9- Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 10- Reclassifications

Certain reclassifications have been made to the December 31, 2021 statement of net assets available for benefits presentation to correspond to the current year's format. Total Net Assets Available for Benefits is unchanged due to these reclassifications.
