Independent Auditor's Report

To the Trustee of the
Essick Air Products, Inc. 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Essick Air Products, Inc. 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 and 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of assets as of the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures,

including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ESSICK AIR PRODUCTS, INC.
401(k) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Note 1 - Description of Plan

A general description of the Essick Air Products, Inc. 401(k) Profit Sharing Plan & Trust (the Plan) is provided in the following paragraphs. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

The following entities are herein referred to as the "Participating Companies": Essick Air Products, Inc. and other companies under common control.

General - The Plan is a defined contribution plan covering substantially all employees, except as noted in the plan documents, of the Participating Companies who are age eighteen or older. Employees are eligible to participate regarding employee 401(k) and employer safe harbor matching contributions on their hire date. The Plan also contains a profit-sharing feature which allows the Participating Companies to make discretionary contributions to the Plan. Employees are eligible to participate in the profit-sharing feature if they are employed on the last day of the Plan year or have completed 500 hours of service, as defined in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Participants may contribute through payroll deductions and eligible rollover contributions. Subject to certain limitations under the Internal Revenue Code, participants may contribute up to 100% of eligible compensation, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Participating Companies make safe harbor matching contributions equal to 100 percent of the first three percent and 50 percent of the next two percent of a participant's compensation that a participant contributes to the Plan. Additional profit-sharing amounts may be contributed at the option of the Board of Directors of each Participating Company.

Participant Accounts - Each participant's account is credited with the participant's contributions and allocations of the appropriate Participating Company's contributions and Plan earnings, and charged with the participant's withdrawals, Plan losses, and an allocation of administrative expenses. Allocations are based on participant contributions, account balances, or compensation, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their salary deferral contributions, rollover contributions, and safe harbor matching contributions made by Participating Companies', plus actual earnings thereon. Vesting in any Participating Companies' discretionary profit-sharing contributions, and any earnings thereon is based on years of credited service. Under the Plan's graded vesting schedule, a participant is 100 percent vested after six years of credited service, or upon the occurrence of certain events as defined in the Plan document.

Investment Options - Plan investments are participant directed. Upon enrollment in the Plan, a participant may direct contributions to several investment fund options. Participants may change or transfer their investment options at any time via telephone or a secure internet website.

Payment of Benefits - Following termination of service due to death, disability, or retirement, or other reasons, a participant will be eligible to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum payment or a direct transfer. The payment is available to the participant as soon as administratively feasible under the terms of the Plan. If a terminated participant's account balance is equal to or less than \$5,000, the account can be automatically distributed in a lump sum payment. In-service withdrawals from specified accounts may be permitted upon attainment of age 59½.

Forfeited Accounts - Forfeitures can be added to the employer safe harbor matching or profit-sharing contributions, used to restore forfeitures, or to pay reasonable Plan expenses. During the years ended December 31, 2022 and 2021, forfeitures in the amounts of \$110 and \$914, respectively, were used to pay Plan expenses. There were \$448 and \$110 forfeited non-vested accounts available for future use as of December 31, 2022 and 2021, respectively.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Note 1 - Description of Plan (Continued)

Administrative Expenses - The Plan is responsible for paying all Plan expenses unless the Participating Companies determine to pay them. Administrative expenses consist primarily of fees charged by third-party service providers.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting generally accepted in the United States.

Investment Valuation and Income Recognition - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes gains and losses on investments bought and sold, as well as held during the year.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

Note 3 - Tax Status

The Plan and trust established under the Plan to hold the Plan's assets obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. The plan administrator believes that the Plan and trust are designed and being operated in compliance with the applicable requirements of the IRC. Accounting principles generally accepted in the United States require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the IRS for plan years subsequent to 2019. However, there are currently no audits in process for any open tax period.

Note 4 - Plan Termination

Although they have not expressed any intent to do so, the Participating Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Note 5 - Risks and Uncertainties

The Plan invests in money market mutual funds and bank common trust funds. Such investments, in general, are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in value will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 6 - Information Prepared and Certified by the Investment Custodians

The following information included in the accompanying financial statements and the supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the investment custodians.

	<u>2022</u>	<u>2021</u>
Investments, at fair value:		
Mutual funds	\$ 9,022,429	\$ 10,240,391
Fixed annuities	448	110
Interest and dividends	471,341	560,480
Net appreciation (depreciation) in fair value of investments	(2,093,222)	733,729

Note 7 - Fair Value Measurement

The Plan utilizes an accounting standard for fair value measurement, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements.

The standard defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The standard also establishes a fair value hierarchy that requires the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

- Level 1 Inputs - Quoted prices in active markets for individual assets or liabilities.
- Level 2 Inputs - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets; quoted prices for similar assets or liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 Inputs - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The inputs used for valuing assets are not an indication of the risk associated with investing in those assets. The Plan has no assets that use level 3 inputs to measure fair value.

Financial assets and liabilities measured at fair value on a recurring basis include the following:

Mutual Funds - Valued at the closing price reported on the active market on which the individual securities are traded.

Fixed Annuities - Values are reported daily and based on the method disclosed in the annuity contract, as calculated by the annuity provider.

Total assets at fair value	<u>\$ 10,240,501</u>	<u>\$ 10,240,391</u>	<u>\$ 110</u>

Note 8 - Party-in-Interest Transactions

Arvest Bank, investment advisor of the Plan and former investment custodian, is owned by Arvest Bank Group, Inc., whose majority owners include owners of Essick Air Products, Inc. Therefore, administration and investment expenses paid to the investment advisor qualify as party-in-interest transactions. Investment expenses paid by the Plan to Arvest Bank were \$23,037 in 2022 and \$24,040 in 2021. Administration expenses paid to Great-West Trust Company were \$0 in 2022 and \$23,834 in 2021. Administration expenses paid to Empower Annuity Insurance Company of America were \$25,592 in 2022 and \$0 in 2021. The Plan has a third-party administrator, Retirement LLC, that was paid \$11,071 in 2022 and \$11,316 in 2021.

Note 9 - Administration Expenses

	<u>2022</u>	<u>2021</u>
Trustee fees	\$ 25,592	\$ 23,834
Third-party administration fees	11,071	11,316
Total administration expenses	<u>\$ 36,663</u>	<u>\$ 35,150</u>

Note 10 - Subsequent Events

Plan management has evaluated subsequent events from the date of the statements of net assets available for benefits date through October 6, 2023, the date at which the financial statements were available for release, and determined there are no other items to disclose.
