INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Hoover & Strong, Inc. Profit Sharing Plan
North Chesterfield, VA 23236

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed the audit of the accompanying financial statements of Hoover & Strong, Inc. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year as of December 31, 2022), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 15, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

HOOVER & STRONG, INC.
PROFIT SHARING PLAN

Notes to Financial Statements

1. Description of Plan:

The following description of the Hoover & Strong, inc. Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement or summary plan description for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Hoover & Strong, Inc. (the "Company"). The Plan was formed on October 15, 1980. Employees become eligible to participate and receive employer matching contributions after attaining the age of 21 and completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions: The Plan provides for participant contributions of pre-tax and after-tax annual compensation, as defined in the Plan. Participants are automatically enrolled at a deferral percentage of 2% upon meeting eligibility, unless electing not to participate. The Plan provides for Company matching contributions equal to a discretionary percentage, to be determined by the employer, of the Participant's elective deferrals. For the year ended December 31, 2022, the Company made matching contributions of \$69,914. The Company may make profit sharing contributions to the Plan. There were no profit-sharing contributions for 2022. Participants of qualifying age may make additional "catch-up" contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options: Participants may direct Ascensus Trust Company ("Ascensus"), the trustee, as to the investment of their account balances in accordance with guidelines established by the Plan. Participants may change their investment elections at any time.

Notes Receivable from Participants: Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note receivable terms cannot exceed five years, unless the proceeds are used to acquire a principal residence. The notes receivable are secured by the vested balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants, determined to be in default by the Plan administrator, are reclassified as distribution based upon the terms of the Plan document. There were \$14,272 and \$13,559 of notes receivable from participants at December 31, 2022 and 2021, respectively.

1. Description of Plan, Continued:

Vesting: Participants are immediately vested in their contributions, plus actual earnings thereon, upon entering the Plan. Vesting in the Company matching and profit sharing contributions, plus actual earnings is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than one	None
1 year	None
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Plan Administration: Overall responsibility for administering the Plan rests with the Company. Participant accounts are administered by Ascensus, which serves as the recordkeeper and Trustee of the Plan.

Payment of Benefits: Distribution of a participant's account will occur upon the participant's termination of service, retirement, death, or hardship withdrawal, as defined in the Plan. A participant is entitled to receive a lump-sum payment in an amount equal to the vested value of his or her account.

Forfeitures: Forfeited balances of terminated participants' non-vested accounts may be used to reduce the Company's contributions. There were no forfeitures in 2022, and no forfeited balances available at December 31, 2022 and 2021.

2. Summary of Significant Accounting Policies:

Basis of Accounting: The financial statements of the Plan are prepared on the accrual method of accounting.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a further discussion of fair value measurements.

Net appreciation and depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

2. Summary of Significant Accounting Policies, Continued:

Payment of Benefits: Benefits are recorded when paid.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Subsequent Events: Management has evaluated subsequent events through October 6, 2023, the date the financial statements were available to be issued and has determined there are no subsequent events to be reported in the accompanying financial statements.

3. Fair Value Measurements:

Financial Accounting Standards Board ("FASB") has issued guidance for measurement and disclosure of fair value and establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology are quoted prices for similar instruments in active and inactive markets; and model driven valuations with significant inputs and drivers derived from observable active markets.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments carried or disclosed at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at the cash balance, which approximates fair value.

PROFIT SHARING PLAN**

Notes to Financial Statements, Continued

3. Fair Value Measurements, Continued:

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2022:

	Investments at Fair Value	
	Level 1	Total
Investments:		
Mutual funds	\$ 3,999,875	\$ 3,999,875
Money market fund	<u>26,676</u>	<u>26,676</u>
 Total investments at fair value	 <u>\$ 4,026,551</u>	 <u>\$ 4,026,551</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2021:

	Investments at Fair Value	
	Level 1	Total
Investments:		
Mutual funds	\$ 5,042,553	\$ 5,042,553
Money market fund	<u>24,701</u>	<u>24,701</u>
 Total investments at fair value	 <u>\$ 5,067,254</u>	 <u>\$ 5,067,254</u>

4. Administrative Expenses:

Although not required by the Plan, the majority of the Plan administration costs are absorbed by the Company. The Plan incurred administrative fees of \$28,746 during 2022, \$15,987 of which were paid to Ascensus.

5. Related-Party Transactions:

Certain Plan investments are managed by Ascensus Trust Company, the trustee, and therefore, those transactions qualify as party-in-interest transactions. Notes receivable from participants are considered to be party-in-interest transactions because they are transacted with the Plan participants.

HOOVER & STRONG, INC.
PROFIT SHARING PLAN

Notes to Financial Statements, Continued

6. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

7. Tax Status:

The Internal Revenue Service has determined and informed the prototype sponsor by letter dated June 30, 2020, that the adopted prototype plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. The plan has been amended since receiving the opinion letter; however, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Management has evaluated the effects of accounting guidance related to uncertain income tax positions and concluded that the Plan had no significant financial statement exposure to uncertain income tax positions at December 31, 2022 and 2021. The Plan is not currently under audit by any tax jurisdiction.

8. Risks and Uncertainties:

The Plan provides for various investments in mutual funds and a money market fund. Investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the financial statements.

9. Financial Information Certified by a Qualified Institution:

Ascensus, the trustee of the Plan, has certified that the following information is complete and accurate:

- Investments, at fair value;
- Investment income (loss);
- Schedule of assets (held at end of year);
- Notes receivable from participants ; and
- Interest income on notes receivable from participants.
