INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
HyPro, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of HyPro, Inc. 401(k) Plan ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Hypro, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of accounting - HyPro, Inc. 401(k) Plan ("the plan") follows the accrual method of accounting wherein additions and deductions are reflected in the period earned or incurred.

Accounting estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Risks and uncertainties - The plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent events - The financial statements include management's evaluation of the events and transactions occurring subsequent to December 31, 2022 through October 3, 2023, which is the date the financial statements were available to be issued.

Key parties of the plan - HyPro, Inc. is the plan sponsor, employer and plan administrator. FabPro Company is a participating employer of the plan. Marathon Engine Systems, Inc. was also a participating employer. Effective December 31, 2022, Marathon Engine Systems, Inc. is no longer a participating employer of the plan. Empower Trust Company, LLC is the investment agent that holds custody of the plan's mutual fund investments. Empower Annuity Insurance Company of America is the investment agent that holds custody of the plan's guaranteed portfolio investment. Empower Retirement, LLC maintains participant records and is the brand name which refers to the products and services provided by the Empower entities discussed above, collectively referred to as "Empower". Blue Chip Retirement Plans, Inc. is the third party administrator that maintains plan documents and tax counsel that performs various compliance tests. Raymond James is the plan's investment advisor. Advised Asset Group, LLC is a participant level investment advisor.

Investments - The plan sponsor determines the investments available to plan participants. The participants allocate their contributions and transfer existing balances among the available investment options. Earnings, including the net appreciation (depreciation) in fair value of investments bought, sold, and held during the years, are reflected in the statements of changes in net assets available for benefits. Participants should refer to the prospectuses and annual reports of the investments for more information.

Fair value measurements - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

Following is a description of the valuation methodology used for investments measured at fair value.

Mutual funds - Valued at the daily quoted market prices as reported by the funds. Mutual funds held by the plan are registered with the U.S. Securities and Exchange Commission, are required to publish their daily net asset value and are deemed to be actively traded.

Hypro, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

The plan administrator determines by level, within the fair value hierarchy, the plan's investments at fair value as set forth below.

Investments at fair value as of December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	\$20,934,543	\$ -	\$ -	\$20,934,543
Total investments at fair value	\$20,934,543	\$ -	\$ -	\$20,934,543

Investments at fair value as of December 31, 2021

	Level 1	Level 2	Level 3	Total
Mutual funds	\$25,870,044	\$ -	\$ -	\$25,870,044
Total investments at fair value	\$25,870,044	\$ -	\$ -	\$25,870,044

Investment at contract value - The plan has a traditional fully benefit-responsive guaranteed investment contract through an annuity contract issued by Empower. Empower maintains the contributions in a general account. Empower, as the guaranteed investment contract issuer, is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the plan. The interest crediting rate is reset quarterly. The average yield earned by the fund was 0.94% during 2022 and 0.90% during 2021.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the plan. Contract value, as reported to the plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal of all or a portion of the investment at contract value at any time. Amounts may be transferred from the participant's account balance in the fund at any time.

The contract does not have a maturity date and there are no contract provisions that require a distribution at contract value at any specified time. The plan sponsor can request a lump sum distribution with a market value adjustment or an installment payout, at contract value, over a period of years. The contract will continue in full force until all assets have been distributed or no further payments are due.

The plan's ability to receive amounts due is dependent on Empower's ability to meet its financial obligations. Empower's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the plan to transact at contract value with the issuer. At this time, the plan administrator is not aware of any events that may limit the ability of the plan to transact at contract value with Empower or limit the ability of the plan to transact at contract value with the participants.

2. DESCRIPTION OF PLAN

The following brief description of the plan is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

General - The plan was established on May 1, 1986 as a defined contribution plan with a 401(k) salary deferral arrangement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

Hypro, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

Eligibility - Employees are eligible once they have completed two months of service and have reached 21 years of age. An employee will be allowed to enter the plan on the first day of the month immediately following the employee meeting the eligibility requirements.

Contributions - Contributions to the plan can be made as follows:

- a. Participants may contribute an elected percentage of their compensation subject to certain limitations (elective deferral contributions). The plan also permits Roth elective deferral contributions. Newly eligible employees are automatically enrolled in the plan and have 3% of their compensation withheld as deferral contributions. Effective January 1, 2023, deferral percentages for all participants auto-enrolled into the plan after August 1, 2021 will be automatically increased by 1% on each January 1st. Such participants have the option to increase, decrease, or stop the deferral contribution at any time by completing the necessary documentation.
- b. Participants may make rollover contributions to the plan from other qualified plans.
- c. Employer matching contributions may be made at the discretion of the plan sponsor's board of directors. The plan sponsor's current discretionary matching program, which became effective on August 7, 2021, contributes 50% of the first 6% of employee compensation contributed as deferral contributions to the plan. The matching contributions are funded in conjunction with each payroll. There were no matching contributions made in 2021 prior to adopting the matching program currently in place. The plan does not provide an employer matching program option for the participating employers.
- d. Non-elective employer contributions may be made at the discretion of the employers' boards of directors. No such contributions were made in 2022 and 2021.
- e. Qualified non-elective employer contributions may be made to non-highly compensated employees at the discretion of the employers' boards of directors. No such contributions were made in 2022 and 2021.

Participant accounts - Contributions are remitted to Empower who invests them in accordance with the investment options selected by the participants. The values of the investments are adjusted daily to reflect the earnings plus the fair value appreciation (depreciation). Participants are allowed to transfer funds between the various investment options and change their deferral percentage at any time.

Vesting - Participants are always 100% vested in their deferral and rollover contributions and related earnings. Participants actively employed prior to January 1, 2017 begin vesting in any employer contributions and related earnings upon completing two years of service at which time they are 20% vested. The participant then vests at the rate of 20% for each year thereafter. Participants actively employed after January 1, 2017 begin vesting in any employer contributions and related earnings upon completing one year of service at which time they are 25% vested. The participant then vests at the rate of 25% for each year thereafter. Upon death, attainment of normal retirement age (defined by the plan as age 65) while still employed or disability, a participant becomes 100% vested.

Payment of benefits - Benefit payments may commence upon death, disability, retirement or termination of employment. Participants may receive distributions of their accrued benefits in the form of a single lump sum, partial withdrawals or installment payments. In-service distributions are permitted after reaching age 59 ½. Hardship withdrawals are permitted under certain circumstances.

Forfeitures - Forfeitures may be used to reduce employer contributions or pay administrative expenses. Forfeitures used were insignificant in 2022 and 2021. Unapplied forfeitures were \$16,000 and \$12,000 as of December 31, 2022 and 2021.

Administrative expenses - Certain administrative expenses of the plan are paid by the plan sponsor and not included in these financial statements. Certain other administrative expenses are paid by the plan with plan assets and recorded as administrative expenses in these financial statements. Such expenses consist of participant directed fees for distribution and loan processing costs and nonparticipant directed fees for recordkeeper and investment advisory services. The nonparticipant directed fees are generally allocated to participants on an account value basis.

Hypro, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

Notes receivable from participants - Participants may obtain loans from their accounts with approval of the plan administrator. Each participant may only have one loan outstanding at any given time. The minimum loan amount is \$1,000 and the maximum loan amount cannot exceed the lesser of 50% of the participant's vested account balance or \$50,000. Loans must be paid back over a period not to exceed five years. As of December 31, 2022, loans outstanding had various repayment schedules through November 2027 with interest rates ranging from 4.25% to 8.00%. The notes receivable from participants are valued at their unpaid principal balances plus any accrued but unpaid interest, which approximates fair value.

3. TERMINATION OF PLAN

Although it has not expressed any intent to do so, the plan sponsor has the right to terminate the plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in any employer contributions and related earnings.

4. INCOME TAX STATUS

The plan is operating under a CCH Incorporated non-standardized pre-approved profit sharing plan that received a favorable opinion letter on June 30, 2020 provided by the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator has not obtained a separate Internal Revenue Service opinion or determination letter for the plan; however, the plan administrator and tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) for any uncertain tax positions taken that more likely than not would not be sustained upon examination by the applicable authorities. Plan management analyzed the requirements for accounting for such uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of December 31, 2022 and 2021. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

5. PARTY-IN-INTEREST TRANSACTIONS

The plan's guaranteed portfolio investment is managed by Empower. Empower also holds custody of the plan's investment assets. As such, transactions between Empower and the plan qualify as party-in-interest transactions.

The plan entered into an administrative service agreement with Empower in which Empower provides certain administrative services to the plan. Direct fees paid to Empower, recorded as a component of administrative expenses, were \$51,000 in 2022 and 2021. Direct investment advisory fees and third party administrative fees provided by other outside parties, recorded as a component of administrative expenses, were \$64,000 in 2022 and \$77,000 in 2021.

In addition, Empower receives revenue, in the form of indirect compensation, from mutual fund service providers for services Empower provides to the funds. Under the administrative service agreement, this revenue is used to reduce fees that would otherwise be owed by the plan to Empower for its administrative services.

Activity related to notes receivable from participants also qualify as party-in-interest transactions.

All of the above party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

6. INFORMATION CERTIFIED BY EMPOWER

Management has obtained certifications from two Empower entities, which are qualified institutions under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, that state the following information with respect to assets held for investment of the plan is complete and accurate.

- a. Investments held by the plan and the fair and contract values of such as of December 31, 2022 and 2021;
- b. Interest and dividend income on investments and the net appreciation (depreciation) in fair values of investments during 2022 and 2021;
- c. Contributions to and withdrawals from accounts, and purchases, sales and inter-fund transfers of investments during 2022 and 2021; and
- d. The report of individual participant accounts as of and for the years ended December 31, 2022 and 2021.
