INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
CJ Miller LLC 401(k) Profit Sharing Plan

SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDIT

We performed audits of the accompanying financial statements of the CJ Miller LLC 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management obtained a certification from Principal Trust Company as of December 31, 2022 and 2021 and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

OPINION

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT, CONTINUED

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

AUDITORS' RESPONSIBILITIES FOR THE AUDITS OF THE FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITORS' REPORT, CONTINUED

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted

INDEPENDENT AUDITORS' REPORT, CONTINUED

auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 **DESCRIPTION OF PLAN**

The following description of the CJ Miller LLC 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan Document or the Summary Plan Description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined-contribution plan covering all employees of CJ Miller, LLC (Company), provided the employee is at least 21 years old and attains certain minimum levels of service with the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Participants may make before-tax contributions, not to exceed Internal Revenue Code (IRC) limitations. Participants who turn 50 years old before the end of the Plan year are eligible to make catch-up contributions. The Plan permits rollover contributions from other qualified retirement plans. The Company provides a safe harbor matching contribution that matches 100% of up to 3% of the participant's compensation plus 50% of compensation that exceeds 3% up to 5%. The Company may also make discretionary profit-sharing contributions for active participants in the Plan who attain the minimum of 1,000 hours of service and are employed by the Company on the last day of the Plan year.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, an allocation of Plan earnings, and any discretionary Company contributions. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

VESTING

Participants are immediately vested in their voluntary contributions and safe harbor employer contributions. A participant generally becomes fully vested in the Company's discretionary contributions upon three years of service, disability (as defined by the Plan), or death of the participant.

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct employee contributions into various investment options offered by the Plan. Specific information regarding these options may be

(See Independent Auditors' Report)

obtained from the Plan Administrator. Participants may change their investment options at any time.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow against the balance in their account, up to a maximum of the lesser of 50% of their vested balance or \$50,000. Note terms require amortization of principal and interest over a period not to exceed five years. Notes used to acquire a principal residence may extend beyond a five-year term. The notes receivable are collateralized by the balance in the participant's account and bear interest at a rate comparable to rates charged by commercial lending institutions for loans of similar terms. Notes receivable are repaid through payroll deductions and may be repaid in full at any time.

PAYMENT OF BENEFITS

Upon termination of employment or service due to death, disability, or retirement or upon reaching age 59½, a participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest in the participant's account in either a lump-sum amount or partial withdrawals to meet required minimum distributions under IRC Section 401(a)(9). Withdrawals for financial hardship (as defined by the Plan) are permitted under the Plan.

FORFEITED ACCOUNTS

Forfeited balances of non-vested accounts are used to reduce administrative expenses and Company contributions in accordance with the Plan Document. There were no forfeited non-vested accounts at December 31, 2022 and 2021. In 2022, Company contributions were reduced by \$299 from forfeited non-vested accounts.

PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. Upon termination of the Plan, all interests of the participants not previously vested would become vested and non-forfeitable, and the net assets of the Plan would be distributed to participants based upon individual equities in the Plan.

PLAN EXPENSES

Certain administrative expenses of the Plan are paid by the Company and are excluded from these financial statements. Investment-related expenses are included in net depreciation of fair value of investments.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ACCOUNTING STANDARDS CODIFICATION

All references in the financial statements to the Codification refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

BASIS OF PRESENTATION

The accompanying financial statements were prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

VALUATION OF INVESTMENTS

Investments are stated at fair value except for fully benefit-responsive investment contracts which are reported at contract value. See Note 4 for a discussion of fair value measurements.

RISK AND UNCERTAINTIES

The Plan provides for investments in various investment securities, which are exposed to various risks, such as interest rate, credit, and overall volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are carried at their unpaid principal balance plus accrued interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan Document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

(See Independent Auditors' Report)

SUBSEQUENT EVENTS

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through October 4, 2023, the date the financial statements were available to be issued.

NOTE 3 INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan's investments were held by the Custodian, Principal Trust Company, at December 31, 2022 and 2021. The following financial information related to those investments is included in the accompanying financial statements based on information certified as complete and accurate by the Custodian. That information, which was not audited by the Plan's independent auditors, is as follows:

	<u>2022</u>	<u>2021</u>
Mutual Funds	\$ 1,808,037	\$ 2,457,812
Guaranteed Investment Contract	1,117,146	861,478
Pooled Separate Accounts	1,719,952	2,519,286
Collective Trusts	8,744,251	11,504,832
Total	<u>\$ 13,389,386</u>	<u>\$ 17,343,408</u>

During the year ended December 31, 2022, certified investment (loss) income consisted of the following:

Net Depreciation in Fair Value of Investments	\$ (2,844,914)
Interest and Dividends	<u>42,749</u>
	<u>\$ (2,802,165)</u>

NOTE 4 VALUATION OF INVESTMENTS

Investments are recorded at fair value in accordance with the provisions under the Fair Value Measurements and Disclosures Topic of the Codification, which establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

(See Independent Auditors' Report)

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below is a description of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market.

Pooled Separate Accounts: Valued at the closing NAV of the sub accounts. NAV is quoted on a private market that is not active; however, the unit price is based on underlying investments that are traded on an active market.

Collective Trusts: Valued using NAV. NAV is quoted on a private market that is not active; however, the unit price is based on underlying investments that are traded on an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(See Independent Auditors' Report)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	2022		
	Level 1	Level 2	Total
Mutual Funds	\$ 1,808,037	\$ -	\$ 1,808,037
Pooled Separate Accounts	-	1,719,952	1,719,952
Collective Trust	-	8,744,251	8,744,251
Total	\$ 1,808,037	\$ 10,464,203	\$ 12,272,240

	2021		
	Level 1	Level 2	Total
Mutual Funds	\$ 2,457,812	\$ -	\$ 2,457,812
Pooled Separate Accounts	-	2,519,286	2,519,286
Collective Trust	-	11,504,832	11,504,832
Total	\$ 2,457,812	\$ 14,024,118	\$ 16,481,930

NOTE 5 **GUARANTEED INVESTMENT CONTRACT**

The Plan has an investment in the Principal Fixed Income Guaranteed Option Account, which is a fully benefit-responsive investment contract and, therefore, reported at contract value. Contract value, as reported to the Plan by the Custodian, represents contributions made under the fund, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer. Certain events limit the Plan's ability to transact at contract value. Such events include the following: (a) amendments to the Plan Document (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material

(See Independent Auditors' Report)

obligation under the contract, or (d) a material misrepresentation. The Plan Administrator does not believe any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the Custodian to terminate the agreement prior to the scheduled maturity date.

NOTE 6 **TAX STATUS**

The Plan obtained its latest determination letter on August 8, 2014, wherein the Internal Revenue Service stated the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan was amended since receiving the determination letter. However, the Plan Administrator believes the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes was included in the Plan's financial statements.

GAAP requires Plan management to evaluate uncertain tax positions for recognition in the financial statements. The Plan Administrator concluded there were no uncertain tax positions taken as of December 31, 2022.

NOTE 7 **RELATED-PARTY TRANSACTIONS**

The Plan pays investment management, administrative, and custodial fees to parties in interest. The Plan paid approximately \$49,000 to parties in interest for the year ended December 31, 2022. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

In addition, administrative fees were paid indirectly through revenue sharing and are included in the net depreciation in fair value of investments.
