INDEPENDENT AUDITORS' REPORT

Plan Administrator
Premier Produce One 401(k) Plan
Dayton, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Premier Produce One 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the **Premier Produce One 401(k) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT - CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Premier Produce One 401(k) Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Premier Produce One 401(k) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT - CONTINUED

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Premier Produce One 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Premier Produce One 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT - CONTINUED

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the **Premier Produce One 401(k) Plan** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - On January 1, 1996, Marion Niedhamer Produce, Inc. adopted a Section 401(k) profit sharing plan. In February 1998, Mush and Sons, Inc. acquired Marion Niedhamer Produce, Inc. In 2002, Mush and Sons, Inc. changed its name to Produce One, Inc. In September 2012, Produce One, Inc. acquired Roth Produce Co. and the Plan merged with Roth Produce Company 401(k) Profit Sharing Plan on December 31, 2012. The Plan was amended to include all prior service from former employees of Roth Produce Co. in determining eligibility, benefits, and vesting of employer contributions. In November 2013, Produce One, Inc. merged with Premier Produce Co., Ltd. as two wholly-owned operating subsidiaries of Premier Produce One, Inc. (the "Company"). Employees of Premier Produce Co., Ltd. were allowed to participate in the Plan beginning February 28, 2014, with prior service granted. Effective January 1, 2014, the name of the Plan changed from Produce One 401(k) Plan to Premier Produce One 401(k) Plan. The Plan allows all employees of the Company who have three months of service and have attained age 18 to participate. Upon satisfaction of the eligibility requirements, employees may enter the Plan on the date of eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - The Plan provides for employee salary deferrals within statutory limits, as defined in the Plan, each year as an elective deferral. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. The Plan also provides for employer matching contributions. The Company will match 50% of a participant's elective deferrals up to 3% of a participant's compensation. Participants become eligible for the employer match at the same time they become eligible to participate in the Plan. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Service.

Participant Accounts - Matrix Trust Company is Custodian of Plan investments. Each participant's account is credited with the participant's contributions, Company contributions, net earnings or losses, forfeitures, distributions, and withdrawals. Company contributions are allocated based on participants' compensation as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs both separately, and distinctly, into which investment the participant contribution and employer matching contribution are to be invested.

Vesting - Participants are immediately vested in their voluntary contributions, rollovers, and corresponding earnings. The following schedule will be used to determine vesting in the employer contributions and related earnings:

<u>Completed Years of Service</u>	<u>Vesting Percentages</u>
Fewer than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

PREMIER PRODUCE ONE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Notes Receivable From Participants - Participants may borrow from the Plan in any amount between \$1,000 and \$50,000, but not more than 50% of their vested account balance. Loans bear interest at an agreed-upon percentage based on prevailing market rates, subject to applicable usury limits. Loan terms are for a period not exceeding five years. A longer term may be approved by the Plan if proceeds are to be used for the purchase of a primary residence. Plan provisions allow a participant to have a maximum of two loans outstanding at any one time. Loans are secured by the balance in the participants' accounts. Principal and interest are paid ratably through payroll deductions.

Benefits Paid - Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance either in a lump-sum amount, or payments over a period of time in cash installments, or in a form agreeable to the Plan Administrator. If the participant's account balance is \$5,000 or less, the Plan Administrator may elect to automatically distribute the balance to the participant in a single-sum payment. In addition, participants may receive distributions of all vested amounts for qualified financial hardships.

Forfeitures - Forfeited balances of terminated participants' non-vested accounts are used to reduce Plan expenses. There were no forfeitures used in 2022 and 2021. Unallocated forfeitures at December 31, 2022 and 2021 were \$30,419 and \$19,157.

Investment Options - Upon enrollment in the Plan, a participant may currently direct contributions in investment options in increments of one percent. Participants may change their investment options at any time via phone or the Internet. Deferral percentages can be changed via the enrollment form.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

PREMIER PRODUCE ONE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition - Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. An allowance for credit losses was not deemed necessary as of December 31, 2022 and 2021. If a participant ceases to make repayments and the Plan Administrator deems the note receivable to be in default, the note receivable balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Company pays certain administrative expenses of the Plan, and the Plan participants will bear the responsibility of the remaining expenses. Investment related expenses are included in net appreciation (depreciation) in value of investments.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 4, 2023, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and cash disclosed in the accompanying financial statements and supplemental schedule, including investments and cash held at December 31, 2022 and 2021, net appreciation (depreciation) in value of investments, and interest and dividends for the years 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Matrix Trust Company (the Custodian of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

The three levels of the fair value hierarchy under the accounting standards are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs, and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022.

Investments in registered investment companies: Valued at the daily closing price reported by the fund as registered with the Securities and Exchange Commission. The funds held by the Plan are deemed to be actively traded and are required to publish their NAV and to transact at that price.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Investments in registered investment companies	<u>\$ 4,841,875</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,841,875</u>

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Fair Value
Investments in registered investment companies	\$ 5,471,062	\$ -	\$ -	\$ 5,471,062

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan entered into a fully benefit-responsive investment contract with Wilmington Trust referred to as the WT CIT For MetLife GAC. Wilmington Trust maintains the contributions in a pooled account. The account is credited with earnings of the underlying investments and is charged for participant withdrawals and administrative expenses.

Certain events, such as premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Wilmington Trust. The Plan Administrator believes the occurrence of such events, which would also limit the Plan's ability to transact at contract value with Plan participants, is not probable.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain Plan assets are held in trust with Matrix Trust Company. Thus, Matrix Trust Company, as Custodian defined by the Plan, qualifies as a party-in-interest.

July Business Services, Inc., as recordkeeper, qualifies as a party-in-interest. Fees paid by the Plan for recordkeeping services for the years 2022 and 2021 were \$10,259 and \$8,975.

MMA Securities, LLC, as investment advisor, qualifies as a party-in-interest. Fees incurred by the Plan for investment advisory services for the years 2022 and 2021 totaled \$12,646 and \$12,352.

The Company provides certain accounting, recordkeeping, and administrative services to the Plan, for which it receives no compensation.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in the employer portion of contributions.

NOTE 8 - TAX STATUS

The Plan adopted a Prototype Standardized Profit Sharing Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - BENEFITS ALLOCATED TO WITHDRAWN PARTICIPANTS

At December 31, 2022 and 2021, there were no amounts due to participants who have withdrawn from the Plan and requested benefit payment prior to year-end.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the years 2022 and 2021, there were no differences between the financial statements and the Form 5500.
