### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the financial statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the financial statements section of our report. We are required to be independent of 403(b) Thrift Plan of PSA 3 Agency on Aging, Inc., and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of PSA 3 Agency on Aging, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of PSA 3 Agency on Aging, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of PSA 3 Agency on Aging, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matters - Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022 and the supplemental schedule of delinquent contributions for the year ended December 31, 2022 are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **1. DESCRIPTION OF PLAN:**

The following description of the 403(b) Thrift Plan of PSA 3 Agency on Aging, Inc. (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of plan provisions.

### **General**

The Plan is a defined contribution plan covering all eligible employees of Area Agency on Aging Region 3, Inc. (the Employer). Employees are eligible to defer under the 403(b) provision immediately upon hire. Participants are eligible to receive Employer matching or discretionary contributions after 1 year of service and enter the Plan on the first of the month following meeting the service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan committee is responsible for oversight of the Plan. The Plan committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

### **Contributions**

Participants may contribute up to 100% of eligible compensation, as defined, to the Plan, subject to certain limitations established by law. Participants are also permitted to deposit into the Plan distributions from other qualified plans (rollovers). Participants who have attained age 50 can make catch-up contributions.

Annually, the Employer contributes a base employer contribution equal to \$1,200 per eligible employee. Additionally, the Employer may make a discretionary matching contribution. There were no discretionary matching contributions made during the years ended December 31, 2022 and 2021.

### **Participant accounts**

Each participant's account is credited with the participant's contribution, Employer contributions and an allocation of plan earnings and administrative expenses. Allocations are based on participant earnings, compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Vesting**

Participants are vested immediately in all contributions plus actual earnings thereon.

### **Payment of benefits**

Participants are eligible to receive benefit payments upon termination of service or termination due to death, disability, early retirement (age 55) or normal retirement (age 65). In-service withdrawals are allowed from a participant's elective contributions when a participant's age is 59½ years or older. Participants may receive a single lump sum payment or various installment payments. The participant may also elect to withdraw in the event of financial hardship, as defined by the Plan. In the event of a participant's death, any remaining balance will be paid to designated beneficiaries.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

### **Basis of accounting**

The financial statements of the Plan are prepared using the accrual basis of accounting.

**Use of estimates**

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Investment valuation and income recognition**

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of benefits**

Benefit distributions are recorded when paid.

**Expenses**

Certain administrative expenses are paid by the Employer and are excluded from these financial statements. Fees for other administrative transactions charged directly to the participant's account are included in administrative expenses.

**Subsequent events**

The plan has evaluated subsequent events through October 6, 2023, the date the financial statements were available to be issued.

**3. INFORMATION CERTIFIED BY THE CUSTODIANS:**

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company (Mutual) and Voya Retirement Insurance and Annuity Company (Voya), the custodians, have certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the supplemental schedule of assets (held at end of year) as of December 31, 2022, and the related investment activity reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.

**4. FAIR VALUE MEASUREMENTS:**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

|         |                                                                                                                                                                 |
|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|

- Level 2      Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

*Pooled separate account:* Pooled separate accounts are held in investment contracts with the custodians and are invested according to the stated objectives of the various accounts. The principal is not guaranteed. The pooled separate accounts are valued at the net asset value (NAV), which is based on the market value of its underlying investments. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. The investment objectives of the accounts include capital appreciation, maintaining liquidity, and preserving capital.

#### **Investments Measured Using the Net Asset Value per Share Practical Expedient**

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

| <u>December 31, 2022</u> | <u>Fair Value</u>   | <u>Unfunded<br/>Commitments</u> | <u>Redemption<br/>Frequency (if<br/>currently eligible)</u> | <u>Redemption<br/>Notice Period</u> |
|--------------------------|---------------------|---------------------------------|-------------------------------------------------------------|-------------------------------------|
| Pooled separate accounts | \$ <u>2,246,646</u> | n/a                             | Daily                                                       | None                                |
| <u>December 31, 2021</u> | <u>Fair Value</u>   | <u>Unfunded<br/>Commitments</u> | <u>Redemption<br/>Frequency (if<br/>currently eligible)</u> | <u>Redemption<br/>Notice Period</u> |
| Pooled separate accounts | \$ <u>2,784,416</u> | n/a                             | Daily                                                       | None                                |

## **5. GUARANTEED INVESTMENT CONTRACTS:**

The Plan has entered into a traditional fully benefit-responsive investment contract with Mutual totaling \$297,914 at December 31, 2022 and \$158,105 at December 31, 2021. Mutual maintains the contributions in a general account. The Plan has also entered into a traditional fully benefit-responsive investment contract with Voya totaling \$62,790 at December 31, 2022 and \$60,401 at December 31, 2021. Voya maintains the contributions in a fixed account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Mutual and Voya, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuers. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without consent of the issuers.

## **6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS:**

Plan investments include pooled separate accounts and guaranteed investment contracts managed by Mutual and Voya. Mutual and Voya are custodians as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, rather than a direct payment. The Plan Sponsor pays directly any other fees related to the Plan's operations.

## **7. RISKS AND UNCERTAINTIES:**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## **8. PLAN TERMINATION:**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

## **9. INCOME TAX STATUS:**

The Plan adopted a prototype non-standardized 403(b) plan which received a favorable opinion letter from the Internal Revenue Service (IRS) dated March 31, 2017. The IRS stated in the letter that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, management believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

## **10. PLAN OPERATIONS IMPACTED BY COVID-19:**

On March 27, 2020, the U.S. Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to distributions and participant loans during 2020. The provisions of the CARES Act could be effective and operationalized immediately, prior to amending the plan document.

The Plan Administrator has adopted the distribution relief provisions included in the CARES Act. The distribution relief provisions permitted qualified individuals to request a pre-approved distribution, through participant self-certification of eligibility. The maximum dollar amount that could be requested per participant was \$100,000 up through December 30, 2020.

The Employer intends to formally amend the Plan before the end of the applicable remedial amendment period to reflect such provisions.

## **11. NONEXEMPT TRANSACTIONS:**

During 2022, certain employee deferrals totaling \$60,351 were not remitted to the Plan on a timely basis in accordance with Department of Labor guidelines. These transactions constitute nonexempt transactions. The Employer took necessary corrective action for all affected participants in 2023.

**12. OPERATIONAL DEFECT:**

During the year ended December 31, 2021, it was discovered that certain of the plan's provisions were not properly applied in the daily operation of the Plan. The plan's definition of for calculating the Employer contribution was not properly applied. The plan administrator determined the affected participants and deposited approximately \$58,738 and \$32,100 into the plan on February 16, 2023 and March 1, 2023, respectively, to make the affected participants and the Plan whole, including interest, which is included in the financial statements as an Employer corrective contribution receivable as of December 31, 2022.
