## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of  
Selig Enterprises, Inc. Savings and Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed our audits of the accompanying financial statements of Selig Enterprises, Inc. Savings and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Selig Enterprises, Inc. Savings and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Selig Enterprises, Inc. Savings and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Selig Enterprises, Inc. Savings and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. ## Selig Enterprises, Inc. Savings and Profit Sharing Plan

### Notes to Financial Statements

#### **Note 1: DESCRIPTION OF THE PLAN**

The following description of the Selig Enterprises, Inc. Savings and Profit Sharing Plan (the Plan) provides only general information. Refer to the Plan documents for a more complete description of Plan provisions.

##### ***General***

The Plan, as amended and restated January 1, 2016, is a defined contribution plan covering all employees of Selig Enterprises, Inc. (the Company) who complete one year of service and all non-highly compensated supervisors and management employees of Selig Parking, Inc. (an adopting employer) who complete one year of service. On August 2, 2021 and effective September 2, 2021, the Plan was amended to change eligibility from one year of service to one month of service. The Company and the adopting employer are collectively referred to as “the Company” and “the Plan Sponsor”. The Plan is subject to the provisions of the Department of Labor’s (DOL’s) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The Administrative Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investments.

Plan assets are held and managed by Principal Trust Company (Principal), the trustee and the qualified institution for the Plan, which invests contributions and Plan earnings, makes investment transactions as directed by the Administrative Committee and provides certain recordkeeping services.

##### ***Eligibility***

All employees of Selig Enterprises, Inc. who complete one month of service and all non-highly compensated supervisors and management employees of Selig Parking, Inc. who complete one month of service are eligible to participate. All other employees are ineligible to participate.

##### ***Contributions***

Each year, participants may contribute up to 75% of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (i.e. rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company, at its sole discretion, may make a matching contribution to the Plan at 50% of each qualifying participant’s contributions of the first 10% of base compensation that a participant contributes to the Plan. A qualifying participant is one who has completed one month of service, as defined by the Plan document, and remains employed on the last day of the Plan year. The Company also may, at its sole discretion, make a profit sharing contribution to the Plan, allocated to each participant’s account based on the participant’s contributions to total participant contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

During the year ended December 31, 2022, the Company did not make a profit sharing contribution to the Plan.

### Notes to Financial Statements

#### Note 1: DESCRIPTION OF THE PLAN (Continued)

##### ***Participant Accounts***

Each participant's account is credited with the participant's contributions and Company's matching contributions, as well as allocations of the Company's profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### ***Vesting***

Participants are immediately vested in their contributions and the related actual earnings. The Company's matching and safe harbor contributions plus actual earnings on all of these types of contributions vest based on continuous years of service, as follows:

| Years of Service | Vested |
|------------------|--------|
| Less than 2      | 0%     |
| 2                | 20%    |
| 3                | 40%    |
| 4                | 60%    |
| 5                | 80%    |
| 6 or more        | 100%   |

Contributions to the Plan become 100% vested upon normal retirement age (currently 65), termination of the Plan or permanent disability or death of a participant.

##### ***Benefit Payments***

On termination of employment due to death, disability, retirement, or other termination, a participant may elect to receive a lump sum distribution equal to the vested portion of his or her account balance or regular, periodic installments over a specified period by the participant not to exceed the participant's and his or her designated beneficiary's joint life expectancy, or a combination of lump sum and installments.

Notwithstanding the above, if the participant's vested interest in his employer's contribution account is not in excess of \$1,000, the Plan Administrator shall direct the payment of such interest in a lump-sum.

Participants may elect to make an in-service withdrawal upon attainment of age 59½.

##### ***Forfeited Accounts***

Forfeitures result from terminated employees' non-vested benefits remaining in the Plan and may be used to reduce Plan Sponsor contributions or allocated to participant accounts on a pro-rata basis. The forfeiture balance at December 31, 2022 and 2021 was \$11,925 and \$8,068, respectively.

## Selig Enterprises, Inc. Savings and Profit Sharing Plan Notes to Financial Statements

### **Note 1: DESCRIPTION OF THE PLAN (Continued)**

#### ***Hardship Withdrawals***

As permitted by the Internal Revenue Code (IRC) and in accordance with the plan agreement, a participant may request a financial hardship withdrawal if they experience a severe financial hardship. The financial hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

### **Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### ***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

#### ***Use of Estimates***

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### ***Investment Valuation and Income Recognition***

The Plan permits its participants to direct the investment of their account balance under the Plan. Through its agreement with Principal, the participants are offered choices of various types of mutual funds and a stable value fund. Investments in mutual funds are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The investment in the stable value fund is valued at the net asset value (NAV) practical expedient reported by the issuer of the stable value fund at year end. This practical expedient would not be used if it determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The underlying assets owned by the stable value fund consists primarily of guaranteed investment contracts and other insurance company products.

See Note 4 for further discussion of fair value measurements and NAV. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The increases or decreases in the fair values of mutual funds held at the end of the year are reflected in the statement of changes in net assets available for benefits as net appreciation/depreciation in fair value of investments. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### ***Payment of Benefits***

Distributions to participants are recorded when paid.

#### ***Administrative Expenses***

The Plan's expenses are paid by either the Plan or the Company, as provided by the plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. During the year ended December 31, 2022, expenses of \$49,508 were paid by the Plan.

#### ***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

#### ***Subsequent Events***

Management has evaluated subsequent events through the date that the financial statements were available to be issued, October 2, 2023, and determined there were no events that occurred that required disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

### Note 3: INFORMATION CERTIFIED BY QUALIFIED INSTITUTION

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements was obtained by management and agreed to or derived from information certified to be complete and accurate by the qualified institution:

## Selig Enterprises, Inc. Savings and Profit Sharing Plan

### Notes to Financial Statements

#### Note 4: FAIR VALUE MEASUREMENTS

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

*Level 1:* Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

*Level 2:* Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
  - observable; or
  - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Stable value fund:* Investment in the Putnam Stable Value fund is valued based on NAV per unit as a practical expedient as reported by the fund manager, multiplied by the number of units held as of the measurement date. The NAV per unit is contract value, which is the value of all unitholder transactions, as reported by the fund manager.

The preceding methods described may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### Note 5: TAX STATUS

The IRS has determined and informed the Company by a letter dated May 25, 2017, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt at December 31, 2022 and 2021.

Tax positions are recognized only if it is "more likely than not" that the tax position be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax position is recorded. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### Note 6: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal. Principal is the Trustee and record-keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Company. Revenue sharing arrangements between the investment providers and the trustee provide for rebates of certain administrative fees, which are returned to the participant accounts. These amounts are recorded as other income, included in investment income. Participants also pay asset fees to certain investment providers, recorded in administrative expenses. The Plan also makes direct payments for administrative services not covered by revenue sharing, allocated pro-rata to participant accounts. The Company pays directly any other amounts related to the Plan's operations. In addition, the Company provides certain services to the Plan at no charge.

#### **Note 7: PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

#### **Note 8: PLAN COMPLIANCE**

It came to the attention of the Plan Sponsor that certain remittances of participant deferrals made during the years ended December 31, 2022 and 2021 were deemed late, as defined by the DOL rules and regulations. The late remittance amounts are disclosed on Schedule H, Line 4a – Schedule of Delinquent Participant Contributions. The Plan Sponsor remitted a total of \$821 in lost earnings to the Plan in September 2022 as part of the Voluntary Fiduciary Correction program covering the years ended December 31, 2022 and 2021. Lost earnings for the year ended December 31, 2022 were remitted in 2022.
