(1) To this plan	2l(1)		668941
(2) From this plan	2l(2)		

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: LANE GORMAN TRUBITT LLC

(2) EIN: 75-1044330

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		3000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m	X		
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n	X		

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2022 This Form is Open to Public Inspection.
For calendar plan year 2022 or fiscal plan year beginning 01/01/2022 and ending 12/31/2022		
A Name of plan PRISM HEALTH NORTH TEXAS RETIREMENT SAVINGS PLAN		B Three-digit plan number (PN) ► 002
C Plan sponsor's name as shown on line 2a of Form 5500 AIDS ARMS, INC.		D Employer Identification Number (EIN) 75-2306145

Independent Auditor's Report

Plan Administrator and Participants
Prism Health North Texas Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Prism Health North Texas Retirement Savings Plan (the "Plan") f/k/a the Aids Arms, Inc. (dba Prism Health North Texas) 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Prism Health North Texas Retirement Savings Plan
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Prism Health North Texas Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established, sponsored and administered by AIDS Arms, Inc. (dba Prism Health North Texas) (the “Organization”) under the provision of Section 403(b) of the United States Internal Revenue Code (“IRC”), which includes provisions allowing an eligible participant to direct the Organization to contribute a portion of the participant’s compensation to the Plan on a pre-tax basis through payroll deduction.

Substantially all employees of the Organization are eligible to participate in the Plan upon the date of hire provided they normally work 20 or more hours per week. Substantially all employees of the Organization are eligible to participate in the employer match upon reaching the age of 20 1/2, and completing 1 year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The Plan is administered by a trustee committee appointed by the Board of Directors of the Organization. The duties of the administrative committee are to oversee the operations of the Plan and to provide for prudent investment of Plan assets. Accordingly, the administrative committee has been granted discretionary authority concerning investment and management activities. The Plan changed custodians effective January 1, 2022 from American United Life Insurance Company (“AUL”) to Newport Trust Company (“Newport”) (collectively referred to as the “Custodians”). The assets of the plan were transferred to the Newport in February 2022. Plan investments held with Newport are invested in a combination of a money market fund and mutual funds. Previously, AUL held plan investments in a combination of pooled separate accounts and insurance company general accounts. The Custodians are responsible for the custody and management of the Plan’s assets.

Effective January 1, 2022, the Organization adopted the Newport Group, Inc. 403(b) Volume Submitter Plan with the related adoption agreement and renamed the Plan. In addition, on February 14, 2022, the AIDS Arms Physicians, Inc 403(b) Plan was merged into the Plan.

Contributions

Each year, participants may contribute up to 100% of eligible compensation as defined in the Plan, subject to the dollar limitation under §402(g) of the IRC. The Plan permits pre-tax, after-tax (Roth), and employer matching contributions.

An automatic enrollment feature exists whereby participants who do not affirmatively make contribution election or decline participation altogether after eligibility is met will automatically have 6% of their compensation deferred, 1% prior to 2022.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (“Age 50 Catch-Up” contributions). An additional “15-Year Catch-Up” contribution is available under 403(b) arrangements of certain eligible employers (i.e. tax-exempt educational institutions, hospitals, home health service agencies, certain churches and health and welfare organizations). Employees must have completed 15 years of service with the Organization, and a calculation must be performed to determine if the employee is eligible for the full \$3,000 catch-up amount. Under this catch-up provision, there is a lifetime limit of \$15,000. Participants who are eligible for both the 15-Year Catch-Up and the Age 50 Catch-Up are considered to first make contributions under the 15-Year Catch-Up provision. Participants direct the investment of their contributions into various investment options offered by the Plan.

Prior to 2022, the plan did not allow employer matching contributions. Upon adoption of the Newport Group, Inc. 403(b) Volume Submitter Plan, the election was made to include employer matching contributions in the Plan. Participants are eligible for employer matching contributions upon the attainment of 1 year of service and age 20.5. Employer matching contributions for employees with less than 10 years of service are equal to 50% of salary deferrals, limited to 6% of compensation. For employees with 10 years or more of service employer matching contributions are equal to 75% of salary deferrals, limited to 6% of compensation. The Organization may make discretionary profit sharing contributions. Contributions are subject to certain limitations

Prism Health North Texas Retirement Savings Plan
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions, as well as the participant's share of investment income, appreciation (depreciation), administrative expenses and any related distributions. The participant determines both the amount to be invested and the allocation of the investment to one or more of the investment alternatives. Allocations are based on the Plan's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Organization's matching or profit sharing contributions portion of the participants' accounts is based on years of vesting service. A year of service is considered to be each twelve consecutive month period in which the participant is credited with 1,000 hours of service. A participant is 100 percent vested after five years of service. Full and immediate vesting will also occur upon attainment of normal retirement age, early retirement age, death, or total disability. Participants who leave the Organization before they are fully vested in the Organization's contributions forfeit their non-vested portion.

Investment Options

Upon enrollment in the Plan, a participant may direct the contributions made to the Plan to any one or more of the investment alternatives maintained by the Custodians, determined at the discretion of the participant, and in such multiples as the participant prescribes. A participant may change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances.

Notes Receivable from Participants

The Plan allows participants to borrow from his or her account. These borrowings must be for an amount not less than \$1,000 and not greater than the lesser of 50% of the participant's vested account balance or \$50,000, reduced by the excess, if any, of the highest outstanding loan balance of loans from the Plan during a one-year period ending on the day before the date on which such loan will be made, over the outstanding balance of loans from the Plan on the date such loan will be made. The note receivables are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined by the Trustee. Any loan must be repaid within one to five years unless otherwise approved. Principal and interest is paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Forfeited Accounts

Forfeitures represent unvested portions of terminated participants' accounts and may be used to pay Plan administrative expenses or reduce employer contributions. At December 31, 2022 and 2021, forfeited non-vested account balances were \$906 and \$-, respectively. No forfeitures were used to pay Plan administrative expense or reduce employer contributions during the years ended December 31, 2022 and 2021.

Payment of Benefits

On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum payment, partial withdrawals, or as a direct rollover to another qualified plan equal to the participant's vested account balance. Participants are allowed to withdraw employee account balances prior to termination of their employment under certain conditions as specified in the Plan. Benefits are recorded when paid.

Prism Health North Texas Retirement Savings Plan
NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

Method of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Administrative Expenses

Administrative expenses are paid by the Organization, at its discretion, or the Plan. The Plan is under no obligation to reimburse the Organization for these expenses. Plan expenses paid by the Organization are not included in these financial statements. Transaction charges (for loan and benefit payment transactions) are paid by the Plan by reducing the balances of those participants initiating the transactions. Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are reflected as a component of net appreciation (depreciation) in fair values of investments.

Use of Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value, with the exception of fully benefit-responsive investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Changes in fair value are reflected in operations. Purchases and sales of investments are recorded on the trade-date basis. Interest and other income are recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. The net appreciation (depreciation) of investments includes realized gains and losses on sales during the year and current changes in unrealized appreciation (depreciation) in the market value of investments held at year-end.

Newport

Investments held by Newport are stated at fair value. Interest-bearing cash (money market accounts) and mutual funds represent investments with various investment managers. The respective fair values are based on the market value of the underlying investments, which are principally marketable equity and fixed income securities with the investment managers specifying the source(s) to use for underlying investment asset prices. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value ("NAV") at year-end.

AUL

Pooled separate account funds are valued at the net asset value ("NAV") of units held by the Plan at year end. The NAV is based on the market value of the underlying investments as supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date, or as determined by AUL. Investments in the AUL Fixed Interest Account are stated at contract value and reported as insurance company general accounts in the accompanying statements of net assets available for benefits.

Contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to full benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the term of the Plan. The Plan invests in investment contracts through the AUL Fixed Interest Account.

Prism Health North Texas Retirement Savings Plan
NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

AUL (Continued)

The AUL Fixed Interest Account is backed by AUL's general account assets. The AUL Fixed Interest Account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. All contributions and transfers to the AUL Fixed Interest Account earn interest at the guaranteed rate in effect at the time such contribution or transfer is made. AUL may declare a new guaranteed rate effective January 1 of each calendar year. AUL bears the risk of the AUL Fixed Interest Account values and for paying interest. The underlying contract has no restrictions on the use of Plan assets and there are no valuation reserves recorded to adjust contract amounts.

Risks and Uncertainties

The Plan provides for investments in various investment securities with different investment strategies, which, in general, are exposed to various risks, such as interest rate, credit, foreign investment, active management, and overall market volatility risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. The Plan attempts to limit these risks by authorizing and offering participants a broad range of investment options that are invested in high quality securities or are offered and administered by reputable and known investment companies. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. The Plan's exposure to a concentration of risk is limited by the diversification of investments across multiple investment fund options. Additionally, the investments within each investment fund option are further diversified into varied financial instruments.

Market conditions have resulted in an unusually high degree of volatility and increased the risks and may affect the short-term liquidity associated with certain investments held by the Plan which could impact the value of investments after the date of these financial statements. Because the values of individual investments fluctuate with market conditions, the amount of gains or losses that will be recognized in subsequent periods, if any, cannot be determined.

3. INVESTMENTS CONTRACT WITH INSURANCE COMPANY

Pooled Separate Account Funds

The Plan had an investment contract with AUL until the change in custodian in 2022. AUL maintains certain investments in a pooled separate account. Assets of this contract are invested in shares of the specific funds elected in the contract application. The account is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by AUL. Each of the pooled separate accounts invests in stocks, fixed securities, or in single mutual funds which are generally identified in the name of the pooled separate account. The investment strategies of these pooled separate accounts are consistent with each of the stocks, fixed securities and single mutual funds identified in the name of the fund. Each pooled separate account provides for daily redemptions by the Plan with no advance notice requirements and has redemption prices that are determined by the net asset value.

Insurance Company General Account Funds

The Plan had a benefit-responsive investment contract with AUL until the change in custodian in 2022. AUL maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by AUL. The contract is included in the accompanying financial statements at contract value. Contributions and transfers to the general account earn interest at the guaranteed rate in effect at the time such contribution or transfer is made. All monies in the general account will earn interest at the guaranteed rate until that guaranteed rate is changed. Guaranteed rates are declared annually by AUL. The AUL fixed account is backed by AUL's general account. The AUL general account is invested in a conservatively managed, well diversified portfolio consisting predominately of fixed-income investments (bonds, mortgages, and private placements) where the objective is to maximize long-term, risk adjusted returns. The quality of these investments is high.

Prism Health North Texas Retirement Savings Plan
NOTES TO FINANCIAL STATEMENTS

3. INVESTMENTS CONTRACT WITH INSURANCE COMPANY (Continued)

Insurance Company General Account Funds (Continued)

The determination of crediting interest rates, as determined by AUL, reflects a number of factors, including interest rate guarantees, the investment income earned on invested assets, and prevailing market conditions.

4. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the years ended December 31, 2022 and 2021, there were no significant transfers in or out of levels 1, 2 or 3.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Money Market Fund: Valued at the NAV of unites held by the Plan at year-end, as provided by the Custodian.

Mutual funds: Valued at the NAV of shares held by the Plan at year-end, as provided by the Custodian. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds re required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate account funds: Valued, as a practical expedient, at the NAV of units held by the Plan at year end. The NAV of these accounts is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV is calculated based on a compilation of primarily observable market information. The number of units of the fund that are outstanding on the calculation date is derived from observable purchase and redemption activity in the fund. The NAV is not a publicly-quoted price in an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Prism Health North Texas Retirement Savings Plan
NOTES TO FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at other than fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Insurance company general accounts: Valued at contract value, as estimated by AUL. Contract value is based upon a cost approach, which is equal to deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. It is the amount plan participants would receive if they were to withdraw or transfer funds within the Plan. As this investment is contract-based, observable prices for identical or similar investments do not exist. Liquidity restrictions apply that could impact the value realized upon exiting the contract.

The following sets forth the Plan's assets measured at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Money market funds	\$ 942	\$ -	\$ -	\$ 942
Mutual funds	4,492,579	-	-	4,492,579
Total assets in the fair value hierarchy	<u>\$ 4,493,521</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,493,521</u>

The following sets forth the Plan's assets measured at fair value as of December 31, 2021:

Pooled separate account funds (a)	\$ 3,305,571
Total investments at fair value	<u>\$ 3,305,571</u>

(a) These investments are valued using NAV as a practical expedient, and therefore have not been classified in the fair value hierarchy.

5. REPORTABLE TRANSACTIONS

During the years ended December 31, 2022 and 2021, there were no reportable transactions, no investments both acquired and disposed of within the Plan year, no loans or leases in default or uncollectible or non-exempt transactions with parties-in-interest which would require presentation under the DOL's Rules and Regulations.

6. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN (UNAUDITED)

The Plan Administrator has elected the method of annual reporting compliance permitted by Section 2520.103-8 of the United States Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

	December 31,	
	2022	2021
Notes receivable from participants	\$ 106,709	\$ 74,114
Money market fund	942	-
Mutual funds	4,492,579	-
Pooled separate accounts	-	3,305,571
Insurance company general accounts	-	34,798
	<u>\$ 4,600,230</u>	<u>\$ 3,414,483</u>

	December 31,	
	2022	2021
Investment income (loss):		
Net appreciation (depreciation) in fair value of investments	\$ (862,773)	\$ 407,213
Interest and dividends	96,867	3,252
	<u>\$ (765,906)</u>	<u>\$ 410,465</u>

Prism Health North Texas Retirement Savings Plan
NOTES TO FINANCIAL STATEMENTS

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are pooled separate accounts and insurance contracts managed by the Custodian and record keeper of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Purchases and sales of these accounts and the underlying investments comprising these accounts are open market transactions at fair market value. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA and the IRC. In the event of Plan termination, Participants will become 100% vested in their accounts.

9. TAX STATUS OF THE PLAN

The Plan is intended to comply with the applicable requirements of Section 403(b) of the IRC. The Internal Revenue Service has issued an opinion letter dated March 31, 2017 stating that the plan is acceptable under Section 4013(b) of the Code for use by employers for the benefit of their employees. The Company is relying on the opinion letter that the Plan meets the qualification requirements of the Code. Although the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Plan management evaluates tax positions taken by the Plan, and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. PLAN OPERATIONS

Plan management has identified certain operational failures concerning the application of the definition of compensation for purposes of calculating deferrals and corresponding matching contributions made to the Plan, whereby certain components of employee compensation have been excluded and excluded amounts included in the calculation of employee deferrals and matching contributions. Plan management is currently evaluating affected participants and calculating the required contributions owed to the employees, if any. Corrective contributions, if required, will be funded to the Plan as soon as administratively feasible after a determination is made.

11. CHANGES IN PLAN OPERATIONS

Effective January 1, 2020, certain administrative defaults for the Plan were updated to be in accordance with final regulations of the Setting Every Community Up for Retirement Enhancement ("SECURE") Act of 2019. These changes included altering the age at which required minimum distributions must begin for participants. If a participant reached the age of 70 ½ prior to 2020, then the prior rule of age 70 ½ applies. If a participant reaches the age of 70 ½ during 2020 or later, that participant must now take his or her first required minimum distribution after reaching the age of 72. Formal amendments to the Plan document to reflect these operational changes will be executed prior to the deadline set forth by the SECURE Act, which is December 31, 2022 for calendar year-end plans. On August 3, 2022, the IRS announced in Notice 2022-33 that it is extending the deadline for amending a retirement plan to reflect the provisions of the SECURE Act. The extended deadline under this notice is December 31, 2025.

Prism Health North Texas Retirement Savings Plan
NOTES TO FINANCIAL STATEMENTS

11. CHANGES IN PLAN OPERATIONS (Continued)

On March 27, 2020, in response to COVID-19, Congress passed into law the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”). The CARES Act provides several relief provisions temporarily available to qualified retirement plans and their participants which includes a penalty free coronavirus-related distribution for qualifying individuals, increased loan limits and up to a one-year deferral of loan repayments for qualifying individuals, and a waiver for minimum required distributions otherwise required to be made in the 2020 calendar year. For purposes of receiving a coronavirus-related distribution or loan, a “qualifying individual” is defined as an individual who is diagnosed with COVID-19, whose spouse or dependent is diagnosed with COVID-19, or who, as a result of COVID-19, experiences adverse financial consequences as a result of being quarantined, furloughed or laid off, having work hours reduced, being unable to work due to lack of child care, or other factors as determined by the Secretary of the Treasury. Plan management has evaluated the optional provisions of the CARES Act and has implemented the following provisions: (1) coronavirus-related distributions for qualifying individuals up to \$100,000; (2) increased loan limits for qualifying individuals to the lesser of (i) \$100,000 or (ii) 100% of the participant’s vested account balance; (3) deferral of the period for loan repayments, if applicable, up to one year (at which point the loan will be re-amortized); and (4) waiver of required minimum distributions otherwise payable during calendar year 2020. Formal amendments to the Plan document for these changes in Plan operations will be executed prior to the deadline set forth by the CARES Act, which is December 31, 2022 for calendar year-end plans. On August 3, 2022, the IRS announced in Notice 2022-33 that it is extending the deadline for amending a retirement plan to reflect the provisions of Section 2203 of the CARES Act, which includes a temporary waiver of minimum required distributions for certain retirement plans and accounts. The extended deadline under this notice is December 31, 2025 for calendar year-end plans. On September 26, 2022, the IRS announced in Notice 2022-45 that it is extending the deadline for amending a retirement plan to reflect the provisions of Section 2202 of the CARES Act, which includes coronavirus-related distributions and changes in loan limits and repayment requirements. The extended deadline under this notice is also December 31, 2025 for calendar year-end plans.

Effective February 14, 2022, the AIDS Arms Physicians, Inc 403(b) Plan was merged into the restated Prism Health North Texas Retirement Savings Plan.

12. PLAN AMENDMENTS

Effective January 1, 2022, the plan sponsor adopted the Newport Group, Inc. 403(b) Volume Submitter Plan (basic plan document #20) with the related adoption agreement. The restatement did not significantly change the Plan’s provisions or affect benefits provided to participants with the exception of the following. The Plan was amended when restated to allow for employer matching contributions. The Plan was renamed Prism Health North Texas Retirement Savings Plan.

The Plan changed custodians effective January 1, 2022 to Newport Trust Company (“Newport”). The assets of the plan were transferred to the new custodian in February 2022.

Effective February 14, 2022 the Plan was amended to implement the hardship distribution provision of the Bipartisan Budget Act of 2018. The Plan was also amended allow employer matching contributions to the Plan.

Effective May 23, 2022, the Plan was amended to recognize prior service of employees employed by Dental Health Programs, Inc. d/b/a Community Dental Care and DentaQuest, LLC for eligibility and vesting purposes following the acquisition of Community Dental Care by the Sponsor on May 23, 2022.

Effective November 1, 2022, the Plan was amended to allow rollover contributions to the Plan.

13. SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 6, 2023, the date the accompanying financial statements were available to be issued.

Effective January 1, 2023, the Plan was amended to exclude bonuses and holiday pay from plan compensation.
