Independent Auditor's Report

To the Plan Administrator
The Jewish Home Lifecare Voluntary 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of The Jewish Home Lifecare Voluntary 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 (in liquidation) and 2021 (ongoing), and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by a bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 (in liquidation) and 2021 (ongoing), and for the year ended December 31, 2022 (in liquidation), stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Emphasis of Matter - Terminating Plan and Liquidation Basis of Accounting

As further discussed in Notes 1 and 7 to the financial statements, the Board of Directors of the Jewish Home Lifecare 403(b) Plan, the Plan's sponsor, voted on April 29, 2022 to terminate the Plan. In accordance with accounting *principles generally* accepted in the United States of America, the Plan has changed its basis of accounting used to determine the amounts at which investments in securities are stated, from ongoing basis used in presenting 2021 financial statements to the liquidation basis used in presenting 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue our auditor's report. However, because of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) (Schedule H, Line 4i) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule.

Note 1 - Description of Plan

The following description of The Jewish Home Lifecare Voluntary 403(b) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement, and any amendments thereto, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees, except for excluded employees, of the following controlled group of employers (collectively, the "Employers"):

- Jewish Home Lifecare, Manhattan d/b/a The New Jewish Home, Manhattan
- Jewish Home Lifecare, Harry and Jeanette Weinberg Campus, Bronx d/b/a The New Jewish Home, Harry and Jeanette Weinberg Campus
- Jewish Home Lifecare, Sarah Neuman Center, Westchester d/b/a The New Jewish Home, Sarah Neuman
- JHL Corporate Services, Inc. d/b/a The New Jewish Home, Corporate Services
- Fund for the Aged, Inc. d/b/a Jewish Home and Hospital Foundation
- Jewish Home Lifecare Community Services d/b/a The New Jewish Home, Home Care
- Jewish Home Lifecare University Avenue Assisted Living, Inc. d/b/a The New Jewish Home, University Avenue Assisted Living
- Kittay House, Jewish Home Lifecare, Inc. (Effective May 1, 2019)
- Geriatric Career Development Program, Inc. (Effective May 1, 2019)

Excluded employees are employees who are eligible to participate in a 401(k) plan or another 403(b) plan sponsored by the Employers, and nonresident aliens who do not receive any compensation from the Employers which constitutes U.S. source income. There are no minimum age or service requirements to participate in the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Trustees is responsible for the oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Effective December 31, 2020, the Plan was frozen for all participants. No participant will be permitted to make additional contributions to the Plan and no employees may become participants after December 31, 2020.

Plan termination

The Plan sponsor has the right under the Plan to amend or terminate the Plan at any time subject to the provisions of ERISA. The Plan sponsor voted on April 29, 2022 to terminate the Plan effective April 30, 2022. As a result of the termination, in accordance with accounting principles generally accepted in the United States of America, the financial statements are presented on the liquidation basis of accounting for the period after December 31, 2021 (see Note 2). All participant balances have been distributed as of March 31, 2023 (see Note 7).

Contributions
Prior to December 31, 2020, participants may contribute up to an annual limit set by the Internal Revenue Service (the "IRS"). For December 31, 2022 and 2021, the limit is $20,500 and $19,500, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans or individual retirement accounts (rollover). The Employers do not make contributions to the Plan.

Participant accounts
Each participant's account is credited with the participant's contribution as well as allocations of plan earnings, and specific participant transaction fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are immediately vested in salary deferrals, rollover contributions, plus actual earnings thereon.

Payment of benefits
Upon termination of service, the participant with a vested balance greater than $5,000 may elect to receive a lump sum equal to the value of the vested portion of their account. For participants with a vested account balance greater than $1,000, but less than $5,000, the Plan administrator will make a direct rollover of the participant's account to an individual retirement account designated by the Plan administrator. Participants with a vested account balance of $1,000 or less than $1,000 will receive a lump sum amount equal to the value of the participant's vested interest in his or her account.

Withdrawals from the vested portion of a participant's account may be made in the event of (a) participants who are at least 59½ years of age at the time of distribution and (b) participants who have incurred a hardship, in accordance with the provisions specified in the Plan.

Notes receivable from participants
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined at the time of the loan, is set at 3.5%. The term of general-purpose loans are from three months to five years, and the term of loans related to the purchase of a principal residence may be up to 20 years. Prior to August 1, 2020, participants were limited to a maximum of one outstanding loan. Pursuant to a plan amendment, effective August 1, 2020, participants are limited to a maximum of two outstanding loans. Participants repay the loan principal and interest ratably through personal checks or electronic transfers from the participant's bank accounts. If a participant defaults on a loan, then the loan in default will be distributable to the extent permitted by the IRS Code and Regulations within 90 days of the due date.

Participants may also enter into contract loans directly with Lincoln Financial Group Trust Company, Inc. ("Lincoln"). These loans are issued from funds owned by Lincoln and not from participant accounts and are not included in the Plan's financial statements. The participants receiving such loans use as collateral a portion of their participant account equal to the balance of the principal. The collateral is invested in the Lincoln Fixed Account. Under this arrangement, Lincoln has the right to collect the collateral in the event of a default. At December 31, 2022 and 2021, plan loans

totaling $20,856 and $39,586, respectively, have been defaulted. Collateral invested in the Lincoln Fixed Account amounts to $0 and $99,002 at December 31, 2022 and 2021, respectively.

Note 2 - Summary of accounting policies

Basis of accounting

In accordance with accounting principles generally accepted in the United States of America, due to the decision to terminate the Plan on April 29, 2022 (see Notes 1 and 7), the financial statements as of December 31, 2022 and the year then ended were prepared using the liquidation basis of accounting to determine the amounts at which the Plan assets are stated. The financial statements as of December 31, 2021 were prepared using the ongoing basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Due to the decision to terminate the plan and present the financial statements on the liquidation basis as discussed above, the fully-benefit responsive investment contracts are stated at liquidation value in 2022 which approximates contract value.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at liquidation value which approximates fair value (except for fully benefit-responsive investment contracts, which are reported at contract value in 2021). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance companies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Dividends are recorded on the ex-dividend date.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a deemed distribution is recorded.

Payment of benefits

Benefits are recorded when paid.

Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employers. Expenses that are paid by the Employers are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Other income
Other income represents plan servicing credit which is an account held under the terms of the Plan and funded with excess revenues generated by fees charged to the Plan by the asset custodians. These fees may be used to pay reasonable and necessary expenses for the Plan. The Plan can elect to allocate these credits to the participant's account on a prorated basis.

Subsequent events
The Plan has evaluated subsequent events through October 5, 2023, the date the financial statements were available to be issued.

Note 3 - Certified investments

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2022 and 2021, and investment income and interest income on notes receivable from participants for the year ended December 31, 2022, that are disclosed in the accompanying financial statements and Schedule of Assets (Held at End of Year) (Schedule H, Line 4i), were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Lincoln and The Lincoln Life and Annuity Company of New York, the custodians of the Plan.

Note 4 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3").

The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Variable annuities: Valued at NAV of shares held by the Plan. These annuities have readily determinable fair value and transact at NAV.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	2022			
	Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy				
Mutual funds	$ 47,190	$ -	$ -	$ 47,190

	2021			
	Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy				
Mutual funds	$ 38,896,503	$ -	$ -	$ 38,896,503
Investments measured at NAV (a)				2,918,973
Total investments, at fair value				$ 41,815,476

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair value of investments in entities that use NAV

The Plan held no investments measured at NAV as of December 31, 2022. The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021. There are no participant redemption restrictions for these investments.

	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Variable annuities	$ 2,918,973	None	Daily	None

Note 5 - Fully benefit-responsive investment contracts

The Plan entered into fully benefit-responsive group fixed annuity contracts with Lincoln through its subsidiary, The Lincoln Life and Annuity Company of New York, consisting of Lincoln NY Fixed Account of $62,578 and Lincoln NY Stable Value Account of $1,333, totaling $63,911 at December 31, 2022 and consisting of Lincoln NY Fixed Account of $32,293,522 and Lincoln NY Stable Value Account of $8,537,015, totaling $40,830,537 at December 31, 2021. Lincoln maintains the contributions in a general account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group fixed annuity contracts issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

These contracts meet the fully benefit-responsive investment contract criteria and, therefore, are reported at liquidation value at December 31, 2022 and contract value at December 31, 2021. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Lincoln, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. As of December 31, 2022, no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

Note 6 - Related party and party-in-interest transactions

Plan investments include shares of mutual funds and group fixed annuity contracts managed by Lincoln. Lincoln and The Lincoln Life and Annuity Company of New York are the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return on each fund. Administrative fees paid directly by the Plan for professional services such as custodians, consultants, and auditors, are expenses related to Plan operations and investment activity and are party-in-interest transactions. Notes receivable from participants are also party-in-interest transactions. These transactions qualify as party-in-interest transactions, which are deemed to be "exempt" from prohibited transaction rules, as defined by the DOL.

Note 7 - Plan termination

The Employers have the right under the Plan document to terminate the Plan subject to the provisions of ERISA.

Effective April 30, 2022, the governing body of the Plan approved a resolution to liquidate and terminate the Plan. The Plan was amended on August 15, 2022 requesting participants to receive a distribution or roll-over assets to another plan sponsored by Jewish Home Lifecare, Manhattan d/b/a The New Jewish Home, Manhattan as elected by the participants and on August 24, 2022, nearly all of those transactions were made. Final distributions will continue to be determined based on all participants being 100% vested. The Plan distributed its remaining assets in 2023 and terminated.

Note 8 - Tax status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the "Code"). The terms of the Plan have been prepared to conform with the sample language provided by the IRS in Revenue Procedure 2007-71 and the draft Listing of Required Modifications issued April 4, 2009. The Plan's third-party administrator has applied for an opinion letter on the Plan pursuant to the recently established 403(b) pre-approved plan program outlined in Revenue Procedure 2014-28. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b). Although the Plan itself has never received a determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code.

The Plan was amended and restated on April 24, 2019, retroactively effective January 1, 2010. The amended and restated Plan is a 403(b) volume submitter plan designed by Lincoln. Lincoln has received an advisory letter from the IRS dated March 31, 2017, indicating that the 403(b) volume submitter plan satisfies the applicable requirements of the Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
