To the Executive Committee of the Board of Directors and Plan Participants
Maynard, Cooper & Gale, P.C. 401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Maynard, Cooper & Gale, P.C. 401(k) Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MAYNARD, COOPER & GALE, P.C. 401(k) PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

1. DESCRIPTION OF THE PLAN

The following description of the Maynard, Cooper & Gale, P.C. (the Firm) 401(k) Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering most employees of the Firm. Employees are eligible to make salary reduction elections beginning the first day of the quarter following the employee's date of employment but are not eligible to receive any allocation of Firm-matching contributions or discretionary nonelective profit-sharing contributions until the employee has attained one year of service, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 25% of annual compensation, as defined in the Plan. Participants, who have attained age 50 before the end of the Plan year, are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may elect to make all pre-tax, all Roth (after-tax) or combination deferrals each pay period. The Roth deferrals will be included in the employee's ordinary taxable income and will be maintained separately from pre-tax deferrals. Earnings will accumulate on a tax deferred basis. Participants direct the investment of their contributions into various investment options offered by the Plan. All Participants have the option to self-direct their investments, which allows them to invest in other desired investments outside the investment options offered by the Plan. The Firm contributes 50% of the first 3.5% of annual compensation that a participant contributes to the Plan. The Firm also contributes discretionary nonelective profit-sharing contributions, which are allocated among participants using a range of percentages, as defined in the Plan. Participants must be actively employed during the Plan year in order to share in these discretionary nonelective profit-sharing contributions.

Additionally, the Plan allows for the Firm to make a special qualified nonelective contribution to satisfy, or prevent the failure of, certain Plan compliance requirements. There were no qualified nonelective contributions made during 2022. Contributions are subject to certain IRS limitations.

Allocation of Interest in Master Trust

The Plan's investments represent interests in Maynard, Cooper & Gale, P.C. 401(k) Master Trust (the Master Trust), which was established for the investment of assets of the Plan and another company-sponsored retirement plan. Each participating retirement plan has an undivided interest in the Master Trust. The assets of the Master Trust are held by the trustee. The value of the Plan's interest in the Master Trust is based on the Plan's interest at the beginning of the year plus actual contributions and allocated investment income less actual distributions and allocated administrative expenses. At December 31, 2022 and 2021, the Plan's interest in the net assets of the Master Trust was 98%. Investment income and administrative expenses relating to the Master Trust are allocated to the individual plans based upon the amount of time the plans' assets were invested in the Master Trust.

MAYNARD, COOPER & GALE, P.C. 401(k) PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

1. DESCRIPTION OF THE PLAN – CONTINUED

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Firm's matching contributions and, Plan losses, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Firm's matching contribution and discretionary nonelective profit-sharing contribution is based on years of continuous service. A participant is 100% vested after six years of credited service. If a participant has reached age 65, the participant becomes 100% vested in his or her account upon termination, regardless of length of service.

Notes Receivable from Participants

Participants are able to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance only when an immediate and heavy financial need existed, as defined by the Plan. The existing loans are secured by the vested balance in the participant's account. The loans bear interest at rates commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. The Plan permits participant loans in accordance with the employer's established loan procedures as further described in the Plan Adoption Agreement.

Payment of Benefits

Upon termination of service, a participant may elect to receive an amount equal to the vested balance in his or her account in either a lump sum or a rollover of his or her account balance. Further, the Plan administrator may permit a participant who experiences a qualified financial hardship, as defined, to receive a distribution of a portion of the participant's account balance. Distributions are subject to the applicable provisions of the Plan agreement.

Forfeitures

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$190,660 and \$143,346, respectively. These accounts will be used to reduce future employer contributions. In 2022, employer contributions were reduced by \$453,946 from forfeited nonvested accounts.

Subsequent Events

The Plan's management has evaluated subsequent events through September 14, 2023, the date the financial statements were available to be issued.

Plan Amendments

During Plan year ended December 31, 2022, the following plans were made participating employers in the Plan and all employees as of the effective date were given immediately eligibility and previous time of service was applied to vesting within the plan: Hinshaw & Culbertson LLP (effective January 10, 2022), Swann, Hadley, Stump, Dietrich & Spears, P.A. (effective May 1, 2022) and Winderweedle, Haines, Ward & Woodman, P.A. (effective April 6, 2022)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

The fair value of the investments in the Wells Fargo Stable Return Fund C (the WF Fund) common collective trust fund is estimated using their net asset value (NAV) per unit. The WF Fund distributes income in the form of units and provides a constant redemption value. The WF Fund invests in fully benefit-responsive investment contracts and is presented at fair value based on its NAV.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Firm. Expenses that are paid by the Firm are excluded from these financial statements. Investment related expenses are included in net depreciation of fair value of investments.

5. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2022 and 2021.

- Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs that are unobservable inputs for the asset or liability.

MAYNARD, COOPER & GALE, P.C. 401(k) PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

5. FAIR VALUE MEASUREMENTS – CONTINUED

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2022 and 2021.

Common Stock: Valued at the daily closing price as reported by the stock. Common Stock held by the Master Trust are stocks that are registered with the U.S. Securities and Exchange Commission. These stocks are publicly traded and transact at that price. The common stocks held by the Master Trust are deemed to be actively traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Master Trust are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Master Trust are deemed to be actively traded.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds, common stocks, bonds, and exchange traded funds that are valued on the basis of readily determinable market prices, along with money market funds valued at the NAV of shares held by the Plan at year end. Investments in common stock not traded on an active market are valued based on valuation reports utilizing the cost approach, market approach or discounted cash flow approach. Investments in certificates of deposit are valued at the exact runoff of principal, given its contractual maturity, discounted as the appropriate rate.

The following table sets forth by level, within the fair value hierarchy, the Master Trust's assets at fair value as of December 31, 2022. Classifications within the fair value hierarchy are based on the lowest level of any input that is significant to the fair value measurement.

Description	Investment Assets at Fair Value as of December 31, 2022			
	Total	Level 1	Level 2	Level 3
Investments, at fair value				
Common stock	\$ 391,541	\$ 391,541	\$ -	\$ -
Mutual funds	160,821,484	160,821,484	-	-
Self-directed brokerage accounts	84,790,304	84,790,304	-	-
Total assets in the fair value hierarchy	246,003,329	246,003,329	-	-
Investments measured at NAV ^{(a) (b)}				
Common/collective trust fund	12,612,253	-	-	-
	<u>\$ 258,615,582</u>	<u>\$ 246,003,329</u>	<u>\$ -</u>	<u>\$ -</u>

^(a) This category includes various investments measured at fair value using NAV as a practical expedient. The fair value of the funds has been estimated based on the fair value of the underlying investments in the fund as previously discussed in Note 2.

^(b) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items in the statement of net assets available for benefits.

5. FAIR VALUE MEASUREMENTS – CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021:

Description	Investment Assets at Fair Value as of December 31, 2021			
	Total	Level 1	Level 2	Level 3
Investments, at fair value				
Common stock	\$ 444,500	\$ 444,500	\$ -	\$ -
Mutual funds	191,167,868	191,167,868	-	-
Self-directed brokerage accounts	97,128,819	97,128,819	-	-
Total assets in the fair value hierarchy	288,741,187	288,741,187	-	-
Investments measured at NAV ^{(a) (b)}				
Common/collective trust fund	12,946,324	-	-	-
	<u>\$ 301,687,511</u>	<u>\$ 288,741,187</u>	<u>\$ -</u>	<u>\$ -</u>

^(a) This category includes various investments measured at fair value using NAV as a practical expedient. The fair value of the funds has been estimated based on the fair value of the underlying investments in the fund as previously discussed in Note 2.

^(b) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items in the statement of net assets available for benefits.

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2022, are reported in net depreciation in fair value of investments.

Transfers Between Levels

For the years ended December 31, 2022 and 2021, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. In the event withdrawals from the stable return funds exceed readily available cash, Firm withdrawals will be paid within 12 months, and participant withdrawals will be paid within six months.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Wells Fargo Stable Return Fund C	\$ 12,612,253	n/a	Daily	None

Wells Fargo Stable Return Fund C	\$ 12,946,324	n/a	Daily	None

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

7. TAX STATUS

The Internal Revenue (IRS) has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31 to the Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits		
per the financial statements	\$ 254,340,574	\$ 296,551,638
Cash surrender value of life insurance	<u>835,133</u>	<u>786,637</u>
Net assets available for benefits per the Form 5500	<u>\$255,175,707</u>	<u>\$297,338,275</u>

The following is a reconciliation of total additions per the financial statements for the year ended December 31, 2022, to total income per the Form 5500:

Total additions per the financial statements	\$ (33,595,920)
Gain in cash surrender value of life insurance	<u>48,496</u>
Total income per the Form 5500	<u>\$ (33,547,424)</u>

10. LIFE INSURANCE CONTRACTS

Participants in the Maynard, Cooper & Gale, P.C. Money Purchase Pension Plan and Trust could purchase life insurance with the vested funds in their participant accounts prior to January 1, 2008. The Plan also allows the purchase of life insurance. As of December 31, 2022 and 2021 the cash surrender value for life insurance purchased by participants totaled \$835,133 and \$786,637, respectively.

The life insurance contracts are considered to be allocated contracts since payments to the insurance companies are used to purchase contracts for specific individual participants. In accordance with generally accepted accounting principles, allocated contracts and the related benefit obligations have been excluded from the accompanying financial statements because the purchase of a contract transfers the obligation to pay the benefits and related risks to the insurance company.

11. SUBSEQUENT EVENTS

Effective April 1, 2023, the Plan was amended to allow Nexsen Pruet, LLC to be added as a participating employer and grant immediate eligibility and years of service to count towards vesting of contributions in the Plan. Any newly hired employees after this date were subject to the existing eligibility and vesting guidelines. Additionally, the name of the plan was formally amended to Maynard Nexsen PC 401(k) Plan & Trust, effective January 1, 2023.
