INDEPENDENT AUDITORS' REPORT

To the Board of Directors

Phenix Label Co., Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **Phenix Label Co., Inc. 401(k) Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Phenix Label Co., Inc. 401(k) Plan**'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Phenix Label Co., Inc. 401(k) Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Phenix Label Co., Inc. 401(k) Plan**'s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Phenix Label Co., Inc. 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Phenix Label Co., Inc. 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets Held at Year End as of December 31, 2022 and 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PHENIX LABEL CO., INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Administrative Expenses – The majority of administrative expenses incurred in maintaining the Plan are paid by the plan participants. These include the cost for the Minnesota Life Insurance Company to manage the funds and serve as the third-party administrator.

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Expenses – Investment related expenses are included in net appreciation/(depreciation) of fair value of investments.

Investment Valuation and Income Recognition – The Plan invested in mutual fund pooled separate accounts. These are reported using the net asset value (“NAV”) per share as determined by the investment managers under the NAV practical expedient. The NAV practical expedient is used to estimate the fair value of the Plan’s interest in the fund, and it allows net asset per share to represent fair value for reporting purposes when specific criteria are met (Note 3).

The Plan’s Investment Committee determines the Plan’s valuation policies utilizing information provided by the investment advisors, custodian, and insurance company. The Plan’s Investment Committee is responsible for the fair value measurement of investments reported in the financial statements and believes that the reported values are reasonable. See Notes 3 and 4 for discussion of fair value measurements.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued) – Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment income from mutual fund pooled accounts includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits – Benefits are recorded when paid.

Subsequent Events – Management has evaluated events and transactions that have occurred since December 31, 2022 and reflected their effects, if any, in these financial statements through July 28, 2023, the date the financial statements were available to be issued.

2. DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. The Plan document contains a more complete description of the Plan's provisions. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a contributory defined-contribution plan covering all employees of **Phenix Label Co., Inc.** (the "Company"), who have completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). **Phenix Label Co., Inc.** is the Plan sponsor and administrator. The management of **Phenix Label Co., Inc.** is responsible for oversight of the Plan. Management determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions – Participants may make salary deferrals up to the maximum amount allowed by law of pretax annual compensation. The Plan includes an auto-enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. In addition, there is an automatic annual 1% increase of the deferral percentage up to a maximum of 12% of employee compensation.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

2. DESCRIPTION OF THE PLAN (continued)

Contributions (continued) – Phenix Label Co., Inc. 401(k) Plan's contribution consists of matching 100% of the employee's contributions up to 4 percent of the employee's compensation. The Company may make discretionary contributions to the Plan as determined by Company management. The Plan does contain a safe harbor provision. The safe harbor contributions are calculated on a plan year basis.

Contributions to a participant's account are not to exceed limits as defined in the Internal Revenue Code. Upon enrollment, a participant may direct employee and employer contributions to any of the various investment options offered in the Plan.

Forfeitures – The forfeited non-vested accounts totaled \$-0- at December 31, 2022 and 2021. The benefit, to which a participant is entitled, is the benefit that can be provided from the participant's vested account. In 2022 and 2021, \$-0- of forfeiture funds were used to pay administrative fees. Administrative fees of \$50,534 and \$14,403 were paid directly from participant accounts for the years ended December 31, 2022 and 2021, respectively.

Investment Elections – The investment options included various pooled separate account funds managed by Securian Financial. The participant contributions and the company matching contributions are allocated to the various investment options offered by the Plan as directed by participants.

Participant Accounts – Each participant's account is credited with (a) the participant's salary deferral contribution, (b) the allocation of the employer matching and discretionary contributions, (c) Plan earnings, and (d) contributions and forfeitures of terminated participants' non-vested accounts. Participant accounts are charged with administrative expenses that are charged to the Plan. Allocation is based on participant compensation or account balances, as defined in the Plan agreement.

Payment of Benefits – Upon termination of service, retirement age or age 59 ½, a member may elect to either receive a lump-sum amount equal to the value of the member's vested benefit or leave any vested benefit in the Plan. Withdrawals prior to attaining age 59 ½ are not permitted, except in the event of retirement, disability, or as a hardship distribution. Upon proof, to the satisfaction of the plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½. Vested benefits of former participants totaled \$290,693 and \$9,791 at December 31, 2022 and 2021, respectively.

2. DESCRIPTION OF THE PLAN (continued)

Vesting – Upon entering the Plan, participants are immediately vested in both their contributions and the company contributions, plus actual earnings thereon.

3. PLAN FAIR VALUE MEASUREMENTS

The objective of a fair value measurement is to determine the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Accordingly, the fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three-tier hierarchy of inputs is summarized in the three broad levels below:

- Level 1 – inputs are unadjusted quoted market prices in active independent markets for identical assets and liabilities;
- Level 2 – inputs are directly or indirectly observable estimates from quotes for similar but not identical assets and liabilities, market trades for identical assets not actively traded, or other external independent means;
- Level 3 – inputs are unobservable and reflect assumptions on the part of the reporting entity.

The following table sets forth information about the levels within the fair value hierarchy at which the Plan's assets and liabilities are measured on a recurring basis at December 31:

Assets at Fair Value as of December 31, 2022

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

- (a) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

4. INVESTMENTS

The Plan administrator has elected the method of compliance as permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for the years ended December 31, 2022 and 2021. As permitted under such elections, the Plan management instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following investment information certified by the Minnesota Life Insurance Company, the Trustee of the Plan, except for comparing such information certified by the trustee included in the Plan's financial statements and supplemental Schedule H, line 4i Schedules of Assets Held at Year End:

	<u>2022</u>	<u>2021</u>
Pooled separate accounts	<u>\$ 13,578,543</u>	<u>\$ 15,741,487</u>
Total	<u>\$ 13,578,543</u>	<u>\$ 15,741,487</u>

The respective trustee also certified to the completeness and accuracy of (\$2,429,924) and \$1,612,507 of net (depreciation) appreciation in fair value of investments related to the aforementioned investments for the years ended December 31, 2022 and 2021, respectively.

5. INCOME TAX STATUS

The Plan received a determination letter from the Internal Revenue Service dated March 31, 2014, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status. The Plan has been amended subsequent to receipt of the favorable determination letter. The plan administrator believes the amendments do not adversely affect the qualified status of the Plan. In the event the IRS determines the amended Plan does not qualify, the Plan will be amended retroactively to maintain the Plan's qualified status. Accordingly, no taxes have been provided for in the financial statements.

PHENIX LABEL CO., INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, members will become 100% vested.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate and market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of those securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

8. RELATED PARTY TRANSACTIONS

Minnesota Life Insurance Company, the trustee of the Plan, manages certain Plan investments. Therefore, these transactions qualify as party-in-interest transactions and are denoted as such on the Supplemental Schedule of Assets - Held at Year End. Fees incurred by the Plan for investment management services are included in net appreciation/(depreciation) in fair value of investments because they are paid from the investment earnings. The Plan made direct payments to the third party administrator of \$2,201 and \$14,403 for the years ended December 31, 2022 and 2021, respectively. PHD Retirement Consulting provided retirement consulting for the Plan overall in 2022 and 2021, and they will also meet with employees individually, if needed. The Plan made direct payments to the retirement consulting firm of \$48,333 for the year ended December 31, 2022. The fees paid to the Minnesota Life Insurance Company were charged to administrative expenses for the years ended December 31, 2022 and 2021. The fees paid to PHD Retirement Consulting were charged to investment expenses for the year ended December 31, 2022 and deducted from investment income for the year ended December 31, 2021.
