INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Ohio Association of County Boards of
DD Health Care Plan and Trust

Opinion

We have audited the accompanying financial statements of the **Ohio Association of County Boards of DD Health Care Plan and Trust (the Plan)**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan obligations (liquidation basis) as of **December 31, 2022 and 2021**, and the related statements of changes in net assets available for benefits and of changes in benefit obligations (liquidation basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the Plan as of December 31, 2022 and 2021, and the changes in its financial status for the years then ended, in accordance with the liquidation basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the liquidation basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the liquidation basis of accounting described in Note 2; this includes determining that the liquidation basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules (liquidation basis) of (1) Schedule H, Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2022 and, (2) Schedule H, Line 4j-Schedule of Reportable Transactions for the year ended December 31, 2022, are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of Plan Management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

In forming our opinion on the supplemental schedules (liquidation basis), we evaluated whether the supplemental schedules (liquidation basis), including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules (liquidation basis) are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**THE OHIO ASSOCIATION OF COUNTY BOARDS
OF DD HEALTH CARE PLAN AND TRUST**
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Ohio Association of County Boards (OACB) of DD (Developmental Disabilities) Health Care Plan and Trust (the “Plan”), a defined benefit health & welfare plan, provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan’s provisions.

General and Eligibility

The Plan provides health benefits covering participating county boards of DD and affiliated agencies in Ohio (Employers). The Plan and related trust were established in 1989 by the Ohio Association of County Boards Serving People with Disabilities (the Sponsor) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan established the OACB Health Care Alliance under the laws of Ohio and is authorized to operate as a small employer health care alliance. The Alliance provides a method for the Plan to offer quality health coverage to its employees and eligible dependents at reasonable costs.

The Plan uses CBA Benefit Services (CBA) for the administration of the Plan. CBA collects contributions for the Plan. The Plan uses Huntington National Bank as the Custodian (Custodian).

At the March 3, 2021 Board of Trustees meeting, the Board of Trustees resolved to terminate the Plan. Upon termination, any reserves will first be used to pay benefits to covered persons. If funds remain after all benefits to which covered benefits are entitled are paid, the funds will be distributed according to the termination rules as stated in the Plan Document. Per the termination rules, the Plan provides for the distribution of assets (to the Employers) after all claims and expenses have been paid. The Plan document states that the assets that the Employers receive must be used for the benefit of the employees/participants. No portion of the assets may be used to benefit the Employers. The Plan document states that 100% of the distribution must be used to benefit the employees and no portion of the money can be used to benefit any Employer. This means all the money must be used to pay for employee benefits or distributed to the employees in cash. This amount distributed from the Plan to the Employers was \$1,302,377 for the year ending December 31, 2022.

As a result of the termination, the Plan changed its basis of accounting to the liquidation basis of accounting. Under the liquidation basis of accounting, assets are measured during the liquidation process and liabilities are measured using the accrual basis of accounting and would include any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

Contributions

Contributions to the Plan and the applicable contribution rates are calculated annually by CBA and the Plan’s Board of Trustees. All rates are then approved by the Board of Trustees. Rates vary depending on coverage desired and number of eligible dependents. Each participating employer is responsible for setting their individual employer and employee share of the contribution.

Benefit Payments

The Plan provides health benefits (medical, dental, prescription drug and vision) to full-time participants and to their beneficiaries and covered dependents.

**THE OHIO ASSOCIATION OF COUNTY BOARDS
OF DD HEALTH CARE PLAN AND TRUST**
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

The Plan provides medical, prescription drug and vision coverage through fully-insured plans. The payments of these claims are covered by group insurance contracts with Medical Mutual of Ohio (Medical Mutual) and Vision Service Plan (VSP).

The dental coverage provided by the Plan is administered under a minimum premium plan. The Plan dental coverage is provided by Delta Dental of Ohio (Delta Dental).

The Plan's Board of Trustees, as Plan Administrator and Fiduciary, has the right under the Plan to modify the benefits provided to active employees.

Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party administrators, third-party claims administrators, and the Custodian. The Plan also pays for the applicable professional fees related to the Plan. These expenses are reported on the statements of changes in benefit obligations and net assets available for benefits as administrative expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As discussed in Note 1, the financial statements of the Plan are prepared under the liquidation basis of accounting. This basis of accounting does not differ from the accrual basis of accounting.

Use of Estimates

In preparing the Plan's financial statements, the Plan administrator is required to make estimates and assumptions that affect the reported amounts of Plan assets, and liabilities, and the reported increases and reductions of Plan assets during the reporting period. Actual results could differ from these estimates.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation or depreciation, if applicable, includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Risks

The Plan's investments are limited, and therefore, as with any investment, are exposed to various risks, such as interest rate, market, and credit risks. This could result in a material effect on the net assets available for benefits.

**THE OHIO ASSOCIATION OF COUNTY BOARDS
OF DD HEALTH CARE PLAN AND TRUST**
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Plan Benefits

Plan obligations at December 31, 2022 and 2021 are for claims incurred by active participants but not reported at that date, are determined in accordance with accepted actuarial principles. Such estimated amounts are reported in the accompanying financial statements.

Payment of Benefits

Premiums paid by the Plan are recorded as premiums in the statements of changes in net assets available for benefits and changes in benefit obligations. Claim payments due to claims administrators are recorded when paid by the third party administrators. Amounts due to claims administrators that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the statements of net assets available for benefits and of plan benefit obligations.

Reclassifications

Certain prior year amounts have been reclassified to conform to the current year financial statement presentation.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan has adopted Accounting Standards Codification (ASC) No. 820, Fair Value Measurements. ASC No. 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC No. 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued based on quoted prices in an active market (Level 1).

**THE OHIO ASSOCIATION OF COUNTY BOARDS
OF DD HEALTH CARE PLAN AND TRUST**
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

The methods described above may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at fair value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual fund-money market	\$ 0	\$ 0	\$ 0	\$ 0
Total investments at fair value	\$ 0	\$ 0	\$ 0	\$ 0

	Assets at fair value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual fund-money market	\$ 1,308,980	\$ 0	\$ 0	\$ 1,308,980
Total investments at fair value	\$ 1,308,980	\$ 0	\$ 0	\$ 1,308,980

NOTE 4 - BENEFIT OBLIGATIONS

Health costs for medical, prescription drug and vision coverages incurred by participants and their beneficiaries and dependents are covered by insurance contracts maintained by the Plan. It is the present intention of the Sponsor and the Plan to continue obtaining insurance coverage for these benefits.

The Plan provided dental coverage under a minimum premium plan, which is administered by Delta Dental. Delta Dental is highly experienced in the processing of dental claim requests. A valid claim must be submitted to the Plan administrator and paid within twelve months after services have been provided.

NOTE 5 - TAX STATUS

The Internal Revenue Service (the "IRS") has determined by letter dated June 5, 2003, that the Plan is qualified under Section 501(a) of the Internal Revenue Code (the "Code") and, accordingly, exempt from Federal income taxes. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan has been amended and restated since receiving the IRS determination letter to encompass all previous amendments. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effect of a tax position is recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021 and for the years then ended, that there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**THE OHIO ASSOCIATION OF COUNTY BOARDS
OF DD HEALTH CARE PLAN AND TRUST**
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 6 - PLAN TERMINATION

Under certain conditions, the Plan may be terminated. Upon termination, the assets then remaining shall be subject to the applicable provisions of the Plan then in effect and shall be used to pay benefits to the participants. Any remaining assets will then be returned to the participating employer's new plan or to the employees.

If a participating employer terminates its coverage under the Plan, that employer immediately becomes responsible for its benefit obligation as calculated by the Plan and forfeits all rights to the Plan's investment reserves. See Note 1 regarding the Board's election and plans to terminate the Plan.

NOTE 7 - PARTIES-IN-INTEREST TRANSACTIONS

It is the policy of CBA to deposit contributions received from participants and Employers into its depository account and then wire-transfer the funds into the Plan's trust account. The Plan has contracted with CBA to provide accounting and administrative services. In addition, Delta Dental provided dental premium and claim processing services to the Plan. The Huntington National Bank is also considered a party-in-interest as they receive Custodian fees from the Plan.

NOTE 8 - SUBSEQUENT EVENTS

The Plan evaluated subsequent events through October 3, 2023, the date which the financial statements were available to be issued.
