Report of Independent Auditors

Administrative Committee and Participants
Boston Celtics 401(k) Savings and Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Boston Celtics 401(k) Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Boston Celtics 401(k) Savings and Retirement Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Celtics 401(k) Savings and Retirement Plan's ability to continue as a going concern for one year from the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion the effectiveness of Boston Celtics 401(k) Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Celtics 401(k) Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing

of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held as of December 31, 2022 is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BOSTON CELTICS 401(k) SAVINGS AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

December 31, 2022

1. Description of the Plan

The following description of the Boston Celtics 401(k) Savings and Retirement Plan (the Plan) provides only general information. Reference should be made to the Plan document and adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan sponsored by Banner Seventeen, LLC dba The Boston Celtics (the Company). The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Eligibility and Participation

Employees are eligible for participation in the Plan, the first of the month after six months of service. The Plan excludes: Non-resident aliens, employees classified as game day/game night staff, telemarketing staff, players, inside sales staff and all other coaches and trainers participating in the NBA Coaches' and Trainers' 401(k) Plan.

Contributions

A participant may elect to contribute to the Plan any amount up to the limits established by the Internal Revenue Service (IRS). Participants may elect to rollover distributions from other qualified retirement plans. Participants are allowed to make Roth contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Company provides for a matching contribution of 100% of employee deferrals up to 7% of eligible compensation, as defined in the Plan.

Participants can direct the allocation of their accounts to any of the stipulated investment fund alternatives offered by the Plan. Participants may change their investment options at any time during the year through the use of a telephone automated program or via the internet.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and, (b) Plan earnings or losses, and charged with certain expenses, primarily mutual fund fees and expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

1. Description of the Plan (continued)

Vesting

Participants are immediately vested in their contributions and earnings thereon. Company matching contributions vest as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
At least 1 year, but less than 2	50%
At least 2 years, but less than 3	75%
3 years or more	100%

Forfeitures of employer contributions can be used to pay Plan expenses or to reduce future Company matching contributions. Unallocated forfeited balances as of December 31, 2022 and 2021, were \$0 and \$6,621, respectively. During 2022, forfeitures totaling \$7,577 were used to pay plan expenses and \$6,626 was used to reduce matching contributions.

Notes Receivable from Participants

The Plan allows participants to borrow against their accounts. Such loans shall not exceed 50% of the participant's vested interest in their account. The Plan has established a minimum loan request of \$1,000 per loan. Loans can be for any purpose with a term not to exceed 5 years, unless it is for the purchase of a primary residence in which case the term shall not exceed 30 years. Interest rates on outstanding loans at December 31, 2022 ranged from 4.25% to 7.25% with various maturities through January 2049. Interest rates on outstanding loans at December 31, 2021 ranged from 4.25% to 6.50% with various maturities through January 2049. Principal and interest are paid ratably through payroll deductions.

Notes receivable are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Benefits

Upon termination, death, disability, or retirement on or after age sixty-five, participants are entitled to a distribution of the balance of their vested accounts. Participants may also withdraw any or part of their rollover contributions in the Plan, at any time and at any age. Participants who have attained the age of 59^{1/2} may elect to withdraw all or part of their vested account balance from the Plan without penalty. Vested balances which do not exceed \$5,000 will be automatically distributed to terminated employees in the form of an individual retirement account if not specified otherwise. Vested balances which do not exceed \$1,000 will be automatically paid out in cash to terminated employees.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

1. Description of the Plan (continued)

Plan Administration

The plan administrator has the authority to appoint person(s) or entities to carry out the operations of the Plan. Empower Retirement serves as the recordkeeper and Empower Annuity Insurance Company of America (formerly Great-West Life and Annuity Insurance Company) and Empower Trust Company, LLC (formerly Great-West Trust Company, LLC) served as the Custodian and Trustee for the plan. Certain fees incurred by the Plan are included in net depreciation in fair value of investments, as they are paid through a revenue sharing arrangement, rather than a direct payment. Other administrative expenses are paid by the Plan and the Company.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total account balances.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). Investments in mutual funds are stated at fair market value based on the last quoted price as of the Plan year end. See Note 5 for further discussion and disclosures related to fair value measurements.

The Plan invests in a fully benefit-responsive guaranteed annuity contract (GAC). This investment contract is recorded at contract value (see Note 6). Contract value is the relevant measurement attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value of the fully benefit-responsive investment contract represents contributions plus earnings, less participant withdrawals and administrative expenses.

BOSTON CELTICS 401(k) SAVINGS AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

December 31, 2022

2. Summary of Significant Accounting Policies (continued)

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility, liquidity and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the value of investment securities in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Benefit Payments

Benefit payments are recorded when paid.

Subsequent Events

Events occurring after the date of the statement of net assets available for benefits are evaluated by management to determine whether such events should be recognized or disclosed in the financial statements. Management has evaluated subsequent events through September 25, 2023, which is the date the financial statements were available to be issued.

3. Related Party and Party-in-Interest Transactions

As described in Note 1, the Plan has a number of service providers. Such providers are parties-in-interest under ERISA. Loans to participants also qualify as party-in-interest transactions.

BOSTON CELTICS 401(k) SAVINGS AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

December 31, 2022

4. Information Certified by the Plan's Trustee and Custodian

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by Empower Trust Company LLC (formerly Great-West Trust Company, LLC) and Empower Annuity Insurance Company of America (formerly Great-West Life & Annuity Insurance Company), the Trustee and Custodian, except for comparing such information with the related information included in the accompanying financial statements and supplemental schedule. The plan administrator has obtained certifications from the Trustee and Custodian as of and for the year ended December 31, 2022, and as of December 31, 2021, stating that the information provided to the plan administrator by the Trustee and Custodian is complete and accurate. Such certified Plan information includes investments, and notes receivable from participants, net depreciation in fair value of investments, dividends and interest, interest income on notes receivable from participants, investment transactions and note receivable transactions.

5. Fair Value Measurements

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different

methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments carried at fair value.

Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 36,779,988	\$ –	\$ –	\$ 36,779,988
Total investments at fair value	\$ 36,779,988	\$ –	\$ –	\$ 36,779,988

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 45,335,837	\$ –	\$ –	\$ 45,335,837
Total investments at fair value	\$ 45,335,837	\$ –	\$ –	\$ 45,335,837

6. Fully Benefit-Responsive Investment Contract

The Plan's Key Guaranteed Portfolio Fund option with Empower Annuity Insurance Company of America met the fully benefit-responsive investment criteria and, therefore is reported at contract value. Contract value as reported to the Plan, by the Custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There is no reserve against contract value for credit risk of the contract issuer or otherwise.

The issuer, Empower Annuity Insurance Company of America, maintains the contributions to the Key Guaranteed Portfolio Fund. The account is credited with participant contributions plus earnings and charged for participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal. The crediting interest rate will be determined by Empower Annuity Insurance Company of America prior to the last day of the previous calendar quarter and is based on a formula agreed upon with the issuer, but may not be less than 0%. Upon termination of the group annuity contract Empower Annuity Insurance Company of America reserves the right to defer payment of this amount up to 12 months.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or

spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

7. Tax Status

The underlying non-standardized pre-approved plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the plan is qualified under Section 401(a) of the Internal Revenue Code (the Code), and therefore, the related trust is tax exempt. The plan administrator has determined that it is eligible to and has chosen to rely on the current IRS volume submitter advisory letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore, believes the Plan is qualified and the related trust is tax-exempt.

GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.
